FROM THE BRIDGE ☆☆☆

November 1994

**Commodore
Marque Debenport**

The last month has seen the loss of two of our long time club members - Jack Beeson and Commodore Bob Irwin. Jack, a member since 1963, was a dedicated sailor and he and his family were strong supporters of our sailing program. Commodore Irwin, a member since 1922, was one of our two living 50 year Commodores and, although not active in the Club in recent years, he made major contributions to the development and operation of the Club during his lifetime. We are all saddened by these losses and we will miss them.

We had an exceptionally good work day on October 16th. The weather was great and the turn-out of members willing to give up a beautiful Sunday for the

benefit of their Club was gratifying. Check the House & Grounds report in this Log for the details. Nice job Governor Oliver and a big thanks to all who helped out.

The Club's Oktoberfest is rapidly becoming one of our most popular annual parties. Held last year for the first time in recent history, this years response was almost overwhelming - some 290+ people. Since we had not published a cutoff for reservations in the Log or flyer and the weather forecast for the big event was ideal, we elected to add tables to the porch and move the band outside in order to accommodate as many reservations as possible. It was a little crowded but everyone seemed to have fun, and the food was great and plentiful. In order to reassure those members who are concerned about over-booking our parties, particularly in the winter when they must be held indoors, I wish to set the general rules which we plan to use this year to setting reservation and guest limits for the Club's parties. They are:

1. If the number of reservations for an indoor party is not expected to exceed 145, reservations will not be limited.

2. If the number of reservations for an indoor party is expected to exceed 145, then a reservation cap and maximum number of guests per member will be established. The level of the cap will be dependent on the type of party (whether there is dancing or not) and will be between 145 and 185. The reservation cap and guest limits will be published in the

Log and any flyers advertising the party.

3. Reservation and guest limits for parties where the porch and grounds of the Club can be used will be set and advertised on a case by case basis.

4. Where reservations are limited (as in 2. above), no reservations will be accepted without payment in full at the time of the reservation and reservations will be accepted on a first come first serve basis.

There are actually only two or three parties during the winter where we expect to have reservation caps. The objective is to make these parties available to members first and to provide the Club Manager with the information he needs to plan and put on the party in an efficient manner.

As a follow-up to my last article regarding abuse of the By-Laws dealing

The 1994 - 1995 schedule of social events is rapidly taking shape. It should be another blockbuster year. At our recent Oktoberfest, Hans and his excellent staff served over Three Hundred members and guests the finest German buffet available anywhere in one hour. It was truly a job well done.

Please mark your calendars right now for the following important parties:

November 12	OSU Band Party
November 18	Hungarian Night
November 19	OSU vs. Michigan on the Big Screen T.V.
December 3	Vienna Night
December 11	Children's Christmas Party
December 16	Adult Christmas Party
December 31	New Years Eve Party
February 11	Valentine's Day Party
February 25	BLYC Mardi Gras

Much more is to come so please read this column every month so that you can be updated on all of our social events.

As noted by Commodore Debenport our most popular parties will require reservations with advance payment. This policy is to ensure that members have first choice for tickets for these exciting events. For the fall and winter, two specific events require special reservations. First the OSU Band Party to be held Saturday, November 12, beginning at 6:30 p.m. with hors d'oeuvres and a full buffet at 7:30 p.m. The cost is \$12.50 per person. We will limit the number of reservations to One Hundred Eighty-Five (185) persons. Members will be permitted to make advance reservations for no more than four persons. To secure reservations members will need to provide a check or credit card account number. Members will also be permitted to charge their ticket purchase on a club charge check. If a member chooses to use a club charge check he will be asked to sign the check when he arrives with his guests. Cancellation of reservations will be permitted with full refund.

However, the cancellation must occur by noon on Friday November 11.

If any tickets remain as of Friday November 4, they will go on sale to members on an unlimited first paid, first served basis.

The next party requiring special reservations will of course be New Year's Eve. We will ring in the new year with hors d'oeuvres at 6:30 p.m. and a sumptuous buffet at 7:30 p.m. We will be featuring a champagne fountain and the great dancing sounds of the Mojo Men. Breakfast will be served after midnight. The cost will be \$35.00 per person.

Each member may reserve up to four tickets for this very special event. The tickets must be paid for in advance by check or by a credit card number. If any tickets remain they will be made available on a first paid, first served basis as of Friday December 16. Cancellations with full refund will be honored but they must be made by noon Friday, December 16th.

We also will be featuring a series of

special dinner nights which will occur throughout the year. We are going to tax Hans' culinary skills to the limit. The first event will be a Hungarian Night scheduled for Friday November 18. We will be featuring a strolling Hungarian violinist.

On December 3 we have a scheduled Vienna Night. We will be featuring Viennese specials and Austrian waltzes will be the musical order of the day. Members will also be permitted to order off of the menu for the Vienna Night.

If you have any questions, please do not hesitate to contact me.

See you at the club.

John

Off-Island Maintenance

Governor Frank H. Foster IV

Prior to workday I was able to go to the Eastport Boatyard in ship shape by having all the trailers pulled away from the fence and the grass mowed then return the boats, it really looks great. A huge thanks to Mac Wood for working on the installation of the siding on the shed at Eastport to make it a lot more presentable. I installed a door on the shed and Mac will finish the siding yet this fall. The area where the apartment building stood will be covered with topsoil and grass seed planted soon.

The spreader bar at the Boatyard used for picking up boats was used incorrectly by someone and was damaged. I have since repaired it, however, anyone who is unfamiliar with the hoist should either get someone to help them use it who is knowledgeable, or ask someone for information on how to use it correctly. Serious injury could result if it is not used properly. By-the-way, the maximum capacity for the hoist is 5000 pounds, do not exceed it.

Thanks to all the people who showed

up and worked on workday. A huge number of tasks were completed. A special thanks goes out to the following people: Howard Clark for his work around the two entry posts; Jerry Jones for helping with cleanup in the parking lot and for applying the waterseal to the concrete stairs from the parking lot; Jack Maier, John Geiger and Bill Schneider for their fantastic job of installing the bubblers on all the docks; Bill Reynolds, Tom Reynolds, Bill McIntyre, Bob Jordan, Tom Heisey and Fred Taylor for helping with the removal of all the rubbish in the "basement" of the Clubhouse. Three dumpsters were filled by the cleanup crew on workday. Mike Oliver did a wonderful job as workday superintendent and an even better job of ordering the weather which both combined made for one of the best workdays recent memory.

Tim Ryan has said that he will continue with the tasks of arranging for the plaques that will be placed on the two entry posts at the road. Thanks to Tim for a great job of having the new entry installed last year. I hope I can compound on the improvements made to the facilities by Governor Ryan.

Snowball Regatta

The 48th annual Snowball Regatta was held the weekend of October 1st and 2nd with Stone Parker as the chairman. Thirty-two boats from Six yacht clubs came to test their skills on Buckeye Lake.

Saturday morning brought sun and 10 to 18 knot southwesterly winds. It was close to ideal race conditions at B.L.Y.C. One race was sailed before lunch and two in the afternoon. After all

the boats were put away for the evening and the sailors put on dry clothes, the ladies of the B.L.Y.C. Auxiliary hosted a lovely cocktail party. Following dinner, the sailors and their guest were entertained by Harmony.

Sunday morning brought sun and northeasterly winds of 5 to 15 knots. Two back-to-back races were sailed. The boats were then readied for their trip home. During the awards ceremony the following first place awards were presented.

Matt Fisher	Lightning
Buckeye Lake Yacht Club	
Greg Koski	Interlake
Leatherlips Yacht Club	
Tom Fee	Highlander
Hoover Yacht Club	
K. J. Schwab	Laser
Erie Yacht Club	
Kerrie Keiner	Lido

I wish to thank all those who gave their time to make this such a successful weekend the Coast Guard Auxiliary, the decorating committee, the registration committee, the race committee, and the ladies of the Auxiliary. A special tip of the hat goes to Hans and his wife for providing the special meals.

I would like to take this opportunity to thank all those who supported my campaign for governor.

We will try to start trap shooting on Sunday, November 6th at 1:00 pm.

Please call the Club first since starting this early in the season depends on the center basin being cleared of boats.

House & Grounds

Commodore Mike Oliver

For my first Log article, I want to thank everyone who participated on election day and voted for me. I thank you.

As House and Grounds Governor I can't say thank you enough, to all of you who shared your time and energy on such a beautiful Fall Work Day, to perform the needed tasks required to keep our Club a fine meeting place for all our yearly events. The cleaning out of rotted and deteriorating materials from under the Club was a great success. Several loads were carried away to the dumpster. Other yearly tasks like taking down the patio lights, the railings, the storing of the pool and patio furniture, the placement of the trap shooting platform, the pruning of the roses, shrubs and trees, the cleaning of gutters and down spouts, the exhaust fan vent, the polishing of the silver, the cleaning of the Club along with the many miscellaneous items that required attention. Those who gave their time and energy are:

Al Wing, Bob Jordon, Dick Doyle, Fred Taylor, Steve Schilling, Norb Kaylor, Kerrie Keiner, Marque Debenport, John Sproat, Fred Wright, Mike Oliver, Frank

Foster IV, Dick Manifold, Emil Klein, Dick Nash, John Geiger, Harry Morris, John Watson, Dick Wolf, Hans Kamphowe, George Conrad, Bill Schneider, Walter S. Grubb, Walter C. Grubb, Bill Reynolds, Jack Maier, Tom Heisy, Dick Harbold, Don Pound, Bob Brussee, Bill McIntyer, Frank Foster Sr., Dr. Robert Davis, Chris Lambrecht, Wilbur Wuellner, Robert Baldwin, Tom Reynolds, Ann Oliver, Jeannine Morris, Kathy Brussee, Ruth Wright, Jan Kaylor, Judy Klein, Miri Geiger, Betty Kamphowe, Margarita McPherson, Jackie Keiner, Sally Reynolds.

I sincerely hope that no one was missed but these were all the names known to me.

Thanks also to Hans for the early morning coffee and donuts along with a great lunch.

Bar & Kitchen

Rear Commodore
Fred Wright

Plans are being formulated by the Yacht Club for the upcoming holiday season. We are planning some special family dinners and menus. I have been checking into coordinating apparel for the waitresses and staff.

Because of the holiday schedule of activities, there will be few changes in the bar/kitchen operation for the balance of this calendar year.

Hans and I are asking for any suggestions from the members as to changes that will improve the bar/kitchen operation. One of the main benefits of being a B.L.Y.C. member is the enjoyment and fellowship of our club facilities. We are, therefore, encouraging everyone to make suggestions for improvements. This could be as to menu, food and drinks, ambiance or service. Although you can call either Hans (929-9941) or myself (928-3709) and discuss them with us, it would be better if you would jot them on paper and send them to the Club, to either Hans attention or mine. Every suggestion will be considered as, both of us are trying to improve this part of the Club's operation.

We are in the process of interviewing for an administrative assistant to the Club Manager. At the present, this will be a part-time job. The purpose of this additional personnel is to improve the Club operation.

Enjoy the holiday season!

Fred

Rentals & Docks

Governor Dick Manifold

This being my first report since having been elected governor, I would like to thank each of you for your support.

Boating season has drawn to an end and it is time to put the boats in storage for the winter. We still have space at Eastport available. The spaces rent for \$100.00 per year. If you would like a space see me at the Club or call me evenings at 928-1718.

If you have been renting a dock and have any problems with it, let me know so that we can make repairs.

I would like to know as soon as possible if you have a dock and do not plan to use it next season. We have a long waiting list of people who want a dock.

Looking forward to meeting everyone who participates in any of our rental programs.

Dick

BLYC Ladies' Auxiliary

President Jackie Keiner called the meeting to order at 7:30 p.m. She thanked all who came and welcomed new members and guests.

There were 36 ladies present. She then introduced her new officers at the head table: Kathy Brussee - Vice President; Ruth Wright - Secretary and Joan Martensen - Treasurer. President Jackie's motto for this year - "BRING A FRIEND AND ATTEND".

The minutes of the September meeting were read and approved. The Treasurer's report was read and will be filed for audit.

Announcement was made of the following Committee Chairpersons:

Ways & Means Pat Johnson
Ann Oliver
Judith Keller
Jeannine Morris

Raffles Janet Holmes
Showcase Jan Kaylor
New Members Judy Klein
Menu Phyllis Debenport
Regatta Jackie Keiner
Kathy Brussee

Children's Christmas Joan Ford
Easter Egg Hunt Joan Ford
Auditing Diane Koman
Nominating Jane Kenney
Resident Artist Phyllis Flynn
Resident Photographer Babette Joseph

Fran Baughman and Laura Donnelly will be in charge of the Fashion Show to be held August 9th.

A list was passed around for volunteers to assist on the various committees where needed. A list of the names of wives of new B.L.Y.C. members was also circulated with the suggestion that our ladies invite any they might know to forthcoming meetings.

Comment was made and all agreed that the nice chairs, which the women had purchased, should not be left outside or on the porch. It was agreed that a letter be written to the Board regarding our concern.

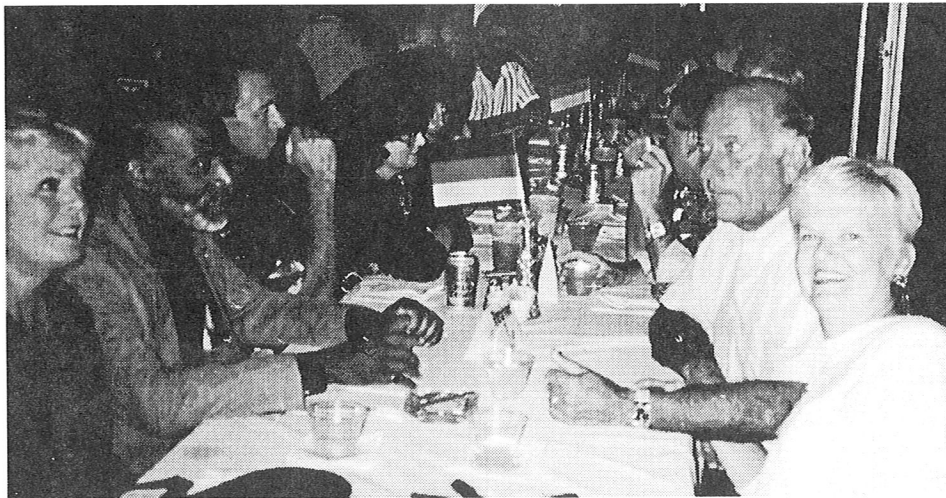

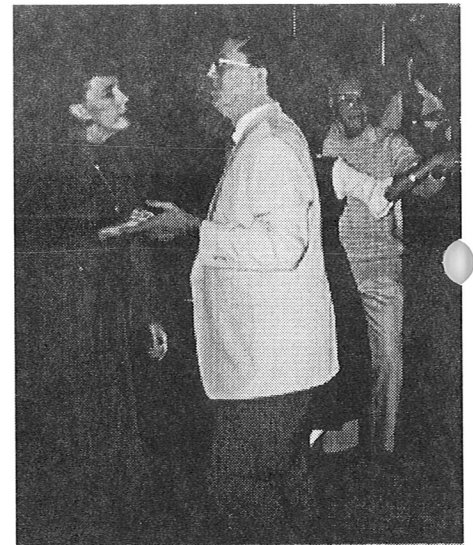

Jackie read the list of names and thanked those who donated hors d'oeuvres for the Snowball Regatta. She also stated that when we have special events, we should advertise the fact such as having posters on the tables. She congratulated the Parkers on their fine job of hosting the Regatta.

The sad announcement was made of the death of Jack Beeson and of the memorial service to be held Wednesday evening at the Trinity Lutheran Church in Columbus.

Jackie asked for suggestions for programs from the group and also asked for suggestions for entrees, salads and desserts to be served at the meetings. The question was asked if a substitute dinner could be had in lieu of the selected meal. Ginny Conrad said it was possible as she had called in earlier and received a substitute dinner for this meeting. It was suggested that if it was necessary to request a substitute dinner,

the person should call Hans prior to the meeting.

The whereabouts of the missing plaque of past Auxiliary presidents was brought up. Connie Schilling volunteered to look for it.

President Jackie asked the membership's opinion on whether a telephone committee or correspondence should be used to notify members of meetings in order to generate better attendance. Phyllis Flynn made a motion, seconded by Doris Dye, that postcards be sent out every month, on a six-month trial basis, to notify members of meetings as well as having it included in the Log. Motion passed.

Phyllis Flynn and Jane Kenney were thanked for hosting this evening's meeting and for the clever table decorations. A raffle was then held for the table decorations.

The meeting adjourned at 8:10 p.m.
