

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

January 1995

**Commodore  
Marque Debenport**

**A** New Year, the Super Bowl, and some serious winter weather to anticipate. Where does the time go? Seems like last week we were boating and looking forward to the Luau. The Christmas holidays, however, are one of the nicest times of the year and the Club did look great. Our staff including Andrea, Kim, Nancy and Betty, were responsible for the outstanding decorating job. Thanks, ladies.

One of the subjects considered by your Board this last month was the scheduling of next year's Oktoberfest in the grassy parking area for two days and opening the event to the public. The committee appointed to investigate the business aspects of the event reported to the Board at the last meeting. After due deliberation, the Board opted not to

schedule the larger public event due to 1) the risk of the revenues not covering the expenses involved, and 2) adding another event that opened the Club to the public. Look for an expanded member/guest Oktoberfest for next year.

For those of you interested, the results of last month's poll regarding the trade-off of annual dues, the scheduling of non-member activities as a source of revenue and the level of member services/activities, is as follows:

a) the vote split almost equally between option #1 continuing the current level of non-member activities and dues levels and option #2 - reducing the current level of non-member activities and increasing dues/prices (or setting a monthly minimum)

b) only one vote was received suggesting reduction in both non-member activity and member service/activity

Annual billing for dues and dock rentals will have been mailed by the time you read this Log. The Board has seen fit to raise the annual dues for the Active Members by \$25.00 per year and the initiation fee for new members to \$1500.00. These increases are necessary primarily because of the higher levels of facility maintenance we have planned this year. Relatively little has been spent on maintenance of the Club's facilities since the parking lot was purchased five years ago. This year we have had to begin some sorely needed upkeep most of which is not apparent to the casual observer, furnace replacement, re-roofing part of the first story, replacement of certain kitchen appliances, refurbish-

ment of some of the rental property, etc. Not glamorous but necessary. So bear with your Board while they do the right thing for the Club. Just a reminder - all billed charges should be paid within 30 days of the billing date. Please help us keep the Club's finances current.

The big announcement this month is that the Club will be open during the month of January (look for the details inside). Although Hans will be vacationing in Germany this month, with Marguerite in the kitchen, Andrea at the bar and your Board watching, we don't anticipate any problems providing normal service to the members. So don't miss the Ice Breaker, the special dinner night and, if you're a football fan, the Super Bowl party.

See you at the Club,

*Marque*

## Membership & Directory

The holidays are getting closer as this is written and I'm most assuredly not ready, but your Board met in December and took action on two new members.

Governor  
Dick Harbold

Anthony Adornetto lives in Zanesville and is an Optometrist. He and his wife Karen plan to purchase a boat so they can ski. His greatest sports activity is tennis. He and his sponsor Ed Levison have been social friends for many years.

Bill Elfinger and spouse Betty live in Newark and he's retired. They're active with the Maennerchor and members of the First Methodist Church. They like to swim and fish, and do not currently own a boat.

Please make an effort to seek out these new members and make them feel welcome.

We will miss the New Year's Eve Party as we head for the Citrus Bowl, but hope to see you at the Club in '95.

Happy New Year,

*Dick*

## Entertainment

The Buckeye Lake Yacht Club needs you to get 1995 started off right. It's not a secret that club participation goes down in the winter, however, our costs of operation do not. This year, let's make a difference. Make reservations now for yourself and your first mate at least once a week for the next three months. You will be doing yourself and your club a great favor.

Vice Commodore  
John Sproat

Here are some January special events to tempt you. Friday, January 13, BLYC is lucky to have the Barbara and Frank Hall duo. Barbara and Frank have captivated Central Ohio audiences with their smooth blend of songs from the forties through the nineties. They also feature Karaoke in their performance.

Hans is again featuring a Special Dinner night for Friday, January 27. These dinner nights are first class and rapidly becoming a tradition at the club.

On Sunday, February 5 at 3:00 p.m., we will be offering our first Investment Seminar. Hilde Hanbaum will be discussing the nuts and bolts of investing. Hilde does this on cruise ships and makes a very interesting presentation. John R. Stewart from Advest, Inc. in Columbus, member Tom Murnane's company, will be discussing the tax advantages of Estate planning.

Please take advantage of these programs and all of the other special events that we offer at the club. See you soon.

*John*

## Bar & Kitchen

Hope all of you had a very Merry Christmas and a Happy New Year!

Many activities have been planned for the winter months (January, February, and March). A lot

of people believe that the Yacht Club is dormant during these months, but such is not the case. Please look at the calendar and the announcements of the coming events.

We have planned the old-fashioned Sunday dinners at the Club like your mother or grandmother used to make. These will be served from 11:30 a.m. to 6:00 p.m. each Sunday. I think most people go out for Sunday dinner so why

Rear Commodore  
Fred Wright

not take in the Yacht Club's fine meals? When the lake is frozen, it is still interesting to view it from the Club as there will be snowmobiles, ice boats, and fishing huts. The Yacht Club will have the fireplace roaring and you will be among friends. Join us!

Hans is still requesting advance reservations. The ideal would be to call in at least forty-eight hours prior to the function so that Hans can properly staff and prepare the proper amount of food.

Commodore McBride has arranged for a one-week sailboat cruise of the Caribbean starting February 3rd. There will be a Bon Voyage Party on Wednesday, February 1st, at the Club. Don't miss this party!

*Paul*

## House & Grounds

The sidewalk widening from the patio to the food tent has been completed and sod is being placed along the side to help prevent tripping.

Stainless steel kick panels have been installed on the swinging door to the kitchen in the bar area. The return air grilles by the popcorn machine and the fireplace have been installed. The domestic hot water heater circulating pump and some of the piping had to be replaced due to a solid lime build up within the piping. This will stop the excessive hot water stacking within the storage tank. Some lime sediment was also removed from the water heater. I have also found some insulation in the floor joist below the club to be falling out or is missing. This will be replaced or repaired in January and should reduce the heating bills. The pool logo was completed and water was placed in the pool with treat-

Governor  
Mike Oliver

*House & Grounds continued*

ment as needed and the cover installed for the winter. The west end banister was knocked out during the high winds in November and is lying on the ground pending other modifications that will be taking place. The plastic to shield the wind was also damaged and alternatives are being reviewed for it's replacement. The roof over the commodore's lounge has been replaced and some other spots repaired as needed. The decorations really look great for the holiday season and I'm looking forward to a great 1995

We're having FUN at the club

*Mike*

**BLYC Ladies' Auxiliary**

**T**he B.L.Y.C. Ladies Auxiliary held their annual Christmas party on December 13th, 1994. Sixty ladies were present. President Jackie Keiner welcomed all members and guests and commented how pleased she was over the large turnout.

A social hour preceded the dinner with Ruth Wright playing background music of songs of the season on the piano. A delightful program of Christmas music was then presented by the Lakewood High School Choir, for which they were given a standing ovation.

A brief business meeting followed the dinner. President Jackie reminded the ladies that there would be no meetings in January and February. However, there were big plans for 1995, such as

an auction, garage sale, and fashion show.

Doris Dye was given a round of applause for locating a copy of the past history of the Ladies Auxiliary.

Jackie thanked the ladies for their generous contributions of canned goods which were to be given to L.E.A.D.S., which in turn would see that they were given to a needy family or families.

Pat Johnson and Ann Oliver passed out information sheets regarding the Ladies Auxiliary Auction, which is to be held on April 29, 1995.

The next meeting will be held on March 14, 1995.

Respectfully submitted,

*Ruth Wright*

## Monday • January 2, 1995

### Dinners served from Noon to 7 p.m.

### "Citrus Bowl Party" Noon to 6 p.m.

Chicken Wings 20¢ ea. Nacho Grande 2.50  
& Chili Dogs 1.00.
