

Buckeye Lake Yacht Club

LOG

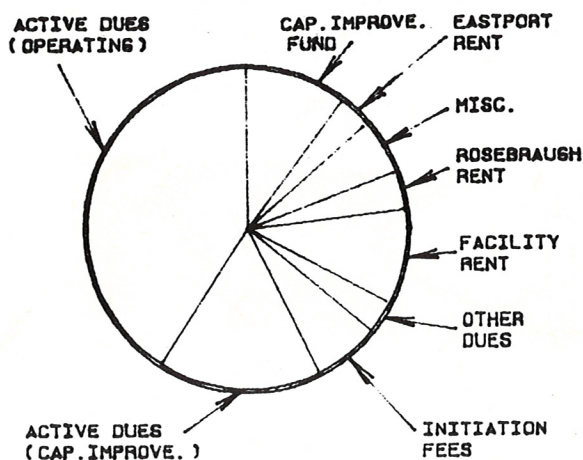

FROM THE BRIDGE ☆☆☆

NOVEMBER 1989

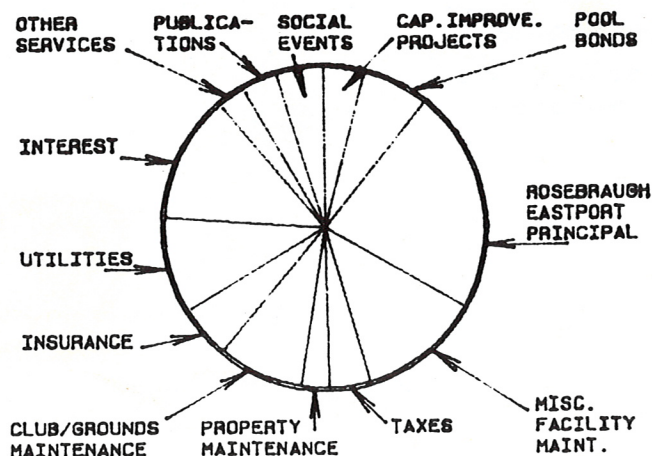

As with all new Boards of Governors, the first item on the agenda after each election is to develop a budget for the coming year. We have been hard at work in this area. Although of primary importance, concentration on the fiscal affairs of the Club has not distracted us from our other duties. I am fortunate in being able to count on a group of talented governors, all chomping at the bit to make this the best year yet. On the subject of the budget, the chart below shows how the Club obtains income and the various ways it will be spent. There are certain fixed expenses over which the Club has little control, others which we can control to a certain extent (such as this Log) and the balance which rely on the judgment of the Board and the priorities expressed to us by the membership. This year, all expense items are receiving special attention due to the purchase of the Rosebraugh property. The charted figures, in some cases, represent consolidations.

INCOME:

EXPENSES:

(more - FROM THE BRIDGE)

While we're talking about money, don't forget that Club members are no longer required to make a deposit in the parking lot coin box.

* * * * *

ORGANIZATION OF THE BOARD OF GOVERNORS
1989 - 1990

MEMBER SERVICES - Vice Commodore JIM McBRIDE will be responsible for the planning and direction of the various services provided by the Club to its members. He will be in charge of all boating activities and events and be assisted in his other responsibilities by:

AL WING - Social events and activities.

STEVE SCHILLING - Log editor and other publications.

TOM HILL - Membership, directory and mail list.

FRANK FOSTER - Special events and Junior Training.

FACILITY MAINTENANCE - Rear Commodore GREG MILLER will be responsible for the maintenance, repair and any additions to all Club owned buildings, grounds and docks. He will be the one to contact regarding questions or assignments of all rented areas. He will be assisted by:

LARRY HOOVER - All Watkins Island property and facilities.

DAN KERR - All docks, walkways, Eastport and the parking lot.

* * * * *

As you can see, all that's left for me to do is monitor Jim and Greg, keep an eye on John Doneff, continue breaking-in the new Board of Trustees and think up pithy comments for the Log.

I hope to see you there at the Club,

GEORGE

LADIES AUXILIARY

The meeting of the Ladies Auxiliary was held October 10, following a 7 p.m. dinner with Terry Kochensparger presiding. Fifty-seven members and guests were present. Following the introduction of the guests, President Terry announced the committees for the year, and thanked the hostesses for the evening, Pat Kyser and Charla Bortz.

The treasurer's report was given by Jan Kerr in the absence of Karel Elswick. There were no questions. The secretary's report was approved as read.

Diane Koman reported that a decorator was to come the following day to suggest a long-range plan and give an estimate for decorating the Commodores' Lounge.

Showcase chairman Jane Kenny announced that new stock had been ordered.

Under old business, President Terry reminded us that the Auxiliary had promised \$1000 toward the ramp and \$500 toward the new piano.

President Terry announced that the new By-Laws would have some changes to be discussed at the November meeting.

Under new business, Lois Rosser announced the placement of a pumpkin tree which she had made to support the Special Wish Foundation. An envelope was passed for personal donations, and members donating to the project would have their names on cards which would go on the pumpkin tree.

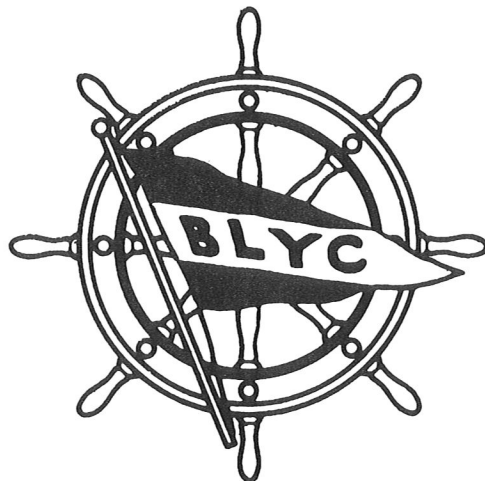

Mary Lou Tussing, vice president and program chairman, announced that our next meeting on November 14 would be Crafts Night. Arthelda Haggard and Custis Wuellner, menu chairmen, had made the menu plans with John Doneff for the year.

With no further business to come before the meeting, it was adjourned and Mary Lou introduced Erv Babbert who gave a short introduction to the program concerning the Aladdin Shrine Clowns. He introduced Bob Pasqua and Ron Hobansack, fellow Shrine Clowns, and then as Ron talked about their projects and experiences, Erv and Bob put on their make-up and assisted our two Auxiliary member clowns, Lois Rosser and Fran Baughman, with theirs.

The program ended with four good clowns in make-up and costumes, an audience informed on the Aladdin Shrine Clowns, and learning how to make balloon animals. It was a most enjoyable program.

Submitted by,

Dot Best

ALONG WITH COMMODORE CONRAD AND THE HELP OF ALL MY OTHER FELLOW GOVERNORS, WE SHOULD HAVE THAT UPDATE TO THE DIRECTORY SOME TIME THIS YEAR..... BE PATIENT, THINGS ARE CHANGING VERY RAPIDLY!!!!!!

HAPPY TO SERVE AND OPEN FOR HELP,

GOVERNOR THOMAS K. HILL II

How to get invited back to a boat . . .

UNTIL A FEW YEARS AGO, ENTERTAINING HORDES OF FRIENDS, RELATIONS AND BUSINESS ASSOCIATES WAS A RITE ALL SUMMER LONG FOR MOST BOAT OWNERS. NOW, INFLATION AND GUESTS WHO EXPECT MAID SERVICE HAVE MADE INVITATIONS TO THE BOAT A RARE COMMODITY.

BOATERS HAVE BECOME MORE SELECTIVE ABOUT WHO THEY INVITE AND YOU CAN BET IT'S THOSE WHO PITCH IN WHO GET INVITED BACK AGAIN.

CONSIDER YOURSELF FORTUNATE IF YOU HAVE RECEIVED AN INVITATION TO SOMEONE'S BOAT THIS SEASON. IF YOU'RE INTERESTED IN A REPEAT, HERE IS A LIST OF WAYS TO IMPRESS YOUR HOSTS, COMPILED WITH THE HELP OF BOAT OWNERS WHO KNOW A GREAT GUEST WHEN THEY SEE ONE.

1. CALL AHEAD IF YOU WILL BE ARRIVING LATER OR EARLIER THAN PLANNED.
2. DO NOT ASK IF YOU CAN BRING ALONG SOME FRIENDS OR YOUR DOG.
3. ASK THE HOSTESS WHAT YOU CAN BRING TO CONTRIBUTE TO THE MEALS.
4. TAKE ALONG YOUR FAVORITE SNACKS OR HORS D'OEUVRES FOR DRINK-TIME MUNCHING.
5. GIVE THE HOSTESS SOME SMALL USEFUL GIFT SUCH AS PLASTIC TUMBLERS, A SERVING TRAY, COASTERS, HAND TOWELS OR DECORATIVE PAPER NAPKINS.
6. IF STAYING OVERNIGHT ON A LARGER BOAT, OFFER TO BRING YOUR OWN SHEETS, BLANKETS AND TOWELS. STORAGE IS LIMITED AND THESE ITEMS TAKE A LOT OF SPACE.
7. ASK THE HOSTESS WHAT TYPE OF CLOTHING WILL BE APPROPRIATE FOR YOUR STAY. WHILE SOME BOATERS PRACTICALLY LIVE IN THEIR SWIMWEAR, OTHERS GET DRESSED AND GO TO A YACHT CLUB OR OUT FOR DINNER. DON'T BRING ANY HARD SUIT CASES. SOFT LUGGAGE ONLY.
8. TAKE ALONG YOUR NIGHTWEAR, MOST BOATS ARE NOT VERY PRIVATE AND IT COULD BE EMBARRASSING AT LIGHTS OUT TIME.
9. LIMIT YOUR TIME IN THE HEAD (BATHROOM). TAKE YOUR OWN TOILETRIES AND CLEAN THE BASIN, TIDY THE COUNTER AND HANG UP YOUR TOWELS AFTER USING THE FACILITY.
10. DON'T FLUSH ANYTHING EXCEPT TOILET PAPER DOWN THE TOILET. THIS COULD BE VERY DISASTROUS AND EXPENSIVE.....
11. IF YOU ARE TAKING ANY SPECIAL MEDICATION TELL YOUR HOSTESS AND ASK WHERE IT CAN BE SAFELY KEPT.

12. IF YOU'RE AN EARLY RISER, DON'T MAKE A LOT OF NOISE AND WAKE EVERYONE ELSE UP. INSTEAD, MAKE A FRESH POT OF COFFEE.

13. IF YOU USE THE LAST OF SOMETHING-MILK, SUGAR, TOILET PAPER- TELL THE HOSTESS.

14. DON'T EXPECT YOUR HOST AND HOSTESS TO ENTERTAIN YOU CONSTANTLY DURING YOUR STAY. GO FOR A WALK, READ A BOOK OR MAGAZINE, SPEND TIME ON YOUR OWN.

15. OFFER TO HELP WITH PREPARATION AND CLEANUP OF ANY SNACKS OR MEALS.

16. OFFER TO HELP WITH A FEW OF THE NEVER-ENDING CHORES AROUND THE BOAT OR DOCK, WASH FENDERS-POLISH METAL ETC.....

17. OFFER TO SHARE THE COST OF FILLING THE GAS TANKS OR FILL THE TANKS. CAREFUL ON THIS ONE SOME BOATS HOLD HUNDREDS OF GALLONS OF FUEL.

18. DON'T ARGUE ABOUT WEARING LIFE JACKETS. MAKE SURE YOUR CHILDREN WEAR LIFE JACKETS-ABSOLUTELY-

19. DON'T USE ANYTHING MECHANICAL UNLESS YOU HAVE ASKED THE SKIPPER AND YOU KNOW HOW TO USE THE EQUIPMENT.

20. IF YOU USE SOMETHING- FISHING ROD, TACKLE, PADDLES, ETC.- PUT IT BACK WHERE YOU FOUND IT.

21. DON'T SMOKE ON BOARD, GO FOR A WALK AND LIGHT UP. ASHES BLOW ONTO CANVAS, UPHOLSTERY AND WOOD AND CAN BE COSTLY TO REPAIR. ANOTHER REASON IS GASOLINE. DON'T EVEN ASK!!!

22. IF YOU HAVE (AND CAN PLAY) A PORTABLE MUSICAL INSTRUMENT, HAVE AN AMUSING GAME OR OTHER ENTERTAINMENT, TAKE IT ALONG AND CONTRIBUTE TO THE FUN.

23. ASK WHERE THE SAFETY EQUIPMENT (LIFE JACKETS, FIRE EXTINGUISHERS, ANCHORS AND LINES, BOAT HOOK, ETC..) ARE SO IF YOU NEED THEM URGENTLY YOU WILL BE OF HELP.

24. THE FINAL AND MOST CRITICAL ITEMS--WEAR SOFT SOLED OR REGULAR BOAT SHOES WHILE ON THE BOAT, TAKE SUN GLASSES AND DON'T FORGET SUN SCREEN (PREFERABLY OF A NON-GREASY AND NON-STAINING TYPE).

HAVE A FUN AND SAFE BOATING EXPERIENCE AND GET INVITED BACK.

SEND A THANK YOU NOTE

LAKE ERIE RACING

LAKE ERIE RACING; CHAPTER I: BLYC RACE TEAM INVADES LAKE ERIE WATERS

On the theory that it was about time that the big boats on the big waters were again threatened by a BLYC racing team and that great racing glory should be brought home to BLYC, some of the our most experienced cruising fleet sailors set out on the last weekend of September to compete in the Port Clinton Yacht Club's "Snow Flurries" regatta. They left thinking about those who had preceded them many decades before like Commodores Jim Beam and Chris Lambrecht and undoubtedly others who were unknown to them. Their participation also served as a warm up for our more coveted "Snow Ball" regatta the following weekend.

They raced in the Catalina 30 owned by Capt. George Suplee and his wife Leo. Can you believe she permitted it? Cap'n George was a perfect host gathering together warm, near 80 degree weather, 10-15 miles per hour winds and food and beer in sailor sized quantities and at sailor prices. The 100% BLYC team also included: Tom "head up" Eisert, Frankie "sleep on the low side" Foster, Jr., George "master boat tuner" Zukovs and Comm. Frank "bruised butt" Foster. The regatta was a three race series and they raced in the J.A.M. (jib and main only) class under a PHRF handicap with an additional, self imposed, dirty bottom handicap.

At the start of each race, this BLYC boat was one of the first boats over the line after the gun. The starts were skippered twice by Frank Foster Jr. and once by George Zukovs. Their experience really showed when seconds before one start, a boat yelled "commin up Puff". After an intelligent conference lasting less than three minutes they decided to ignore that yell because the boat yelling it was 12 feet clear astern. The rest of the fleet was also given a lesson on how to finish as George Zukovs at the helm tacked about 20 seconds before the finish and edged "Puff" the BLYC Catalina past a competitor just 10 feet from the finish line.

After completing the second race Saturday afternoon, the team made a dash to get under the Port Clinton bridge to their slip for the night. When the bridgetender (not to be confused with the beertender) lowered the bridge right in front of them, the team was undaunted and merely calmly rafted off other boats in the Portage river next to the Port Clinton Yacht Club. They celebrated their completion of the course with a few brews and dinner at the club and decided to just catch the 7:30pm bridge which opens every half hour. When at 7:33pm, and for the second time, the bridgetender lowered the bridge almost on their forestay, the team simply decided it was time for a night sail. So from 7:30 to 10:00 pm they sailed between Port Clinton and South Bass Island extolling the virtues and beauty of sailing and praising their wives for letting them do it.

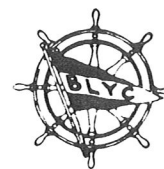

Needless to say a good time was had by all.

Oh! Where did they finish in the series? Well, remember this was a first time experience the purpose of which was to acquaint them with big boat, big lake racing. It was just a beginning. A first step toward racing glory which is eventually bound to cause the team's mere appearance on the starting line to strike great fear and trepidation into the heart of every competitor. So, a tie for ninth out of eleven isn't too bad under all the above described circumstances is it? Your faithful reporter, FHF.
