

Buckeye Lake Yacht Club

June 1993

FROM THE BRIDGE ☆ ☆ ☆

When workday rolls around, I stop to think of the past winter's activities and the great ones to come in June, July and August.

Thanks to Tim Kellogg who orchestrated workday and those who braved the miserable weather to get your Club "ship shape." If you haven't participated, it's a free lunch, a chance to get further acquainted and of course, work! Joe Kerr, who has been helping for many years and missed this year, volunteered a "makeup" by weatherproofing the deck around the pool. Whatta man!

Frankie Foster has completed area 8 and you sailors may now dock your boats.

Sunday brunches have been outstanding, plus we are proud to report that on Mothers' day, over 200 people were served. Thanks to all for your support.

The Ladies' Aux. was busy staging a most successful fund raiser and "Bahama Bash." Remember these women play a most important role in decorating and improving our Club. Hats off to the ladies!

When you really stop to reflect on BLYC, these coming months promise to be filled with activities for all, from Junior and Adult Sailing Classes, Commodores' Steak Fry, Treasure Hunt, Phil Dirt and the Dozers, The Danger Brothers, Luau, Prospective and New Members' Party, swimming and on and on—.

If you want to entertain on a large or small scale, Frankie and Hans can handle it!

**Commodore
A.O. (Al) Wing**

For a slower pace, come prop your feet up on the historic porch and just watch the blue herons, boats or the sunset.

We have it all—right in our own backyard! Come join us for sun and fun!

Would you care to boat or float to BLYC???

Coming on Friday, June 18th by unanimous request

Phil Dirt and the Dozers

Time: 8:00 p.m. to Midnight

Cost: \$12.00 per ticket

Food and drinks available ala carte

Tickets will be available thru Frank Foster IV. Don't wait to place your order.

BAR & KITCHEN

June means that the Club will be open more days of the week and longer hours. For details, see the ad in this edition of the Log. Specifically, we will now be open on Thursdays for dinner and we are going to try something new - an International Cuisine night. Each Thursday will feature a special menu of entrees from a single ethnic origin - French, Spanish, Italian, Greek, German, English, Chinese, etc. The line up for the month of June is listed in the ad for the new club hours. Come and join us in June for a start on our culinary journey around the world!!

Rear
Commodore
Marque Debenport

Last month, we tried something new designed to ease the service crunch for Friday night dinner - a buffet along with the normal order-from-the-menu service. It worked so well that we plan to make it standard for Friday nights. Enough people opted for the buffet to take the heat off the kitchen menu orders and everyone got both good food and good service.

In still another step to improve service, the trustees have approved the purchase of a new range/oven for the kitchen, which will more than double the number of cooking burners. This should greatly improve the preparation time for most of our entrees during peak dinner traffic.

Please keep the comments coming. See you soon at the Club.

ENTERTAINMENT

April showers bring May flowers and May flowers bring the (no, not the Pilgrims) celebration of honoring all Commodores of the Buckeye Lake Yacht Club at the Commodores' Ball. Always a success and a special evening, it also signals the beginning sounds of summer. As June approaches, Phil Dirt and the Dozers and The Danger Brothers are getting closer to setting up at the B.L.Y.C. for another summer session of oldies and loudies! Phil will arrive on the 18th of June so buy your tickets now. "Danger" arrives on July 31, so buy your tickets well in advance and plan ahead.

Vice
Commodore
Steve Schilling

In addition to the special bands making their appearance at the Club, the B.L.Y.C. Commodores will also perform on Saturday, June 12, as they holler "rare" and "medium" preparing your steaks "just the way you like them". Of course, their performance at this annual event is always "well done". The Happy Wanderer will provide entertainment that evening.

Enter July. The traditional 4th of July flyover is always inspirational and enjoyed by all who attend. The Governors will be busy sweating over hot grills as you dip into the pool and enjoy the sounds of T.J. and the Kid on Saturday, July 17. We are tentatively planning a bus trip to Put-In-Bay to help support the Junior Sailing program. Anyone interested in going up on Wednesday, July 28 and returning to the B.L.Y.C. Thursday, the 29th, please sign up at the Club.

I don't like to even write the word August, because I know it will be here sooner that we think but include the B.L.Y.C. parties on your agenda during the last month of summer vacation. The Luau will be held August 14, the Antique Boat Show on August 21 and 22, and the New Members and Club Appreciation Crystal Ballroom party is scheduled for August 28.

Don't be a fool — enjoy the pool — and stay cool!

Steve

PROFESSIONAL POWER BOAT RACING...

...at Buckeye Lake on June 18, 19 & 20, 1993.

Everyone has heard a lot of rumors concerning the power boat racing on Buckeye Lake. I hope the following information answers any questions you may have.

About 3 months ago, I was doing my job at the Yacht Club on a Sunday afternoon and a man named Joe Hill walked in and began asking questions about the area of Buckeye Lake. He told me that he was a sports

promoter and was looking into the possibility of holding a power boat racing event on the lake.

As he described the event, I thought how nice it would be for the village of Buckeye Lake as well as the lake itself. I supplied him with the names of the Village officials as well as the lake administrators. He walked down the North Bank along the sidewalk and I showed him the area and the Yacht Club facilities. From there I was asked to sit on a steering committee of about 10 people to help this event take the right direction for this area.

The boats that will be racing are referred to as "tunnel hull" racing boats. They are powered by outboard engines that propel them to speeds up to 110 MPH and from zero to 100 MPH in 5 seconds which makes them the quickest (but not the fastest) boats in the world.

There are going to be three classes of boats with about 15 boats in each class. The race course consists of an oval shaped course approximately 1 mile in circumference. The course layout will be from in front of the new North Shore State Park to in front of the Yacht Club.

These boats start from a "dead" engine start, which means their engines are off. This will occur at the Yacht Club along the south seawall of the BLYC docks (at the wind sock). They will race to the first mark in front of the Club and around the course about 25 times, and then finish. Each race lasts 15 to 20 minutes. There are several races for each class and the finishing positions are awarded points which accumulate over the 2 days of racing. The winner is the boat with the best point total for all the races combined.

Questions & Answers

Q. How many people do they expect to see this event?

A. Depending on the weather anywhere from 20,000 to 60,000 people over the 3 day period.

Q. Where are they going to put all those people?

The public will be viewing from the State Park which will be closed to all boat and car traffic for the weekend. They will also be viewing from the North Bank sidewalk from the State Park to the Yacht Club. There will also be bleachers set up as well as concession stands on John Carlin's empty property between the BLYC Eastport

Governor
Frank H. Foster IV

Boatyard facility and the State Park. The parking for all the public will be at remote areas around the Village and they will be bussed by vans provided by Pay Less Rent-a-Car. They will be letting people off at the State Park.

Q. Will the public be allowed to use any of the Yacht Club Facilities?

A. ABSOLUTELY NOT. Access to the Yacht Club facilities will be limited and they will be used as follows:

Island and Parking Lot - Access to parking and the Island will be restricted to Yacht Club members, Media, Sponsors, and Boat drivers only. Special passes will be distributed to the media, the sponsors, and the drivers. Yacht Club members can use their membership cards to get onto the island and to park in the parking lot. Please bring them with you!!! A uniformed police officer will be at the front gate all weekend restricting access.

Eastport Boatyard - The Boatyard will be closed to all traffic that weekend. Please do not plan to use the lift or to access your boat that weekend. The reason it will be closed is because that is where the racing boats will be stored as well as launched. They will be using our hoist and another crane being brought in to lift the boats into the water.

The Front Basin where the guest docks are located will not only be closed to all traffic but will be completely blocked by the same barge that we had at the Club for the Danger Brothers to play on last year. Phil Dirt and the Dozers will be playing on that barge Friday June 18. The barge will be put into position Thursday, June 17, 1993 and will remain there all weekend. If you have a boat in the Front Basin and think you might want to use it that weekend you will want to remove it before Thursday, June 17, 1993.

The outside perimeter of the island will also be closed to boat parking on Saturday and Sunday for safety reasons during the races.

Q. Will I be able to do any boating on the lake that weekend?

A. Yes. However, boat traffic will be limited around the race course area including all docks that the BLYC owns. Boat traffic will only be permitted in certain areas and only during certain times over the entire weekend.

Q. Can I bring my friends to the Yacht Club that weekend to watch the races?

A. Yes. However, on Friday night for the Phil Dirt concert, only pre-sale ticket holders will be allowed on the island after 5:00 p.m. Tickets are available at the Club but only a limited number are still available. The price is \$12.00 per person. Members can bring guests, but, to keep the public from coming onto the island on Saturday and Sunday, the guests must be accompanied by a member with a valid BLYC membership card.

If you have any questions, please contact me at the Club at 929-9941 or 929-4466

HOUSE AND GROUNDS

On Spring Work Day, thirty-seven men, women, and children braved miserably rainy and windy weather to help accomplish just about everything that we needed to do to get the Club ready for summer fun. Everyone was tentative at first about going outside to work in such weather, but then Comm. Wing shouted something like "Damn the torpedoes, full steam ahead!" as he raised the Club's flags. With such a leader, we all knew that stormy weather could not stop us, so we proceeded to get quite a lot done.

I'd like to offer each and every person who contributed my thanks. Dwight Joseph has hand-crafted this plaque as a token of my appreciation. Please feel free to cut it out and place it in a prominent place in your home or office.

RACE AND REGATTA & JR. TRAINING

The Club has prepared a summer of fun. Join in. We have a full summer and fall boating season schedule. See the schedule below.

There are still openings in all Junior Sailing Camps and Adult Sailing Classes. If you want to get more out of your yacht club membership and have fun and learn to sail, just fill in the application in this Log or call me at 928-3709. These classes are open to members and their families. These classes are also open to non-members.

**Governor
Fred E. Wright**

As you will see, June and July are very busy, so we have decided that the weekend power boat cruise will take place either the first or second weekend in August. We are currently trying to schedule a trip from Pomeroy to Charleston, West Virginia, and back. Please keep these weekends in mind when making your summer plans. There will be a full report in the next Log.

LADIES' AUXILIARY

The regular meeting of the BLYC Ladies' Auxiliary was held May 12, 1993. President Connie Schilling called the meeting to order at 8:15 p.m.

In the absence of the Treasurer, President elect Diane Koman reported the balance of \$8,234.00. The Secretary read the minutes of the April 13 meeting. Minutes approved. President Schilling thanked her committee from the Bahama Ball. A profit of \$1,295 was received. Tickets for the Basket of Booze will be sold by members.

The President thanked Marge Dunnington and Nancy Schmittauer for acting as hostesses. Table prizes were raffled. Meeting adjourned.

Diane Koman introduced Betty Hossler who spoke on scented geraniums and herbs. Respectfully submitted,
Joan Ford Secretary

Junior & Adult Sailing Camp - 1993

Junior Sailing camp is one of BLYC's biggest successes. Kids having fun learning to sail with other kids. Juniors, which include all teenagers, must be at least nine years of age sometime during 1993 to register. Adult Sailing Classes are scheduled this year. If you ever wanted to learn to sail, now is the time! Each participant must bring to camp his or her own life jacket, deck shoes and a swim suit. While the enrollment deadline is the first day of class, it is best to enroll early to be assured a place during the week you prefer, and to get more detailed information. The dates and times are on the registration form below.
