Buckeye Lake Yacht Club

June 1994

FROM THE BRIDGE $\Leftrightarrow \Leftrightarrow \Leftrightarrow$

Commodore Steve Schilling

ritz, Connie, and I just returned from the best-kept secret on Buckeye Lake — the Yacht Club's Sunday Brunch. You can eat breakfast then go back and get lunch, all for one reasonable price! So come out and take advantage of the good food offered Sunday mornings. If you enjoy a cocktail or beer on a Sunday afternoon, thank Rear Commodore John Sproat for all his efforts in the passage of Issue 19, allowing the Club to sell these bevges on Sunday.

Vice Commodore Marque Debenport and his wife, Phyllis, were busy on the 14th taking advantage of the sunny weather, planting flowers around the Club, so things will be blooming all summer, thanks to their green thumbs.

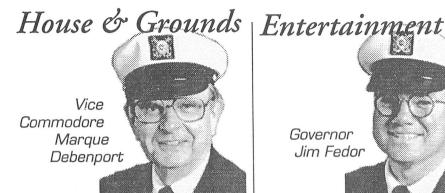

Watch the flowers grow while enjoying the many summer activities planned at the Club, as well as relaxing by the pool. See Governor Fedor's article for summer details and make your reservations early! June's schedule includes the Father's Day Dinner, Commodores' Steak Fry and the Treasure Hunt.

Thanks to those of you who attended the semi-annual meeting on May 1st. The annual meeting will be held September 18, 1994, following the Club election. If you were fortunate enough to attend the Springenfest on May 13, you know that, once again Hans displayed his fine German culinary talents. It was a well-attended party and refreshing to stand out on the front porch (sans vis queen) and enjoy a brew while listening to "Oom Pah Pah"! The previous Tuesday night I was invited to the Ladies' Auxiliary dinner for their Annual Men's Night. There was a good crowd and the men always appreciate being included.

Celebrate Spring and Summer by participating in all the activities and social events planned at the B.L.Y.C. There are too many good times scheduled to miss! So come out to the Club and sip, sup and sail!

ourteen flats +, 75 buckets of lake water laced with Miracle Grow and three and a half hours of back breaking labor. A big thanks to Joan Ford for the design and selection and to Ro and Joe Miller, Jo Fedor and my wife for doing the planting of the flowers. They look great and will add to the appearance of the Club for the rest of the year.

By the time you read this, the pool will be in full swing for the summer season. Now that we can serve beer. wine and liquor on Sunday, the pool will be a busy place throughout the weekend. Come and enjoy.

You may also have noticed the tent that has been erected over the new concrete pad at the east end of the porch the better to serve you with outside cooking and food sales. This should be especially useful for outdoor parties and for the Concerts coming this season.

The good times are here again. Come on out and enjoy your Club. See you there soon. Margue

BLYC Ladies' Auxiliary

The ladies of the BLYC Auxiliary entertained their husbands with cocktails and dinner. There was no regular business meeting and after dinner President Diane Koman introduced our speaker State Senator Nancy Chiles Dix.

Senator Dix, who moved to Buckeye Lake at the age of two, shared her memories of growing up on Buckeye Lake. She also entertained us with some

¶ he month of May brought us the Springenfest. This well attended event was great and the food was outstanding. Our hats go off to Hans and his staff. THANK YOU.

The month of June is filled with great excitement and nice weather. On JUNE 11, we will have the TREASURE HUNT in the afternoon, and the annual COMMODORES' STEAK AND CHICKEN FRY. Dancing music will be provided by Harmony.

On JUNE 25, we will have a PIG ROAST that evening and a disc jockey on hand for all your favorite tunes. FATHER'S DAY DINNER will be on JUNE 19. The sign-up sheet is posted at the club, or you can call at 929-9941 to make all your reservations.

We also will have a BRIDGE PARTY on Sunday, JUNE 26 at 1 O'clock. Tickets and table reservations are now being made at the club for our three summer concerts. So plan early and buy your tickets (\$12) for these upcoming events. See you at the club and catch the

humorous stories of her entry into State Government.

The members were reminded that our next meeting will be a luncheon meeting. The lovely spring geraniums on the tables were raffled and the meeting was adjourned.

Respectfully submitted,

s most of you know by now Issue 19, the Sunday liquor sales option, passed. The vote total was 127 for and 75 against. The total number of voters was 207 so nearly all voters voted on this issue.

I estimate that we received at least 50 votes from individuals in the community of Buckeye Lake who are not BLYC members or spouses. We obviously owe a great debt of gratitude to the Buckeye Lake community. When the opportunity arises, I hope that you will assist me in volunteering in some way to repay this debt.

The effort to be certain that we had the proper liquor permit was initiated in November, 1992, by Commodore Al Wing. Now I am proud to say that BLYC is legally permitted to sell liquor to members and non-members seven days per week within certain posted hours. We are the only establishment on the main lake that has Sunday sales of liquor.

Again, my sincere thanks to all who assisted in this campaign and all who voted in favor of Issue 19.

ummer boating season is finally here! The Yacht Club has paid for 103 boat docks. There are still about a dozen to be assigned. The following boat docks are still available: (Please refer to page 4 of the May issue of the Log). Docks 4, 6, 7, 20, 49A, 53A, 66, 86, 108, 109, 111, 113, and 115.

Following my article you will find the Dock Waiting List Report as of Sunday, May 22, 1994. I have attempted to reach people at the top of this list that have requested open docks. Many times I have been unsuccessful. If you are near the top of the list, please call me. Many of the docks mentioned are docks that several people do not want. If you are anywhere on this list and you are interested in dock 4, 6, 7, 20, 49A, 53A, 108 or 109, please call me.

There has been much discussion in the Board of Governors' Meetings relative to the image of the Buckeye Lake Yacht Club. The policy established by the Board of Governors is to EITHER USE THE DOCK OR LOSE IT". As you will see by the number of people on the waiting list, there are people desiring docks and it is unfair to these members to have a member have a dock and not use it. This means that the boat must have its winter cover removed and the planks under the boats removed. Although there is no rule in the By-laws as to the frequency that you must use your boat, the intent is that the dock should not be used as a summer storage area (Eastport Boatyard is for this purpose). The other criticism that the Board of Governors has heard is that some of the

boats are not kept up". This means they should be washed down so they do not accumulate spiders and insects and they should be kept in good repair. Not only does a boat that is not kept up reflect upon the Yacht Club, it also reflects upon the person to whom the dock is rented. I have been instructed to send letters to those who violate this policy.

The covered dock roofs will be

painted this summer and the missing dock light fixtures have been ordered and will be installed as soon as they are received.

Let's have fun boating this summer!

s many of you know by now the apartment building Is gone. The debris that was left after the fire will be nearly cleaned up by the time you read this article.

Our new driveway held up quite well though a very difficult winter. There is, of course, still some work to be done, including paving it. This will take place in late May or at the latest mid June. If you have experienced the bump coming off the drive, rest assured that it will be eliminated before paving.

Take a look at the ideas for new entrance signs and let me know what you think. They are on display behind the Bar.

On a more personal note I would like to say that this Board has had to deal with some tough issues this year and I am proud of the way we have dealt with them. I am proud to be a member of this Board, with this group of Governors and Commodore.

SEE YOU AT THE CLUB.
