## FROM THE BRIDGE ☆ ☆ ☆

MAY 1989

It was my pleasure to attend the "Ladies Auxiliary" dinner meeting on April 11, 1989. At the ladies request I spoke a little about the Board of Governors and our 1989 budget. And then Governor Greg Miller, who also attended, talked about his responsibilities as Governor in charge of the Log, Membership and Directory. The ladies then directed some questions to us about the club along with some that were humorous. We all had a nice dinner and a very enjoyable evening.

With one more person, we could have had seven tables of Euchre, but after asking everyone in the dining room we were still one short. Even so, we had a good game with first place winning \$20.00 plus a \$10.00 gift certificate for dinner from John.

What a beautiful day for "Spring Workday". Over 60 members showed up. Can you imagine all of those people working together in harmony? They cleaned, scrubbed, washed, polished, raked and moved furniture. We all had a great time and were served free beer and free lunch. Because of the nice turn out, we were almost finished at noon. I want to personally thank all of you for a job well done.

Friday was the last "Ice Breaker" for the season. The attendance was good and so was the music. I want to thank Tom Hill and his wife Candy for all the good times we had at the "Ice Breaker" parties this season. As in the past, our parties are fun times. Don't forget - Sunday May 7, 1989 is our semi-annual meeting at 3:00 P.M.

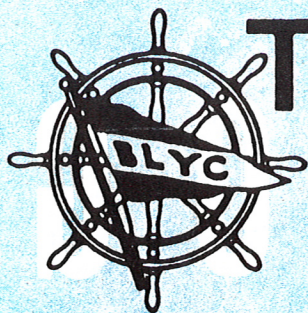

Thanks.

☆☆☆ FROM THE BRIDGE

THE WAY WE WERE....By Comm. Frank Foster. Here is an interesting picture. I see three different BLYC burgees in this picture. First there is the old one, of which a reproduction made by Mac Rising appears in our Commodore's Lounge. Then I see the current one with its alternately colored letters. On the boat in between is one with all white letters. I never saw that one before. I believe this picture was taken on the south shore where BLYC had regattas in the early years. Your guess at the date is as good as mine. Your guess will be aided by the dates on the burgee reproduction if you look at it the next time you visit the club.

# DOCKS & FACILITIES

That time we have all been waiting for is here - Spring has sprung - the lake is up to its best level in years and the boats are going in. Fortunately for many people who were on a very long waiting list (and for me), the wait is over and they now have homes at the Club for their boats. For those of you still on the list, I'd like to thank you for your patience.

Here's the current list:

# EASTPORT & POOL

C. DANIEL KERR

Hats Off to all members who participated on WORK DAY last Sunday.

Over sixty folks showed up and a lot of work was done. Particularly some of the little things that normally get passed up. Governor Wing had a long list and all were accomplished---GOOD JOB.

The electrical problem in the boatyard hoist has been resolved. Hoist is working good as of this writing. We rented two more storage spaces at Eastport boatyard on workday, so only a few are left if you are interested. \$75.00 per year.

SWIMMING POOL---Much of the leaves and debris were cleaned from the Pool on workday, in anticipation of spring start up. A new filter element is to be installed to ensure continued pure circulation.

The Swimming pool will ready to go in about 30 days---Mid-May.

JUNIOR SAILING CAMP 1989

Junior sailing camp is one of BLYC's biggest successes. Kids having fun learning to sail. Juniors, which includes all teenagers, must be at least nine years of age sometime during 1989 to register. Each must bring to camp his or her own life jacket, deck shoes, and swim suit. Make your own arrangements with John if you want lunch from the BLYC kitchen. Children of non-members may register as a guest of a member. Classes will be limited to twenty students.

While the enrollment deadline is the first day of class, it is better to enroll early to be assured of a place at the time you prefer and to get more detailed information. See the dates and times on the registration form.

# THE WAY WE WERE

By Comm. Frank Foster, Historian

THE WAY WE WERE....By Comm. Frank Foster. This picture bears a note on the back which says 1958-1959. I do recognize the lightnings (hold your applause). It appears to be taken in a southerly direction from in front of the club. Note that the breakwater for the basin had grass on it. I have heard that it was a later changed to prevent corrosion of the breakwater tie rods. Perhaps it was a Snowball Regatta because the standing observers seemed dressed warmly. There must be some lightning sailors around who can write to me to tell me who is in some of these boats.
