

Buckeye Lake Yacht Club

December 1991

FROM THE BRIDGE ☆ ☆ ☆

What do ...

... Bill Findley, Gene Kenney, Mickey Schnieder, Steve Rehbie-Beeson and Dwight Joseph all have in common with one another? They are all getting a big thank you from myself and the members of the Board for their unselfish help in improving our Club. Bill and Gene spent the better part of a day cleaning all of the carpet throughout the clubhouse and it sure looks good! Thanks to Mickey, all of the windows on the second floor will have matching curtains hanging in them, which will improve the exterior view of the Club immensely. Her work on the sewing machine is much appreciated! Also outside, Steve has taken on the painting of our BLYC neon sign and along with some new neon, the sign should look very snappy! Finally, as you can see, Dwight has spent a tremendous amount of time on re-designing our LOG. The response on the new format has been very favorable and I really think it is a big improvement. Again, to all of the above mentioned people, **THANKS !!!!**

"It is now official.

*The Yacht Club is going to be the host
of the 1992 Interlake National
Championships to be held on the lake
July 13th thru the 17th."*

We are really on a roll with our parties this year. If you didn't get to them, you sure missed a great time. The costumes were really frightful at the Halloween party this year, especially that motorcycle gang that took first place honors. I sure would have liked to have been in that group! It took hours to figure out who some of our guests really were. Make sure to get to this party next year because it really is a lot of fun. The O.S.U. Alumni Band got the club bouncing at our Band Party and a good time was had by all. The crowd was huge and Alumni Band was forty strong so it made for a really wild time. The November Icebreaker even had a Woody Hayes impersonator on hand to continue the "Buckeye" theme and he was not only entertaining, but he brought back a lot of memories for those who

Commodore
Greg Miller

were in attendance. My thanks go to Jim Oprandi for the excellent job in organizing these parties.

Speaking of Jim, I need to inform all of you that Jim has given his resignation from the Board of Governors of the Yacht Club. I am sure that this was not an easy decision for him and I want to thank him for his efforts with the entertainment program. The Board will be considering a replacement for him in the near future and you will be informed of our decision in the LOG.

It is now official. The Yacht Club is going to be the host of the 1992 Interlake National Championships to be held on the lake July 13th thru the 17th. This is a big feather in our cap and should get the club a lot of exposure. There will be at least sixty boats from around the Midwest and it will give us all a chance to see a lot of exciting sailing by very experienced sailors during the week. I will report on plans of this event with you as they are firmed up.

Finally, the Board and I would like to take the time to wish all of you a very happy holiday season and hope to have you spend some of it at your club.

A NOTE FROM SANTA

HO! HO! HO!

Hello there boys and girls. As you know, I'm very busy now checking my list twice to see who is naughty and nice. I can see that this is going to be a very good year for the members of Buckeye Lake Yacht Club. I am looking forward to seeing all of the young ones at the Club party on December 15th, and of course, I'll be breaking into all of your homes Christmas Eve.

**Commodore
Santa Claus**

Since I know everything, I am aware that some of you plan to go south for the winter. I don't blame you. I hate these cold winters at the North Pole. Please don't forget to let either Tim Kellogg or John Doneff know your new address so that they can arrange for you to receive the Log this winter.

*Merry Christmas,
Santa*

HOUSE & GROUNDS

And the list goes on! I'm referring to the list of projects underway at the club. First of all, the ladies' restroom is almost completed with finishing touches being added. Construction of the new bridge is still underway even during less desirable weather and the entire first floor carpeting was cleaned last month by Bill Findley and his crew. My thanks go to Bill, and Gene Kenney for their hours of hard work and tremendous effort in making the Club a cleaner and more attractive place. Coming up... some great projects pending trustees' approval. Stay tuned for further exciting details!

Commodore

OFF ISLAND MAINTENANCE

With cold weather upon us, preventative measures are being taken to weatherize the club property and grounds. Bubblers have been installed, buildings have been inspected, our rental property is being repaired for bad weather and all general conditions are being met for winter time. Supplies of sidewalk ice will be available and leaves are being ground up and picked up.

ENTERTAINMENT

It is hard to believe, but winter is finally upon us. We have stocked up on firewood and are ready to entertain you at the club. The month of **December** is going to be great, with **two Champagne Brunches**, one on the **8th** and the other on the **29th**. Be sure to make reservations with John Doneff and come on out and spend some time in front of the fireplace after enjoying a wonderful meal. The **Ladies Aux.** will be having their **Christmas Dinner** on the **3rd**, of **December**, with the **children's party** following on the **15th**. The kids all really enjoy this party as the excitement builds as Santa makes his long awaited appearance. On the **20th** we will be having our **Christmas Icebreaker** which is a great time to bring the family and friends out to the Club and enjoy the holiday songs at the piano and a superb dinner. As always, the **evening of the 31st** is the time to be at the club for our **New Year's Eve party**. We have a first rate meal along with a great dance band, not to mention John's famous breakfast that takes place after the festivities start to wind down. Don't miss this really fun party and make sure to get your checks in the mail to John as soon as possible as this is a well attended event. Two dates to remember for **January** are the **17th** which is the **Icebreaker** and the **19th** which is the **Champagne Brunch**, so fill in your calendar and get ready to spend some time at the Club this winter.

BLYC LADIES AUXILIARY

November 12, 1991 Meeting

President Dot Best called the meeting to order. The minutes were read by Jackie Harris and approved. The Treasurer's report was read by Diane Koman and approved.

Congratulations are in store for Linda and Al Wing, as they have a new grandson!

Janet Holmes reported that the audit of the Treasurer's books is complete and all is in order.

Zenna Sayre gave us an update on her husband's (Bud) condition since his heart attack. He is in Mt. Carmel East hospital (Rm. 211). We all wish Bud a speedy recovery!

WAYS & MEANS COMMITTEE - Kay Oprandi and Helen Saffle are planning our BIG fund raiser - an AUCTION to be held at the Club on April 25th, 1992. There will be approximately 25 items valued at (at least) \$100 each. There will also be a silent auction. The event will be a dressy affair and very classy! Mark your calendars now so you don't miss this vary special event!

SHOWCASE - Joan Ford reported (for Valerie Vollmer) that there is an order coming soon.

XMAS PARTY FOR THE KIDS - Joan reported that the party will be December 15th at 1:00 p.m. There will be singing, a show for the kids, prizes and pictures with Santa! Help is needed with cookies. Please bring a wrapped gift marked with the appropriate age. We will donate \$50 for the choir. A motion was made by Marge Dunnington to purchase a Santa suit and seconded by Phyllis Flynn. A vote was taken and the motion carried.

OLD BUSINESS - A check has been sent to Kensington Interiors for the consulting work.

NEW BUSINESS - Dot read the list of recommendations made by the ladies for remodeling/ renovations for the Club as was voted on by the membership of the auxiliary. She is contracting several of the people who expressed an interest in being considered as "designer" to get their overall input for the upcoming projects.

Thanks was given to Donna Hoover and Kay Oprandi for being our hostesses and providing such lovely table decorations which were then RAFFLED as door prizes. Doris Dye made a motion to allow the guests at our meetings to participate in the raffle. Arthelda Haggard seconded and the motion carried.

Mickey Schneider has measured the upstairs windows and is in the process of transforming them into something worth looking at! This kind of extra effort by club members is what makes our members so special.

The meeting adjourned and the displays of cosmetics, clothing and

jewelry was well received by the membership. Doris Dye discussed her line of Mary Kay cosmetics, Karen Miller explained the versatility of Mixher Clothing and Carol Doneff told us about her latest jewelry pieces.
