

December 19, 1990 'Tis the Season...

...to count your blessings—and although technically the season will be over when you read this, it's never too late to count your blessings—as I'm doing at this moment. I have a wonderful family, a comfortable home, reasonable material comforts, and many wonderful friends, particularly in our Club. I don't know what else I really need (besides more friends...you can never have too many) except for a beautiful little calico kitten, as yet unnamed (recued yesterday from the Muskingum County Animal Shelter) to love.

As you see, I'm quite content as I have been truly blessed. It is my sincere hope that all of you have the same contentment that I now feel. I also hope that everyone had a wonderful holiday season. Along with 21 others, I will have missed the

One final note: As many of you know, Gov. John Sproat has been heading up the effort to put together a trip to Annapolis to cheer on George, Matt, and Greg Fisher, who will be representing the U.S. in the Lightning Internationals the first week in June. As of this writing, we have sixteen people signed up for this trip. We will be leaving early a.m. on Friday, May 31st, and returning on the afternoon and evening Sunday, June 2nd. In the interim, we expect to have a wonderful time getting there and back on a luxury motor coach and while we're there, we will sleep and sail on at least two large catamarans and other boats if we require them. All the details are posted at the Club or you can call me at 344-1327 (Newark) or John Sproat at 457-2145 (Columbus). This will be a great, great long weekend.

See you soon.

Would you like a free 8x10 color family portrait?

Just one trip, no need for a return visit to view proofs. How about a chance to purchase additional portraits?

Would you like a new full color membership directory with pictures of the all the members?

Dear B.L.Y.C. Member,

Do you have a problem putting the names and faces together when you visit the Club or meet members at other locations? Well, I know I do. That's why we are going to put together a first class Membership Directory.

The Portrait Studio Of Tomorrow is coming to our club to photograph your family for our new directory! This portrait studio enables you to be photographed and select a pose for the directory with the opportunity to purchase portraits in one visit to the Club. (No more return visit to view your proofs.)

The directory will contain family pictures, pictures of Club activities and an upto-date roster. Remember, you will receive a free 8x10 natural color portrait for viewing your poses with the Portrait Consultant and selecting one for the directory.

Someone will be contacting you soon by phone to arrange an appointment.

We hope all members will take to time to participate in this important project. Can we count on you?

Sincerely, Governor Steve Schilling

ANNAPOLIS TRIP FILLING UP FAST

Frankly, I have been overwhelmed by the response to our trip to Annapolis, Maryland to support George Fisher and his sons in the Lightning International Championships. So far, twelve B.L.Y.C. members and their wives have signed up for the trip and paid the \$50.00 per person deposit. Five more have indicated a strong interest in going. We will have space for a total of 27 persons.

For those of you who are not yet aware of this trip, let me briefly review the details. We will be leaving the Buckeye Lake Yacht Club parking lot early in the morning of May 31, 1991, aboard a private motor coach. When we arrive at Annapolis, Maryland, we will board chartered catamarans and other sale craft for our three day, two night stay. On Saturday, we will sail the Chesapeake Bay and observe some of the preliminary racing featuring George Fisher and his sons.

We will return to Buckeye Lake Yacht Club on Sunday, to arrive at approximately 10:00 p.m. The price of the trip is subject to some change, however, I estimate that it will be between \$275.00 and \$300.00 per person. I do need a \$50.00 per person deposit. Please make checks payable to Lightning Internationals. Please mail them to me at 490 City Park Avenue, Columbus, Ohio 43215.

JUNIOR SAILING

One of the FJ's has been sold so there are only 2 boats left please give me a call at (614) 296-4019 if you are interested in one of the remaining boats. The price is still \$300.00 each but after January I will be advertising these boats in the newspaper for \$400.00 each.

I recently attended a meeting in Mansfield concerning Junior Sailing in Ohio. The meeting was organized by Greg Fisher of Fisher Sails. We talked about regattas in Ohio for Junior Sailors and about the Optimist sailboat, and its use as a beginning boat. This is one of the boats our club is considering purchasing for the sailing classas. It is a very popular boat in the South and on the West Coast, and they are now becomming popular in our area.

Special Note: Greg Fisher, Matt Fisher, and their father George Fisher will be sailing in the world championships in Annapolis, Maryland in June. Gov. John Sproat is organizing a trip to Annapolis to support our member racers. Contact him if you have an interest in this trip.

GUN CLUB

We have had an overwhelming turnout for Gun Club this year. An average of 20 people have been enjoying an afternoon of trap shooting for the first 3 Sundays of the season. People of all ages have participated, however we would like to see a larger number of ladies out there.

Mike Higgins shot the first and to this point the only perfect score (25 out of 25) this season. Corey Wills and Wayne Farnsworth III are 2 of our up and coming young shooters, who are doing quite well this season.

We will be trying several variations of shoots in the future. these will include Protection shoots, Blue Chip shoots and hopefully some prizes.

Again I want to remind everyone that we shoot every Sunday at 1:00pm until about 4:00pm. Shotgun shells (12 ga. only) are for sale for \$6.00 per box or bring your own. A regular round of trap shooting (25 shots) will cost \$2.00 per person.
