FROM THE BRIDGE 💝 💝

Isn't It Kind of Sad...

...this time of year when you survey the Club and see that all the boats have been taken out and stored for the winter? On the other hand, it also signals the beginning of a great winter season that includes skeet shooting and some of our best parties and fun times around the fire that John always has going when the mercury begins its annual descent.

One of these parties was the OSU Band Party, which was absolutely great! This year, for the first time (and not the last), we had a large contingent from the Alumni Band and everyone, including the band, had a wonderful time. My thanks to Vice Commodore Greg Miller, for getting them and also to our hosts for this great party, Dixie and Monte Landis. Another recent event was our November Icebreaker—in this case, a "Hat Party."

I particularly enjoyed wearing the winning hat, although I have to admit to being very surprised at beating Phyllis Flynn and Judy Atkinson, as well as many other great "hats." It was a fun party and my thanks to Sue and Dave Sutton for hosting it.

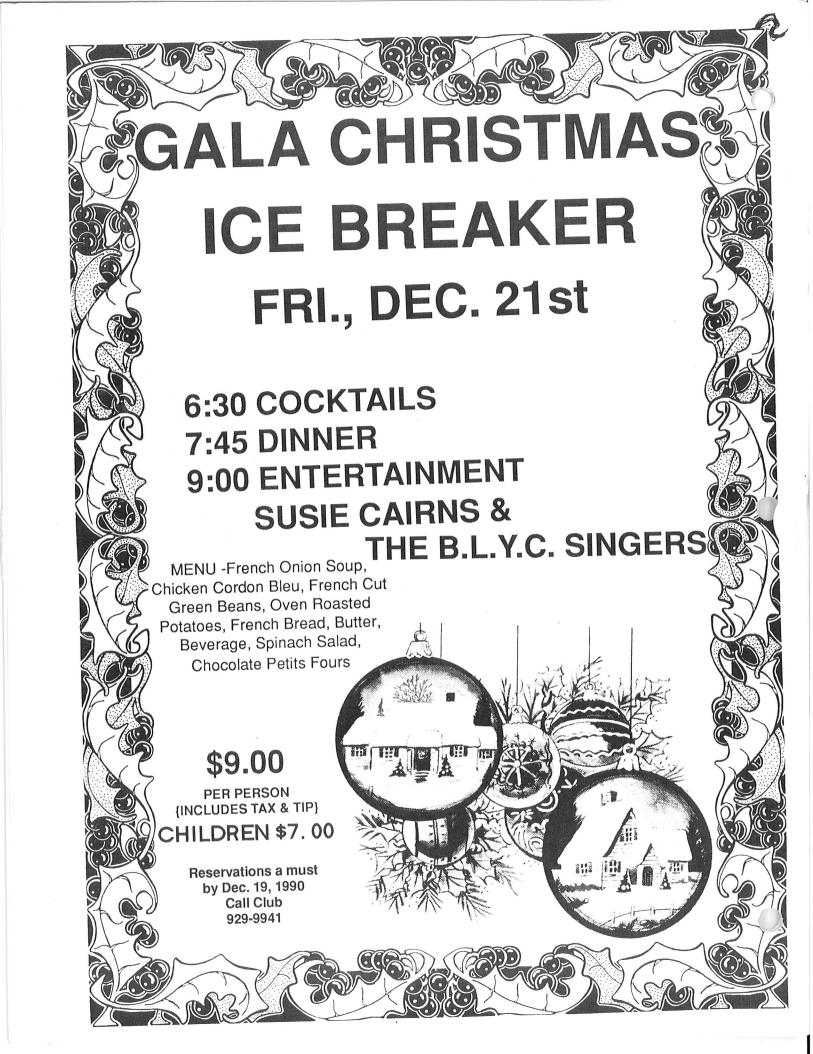

Governor Schilling and I were honored to be the guests at the November meeting of the Ladies Auxiliary. We both enjoyed it very much. Steve reported on plans for the new directory, and I discussed some of the plans of the Board for the coming year. I will report on these later after the Capital budget has been finalized and hopefully approved by the Trustees.

In my last article, I referred to the initiative and enthusiasm of this Board. It is still very much in evidence and, because of the timing, I particularly want to comment on the activities of Governors Steve Schilling and John Sproat. As I mentioned above, Steve is busily working on the new directory and John is enthusiastically putting together the trip to Annapolis next June for the Lightning Internationals. They both have articles in this Log that require your attention and action in the near future.

I would also like to remind you that the signup sheets (indicating interest—not necessarily commitment) are posted at the Club for the above as well as the Treasure Hunt (which incidentally will be chaired this year by Jack and Janet Holmes), the "Tween the Trees" Cruise, Lake Cumberland Houseboat Cruise, and the Sunday Sail(s). If you're interested, please sign the sheet(s) when you're at the Club...or let me know.

See you soon at the Club.

BOATS FOR SAIL

JUNIOR SAILING

As you can see from the above notice we are selling the three Flying Juniors. The money we receive from the sale of these boats plus other money from the budget will be used to purchase boats for sailing classes. We are considering several types of boats to replace the FJ's.

I have mailed a letter to Joanie Booker who let us use the Crews Nest for the BLYC Jr. Bay Week party. I thanked her and asked her if we could use it again for our party this coming year.

The dates for the 1991 Jr. Bay Week are July 28 through August 1. The BLYC party will be on Wednesday night July 31. For those of you who don't know, Jr. Bay Week is when our selected Junior members represent us at Put-in-Bay on lake Erie and race against other yacht clubs. Every year on the Wednesday of that week, a party is held by the parents of the Jr's, and all BLYC members are invited. Please put these dates on your calander and come to Put-in-Bay to watch our juniors compete.

LADIES AUXILIARY

On November 13th, President Mary Lou Tussing called the regular meeting of the BLYC Ladies Auxiliary to order at 8:05 p.m. The minutes from the last meeting and the treasurer's report were read and accepted. Forty-one members were present for dinner at tables decorated for Thanksgiving, including turkeys, fruits and nuts.

For the Christmas Party bring a canned unwrapped gift for Leeds and an exchange gift (approximately \$5). The Ladies Auxiliary Board will be your elegant hostesses beginning the evening with scrumptious hors d'oeuvres. ***REMINDER, no auxiliary meetings until MARCH!***

Ways and Means Committee: Ginny Conrad reported that dropping the Las Vegas party for this year has been discussed and perhaps introducing something new or a raffle for a fund raiser will be considered.

Showcase Chairman, Joan Ford says the balance of showcase account is \$631.53 and a large order has just been placed. She reminded us that the Children's Christmas Party is Sunday, December 9th at 2:00 p.m. Please bring a wrapped gift for a boy or girl, an approximate age is also helpful. Santa will be here!

Ginny Conrad moved that the auxiliary donate \$25.00 to the cancer fund. Gladys Travis seconded the motion.

Dot Best is getting information in regard to bonding the auxiliary president, treasurer and showcase chairman.

The Flag Officers sent the members of the ladies aux copies of the minutes of their last meeting, which were found to be informative. Dot introduced our speakers, Jim McBride and Steve Schilling. Jim discussed several improvements which are planned for the club. There were many suggestions from the members in regard to what they would like to see, i.e. the ladies' rest room redecorated, furniture for the porch and comfortable folding chairs. Mary Lou noted that the auxiliary board will be meeting with the flag officers again very soon about priorities.

Steve and a consultant described a program which will introduce a color pictorial directory. Each member of the club may have his, his wife and his whole family's photo included in the directory if he so desires. There is no charge, but the company does offer a "package" from which various other photos may be chosen at a charge to the individual. The membership will be notified of dates and the club is where the photo sessions will take place.

Mary Lou thanked our guests. Diane Koman moved the meeting be adjourned.

Respectfully submitted,

Karol J. Elswick Secretary
