

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

March 1995

**Commodore
Marque Debenport**

The winter doldrums are in full swing relieved only by thoughts of the coming of spring or if you're lucky by a trip south. Phyllis and I were fortunate to enjoy the latter. We were part of the group of 20 mostly-Club-members who went on "The Great Escape" - the 1995 BLYC Bahamas Cruise. The happy group flew to the Bahamas on Friday, February 3rd and returned on Saturday the 11th. We boarded two sailing vessels in Nassau Harbor on Saturday, the 4th and spent 6 fun-filled days cruising the Exuma Islands. The sailing, the water and the snorkeling were great. We enjoyed some good seafood and camaraderie and the first and last nights of the trip provided an opportunity to explore the night life of Nassau. Although out-numbered

more than 2 to 1, the 6 wives in the group all reported having a wonderful time and thoroughly enjoyed the trip. Much of the credit for the success of the venture goes to Commodores Frank Foster III and Jim McBride for the fine job of planning and organizing the trip and to Carol Taylor for arranging the air transportation. Thanks, guys we all had a great winter break.

Just a short note about the importance to each member of insuring that the Club knows your current address status: The Club's membership roster is maintained by Andrea on the Club's computer. The roster is capable of holding as many as three addresses for each member - 1) the primary residence address, 2) the business address, and 3) the alternate residence address. In each member's record there is an indication of which of the three addresses is to be used for mailing correspondence (Logs, flyers, invoices) to the member. It is each member's responsibility to insure that the Club has current information for each of your addresses and that you have told us to which of your addresses we should send your correspondence. This is particularly important for the Snow-birds in our membership. When you depart the Buckeye Lake area for an extended stay in your winter residence, please let us know so that we may set the address indicator to your alternate residence. Likewise, when you return, please tell us to set your address indicator to the local address. This insures that you will get all of your Club correspondence in a timely fashion.

I have recently received comments from members concerning the higher costs being charged for the parties. i.e. \$12.50 per individual. Yes, it does seem high and yes, it is higher than was charged several years ago. Here is my response:

1) although there are those who would disagree. I think that the majority would agree that the food is better than it was in past years.

2) remember that for a party, the \$12.50 cost covers not only the dinner but also the tax and the tip and when provided, hors d'oeuvres and/or free drinks. Thus the entree on the normal menu for \$7.50 with hors d'oeuvres (\$1.50) and free punch (example \$1.00), plus tax and tip would come to \$12.10. As the cost of the entree goes up so does the total cost - an \$8.50 entree in this example equals a \$13.31 party cost. This does not mean that we always have hors d'oeuvres and free drinks or that we always serve an \$8.00 entree. We have tried to average the costs over the parties scheduled for the year.

3) so far this year, the Bar and Dining Room have exceeded our forecast sales by about 50%. If this level of activity continues into the spring we should be able to reduce party and/or other prices in the Bar/Dining Room for the remainder of the year. We are watching this very closely.

In any event, beginning in May, we plan to price each party individually, based on the cost of the food, drink, tax and tip involved. Your comments are solicited.

See you at the Club

Entertainment

The social events so far this year have exceeded all of our expectations. Make your reservations now for these events coming up in March and April. On March 10, Hans will be back in excellent form with his "Far Out East Icebreaker." We will team oriental food with yours truly acting as disc jockey. March 17 brings St. Patrick's Day and the Wearin'-O-Green. Along with traditional Irish food and fish, we will be featuring the Barbara and Frank Hall duo. Their singing and karaoke was the hit of our January parties. You simply cannot miss this great night of fun at the club. Rounding out the month of March will be a Spring Break Party. I will be playing all of your favorite beach music. We will have several beach game contests so be sure to get in on the fun.

On April 7, we will bring back an event that was very popular last year, a western dance night. The band is "Whiskey River" and we will also be featuring line dance lessons. April 29 brings a

Vice Commodore
John Sproat

wonderful seafood buffet featuring Barbara and Frank Hall with singing and karaoke. Finally, be sure to make reservations for one of the best events of the year, the Buckeye Lake Yacht Club Ladies Auxiliary Auction. In the past, this was one of our most successful fund raisers which provided many of the nice furnishings that you have been seeing around the club.

See you at the club.

Bar & Kitchen

Spring is approaching fast, but we still have one more month of the WINTER WONDERLAND at B.L.Y.C. The five months' gross sales for this

year was \$88,358.86. At the same period last year it was \$59,182.02. This indicates to me that you members are supporting the Yacht Club. I believe you will be happy with the bar and kitchen report at the semi-annual meeting. This is your club so please tell us if there is anything that the staff or the Governors can do to make it better.

See the information regarding the March and April events. Please note that at the St. Patrick's Day party we will feature draft beer at a one-dollar-a-glass in lieu of the usual price of \$1.50.

Don't forget to make reservations for the Easter Sunday dinner. These dinners are very popular as a family Easter gathering. I would advise that you make your reservations early.

Another feature we are trying this year is that we will be serving hot-cross buns from Ash Wednesday, March 1st thru Easter Sunday, April 16th. This is a tradition in many restaurants and clubs. We thought we would introduce

Rear Commodore
Fred Wright

it here this year. Let us know if you like it.

The old fashioned Sunday dinners and breakfasts have become very successful. Plan on having a great spring at B.L.Y.C.

See you at the Club.

More sadness than good news this month. We mourn the loss of several good friends.

Governor
Dick Harbold

After nearly six months of illness, Fred Diewald entered into eternal life on January 31st. He leaves his wife Barb and a number of adult children and grandchildren, and many, many close friends. Fred loved playing bridge, he loved his boats and he surely did love Buckeye Lake. Hopefully, Fred's found some new bridge partners.

Also after an extended illness Monte Landis passed away February 16th. We extend our heartfelt sympathy to Dixie in this time of sorrow. Monte will be missed by his many friends.

As posted on the sick-bay board, Jim Fedor is at home recovering from heart problems, and Dwight Haggard can surely use some cards - he's at the Heath Convalescent Center, 771 S. 30th Street, Heath, 43056.

Currently we have no new applications pending.

Hope to see you soon at the Club!

Dick

House & Grounds

With the winter weather, things outside have slowed unless your in a parka. One exception seems to be the TRAP SHOOTERS.

George Conrad is doing a great job and there are a lot of clay pigeons left to finish out the year. New NEON tubes are ordered for the indirect lighting in the bar area and should be in place by this log printing. The electrical shorts are being repaired on the Southeast dock area. Also the second floor beacon light should be working again by this log printing. The weather is warming and the meals are fabulous.

See you at the club.

Race, Regatta & Jr. Sailing

The 1995 race schedule will start on Sunday May 7. The schedule will consist of 20 Sunday races and 20 Wednesday evening races. They will be divided into a spring and fall series with each series consisting of 10 races with 2 throw outs. The Wednesday evening deep water races are fun races - no spinners. Three boats in any class will make a start and fewer than three in a class will be scored under the new Portsmouth rating system. Long distance

races will be sailed during Memorial Day, fourth of July and Labor Day weekends. Watch the log for more information about the holiday races.

The registration for junior sailing camp can be found below. Please reserve your sailor's space early so we can plan for an exciting week. Private lessons for adults and extended training for juniors will be offered at additional cost after camp ends at 4:00 P.M.

Wednesday, March 15 is the last evening this winter for viewing sailing videos. Make a special effort to come join this fun group. Come out early for dinner and a social hour. We'll meet in the Commodore's lounge at 7 P.M. Get an early start on spring.

BLYC SAILING CAMP - 1995

Sailing camp is one of BLYC's biggest successes. During camp the sailors enjoy learning to sail and meeting new friends. Juniors, which include teenagers, must be at least nine years of age sometime during 1995 to register. Each participant must bring to camp his or her own life jacket, deck shoes, and swimsuit. While the enrollment deadline is the first day of camp, prompt enrollment will assure a place. Dates and times are shown on the registration form below.

The fee for children and grandchildren of members is \$60.00 for one sailor and \$50.00 per sailor for more than one. The fee for children of non-members is \$85.00 for one sailor and \$75.00 per sailor for more than one. Please make check payable to Buckeye Lake Yacht Club and mail it and the registration to:
