FROM THE BRIDGE ☆ ☆ ☆

"Taking the Bull by the Horns!"

I didn't tell the Governors to do it, but that's exactly what they've been doing in the short time since they were elected or re-elected to the Board. I am very impressed with the enthusiasm and initiative that each of them has exhibited thus far. I believe that you will see a lot of this enthusiasm and initiative manifested in many tangible ways in the coming year. I want to thank the Club's electorate for doing such a good job—although with the candidates we had, they had a win-win situation when they cast their votes!

As I mentioned last month, I will be responsible for Fleet Events except for those falling under Race and Regatta. In addition to the new events initiated last year (the Treasure Hunt and "Tween the Trees" Cruise), I hope that we can get the support to establish two more new events that hopefully will become a permanent fixture of our calendar. The first of these would be a houseboat(s) cruise on Kentucky's Lake Cumberland. I've heard from several people that this is a fabulous way to relax and enjoy the company of friends. The second new event I'm proposing is a "Sunday Sail" for non-sailors. The plan simply is to enlist all sailors as volunteers to provide the boats and expertise to take non-sailors on an afternoon sail—all we need is volunteers in each category. Hopefully, we can get all the volunteers we need to make this an exciting event (or relaxing event in the event of light air)...and speaking of sailing, we have two of the best Lightning sailors in the country and possibly in the world right here at our Club. Of course, I'm referring to George and Matt Fisher, both of whom will be representing the United States in the International Lightning Championships being held next June in Annapolis, Maryland. Wouldn't it be great if we could get a charter bus to Annapolis? And wouldn't it be great if we could fill it with people from BLYC and the Hoover Yacht Club (where George and Matt also sail)? And wouldn't it be great if we could make it a four-day weekend to cheer them on? And wouldn't it be great if we could get in a little partying in the process? **WOULDN'T IT BE GREAT?**

Sign-up sheet for next year's Treasure Hunt, "Tween the Trees" Cruise(s), Lake Cumberland Houseboat Cruise, the Sunday Sail(s), and the Lightning Internationals will be posted at the Club. Signing up now merely indicates interest, not commitment — Do it now!

See you soon at the Club.

HOUSE AND GROUNDS

I want to take this opportunity to thank all of you who worked so hard on Fall Work Day; special thanks to Roundy Sproat, who loaned us his tractor and all the tools we needed. Your efforts have helped to make BLYC the great place that it is!

We are on schedule for fall planting in front of the Club. The planting beds have been prepared for the addition of eighteen new shrubs and plants. This is the second phase of a master plan for planting begun by Rear Commodore Al Wing.

A Spring Planting Day is scheduled for late April to plant numerous annuals throughout the Club grounds. Please contact me if you want to help in landscaping the Club.

Governor John Sproat

BAR & KITCHEN

BLYC MEMBERS,

JIM MCBRIDE HAS ASSIGNED ME TO BE IN CHARGE OF THE KITCHEN AND RENTS.

FIRST WE CLEANED UP EASTPORT WITH LOTS OF HELP FROM LOYAL MEMBERS WHO WORKED UNTIL 4:00 O'CLOCK SUNDAY. WE DISCOVERED AT THIS TIME THAT WE DO HAVE SOME VACANT SPACES TO STORE BOATS. PLEASE CALL ME IN COLUMBUS AT 868-9607 OR AT BUCKEYE LAKE AT 1-929-3370. YOU MAY ALSO CONTACT JOHN DONEFF AT 1-929-8660 OR AT BLYC AT 1-929-9941. REMEMBER YOUR RENT IS FOR ONE YEAR AND YOU MAY LEAVE YOUR TRAILER THERE DURING THE SUMMER MONTHS.

PLEASE CALL,

AL WING

THANKS FOR ALL YOUR HELP.

LADIES AUXILIARY

President Mary Lou Tussing called the regular meeting to order at 7:45 p.m. on October 9, 1990 with thirty-two members present. The tables were lovely with mums beautifully accented with brightly colored paper and ribbons. Thanks to our hostesses, Phyllis Flynn and Nancy Schmittauer.

Dot Best introduced our guest speaker, Suzanne Graves of Newark who related an amusing folk tale entitled "The Man Who Rode the Bear".

The treasurer's report was read and filed for audit. The minutes were read and approved.

Dot announced that at our meeting November 13, the Commodore, Jim McBride and Membership Governor, Steve Schilling will speak to us about their programs for 1990-1991. Please be sure to jot any questions down for submission to them.

UNFINISHED BUSINESS - Lois Holler and Lorraine O'Donnell performed the audit on the treasurer and showcase chairman's books for last year. They suggest that from now on a standard procedure for doing all auxiliary books be adhered to for ease of auditing. This had already been discussed by the board and is being implemented. Linda Wing suggested we look into the bonding of these two individuals. Dot is looking into the cost.

Thanks to all those who provided the wonderful hors d'oeuvres for the Snow Ball.

NEW BUSINESS - Any member whose dues are not paid by January 1st shall be dropped from the membership. We will send reminder notices to those who have not paid.

For several years, Jan Read provided us a great service (at no charge to the auxiliary) of sending reminders for upcoming meetings. As she has "retired", members discussed the pros/cons of appointing a telephone committee, or resuming the tradition of a mailing (if necessary the members would even pay for postage). It was decided, in the form of a motion, to send a mailing each month for one year without charging the members.

Mary Lou related news of a meeting initiated by the Commodore, held between the Ladies Aux Board and the Flag Officers to discuss an ongoing committee to provide continuity on a long-range master plan when choosing improvements such as furnishings, carpet, etc. for the yacht club. Some suggestions from the membership for improving the club were: furniture for the porch and pool, new folding chairs for the dining room, a donation to the Junior Sailor's scholarship fund. The Board will keep the members informed regularly and offer any decisions to the membership.

Respectfully submitted,

Karol Elswick, Secretary

JUNIOR SAILING

Many new projects are in the works for the Junior program here at BLYC. In addition to new projects, some of the old ones are also being done.

First, the old projects. The Junior boats are in the process of being stored for winter. The racing F. J. dock has broken again and will be repaired before Spring. Another old project is on the back of the club concerning the laser racks. I would wish all members (mostly juniors) who have lasers to please put them all facing the same direction. It will look much nicer and neater.

Now for new projects. We have decided to turn room #2 at the top of the stairs into a Junior lounge. We will put a TV and radio, both which we already own, and hopefully purchase a new couch to put in this room.

We are currently looking into purchasing some new boats for the Juniors to use during sailing classes. The three F. J.'s will be sold to help finance the purchase of these new boats. If anyone has an offer for any of these boats, please contact myself or the Commodore.

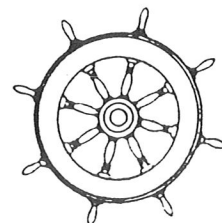

Last, but not least, I have mailed letters to Leather Lips Yacht Club and Hoover Yacht Club expressing interest in more interaction between our clubs's Junior members. Some of my ideas included sailing classes together and a Central Ohio Yacht Club regatta and party for our Juniors. If any one has any suggestions on any of these projects please contact me at home or at the Club. Your input is very important.

OFF ISLAND MAINTENANCE

I want to thank the following workers who helped me with scrapping and painting of the garages in the parking area:

Jim Oprandi - Jim Cooper - Jim Borden - Don White - Larry Hoover

G R E A T J O B !!! The wood above the doors will be repaired as well as some of the wood on the top part of the building in the near future. There's been damage from rotting and negligence.

I want to thank Al Wing and ALL of his crew for all the HARD work at Eastport. Sure is an improvement! In the Spring, I am going to have an extensive weed control program so this area can be something we can ALL be proud of.

Thanks to Frank Foster, who was in charge of installing the bubblers. Three of them were in need of repairs.

My thanks to EVERYONE who helped in any way to make this WORK DAY a real big success!!!!
