

Buckeye Lake Yacht Club

LOG

FROM THE BRIDGE ☆ ☆ ☆

APRIL 1990

The Saint Patrick's Day party, complete with a delectable Irish menu and entertainment imported for the occasion directly from the Olde Sod, was well attended and enjoyed by all. Special thanks are in order to the hosts, Jane and Gene Kenney and Betty and Jim Meacham (ably assisted by daughter Debbie and friend Tom Schooley). Their hand-made leprechaun costumes as well as the Club decorations were the result of much effort and talent on their part and are greatly appreciated.

The lake is at higher than normal level for this time of year. High water plus the recent warm weather has brought a large number of boats out of winter storage and onto the lake. Although no sinkings have been reported so far, the Trap Club will have only a few more weeks before boat traffic will require a change to summertime toys. Speaking of boats, certified letters have been sent to all dock renters who have not yet paid their rental fee. If you wish to retain your dock space for the coming season, you must respond to these letters.

Dues payments continue to come in at a pace well ahead of last year. Special appreciation is extended to the following Life Members who have demonstrated their support of the Club by making a timely assessment payment:

ED BALLENGER
MIKE JACOBS
ROGER SLUDER
MAC WOOD

DR. KEITH CROMPTON
WALTER KNAPP
DICK WOLF

BOB IRWIN
CHRIS LAMBRECHT
JOHN WOLFE

See you at the Club,

HOUSE & GROUNDS

Yes, a few replacements of material will be done at the BLYC in conjunction with the ladies auxiliary at different places in the Club. We have waited on a few items of replacement to get better ideas from the members as far as any redecorating. These replacement ideas have been put together and are now ready to put in place. Us all remember WORK DAY on April 22, reminder cards of which will be mailed to all. The club house, as old as it is, has weathered the years very well. Our main duty as members is to try and keep the building in good repair. Enjoy the BLYC, for the Club belongs to you.

Larry P. Hoover

Governor
House & Grounds

To the Members and Friends of B.L.Y.C.

As many of you know, I've been working from our Shenango China home office in New Castle, Pennsylvania for several months. I recently purchased a home in New Castle and will make my primary residence there. I will still weekend on the boat at Buckeye Lake.

While I intend to maintain resident status at the Club for at least a year, I felt I should relinquish my governorship so my assignment could be more easily accomplished. Effective immediately, I have resigned as governor of the Buckeye Lake Yacht Club.

This last Log article is to say THANK YOU to all those who supported and voted for me. As you're aware, I've had somewhat of a roller coaster ride on the Board. Even though some of the important little things in life don't always work out - I'm happy to have been a part of B.L.Y.C.

With every good wish,
Sincerely yours,

Dan Kerr

LADIES AUXILIARY

The meeting of the Buckeye Lake Yacht Club Ladies Auxiliary was held March 13 with Terry Kochensparger presiding. It was Husbands Night, and immediately following dinner, Program Chairman Mary Lou Tussing introduced the program, an Insurance Panel.

With opening remarks by Don Best, it was an interesting and informative program as Dick Harbold led off the panel with facts concerning Life Insurance. He said that Life Insurance is a systematic savings plan and is a safe investment for one's principal with a favorable tax status. Dick stated Life Companies are big investors.

Al Wing spoke next on Homeowners Insurance, stating, "Insurance is something you can't buy when you need it." He said, too, homes should be appraised before insuring them.

Don Best spoke on auto insurance stating the various things that affect premiums and gave options to consider when purchasing auto insurance.

Walter Siemer, an attorney representing insurance companies, completed the panel and suggested that insureds look carefully at exclusions on policies and ask questions about them. These are the things insurance companies do not cover. He gets involved after things go wrong.

The panel then answered some questions from the audience, and the husbands were then excused and the business meeting proceeded.

The Treasurer's report was given and filed for audit. In the interest of time, the Secretary's report was not read. President Terry then thanked the evening's hostesses, Jacqui Harris and Donna Hoover.

Wanda Stygler reported on the master plan for our first fund-raiser of the year, Casino-Race Night, to be held April 28. Wanda suggested that reservations should be made as soon as possible to avoid being turned down for lack of space. She announced that Rosie Walters was in charge of the auction and door prizes.

Terry asked for a report from Linda Wing, who with Pat Shade, is chairing the entertainment portion of the program.

Jane Kenny gave the Showcase report and stated a check to the Auxiliary would be forthcoming. The President then referred to a five-year master plan in redecorating and refurbishing the Yacht Club.

Prizes were given in the raffle drawing, and then President Terry declared the meeting adjourned.

Respectfully submitted,

Dot Best
Secretary

SAILING CAMP 1990

Junior sailing camp is one of BLYC's biggest successes. Kids having fun learning to sail with other kids. Juniors, which includes all teenagers, must be at least nine years of age sometime during 1990 to register. Each must bring to camp his or her own life jacket, deck shoes, and swim suit. Children of non-members may register as a guest of a member.

While the enrollment deadline is the first day of class, it is better to enroll early to be assured of a place at the time you prefer and to get more detailed information. See the dates and times on the registration form.
