August 1993

FROM THE BRIDGE ☆ ☆ ☆

Your Commodore and Board of Governors wish to thank Commodore Gaiser and his wife Jodie for hosting the Board of Directors meeting at the Four Seasons marina in Cincinnati. Later we boated with our wives to dinner and the Cincinnati skyline from the water was truly a beautiful sight on our return.

It seems as if July has flown by with the activities on the 4th, the brunches, Friday nights, dinners, sailing classes etc. The heat also made our pool a great gathering spot.

The Danger Brothers will have come and gone by this printing but other years are any indication it will have been another great evening. Also I forgot to mention that Ed Levison donated the Security Shirts worn by our staff at the Phil Dirt Concert. Thanks Ed!

Coming up is the boat cruise to Gallipolis and the Dog Races in Charleston. Only one lock to go through this year, folks! Contact Fred Wright and he will give you all the info you need.

Fran Baughman (affectionately called Nanny Franny) since she is a new grandmother still will find the time to stage a super Luau. Lots of fun and surprises!

Come see the masterpieces of hard work and love for boating at the Antique Boat Show August 20th, 21st and 22nd. By the way, we need docks for the Show. Those members willing to help out, please move your boat to the long dock or another area. We thank you!

Did you see our First Place boat in the July 4th parade? It appeared on channel 10 that evening and also on the front page of the Advocate.

Come out and join the good people at BLYC.

ENTERTAINMENT

Now that the Red, White, and Boom that the Fourth of July brings is over, it's time to concentrate on the remainder of summer activities and parties scheduled at the B.L.Y.C. Remembering the fourth, the fly-over and flag raising at the Club were very well attended and helped us signal the beginning of this celebrated day. As you are reading this article, you will be remembering the delicious food and entertaining evening you enjoyed at the Governors' Mixed Grill and Pool Party. Now it's time for another night of dancing, singing along to the oldies and watching the antics of the Danger Brothers on July 31st. The cookout begins at 5:00 p.m. and music at 8:30 p.m. Get your tickets now!

Vice
Commodore
Steve Schilling

August is approaching so make plans to attend the activities scheduled. Fran and Bob Baughman are already preparing for the Luau on Saturday, August 14, 1993, so get out your grass skirts and flowered shirts and get ready to hula! Come out and see for yourself how well boats age at the Antique Boat/Regatta Show on August 21 and 22. The last party of the month will be the New Member/Club Appreciation Party scheduled for Saturday, August 28.

There's still plenty of warm weather ahead so come out to the Club and enjoy the sailing, the sun, and the fun!

Steve

A NOTE OF THANKS

As many of you know, we entered (and, to my knowledge, for the first time) a float in the July 4th Buckeye Lake Boat Parade and we won!! There is a picture elsewhere in the log of our winning entry. We had a lot of people who contributed to this successful effort and I'm pleased to have this forum to publicly thank them all for their efforts.

First of all, the crew: Bob Dye, Joan Hein, Jackie Keiner, Don Hoskinson, Steve Rehbein-Beeson and our Friday night piano player, Norm Tyack. Don, Jackie and Norm provided the music, Joan was the official "waver", Bob piloted the boat and Steve was on board for disaster control.

In building the float, I had the much appreciated help of the following: Marque Debenport, Kerrie Keiner, Bob Dye, Jim Kyser, Steve Schilling, Dwight Joseph, Frank Foster and Steve Rehbein-Beeson.

I would also like to thank Frankie Foster who provided his pontoon boat, Jim Mitchen who loaned us his gas generator to provide power for the musicians and singer, and I want especially to thank Daryl and Diane Riggs, who are presently non-members (hopefully we can remedy that status soon), of the Carpet Warehouse in Millersport who gave us carpet to cover the deck of the boat.

Finally, I want to give particular thanks to Dwight Joseph who contributed greatly to the design of the float and to Steve Rehbein-Beeson who, as always, was there every step of the way, unselfishly giving his time and talent to our club.

BAR & KITCHEN

As Board Member in charge of the Bar and Kitchen, I am very happy to report to the membership that as of the month of July, the Bar and Kitchen year-to-date bottom line is in the black for the first time since the Club took over its operation in October of last year. By the end of the fiscal year (August 31), I expect that B&K will show a nice surplus. We all owe a round of applause to Frank Foster, Hans Kamphowe and all the staff for a job well done.

**Rear
Commodore
Marque Debenport**

We are still searching for ways to improve service in the dining room on high volume nights - typically Wednesdays and Fridays. You may have noticed that we now have three waitresses and an increase in the bussing help on these nights, and recently, the Club Manager has been taking table reservations to control the flow into the dining room. These measures along with the Friday night buffet, the new range in the kitchen, and the new menu seem to have made a dramatic improvement in service. We hope you agree. We continue to solicit ideas to assist in this area.

At the risk of repeating myself, I would ask that you show consideration for your fellow member on crowded nights by adjourning from the dining room when you have finished your meal. That way, the table can be cleared and reset promptly for the next group of diners. At this time of the year the porch or the pool area can be very pleasant for after dinner drinks or conversation.

Only another couple of months of summer fun left for 1993 so lets make the best of it. See you at the Club.

Marque

HOUSE AND GROUNDS

Iwould like to assist Governor Manifold in thanking everyone who came out to the workday on July 24th. In addition to off-island improvements, we accomplished several big jobs on the island: We prepared the west dining room for the new wallpaper that has been provided to the Club by the hard work and generosity of the Ladies Auxiliary. Please bear with us until the new wallpaper is installed. We also built an extension to the existing fence behind the Club to conceal the trash can area.

LADIES' AUXILIARY

The regular meeting of the BLYC Ladies' Auxiliary was held July 14, 1993. President Connie Schilling called the meeting to order at 1:30 p.m.

Treasurer, Laura Donnelly, reported a balance of \$9,032.19. Report was filed for audit. Diane Koman read the minutes of the June 9th meeting. Minutes were approved as read.

Flowers were sent to Janet Holmes. Gladys Travis has her cast off and was able to attend meeting. Lois Rosser reported Ginny Sherrard was in a Hot Springs, Arkansas hospital.

Linda Wing reported the BASKET-OF-BOOZE raffle made a profit of \$1,192.96 with Carl Petersilge being the lucky winner. Helen Waite was thanked for sponsoring tickets and she commented she would be happy to do so for both raffles next year. Linda requested volunteers to sell Membership raffle tickets Election Day.

Valerie Vollmer resigned as Showcase Chairman and Jan Kaylor has been good enough to take over this responsibility a few months early. New arrivals for the showcase were displayed.

Terry Kochensparger will Chair the 1993-94 Nominating Committee with Rosemary Findley and Lois Rosser assisting.

President Connie thanked hostesses Doris Dye, Fran Baughman and Nora Ballenger. The flower centerpieces and baskets of candy were then raffled. Meeting adjourned at 1:56 p.m.

Everyone enjoyed Fran Baughman's 'tales' and 'experiences' of her 3-1/2 month cruise around the world. She also showed a movie highlighting various activities and ports on the trip.

CHANGE IN THE CLASSIFICATION OF THE BLYC LIQUOR PERMIT

In November, 1992, the Board of Governors authorized a review of the legal status of the BLYC liquor permit.

The permit specified that "sale of beer or liquor to non-members is illegal." The unauthorized sale of beer or liquor to individuals is punishable by up to six months incarceration and a \$1,000 fine for the person or persons authorizing the sale or the person making the sale. Further, such a violation is reported to the Ohio Dept. of Liquor Control which could lead to the suspension or revocation of the permit. Because of these potential problems, research into the possibility of obtaining a permit allowing sales to non-members was begun. One type of permit, known as a "Marina License" was found. Only twelve of these licenses were available state-wide, with no more than two to be issued in any one county.

To obtain the license it had to be shown that the Club had 25 or more docks, 2,500 square feet of floor area, obtained 50% or more of its revenue from food service and was located on a navigable river. To

**Governor
John Sproat**

demonstrate navigability it must be established that inter state commerce is conducted on the river. A river is defined as a "waterway". With historical background provided by Chance Brockway, I argued to the Board that the Ohio-Erie Canal was a waterway upon which inter-state commerce was conducted. I provided two U.S. Supreme Court cases which established that once a river has been determined to be "navigable" it retains its character of navigability. Finally I established that BLYC was located on what was once known as the Licking Summit Reservoir which was a critical part of the Ohio-Erie Canal.

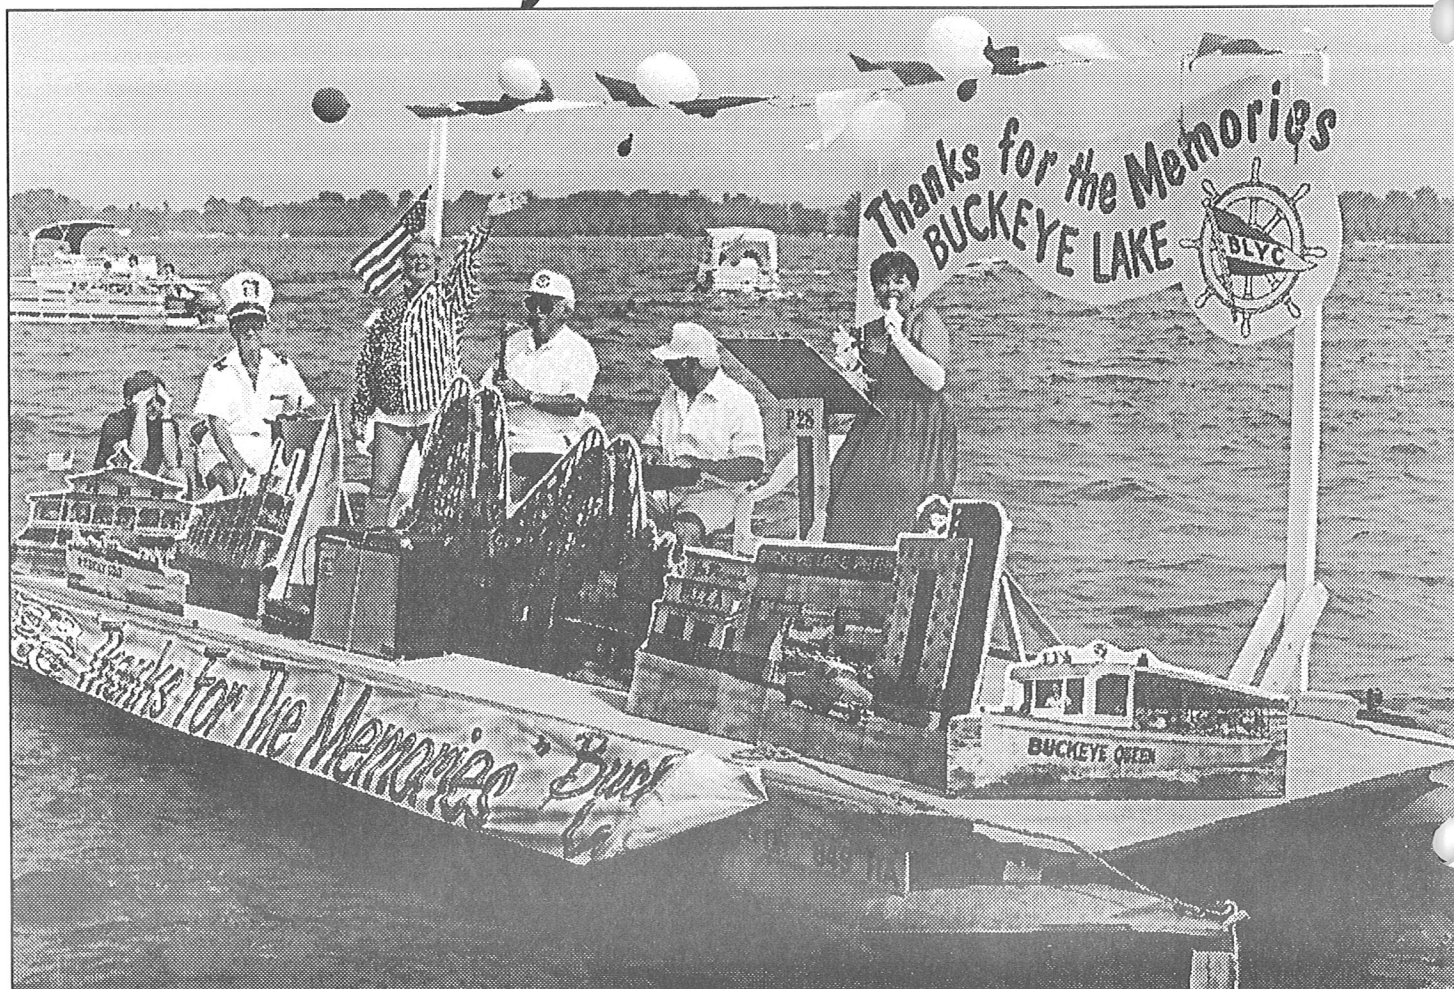

After numerous meetings with Liquor Board personnel and in depth investigation of the Club premises, the new Marina License was made available. On the day I was to surrender the old license and obtain the new license I was informed the new license would not permit Sunday beer sales.

The Board in a telephone conference weighed the long term benefit of the new permit against the risk of concealing it to keep Sunday beer sales. It was not an easy decision. In the final analysis, however, it is best that there be no question about the legality of our operations.

Now the objective is to find the most cost effective way to obtain the permit needed for Sunday sales.
