## FROM THE BRIDGE ☆ ☆ ☆

SEPTEMBER 1987

I have been trying to write this article for weeks. I don't suppose any Commodore finds his last words From the Bridge easy to compose. So I finally decided to simply put the mind on "GO", the fingers on "TYPE", and let my thoughts manifest themselves on the page.

First and foremost on my mind is that Commodore Mike Jacobs is getting better daily, is exercising three times a day, and is generally driving June crazy. Sounds like he is doing well.

Secondly, Commodore Whitey Limes is mending well after a fall at his home earlier this month. I understand that some surgery is pending and we all wish Whitey well.

Some said it couldn't be done. Others probably believe it still hasn't. Never-the-less, this year's Board of Governors (and yes, even the Board of Trustees) deserve alot of credit for their achievements.

Vice Commodore Bob Boehm and Rear Commodore Rick Fulgham bailed me out more than once this year and the accomplishments of the year are to a large extent a result of their talents. They both deserve your support in the upcoming election.

And what a Board!! Dredging at Eastport, a new foyer, more parties than ever before, a new Flying Junior for the juniors, forty-plus new members, VHF radio communications between the race shack, clubhouse, and member's boats, and, oh yes, the pool!! We have been a "doing" Board. We have also been a "spending" Board. But we leave the club in an excellent financial situation with more than enough for incoming and somewhat more conservative Commodore Boehm.

And lest you think that I have no admonishments for the membership in this, my last article From the Bridge, take heed. BLYC is what it is because of you. Thanks! Now then; (1) if you haven't picked up your DIRECTORY do so, we don't want to pay the postage to mail the remaining ones unless we have to. (2) my apologies to those whose boat trailers I "impounded" at Eastport last month. It was my pleasure to put them in the right parking area for you. (3) Thanks!

Please note in this LOG the following: reports on Junior Bay Week by Governor Leichner and Pat Forster, a report on the Junior Sail-Offs by Commodore Foster via Joe Kerr, the listing of September events including the Election and Annual Meeting, and the flyer on the upcoming Snowball.

And finally, DON'T FORGET: Election and Annual Meeting on Sunday, September 30th.

See you there, if not before.

# JUNIOR SAILING

GOVERNOR JIM LEICHNER

\*\*\* CONGRATULATIONS ARE IN ORDER FOR OUR JUNIORS \*\*\*

The Junior race week results at Put-In-Bay were spectacular!

Jenny Forster and her crew Holly Higgins and Matt Ottenweller finished third (tied for second) in the Championship Series of the Sears Cup.

Jenny also received an additional honor of being voted outstanding sports woman. WAY TO GO JENNY!!!

Kathie Dressel and her crew Barb Hein also finished in the Championship Series maneuvering their Flying Junior to a fourth place finish in the Bemis Trophy.

Chad Headlee did quite well in his Lazer finishing in third place in the Commodore Series for the quarter final Smythe Trophy.

JUNIORS: THE CLUB IS VERY PROUD OF YOUR ACHIEVEMENTS. KEEP UP THE GOOD WORK!!!

Also, a special thanks to our sailing camp instructors Tracy Hein and Kelly Ottenweller for doing an excellent job this summer. The camp was a great success, and the students not only enjoyed their week, but also did a great job improving their sailing abilities and techniques. We certainly enjoyed having them and hope they will all return next year.

INCORPORATED

1987 Junior Sail-Offs  
August 22nd and 23rd

Commodore Foster and Vice-Commodore Boehm headed up this year's Sail-Off Committee assisted by Frank Foster and Don Hardy. (I was there both days and saw a lot of "unofficial" help, i.e. Commodore Dressel and Lori Kumler.)

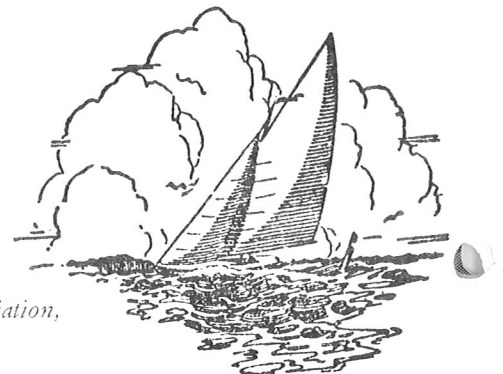

The purpose of the Sail-offs are to determine the choice of boats for Bay Week "88" for Lasers as well as Skipper and Crew for the B.L.Y.C. Thistle.

Eight races must be completed, two with "Heavy Winds". Saturday's wind easily provided the heavy wind part with puffs well over 20 m.p.h. after two races were completed. The remaining six races were run and completed on Sunday that turned out to be a perfect day for sailing.

Congratulations to all the Juniors for an excellent effort, particularly Kathy Dressel, this year's Junior Sail-Off Champion.

# BUCKEYE LAKE YACHT CLUB

INCORPORATED

Lido 14 International Class Association  
1987 Championship Regatta  
July 27 - 30, 1987

It was a privilege for the Buckeye Lake Yacht Club to host this International Regatta. The week started out on July 27 with a practice race to allow the visitors the feel of the Lake. That afternoon the first elimination race was run with the second and third elimination races run the next day. With 21 boats participating, two flights were necessary -- 11 in the Gold Flight and 10 in the Silver Flight. Two Central Ohio sailors, Dr. Minton and Pete Polites, participated in the Gold Flight. On July 29th, first and second Championship races were run -- both drifters. July 30th, a.m., third race was run. In the afternoon, with good wind, Race Committee Chairman Jack Beeson ran four races back to back.

Tim Mulvaney won the Gold Flight and became the 1987 Lido 14 Champion. Dr. Minton finished seventh while Pete Polites encountered breakdowns throughout. Ed Caughlin (L.Y.C.) won the Silver Flight.

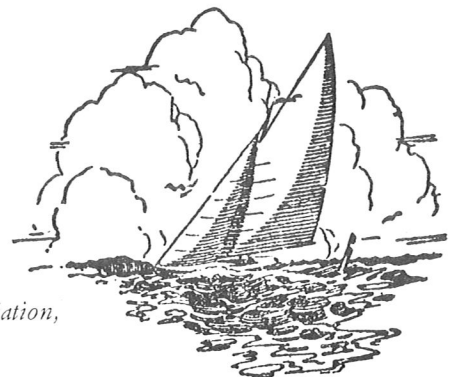

Thanks to Jack and Peg Beeson for their usual excellent job as Race Committee Chairpersons. Also, thanks to the Beeson's committee: Dick Wolf, George Rogers, Billy Boehm and Bill Shimp.

We were pleased to have participants from across the country with eight boats from California, one from Dallas, Texas, and also one from Portland, Oregon.

Bill Schock, designer and builder of the Lido 14, along with his wife, Betty, were with us throughout the week and said they thoroughly enjoyed B.L.Y.C. hospitality as well as Buckeye Lake.

This event was totally sponsored by the Nationwide Insurance Company which provided 100% of the funding.

# GOV. EDDIE GAISER

August 17, 1987

For the last several months you have seen the proposed addition to the B.L.Y.C. Constitution in the log and on the bulletin board at B.L.Y.C. This change will provide an absentee ballot for those people that cannot attend our annual election. This year we have two past commodores that probably will not attend because of health reasons. If there would be an absentee ballot, they could still vote for the candidates of their choice.

Please read the following proposal and give it your consideration at the annual meeting on Sunday September 20th.

## PROPOSED ADDITION TO THE BLYC CONSTITUTION

It is proposed to add the following paragraph to the BLYC Constitution, Article V!!, Section 3.

A member in good standing who is entitled to vote may obtain an absentee ballot if: (1) he has attended, in person, and voted in both of the previous two annual elections; and (2) he cannot be at the club on the election day for a valid reason, such as illness, a death in the family, he must be more than 75 miles from the BLYC clubhouse on election day, or he must attend a business meeting. The absentee ballot shall be obtained by submitting a written request for it to the judge or tellers of the election, along with a brief written explanation of the reason for the need for an absentee ballot. The judge and tellers shall judge the validity of the reason. To be counted in the election, the absentee ballot must be delivered to the club postal address on or before the Friday prior to election day and be in an envelope marked in substance "Absentee ballot, do not open before 9:00 a.m.", followed by the election date. All proper absentee ballots shall be opened and counted by the election judge and tellers along with ballots cast on election day.

Eddie Gaiser, governor

Guests who attended the annual luau, at the royal yacht club, have been most vocal with their appreciation of this fantastic event. It is impossible to acknowledge and thank each individual, there were so many, who contributed so much.

The host and hostess who coordinated the suggestions and efforts.

The "gals" who rehearsed many long, tedious hours for their song and dance act.

The "boys" who outdid themselves, with their rendition of the hula, in paint and costume.

Wilbur who sang and then lead us all in singing Tiny Bubbles, a classic melody.

Our own young ladies who did their elegant interpretation of the hula.

Our own young men who provided the beautiful backdrop of lights on the sailboat masts.

The decoration chairman and so many helpers who spent almost two days creating for us, "Hawaiian Heaven".

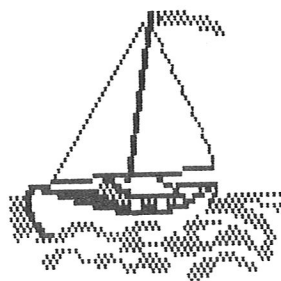

The appropriate menu, deliciously prepared, from our own kitchen.

A special thanks to the weatherman, who certainly did cooperate.

May we all look back on this event with many fond memories, and look forward to the 1988 luau.

The King and Queen

# GOV. EDDIE GAISER

Since we were children we have heard the old cliché "Make your job fun". Well, it was not the days spent on the phone getting the right people in the right place at the right time that made my job of entertainment fun. It was the people, yes, you the members of the B.L.Y.C.

In November you made our first progressive Euchre Party a huge success. And even though the clubs entertainment will be in the hands of another governor, Gene and Jane Kenney have promised to continue the monthly fun this year and they hope to have the first game on Saturday September 12th. This is so the members, who go South for the winter will be able to get in some extra games.

Also in the month of November my wife Jody and I had the opportunity to host the OSU band party. The next fun time was the New Year's Eve celebration hosted by the fun couple Betsy and Dan Kerr.

Another very fun couple Donna and Larry Hoover hosted the "Ice Breakers" and in January we even tried a disc jockey which you thought was a real "blast".

Everyone looked beautiful on the evening that Paul and Mary Doh invited you to the well decorated hall for the Sweetheart Ball on St. Valentine's Day.

And you were still having a great time when you attended Don and Dorothy Best's St. Patrick's Day party which was complete with a Blarney Stone furnished by Joe and Nancy Lofinko. Also in March, Pat and Ron Lyons held the Western Party and boy were you fun.

One of the best times you had this year was through the generosity of Verna and Jim Gibson who hired "Phil Dirt and the Doziers". And, the Commodores who grilled such wonderful steaks. You were all wonderful.

Jim and Tara Barney decorated the club beautifully for our Fourth of July dance and you were very enjoyable at that one. Also in July, Jody and I had the privilege of hosting a party in honor of our Commodore and his family who are leaving us this fall.

You were fantastic at the Luau (New Members' Party). Your costumes were great and you were all a real "trip". We loved the entertainment by you, the members, as well as the professional hula dancer Mariah. The island was decorated beautifully thanks to Doris and Bob Dye and all the fun you had was made possible by a very creative Fran and Bob Baughman.

We promise you will be a huge success as party people when you attend the Labor Day dance in September where you will rock to the music of Greasy Chuck and the High Tops. Ronda and Jack Loudermilk and Carol Donnelly are the "funnest" of people and they will be host and hostesses.

You will have a new entertainment chairman but the fun will continue because the things that make our parties successful are John Doneff our club manager and staff and you the members of B.L.Y.C. Thank you for making my job a "fun" one.

Eddie Gaiser, governor

NOW HEAR THIS !!!

Commodore Whitey Limes is recovering nicely from a recent illness that confined him to the Licking County Hospital for a short period of time. He is now at the N.C.I. Convalescent Center in Newark. Whitey, Everybody says "hi" and to hurry up and get back here cause we sure miss that mug of yours in the Gob's Mess.

## Shortcomings

O'Rourke is always hard to please. Asked about the ballet he had just seen, he snorted, "Ridiculous! All those people running around on tiptoe! Why don't they hire taller people in the first place?"

## Amen

A man fighting a case in tax court looked at the bench and said, "As God is my judge, I do not owe this tax."

The judge replied, "He's not. I am. You do."

## Good Point

I'm confused. If the doctor says that I'm in shape to go jogging, then what's the sense in me going jogging?

## Worth The Wait

Two old war veterans were watching the Veterans Day parade. One got tired and decided to go home. The other said, "You should wait, I hear they're going to have a nude lady riding a white horse." "Oh yeah," the first veteran replied, "I think I will stay. It's been a long time since I've seen a white horse."

## Endless

New wife to her friend: "House-keeping is like threading beads on a cord with no knot at the end."

## Are You Sure?

While my wife and I were looking over some items in a department store, the sales clerk said helpfully, "If you see something you want that isn't there, we probably have more in the back."

"I would've had to stay home and clean out the garage if it hadn't turned out to be a nice day."
