## FROM THE BRIDGE ☆ ☆ ☆

**M**y year as Commodore is nearly completed and in the final analysis, I would say the best part has been the support and friendship of the many members—those whom we knew and those whom we have met.

The hardest part of my term has been some tough judgment calls and changes which the Board and I hope have proved profitable to our Club.

One of the most satisfying experiences was working with my Board. I cannot thank them enough (or their wives) for the countless hours, difficult decisions and telephone calls, all in the best interests of BLYC. I might add their paychecks were tremendous!

For those of you who might be unaware of Board duties let me review briefly and as follows:

Vice Commodore Steve Schilling: advance booking of entertainment, worrying whether there is rain or no rain, tents or no tents, attendance or no attendance. Things just don't happen. It takes hard work and planning which Steve has managed smoothly and efficiently.

Rear Commodore Marque Debenport: a challenging and demanding job with Bar and Kitchen, Marque started with no information and managed to develop a computer program which gives us a complete record of sales, projected sales and inventory. Along with Hans and Frankie, he developed a new menu and kept problems in this area to a minimum.

Treasurer Keith Dotson: the silent man who spends hours keeping track of our financial picture and seeing that we stay within budget and out of the red. For those of you who might have trouble balancing your checkbook, remember Keith's good work!

Governor Dick Manifold: another quiet and reliable worker always available to do anything necessary for the betterment of BLYC. Dick was responsible for Off Island Maintenance and kept Eastport, the parking lot and dwellings in good repair.

Governor Tim Kellogg: if you enjoyed the view of the grounds as you docked or walked across the bridge, Tim is the man to thank. He

Commodore  
A.O. (Al) Wing

also put in many hours organizing and participating on workdays and had our pool cover made at his place of business at about half the cost.

Governor Fred Wright: accepting a most challenging post this year, Fred has formed a committee of Bill Reynolds, George Fisher, Frank Foster and Walter Grubb to initiate a long range plan to revitalize our sailing program. Fred organized the 'Tween The Trees Cruise and Jr. Sailing activities for Put-In-Bay Week for our young sailors, parents and members attending.

Governor Jim Fedor: definitely a thinker and leader at Board meetings. Jim's quiet style of picture taking along with matching them with members names, kept him busy at all functions. He enjoyed the publishing part of his duties and the Log showed it.

Governor John Sproat: John set a goal of 20 this year for membership and has approximately 23. He is above quota and still working. He

*Commodore, continued*

has spent many hours on the new liquor license so that our Club operation would be completely legal.

Governor Frank Foster Jr.: Frankie has rented all docks and is still trying to find more dock space to keep everyone happy. Frankie has also brought much enthusiasm to his manager's job and I have received many letters complimenting him on his diplomacy and desire to make BLYC a fine place to bring your families and friends.

The above combinations have brought a continuity and eagerness hard to surpass on any Board.

Thanks to these gentlemen, the Trustees and you Members who have allowed me to serve BLYC this year.

It is now time for Steve Schilling to take over the helm and we wish him and Connie "Smooth and Calm Sailing" through their year as commodore and commodoreess!

In parting, remember—Old Commodores Never Die—They Just Become Trustees!

My best to you all!

## Would you like a free 8x10 color family portrait?

Just one trip, no need for a return visit to view proofs. We need your cooperation to be photographed. The more members we have the more free directories your Club gets.

Dear B.L.Y.C. Member,

Do you have a problem putting the names and faces together when you visit the Club or meet members at other locations? Well, I know I do. That's why we are going to put together another, updated Membership Directory.

The Portrait Studio Of Tomorrow is coming to our club to photograph your family for our new directory! This portrait studio enables you to be photographed and select a pose for the directory with the opportunity to purchase portraits in one visit to the Club. (No more return visits to view your proofs.)

The directory will contain family pictures and an up-to-date roster. Remember, you will receive a free 8 x 10 natural color portrait for viewing your poses with the Portrait Consultant and selecting one for the directory.

Appointments will be scheduled at the Club on September 19, Club Election Day.

We hope all members will take to time to participate in this important project. Can we count on you? Remember, your family portrait will be taken and delivered in time to use as holiday photos.

Sincerely,  
Steve Schilling,  
Vice Commodore

## MEMBERSHIP DIRECTORY

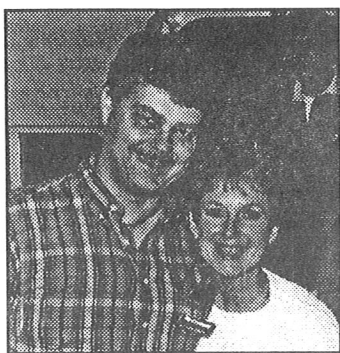

Please welcome our nine newest members at Buckeye Lake Yacht Club. They are: Gary L. Berkshire;

Guy E. Carr and his first mate Cookie;

James D. Loudermilk with first-mate Rose;

Jon P. Montgomery and wife Joan;

C. Fred Taylor with wife Carol;

Governor  
John Sproat

Daniel D. DeMary  
and his wife Jule;

Charles R. Spurgeon and first-mate Suzanne;

and William Zehala and first mate Betty.

Please also welcome Corey D. Wills as a new junior member.

Also, please make a special note to attend the New Member and Club Appreciation Party to be held August 28, 1993. It should be a great opportunity to meet our new members and enjoy the big band music of "The Pastels".

*John*

## ENTERTAINMENT

If you attended the Danger Brothers concert on July 31, you know it was a fun night with great food, loud music, and weather of which meteorologists dream!

Frank Foster, Frank Foster IV, Joe and Babette Joseph, Chris and Margene Lambrecht, Greg Miller, Chuck and Carolyn Petree, Mike and Steve Schilling, and Dick Wolf all give a round of applause to Gale Roshon and his first mate, Norma, for their unending hospitality during the motor home, Put-In-Bay expedition to support the Junior Sailors on July 28.

Vice  
Commodore  
Steve Schilling

If I hadn't been to Hawaii myself, I would swear the island had moved to Buckeye Lake on August 14, thanks to the Luau experts, Fran and Bob Baughman! John Sproat's band, the Majestics, never sounded better and the surprise guests from the islands, including dancers and singers, were very entertaining.

The Antique Boat Show was a success, as usual, thanks to the time and efforts of Bill Hoermle and his crew. The Club looks forward to assisting in this yearly event and the boats (or should I say, works of art) are unbelievable.

This request is not related to entertainment, but I need the volunteer spirit that so many members and their wives have given to our parties — in other words, PLEASE HELP. We are in the process of putting together a new membership directory. Volunteers are needed to assist in scheduling photo sessions. I hope to begin scheduling on Election Day at the Club on September 19, 1993. The photos will be taken in time to use as gifts for the holiday season or to send with your holiday greetings.

*Steve*

## RACE AND REGATTA & JR. TRAINING

The sailing and boating programs of the Club have had a very busy summer. At the conclusion of the Junior and Adult Sailing Camps, the instructors, Chad Headlee and Justin Chambers continued to work with the Advanced Juniors in preparation for Junior Bay Week.

We had two entries in the ILYA Junior Bay Race Week held at Put-In-Bay. Walter Grubb, Jr. and Kevin Kumler represented the Club well and earned the respect of all the BLYC members and their wives who were watching the races. Many of the races had strong winds which damaged some boats, but Walter and Kevin stayed in the race to the end.

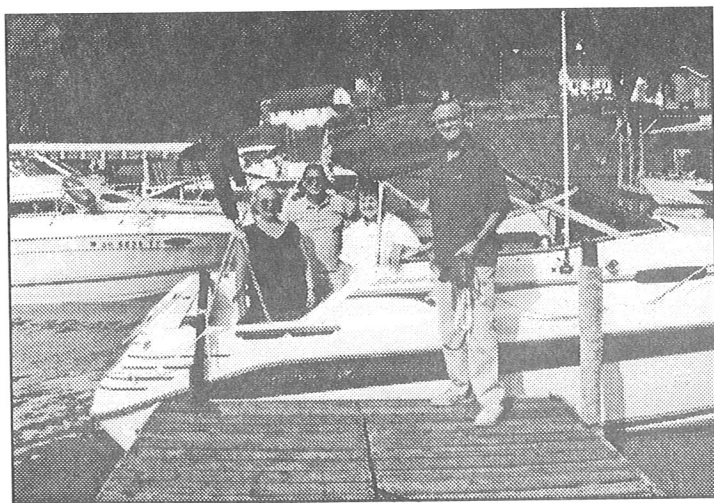

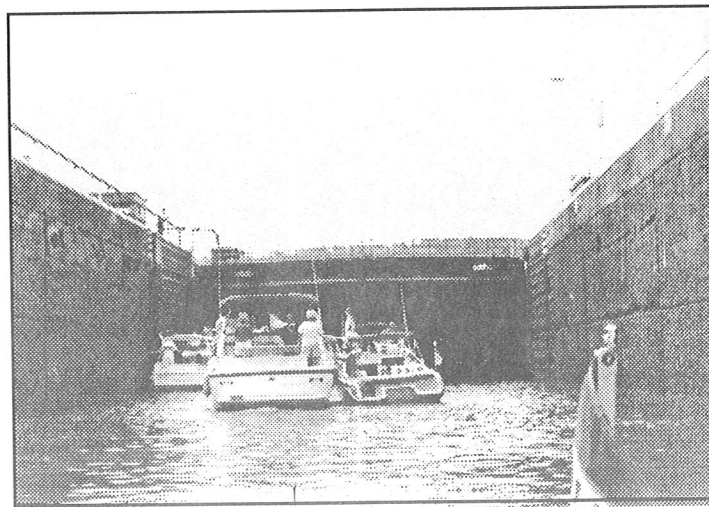

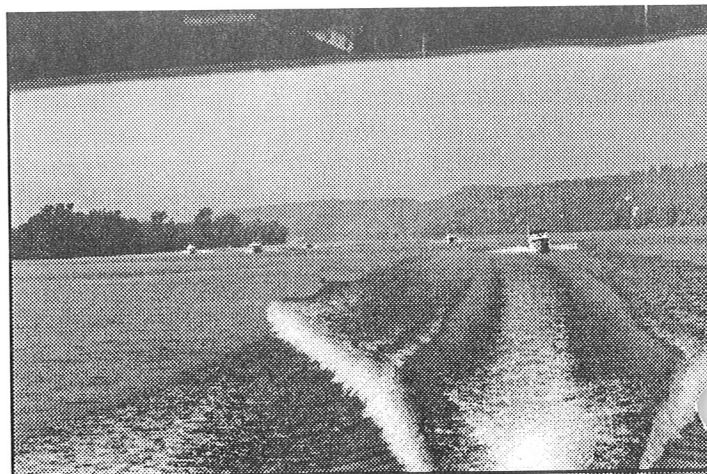

**Governor  
Fred E. Wright**

The Wednesday night cookout at the Put-In-Bay Yacht Club pavilion was a huge success, with 45 BLYC members and their wives in attendance. Thanks to Steve Schilling for promoting a group entourage to Put-In-Bay and to Gale Roshon who furnished his motor home for the group. The Yacht Club wants to thank Walter Grubb, Sr. and Martha Kumler for acting as chaperones, and Chad Headlee and Justin Chambers for their coaching.

Two weekends later was the "Homer Tussing Memorial 'Tween The Trees Cruise" from Gallipolis to Charleston. Seven boats participated, with 29 passengers. Bob and Doris Dye drove down in their van and we all appreciated their providing taxi service to and from the marina to the motel. The Club thanks Bob and Peg Yerke for acting as the lead boat and for getting us through the lock both times. The weather was great! All 31 of us enjoyed the evening at the greyhound races.

The Club wants to thank Bill Hoermle for a magnificent job on the Antique Boat Show held on the 21st and 22nd of August. He had more boats show up than expected but was able to work them all in. The attendance was great as was the weather. We want to thank John Sproat for furnishing the entertainment. The Junior Sailing Program made \$80.25 selling ice cream, which the Governors matched. Thanks to Walter Grubb, Sr., Steve Rehbein-Beeson and Nick Rader for helping us man the ice cream stand.

*Race & Regatta, continued*

Labor Day, September 6th, is the Commodore Haggard Long Distance Race. Those who are interested in competing should call me at 928-3709 or Frankie at the Club.

The Sailing Committee is organized and has reported to the Board of Governors their plans for next year. Still in this year's planning is a full day of sailing with a continental breakfast on the porch of the Club, sailing to Papa Boos for lunch and returning. The date selected is Saturday, September the 18th. If the weather does not cooperate, then it will be postponed to Sunday, September 26th. A special mailing will be sent out to the sailing group.

The last event of the year will be the Snowball Regatta to be held at the Club on October 1, 2, and 3. Walter Grubb, Sr. and Walter Grubb, Jr. are chairing this event. (See the notice in this Log for details.)

### LADIES' AUXILIARY

The regular meeting of the BLYC Ladies' Auxiliary was held August 11, 1993. President Connie Schilling called the meeting to order at 1:10 p.m.

Guests attending were introduced. Minutes of the July 14th meeting were read by Diane Koman. Terry Kochensparger noted Lorraine O'Donnell's name had been omitted from the Nominating Committee. The minutes were approved as corrected. Laura Donnelly, Treasurer, reported a grand total of \$9,266.14. Report filed for audit.

Sunshine committee reported that flowers were sent to Ginny Sherrard's family.

Jan Kaylor invited everyone to look at the new items in the showcase and to watch for new arrivals.

Terry Kochensparger, Chairman of the Nominating Committee, submitted the following slate of officers for the '93-'94 year.

President	Diane Koman
Vice President	Karen Gunderman
Secretary	Laura Donnelly
Treasurer	Sue Sherrard

Phillis Flynn made motion to accept this slate and was seconded by Gladys Travis.

The President thanked hostesses Donna Hoover and Gladys Travis and proceeded with the centerpiece raffle.

Meeting was adjourned at 1:40 p.m.

Respectfully submitted,  
Diane Koman

Our Annual Meeting will be held September 19, 1993 at 2:00 p.m.

### OFF ISLAND MAINTENANCE

This edition will serve as my current report and a summary of my first year as Governor of BLYC. I have not had reports in the Log on a regular monthly basis because of the nature of the job.

Some of you may not know what the duties of the Off Island Governor consist of. They are spread over a large area. I have been in charge of the maintenance of: the Rosebaugh House, the Ranch House, the 4 unit apartment at East Port, East port storage lot, all docks, parking lot, and walks.

**Governor  
Richard Manifold**

It may sound like a lot but I am sure it has not demanded as much of my time as some of the other Governors. However it has been a great learning experience and I have gained a lot of insight into the operation of the Club. From this experience I think we need to spend more effort on future long range planning.

As an example, the 4 unit apartment is becoming a deteriorated liability. We have been studying the cost of repair vs. demolition. Some interesting ideas have surfaced in the discussions. Just ideas: Tear down the building, increase the size of the fenced lot, more boat storage, consider an enclosed pole barn type storage unit to provide covered boat storage (increase rental income), or simply close the apartments and let the building set for a while.

July Work day—Yes, we had a work day, July 24. A big thanks to all the Governors who showed up to work along with two members Dave Sutton and Don Hoskinson. Repairs were done on the Rosebaugh house, and the two room Out House was removed making room for a future move to a new drive way entrance. The number of members who showed up for work days may be an indication that the Board in the future should consider putting more money into maintenance accounts and hire more of the work done. Any input from the members on this subject would be appreciated. It is understandable why members do not enjoy spending their weekend doing Club work. With all of the property that the Club owns, it requires ongoing repairs.

In all it has been a great year for me and I hope to continue to work for the future of the BLYC Club.
