## FROM THE BRIDGE ☆ ☆ ☆

NOVEMBER 1988

Thanks to Gerry Besanceney we had a very nice Snowball regatta for the Cruising Fleet, Lightnings and Lidos. There was dinner and dancing on Saturday evening and awards were presented on Sunday. Also a special thanks to Frank Foster for getting the kids together for the Junior Snowball. There were fourteen Lasers and five from Hoover Dam. On Sunday they had pizza and watched Videos of their races. Gerry and Frank are the kind of people that keep sailing alive and well at The Club. Thanks guys.

The first board meeting for 1988/89 was held. Much was discussed and accomplished. Since the new budget is still being considered, we did not act on the amount of dues for next year. We did, however, raise the initiation fee to \$1,000.00, effective immediately. Until further notice people applying for membership will be charged \$1,000.00 plus the current membership amount of \$241.00 for a total of \$1,241.00. This will, of course, change when we decide on the dues for 1989. As always, anyone that joins now, will have a paid membership to January of 1990.

By now you all have heard about the terrible accident involving one of our good friends and fellow members, Paul Doh. Paul is hospitalized at Grant Hospital in very serious condition. Paul's wife Mary and son Michael whom most of us know, as well as the other children Randy, Connie and Patty have had their share of sorrow and pain. Please offer a prayer for Paul and his family. Anyone that would like to help in anyway should contact his very close friends Ken & Barb Hewlette or myself.

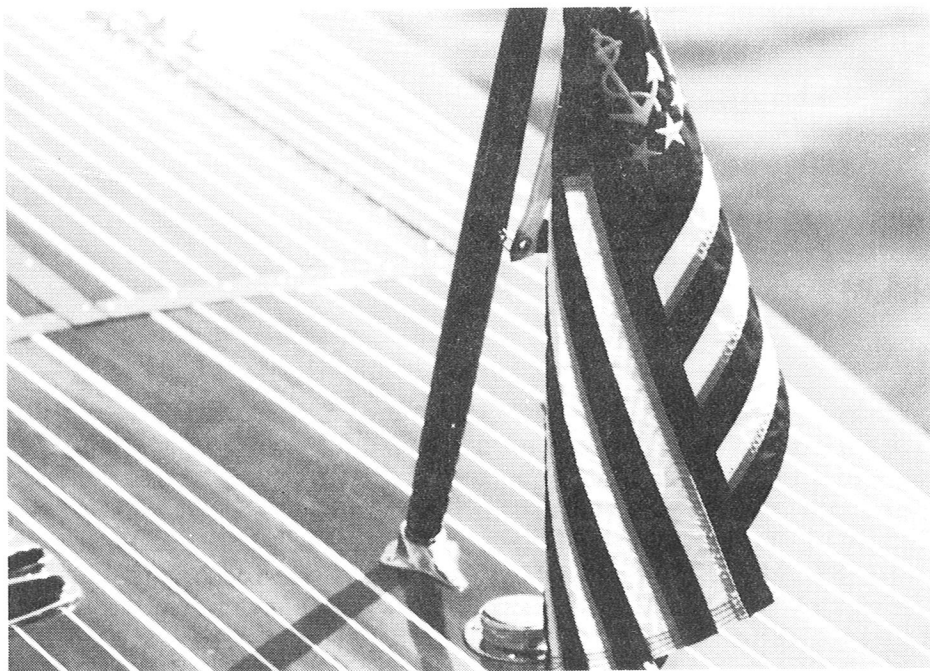

As I complete this letter, it has come to my attention that our good friend and brother John W. Wolfe has been placed in intensive care at St. Anthony hospital.

All of our prayers go out to Paul and John for a speedy recovery.

Get well cards or letters will be appreciated.

# DOCKS & FACILITIES

## EXCERPT FROM CLUB BY-LAWS

(c) A Club Facility subject to rental and assigned to a Member for his personal use on an annual or other extended or continual basis may be retained by him for such use, subject to provisions of paragraphs (d) and (e) of this Section, as long as the rental therefor is paid when due and as long as he otherwise is eligible to its use and retention as provided in these By-Laws.

(d) No Member is eligible to retain any Club Facility subject to rental on an annual or other extended or continual basis, if it is not actually and actively used by him for its appropriate and intended principal purpose as adjudged and determined by the Governors, when all other available facilities for that purpose and subject to rental on that basis are assigned to other Members, and when such retention precludes another Member's reservation, retention, occupancy or use of a facility for such purpose and on the same or similar basis.

(e) If and when a Club Facility subject to rental, and assigned to and rented by a Member, is temporarily not in active use by him for its appropriate and intended principal purpose, then such facility shall be available for temporary rental and use by another Member, subject to approval by the assigning authority; provided that no other facility for the same purpose is then available and unassigned.

SHORTLY AFTER MY ASSIGNMENT AS GOVERNOR IN CHARGE OF DOCKS AND FACILITIES I RECEIVED A LETTER FROM COMMODORE GAISER WITH AN ENCLOSURE DETAILING THE DUTIES INVOLVED IN THIS ASSIGNMENT. THE FIRST SENTENCE IN THIS COMMUNIQUE READ AS FOLLOWS:

"BEWARE!! THIS ASSIGNMENT HAS BEEN THE UNDOING OF MORE THAN ONE REAR COMMODORE!"

AS EVERYONE WHO IS ON THE WAITING LIST FOR A DOCK KNOWS, WE DO NOT HAVE ENOUGH DOCKS FOR EVERYONE WHO WANTS ONE AND MANY PEOPLE WHO CURRENTLY HAVE THEM WOULD PREFER A DIFFERENT ONE. BECAUSE OF THESE FACTORS IT IS IMPOSSIBLE TO MAKE EVERYONE HAPPY, HENCE THE WARNING. I WILL DO MY BEST TO FOLLOW THE RULES REGARDING DOCK ASSIGNMENT WITH FAIRNESS AND COMMON-SENSE. ANY DECISION THAT I FEEL COULD BE SUBJECT TO DISPUTE WILL BE BROUGHT BEFORE THE BOARD FOR THEIR INPUT, APPROVAL OR REJECTION.

FOR THE BENEFIT OF NEWER MEMBERS, LET ME POINT OUT THAT IN ORDER TO RECEIVE CONSIDERATION FOR A DOCK, YOU MUST SEND ME A DATED LETTER SPECIFYING EITHER A PARTICULAR AREA, A PARTICULAR DOCK OR "OPEN". YOU SHOULD ALSO INCLUDE THE TYPE AND DIMENSIONS OF YOUR BOAT (OR INTENDED BOAT). THESE DIMENSIONS SHOULD INCLUDE BEAM AS WELL AS THE LENGTH.

AS ALWAYS, I WELCOME YOUR COMMENTS AND INPUT.

JIM MCBRIDE - REAR COMMODORE

### SPEAKER

I'm going to use the Vitamin B approach—I'm going to be brief, then I'm going to be seated, and then I'm going to be gone.

☆ ☆ ☆

When talking be as brief as when you are making a will. The fewer the words, the less chances for litigation.

☆ ☆ ☆

Sometimes we forget to turn off the sound when our minds go blank.

☆ ☆ ☆

Do not engage mouth until brain is in gear.

☆ ☆ ☆

"Do you believe in free speech?"

"I most certainly do."

"Then why don't you come to our town next week and give us a free talk at the Rotary Club?"

☆ ☆ ☆

I've had a request... but I will speak anyway.

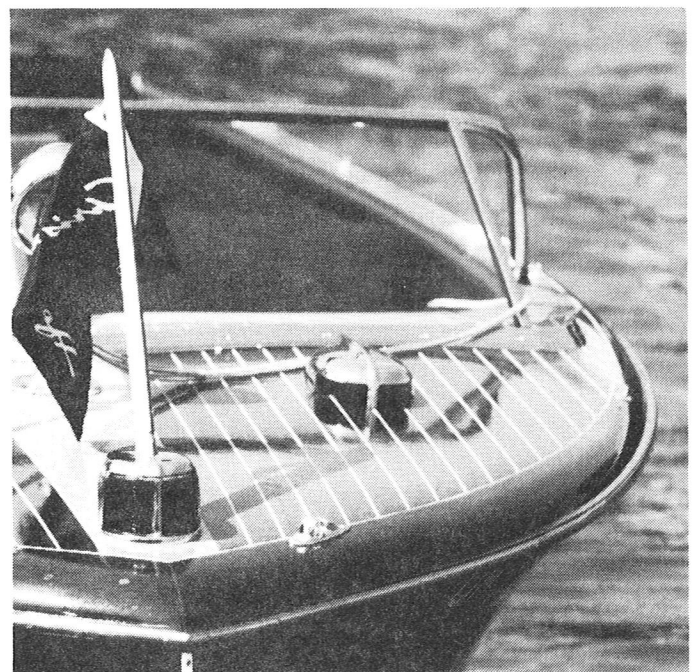

☆ ☆ ☆

You've been a wonderful audience, you stayed.

☆ ☆ ☆

Apple pie and speeches are improved with shortening.

### SUCCESS

It's thinking about the load that makes one tired.

☆ ☆ ☆

The turtle never makes progress until he sticks his neck out.

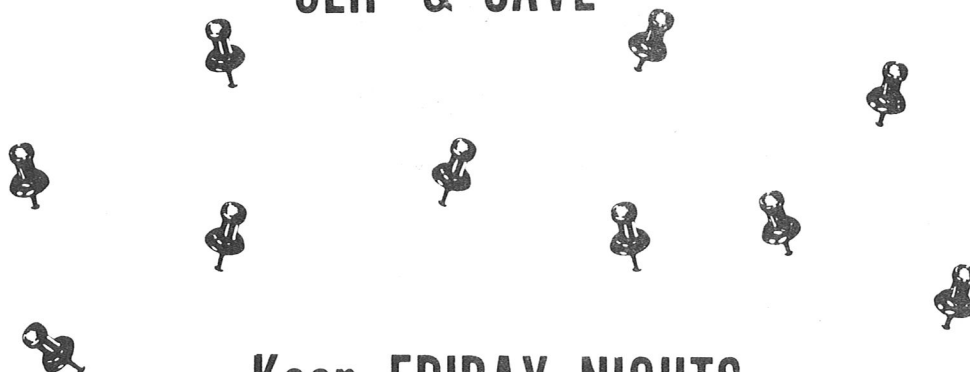

☆ ☆ ☆

The three most difficult things to do are to kiss your wife when she's leaning away from you; cross a fence when it's leaning toward you; and to alibi for something that you did wrong.

## THE BUCKEYE LAKE TORNADO - ILLUSTRATED

Tornados are a way of life in Ohio and Buckeye Lake and the Yacht Club have not escaped. Comm. Kyle Armstrong in his book "The Story Of Buckeye Lake Yacht Club" recounted the 1928 tornado. Fortunately, photographs also exist which I obtained a couple of years ago from Buckeye Lake historian Chance Brockway. I have placed them in the history display cabinet in the Commodores' Lounge along with the complete, relevant excerpt from Comm. Armstrong's book. Of course, his entire book is always available for reading in the Commodores' Lounge.

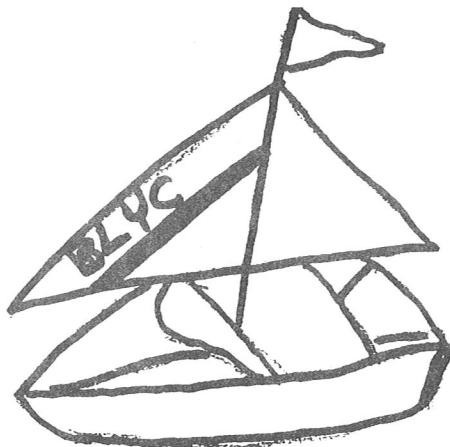

A brief synopsis of the events taken from Comm. Armstrong's book follows:

Sunday, June 17, 1928, was hot and humid, but not unbearable to those at the lake. The following day, Monday, not many people were around the yacht club, then, as now. From morning through mid-afternoon it rained steadily, then it let up and a grey overcast appeared with almost no wind. To the north a big black cloud loomed on the horizon and to the southwest a white one of apparently equal volume appeared. The apparent impact seemed to set them spinning into a single, swirling, funnel-like mass with a whipping spout. Roaring and hissing it came up the tow path, knocking over trees and buildings and lifting cottages from their foundations. Within three minutes the tornado had come and gone, leaving damage behind.

Along with nearly 1500 feet of almost wholly demolished tow path property, the club's premises were a mess. A roofless two story cottage was left grounded in a nearly upright position in the lake just off the club's beach. (Yes, there is a photo.) The back channel was a sea of debris and uprooted trees which had tumbled in from all directions. Boats in the back channel slips next to the island were covered with litter, but most of them were still floating. The island was strewn with rubbish.

On the club house, roof coverings, sheeting and rafters were completely gone from the north end of the boat house and most of the south side of the club house. There was nothing left of the front porch above its floor line, excepting rails, posts and beams, to east of its front steps. Inside much of the club house and furnishings had been thoroughly drenched.

See the pictures of exactly what Comm. Armstrong described in the Commodores' Lounge at the club.

# LADIES AUXILIARY

## BLYC LADIES AUXILIARY MEETING MINUTES

THE OCTOBER 11th BLYC LADIES AUXILIARY MEETING BEGAN WITH A BIG SPLASH. THE AUXILIARY MEMBERS, THEIR HUSBANDS AND GUESTS WERE ENTERTAINED BY THE TRI-COUNTY DIVE TEAM WHO GAVE A MARVELOUS IN-POOL DEMONSTRATION ON HOW TO SURVIVE A WATER ACCIDENT. TEAM MEMBERS BRAVED THE COOL EVENING AND COLD WATER TO GIVE US MANY HELPFUL WATER SURVIVAL POINTERS. FOLLOWING THE DEMONSTRATION A DELICIOUS DINNER WAS SERVED AT TABLES RESPLENDENT WITH LOVELY FALL DECORATIONS.

THE LADIES AUXILIARY BUSINESS MEETING WAS CALLED TO ORDER BY THE PRESIDENT LINDA WING. SHE THANKED TERRY KOCHENSPARGER FOR ARRANGING THE INFORMATIVE PROGRAM.

THE SECRETARY READ THE MINUTES OF THE PREVIOUS MEETING. THE TREASURERS REPORT WAS GIVEN AND WE WERE INFORMED THAT THE RAFFLE FOR A FREE BLYC MEMBERSHIP WAS EXTREMELY SUCCESSFUL THIS YEAR.

GINNY CONRAD GAVE THE SHOWCASE REPORT. SHE RELATED THAT THE ONE DAY SALES ON ELECTION DAY WERE TERRIFIC THANKS TO LORRAINE O'DONNELL AND OTHER LADIES ASSISTING HER. IN THE FUTURE A COMMITTEE MADE UP OF ROSIE WALTERS, MARY LOU MORRIS, DIANE KOMAN AND GINNY CONRAD WILL BE AVAILABLE TO HELP WITH THE SHOWCASE.

JODY GAISER GAVE THE NEW MEMBER REPORT. THERE ARE APPROXIMATELY 45 NEW MEMBERS IN BLYC. CURRENT AUXILIARY MEMBERS ARE ASSIGNED NAMES OF NEW MEMBER WIVES TO CONTACT TO ENCOURAGE THEM TO BECOME A PART OF THE AUXILIARY. SHE SUGGESTED THAT WE MAKE UP NEW MEMBER PACKETS INCLUDING A SPECIFIC INVITATION TO WIVES TO JOIN THE AUXILIARY.

JAN KERR, OUR "RESIDENT PHOTOGRAPHER" URGED US TO KEEP THE NAMES ON THE SICK ROSTER UP TO DATE SO THAT WE CAN SEND CARDS TO THE MEMBERS WHO ARE ILL. SHE ALSO SUGGESTED THAT NAMES BE INCLUDED WITH PICTURES IN THE LOG IN AN ATTEMPT TO HELP US BECOME ACQUAINTED WITH NEW MEMBERS.

NEW BUSINESS INCLUDED A REPORT FROM FRAN BAUGHMAN, CHAIRMAN OF THE RAMP COMMITTEE. THE COMMITTEE MET WITH MAC WOOD AND THEY ARE MAKING PROGRESS TOWARD GETTING STATE SPECIFICATIONS. THEY WILL SEEK ESTIMATES FROM A NUMBER OF DIFFERENT CONTRACTORS.

TERRY KOCHENSPARGER ANNOUNCED THAT NEXT MONTH WILL BE OUR CRAFT MEETING. IF ANY MEMBERS HAVE CRAFTS THAT THEY WANT TO SELL OR SIMPLY DISPLAY, THEY ARE ENCOURAGED TO BRING THEM. THEY SHOULD CONTACT TERRY ABOUT TABLE SPACE. EVERYONE IS ENCOURAGED TO COME TO THIS MEETING MAKING IT A FUN NIGHT WITH A CHANCE TO BUY EARLY CHRISTMAS PRESENTS. DOT BEST AND WANDA STYGLER ARE HOSTESSES FOR THE EVENING. IT WAS SUGGESTED THAT THE DATE OF THE MEETING BE CHANGED TO NOV 1st SO AS NOT TO CONFLICT WITH ELECTION DAY. A MOTION WAS MADE BY DORIS DYE AND SECONDED BY GINNY SHERRARD.

A MOTION TO ADJOURN WAS MADE BY LORRAINE O'DONNELL AND SECONDED BY GINNY CONRAD. THE MEETING WAS ADJOURNED AND FOLLOWED BY A DIVE TEAM VIDEO "WATERPROOF YOUR FAMILY".

RESPECTFULLY SUBMITTED

## BAR & KITCHEN

As Napoleon used to say (Chris may remember), "A yacht club marches on its stomach". In comparison to other organizations of like size, it is fair to say that ours is one of the best in many respects but especially concerning food and beverage service.

It is my honor and duty this year to oversee matters in this area. Please make your thoughts, comments, suggestions or criticisms known to me. As in all Club matters, I would prefer that there be no cause for dissatisfaction. I can take no action, however, until I learn of the problem.

The Board is currently considering changing the rules on private and non-member parties. In general, we will try not to interfere with small member-sponsored groups while assuming more control over the larger functions, allowing both only when and where there is no conflict with the members normal use of the Club.

I would like to encourage all members to make an effort to wear the Club blazer complete with the Club emblem and badge when appropriate. Club emblems are available in the Ladies Auxiliary Showcase.
