

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

December 1994

**Commodore
Marque Debenport**

I hope everyone has enjoyed the unusually great weather we've had in the last month as much as I have. To be able to continue the boating and other outdoor activities at this time of the year is a real bonus. And speaking of bonuses how about the OSU Band Party? Great party followed by a convincing win over Michigan and great weather. How could you have a better November?

With December upon us again, we have not only the holidays coming, but it is once more time for your board to finalize the Club's budget, which also includes reviewing the dues structure for the coming year. Dues represent only about 45% of the year's revenue with Bar & Kitchen about 48% and rentals about 7%. However, since food and

drink prices are set so as to cover the cost of operating the restaurant and bar, the many expenses incurred in operating the remainder of the club functions must be covered by the dues and rentals. In the past several years, the board has involved itself in promoting private non-member parties at the Club on a non-interference basis and summer concerts open to the public as a means of providing additional revenues for club operation without the need for raising dues. In addition the summer concerts provided an entertainment opportunity which the club could not otherwise afford to give its members.

There are pros and cons to these non-member activities. The cons include opening the doors of the club to the public and using the club in a manner contrary to its charter. The pros include being able to provide the membership with a higher level of service and activities at lower dues, food and drink prices than would be required without these non-member activities. Any reduction in non-member activities would necessarily mean an increase in dues, food and/or drink prices (maybe a monthly minimum as an alternative) or a reduction in the level of services and activities of the membership. There appear to be three basic alternatives:

1. Continue non-member activities and maintain the current level of member service/activities. This results in no major dues increase.
2. Reduce/curtail non-member activities and maintain the current level of member service/activities. This results

in an attendant increase in dues, food and/or drink prices (or a monthly minimum).

3. Reduce/curtail non-member activities and reduce or curtail member services and activities. This results in no major dues increase but does adversely effect the service and activities that our members currently enjoy.

If you wish to express your personal preference to the board prior to the next board meeting, mark your preference - 1, 2 or 3 - on the ballot below, clip it out and put it in the Suggestion Box before the 12th of December.

See you at the Club

Marque

My personal preference is indicated below:

- ☐ 1. Continue non-member activities and maintain the current level of member service/activities. This results in no major dues increase.
- ☐ 2. Reduce/curtail non-member activities and maintain the current level of member service/activities. This results in an attendant increase in dues, food and/or drink prices (or a monthly minimum).
- ☐ 3. Reduce/curtail non-member activities and reduce or curtail member services and activities. This results in no major dues increase but does adversely effect the service and activities that our members currently enjoy.

Entertainment

The OSU Band Party held Saturday, November 12, was indeed a great success. The OSU Alumni Band got everyone in the spirit to cheer on Ohio State against Michigan. Steve Biro did an excellent tribute to Woody Hays. The "Neutron Man", guest of Mike and Pat Johnson made a special appearance. As always, Doc McCreary led us in a "Script Ohio."

Vice Commodore
John Sproat

I want to take this opportunity to express my appreciation to Bill and Mickey Schneider and Norb and Jan Kaylor for hosting and decorating the Oktoberfest. New members, Bill McIntire and Barbara Bernstein hosted the Halloween Party. Jan and Norb Kaylor decorated for and hosted the OSU Band Party. I greatly appreciate the efforts of our volunteers. If you would like to volunteer to help on any of the parties, please contact me immediately.

Holiday lights will be shining brightly at the club in the month of December. First, make sure to make reservations for the Vienna Dinner Night Saturday December 3 from 6:00 p.m. to 9:00 p.m. Hans will be featuring a Viennese menu and Austrian Waltzes will be played during the course of the evening. On Sunday December 11, we will have the Yacht Club Children's Christmas Party beginning at 1:00 p.m. It is free and all of our Yacht Club children are asked to bring a gift marked for a boy or girl and the appropriate age for the recipient. A magician will be featured at 1:30 p.m.

The Adult Christmas Party will be held on Friday December 16 from 6:30 p.m. to 12:00 midnight. We will again be entertained by the great dancing and vocal sounds of "Harmony." Although reservations are not required for this party, they would certainly be appreci-

ated to assist in planning.

We ring in the New Year on Saturday December 31 with the great dancing sounds of the "MoJo Men." The evening begins at 6:30 p.m. with cocktails and piano music. We will be having a great dinner and breakfast after midnight. Please see the ad in this issue for further details. Reservations will be limited to 145. Advance payment will be required.

See you at the club.

Bar & Kitchen

The holiday season is now in full swing. The members are encouraged to make reservations early for the coming events. Although reservations are not mandatory in most cases, it sure helps the kitchen in ordering and preparing food. Because in the past reservations have not been suggested, it is difficult for us to get accustomed to calling in reservations early. The Manager and staff want to serve members and, therefore, prepare in excess of reservations. This is one of the causes of our high bar/restaurant expense. We are working hard to try to control these high costs.

Make your reservations for the children's and adult's Christmas parties as well as the New Year's Eve Party. The New Year's Eve Party will be an early sellout so get your reservations in now (if it's not too late). Payment must be made at the time of reservations for the New Year's Eve Party, by credit card or check (the reservation will not be finalized until the check is received).

The Sunday old-fashioned dinners and the breakfasts, which you order from the menu, are appearing to be

Rear Commodore

quite successful. It is our hope that more and more members will take advantage of the Yacht Club's services on Sunday.

The Yacht Club's Ohio State/Michigan Football Game Party was attended by about 30 persons. The free hors d'oeuvres were outstanding. The fellowship and camaraderie were great, especially since the Buckeyes beat the Wolverines. Jackie Keiner was our cheerleader. Mike Jacobs and Pat Kyser each won \$25.00 from the pool, and Leonard Waite won twice (\$50.00).

I encourage more members to use the Club's facilities. We have a great time!

Hope to see you at the Club soon!

Off-Island Maintenance

The fall leaves are being removed from the Club as I write this Log article. Hopefully the neighborhood leaves don't pile up in our yard.

Governor

A note to the membership that the Handicapped designated parking area will be increased by one more designated Handicapped Only parking spot. It will be located to the right of the ramp up to the towpath. Please do not park in either of those spots if you are not legitimately handicapped.

Thanks to new member Jess Howard of Jess Howard Electric and Chuck Huffer, two lights will be installed on the entry pillars to the parking lot. These two gentlemen have volunteered to build and pay for the fixtures, a big thanks to them. I have been told they should be ready around the first of the year.

Race, Regatta & Jr. Sailing

Now that our boats are stored for the winter, we seem to have put sailing out of our minds... unless you own an ice boat!

Governor
Walter Grubb

Instead of sailing, let's do the next best thing - watch sailing videos at the club. The 3rd Wednesday of December, January, February, and March at 7 P.M., needs to be reserved on your calendar for winter sailing fun at the sailing club. To start the series off Steve and Lisa Becker will start the winter series by sharing their first Sailing Quarterly video. If you have other sailing tapes, bring them along for all to enjoy. All the members are welcome to attend. This will help the winter months go faster.

brawn and contributions were deeply appreciated. How I could forget a man I worked along side of, I don't know (maybe a tired mind). "Sorry MIKE". Moving on, the following items have been completed. A defective furnace was replaced with a high efficiency furnace. The sidewalk to the front East dock area has been repaired. Also the sidewalk east

Membership & Directory

At the November meeting, the Board of Governors approved Walt Gilson. He and Nancy live at the lake and have five grown children. Walt owns

Atlas Blue Print in Columbus. He has a 21' Chris Craft and is an active golfer. Please make an effort to get acquainted with Walt and Nancy and make them feel welcome.

Governor
Dick Harbold

A very nice "thank you" note was received from Doris Irwin and family for the floral arrangement sent at the time of Bob Irwin's death. She said "Bob would have been touched by your thoughtfulness, as am I."

The weather has been so great, it's hard to believe cold weather is just around the corner, but the lake level is going down this week and that's a sure sign of what's to come. Spend some time at the Club - it won't be long 'til the fireplace will be a warm welcome sight.

Also at the November meeting, two new applications were presented:

of the patio was widened to ease the food line crowding during the summer cook-outs. The poolside restrooms have been winterized and locked for the winter months. The floor registers in the Commodores' Lounge have been replaced. Also the roofing over the Commodores Lounge will soon be replaced.

The indirect lighting around the walls is being revamped as required to eliminate the dark areas. Check out the new wood holder by the fireplace. The flower beds have been cleaned out for winter and are ready for the spring plantings. Tulips have been planted in the anchor flower bed, look for them

this next spring. The pool logo should be completed and the pool cover in place by the printing of this log.

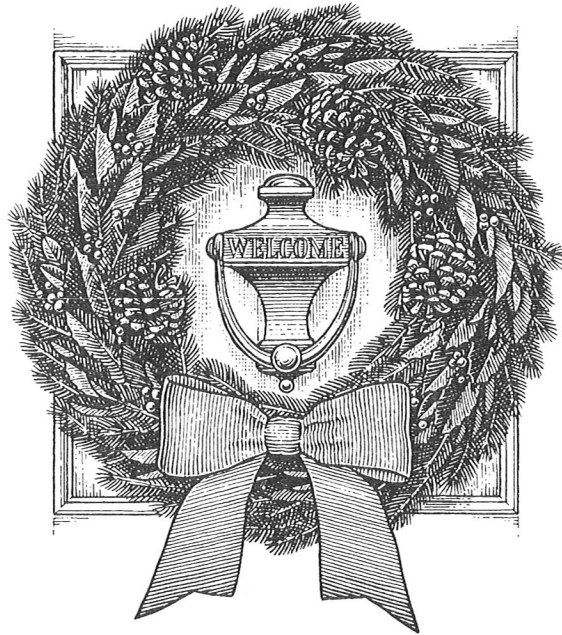

Come out and enjoy your club

BLYC Ladies' Auxiliary

Prior to the November 8th dinner meeting, lovely holiday items were displayed, which the ladies had an opportunity to purchase.

President Jackie called the meeting to order at 7:44 and welcomed the 50 members and guests who were present.

The minutes of the October meeting were read and approved. Joan Martensen gave her treasurer's report which will be filed for audit. Jan Kaylor reported a balance in the Showcase of \$1,408.40.

Old Business - As a result of the list Jackie sent around at the October meeting, the response was great for volunteers to help out on the various committees. The list of volunteers will be sent to the committee chairpersons.

President Jackie read a letter she had written to Commodore Marque Debenport regarding the chairs our club had purchased. She asked that an alternate storage area be provided, instead of having the chairs exposed to the weather. Commodore Debenport said he would bring this up with the Board.

A letter from Joan Ford was read regarding her plans for the Children's Christmas Party to be held at 1:00 o'clock on the 11th of December. A magician has been engaged and will entertain for 45 minutes and include some of the children in his act. President Jackie passed around a list asking for volunteers to furnish cookies for the party.

Phyllis Debenport was thanked for taking suggestions for menus, and planning the menus with Hans for our meetings. Phyllis was given a round of applause for her selection of the delicious meal all had enjoyed this evening.

New Business - President Jackie announced that Commodore Debenport had asked the Ladies Auxiliary to consider organizing a garage sale sometime in the spring to sell items belonging to the club which are no longer being used. Items could also be brought from our own homes. The men would also

assist, but the Auxiliary would get all funds from the sale. Doris Dye made the motion that we have the sale, seconded by Ann Oliver. Motion passed.

Fran Baughman announced that a group of people have had several meetings for the purpose of starting a museum of Buckeye Lake. They are checking on several sites. They will need a lot of help and anyone interested in helping with this project should see her after the meeting.

Jackie received a suggestion from Pat Johnson that we make up a list of the accomplishments and contributions to the Yacht Club that have been made by the Ladies Auxiliary throughout the years. This could be shown to prospective members to explain what our club does. Jackie said she would work on it and have a report by the next meeting.

Announcement of the December 13th Christmas Party was made. There will be entertainment and a gift exchange. Judy Klein moved, seconded by

Helen Saffle, that the amount of the gift be raised from \$5.00 to \$10.00. After much discussion and a show of hands, the consensus was that a \$5.00 gift and canned goods for a needy family be brought to the next meeting.

Jackie announced that as of Sunday there were only 11 reservations and that 50 ladies were here this evening. This made it difficult for Hans as he needs to have reservations earlier. Reservations should be in by Sunday before the meeting. It was suggested that the Yacht Club phone number be on the announcements of the meetings in order to call in reservations. It was agreed that this would be done.

Hostesses Ann Oliver and Jeannine Morris were thanked, and a drawing was had for their lovely fall table centerpieces.

Meeting adjourned at 8:25.

The St. Thomas Yacht Club

While visiting the island of St. Thomas, Virgin Islands on Vacation last month, we stopped in to visit the St. Thomas Yacht Club.

I exchanged Burgees with Commodore William Newbold and we were invited by former Commodore John R. Garfield and his wife Karsula to join them for the "Full Moon Patio Dinner" the following Friday at the Yacht Club.

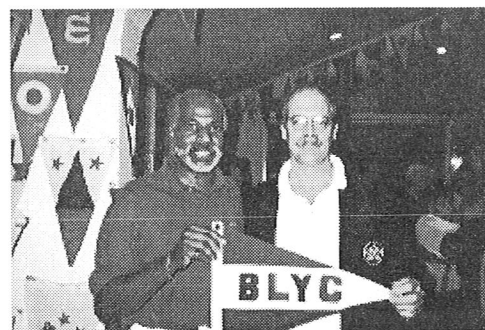

We found the Yacht Club members on the island very warm and gracious. We certainly would recommend our members go and visit the Club if they are vacationing on the Island.

Sincerely,

Herbert Caulder and Carolyn
