

Buckeye Lake Yacht Club

July 1992

FROM THE BRIDGE ☆ ☆ ☆

It's finally Regatta time!...

I know that you have been reading a lot about the Interlake Championship Regatta in my articles over the past six months and the time is finally here. We are making final preparations and I can assure you that it will be a great time, not to mention a really important sailing event for your Yacht Club. You will find a complete schedule of events in this issue of the Log and we want to invite you out to the Club anytime during the week to watch the action and/or enjoy the facilities. One important thing that I want to mention is that the Interlake Championship Awards Banquet will be held on Friday evening, July 17th. This is a very special evening for these sailors and their crew and families so I would like to ask for your cooperation in coping with the large crowd that will be in attendance and also ask that you would give them your complete attention while the awards ceremony is going on. It would also be a very good idea to call John Doneff with a reservation if you plan on coming to the Club that evening. Again, it won't be the typical Friday night that you are used to at the Club. Also on the subject of the Regatta, if you have volunteered your services and haven't been contacted by a committee member then please let me know as soon as possible. If you would like to help out in any way that week, please give either myself (299-6848) or George Fisher a call as soon as possible. Most importantly, come out and see these sailors in action.

The party season got off to good start with the Commodores' Ball. It was a very enjoyable evening and the band had every one out on the dance floor. Vice Commodore Wing did a very good job introducing all of the Commodores in attendance and made things interesting by telling the audience what each Commodore's most important achievement was during his term. It was a nice touch.

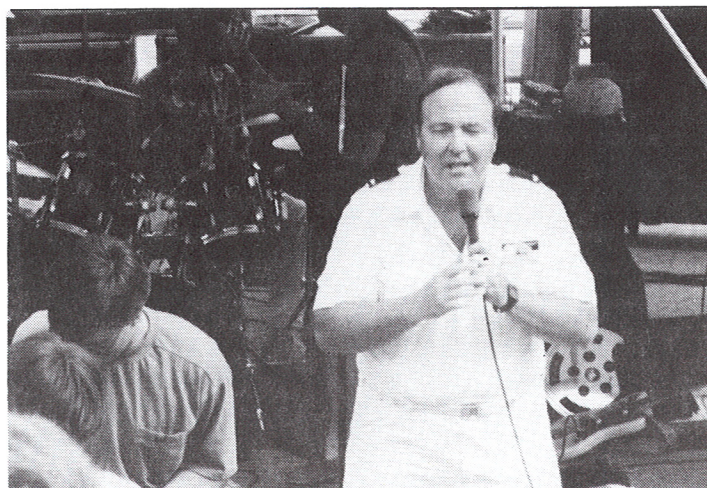

Last but not least, Phil Dirt and the Dozers were at the B.L.Y.C.! The weather was perfect for an outside concert and everyone seemed to have a real blast. Gov. Debenport had everything organized to a tee and that made everything even more enjoyable. Thanks also to Gov. Sproat for arranging to have The Majestics play during the break, not to mention coming up with the idea of a Phil Dirt Concert in the first place. I'm sure this will be an annual event. I am looking forward to a great summer at the Yacht Club and hope to see you there often.

Commodore
Greg Miller

HOUSE AND GROUNDS

The grass is always greener on the other side of the gate! At least it is this year at the Buckeye lake Yacht Club, thanks to the talents and efforts (and sweat) of many volunteers. The flowers and plants are thriving and members and guests are enjoying splashing and lounging by the pool. The deck, new pool furniture and bar by the pool have proved to be very welcome additions to the Club. We can sit back and enjoy the summer now that the outdoor projects are completed; However, those little petunias and geraniums continue to need tender loving care throughout the growing season. If you see one in need of a little "pickin", please feel free to pick! In addition, if you happen to have a little extra cypress mulch hanging around your house, the flowers at the Club would appreciate the company. Enjoy the summer and the Club!

Commodore

OFF ISLAND MAINTENANCE

I want to thank those of you that helped clean up the boat storage area and also for the grass trimming that was done. We would appreciate trailer owners to keep their own areas free of bottles, cans, and debris.

Also as a reminder, please get your money in on the basket of booze by July 4th, 1992, to John. The drawing this year will be immediately after the Fly Over and Flag Ceremony.

JUNIOR SAILING

Junior Bay Week is the end of this month, July 27-30. The BLYC Party behind the Crew's Nest is Wednesday July 29.

The Junior Sail-offs will be taking place in August. The Sail-offs are open to any Junior Sailor whose parents are members in good standing and between the ages of 12 and 17 this calendar year. I will have more definite dates in the next log.

At this point I have received only one life jacket waiver. There seem to be a lot of children under 12 years old running around without life jackets on. John has the life jacket waiver forms at the Club.

ENTERTAINMENT

Well, the season is in full swing. By now all of you have boated, sunned, and enjoyed the improved facilities at your club. Doesn't the club look great!! Better than any time since I became a member.

Governor
Marquel Debenport

On the chance that you will receive this month's log before the weekend of the 4th, I'll review what is planned for the holiday weekend. **Between 10 A.M. and noon there is a flyby of A7's from the Air National Guard at Rickenbacker.** (The exact time will be set by the ANG the week before the event.) **Concurrent with the flyby, the club will have it's flag raising ceremony.** If you haven't seen it, its impressive. The afternoon will include drinks and sandwiches from the poolside bar and grill and, in the evening, the fireworks from Wolf Island are spectacular when viewed from the club grounds.

For those inclined toward the culinary arts, John will be serving his great **Sunday Brunch on the 5th and the 19th of the month.**

The big party of the month will be held on the 11th the annual new members party. New members will be receiving an invitation to a special cocktail party beginning at 6 P.M. in the Commodore's Lounge where they will have the opportunity to meet their current flag officers and trustees. The party begins for all hands with cocktails at 6:30 where the new members will be introduced to all. Dinner is at 7:45 followed by dancing to the music of Jerry Weaver's Goodtime Jazz Band.

Looking ahead to early **August**, don't forget to set aside **Saturday the 1st of August for the big event of the year - The Danger Brothers Concert.** Yes, it's that time again. Tickets are going on sale the weekend of the 27th of June and they will be limited in number, as usual. So get your order in early.

See you at the Club

RACE AND REGATTA

July is a big month for sailing at the Buckeye Lake Yacht Club. We start the month off with the Commodore Earl Williams Long Distance Race on Saturday the Fourth. Junior sailing classes will be taking place all month as well. July 13-17 BLYC will be hosting the 1992 Interlake National Regatta. This event will be taking place during the week at BLYC and all club members are invited to come to the Club to watch the races. At the end of July from the 27th thru the 30th our junior members will be representing us at Junior Bay Week in Put-In-Bay on Lake Erie. Wednesday, the 29th, there will be a party hosted by the parents of our junior representatives behind the Crew's Nest and all BLYC members are welcome.

**Governor
Frank H. Foster IV**
