

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

April 1995

**Commodore
Marque Debenport**

As I write this article for the April Log, we are just finishing the greatest week of 'spring weather' in March that I can remember. I even saw some early bird water skiers and Sea-Dooers on the lake this week. It won't be long before boats will be in the water. The pool will open, and the Club goes to summer hours - and don't forget Spring Work Day (see Governor Oliver's article in this Log). This Work Day the Club will be having a porch sale where we will be offering used, no longer needed furniture, dishes, glassware, etc. at bargain prices. It will be sold on a first-come, first-serve basis with proceeds going to the Ladies Auxiliary. Please come out and help us prepare the Club for the Spring/Summer activities and visit the porch sale for some great bargains.

And speaking of the Ladies Auxiliary, the ladies are putting on an auction with all sorts of goodies on the 29th of April. This event is only scheduled once every two or three years and, as those of you who attended the last auction recall, it is a lot of fun. If you have an item to donate for the auction or want to help the ladies hold this event, contact Jackie Keiner or Ann Oliver. If you just want to join the fun, see this Log for the details and come out on the 29th to bid on some great stuff.

In the last six months, the Club has had nine applications for Perpetual Membership. This has prompted your Board to look carefully at the way the perpetual fee is structured and the trusts that these funds are invested in. As a result of this investigation, it is clear that, as currently implemented, perpetual memberships work to the disadvantage of the Club. As a result, the Board has taken action to suspend consideration of any further perpetual membership applications for the remainder of this Club year. In the meantime, two replacements have been appointed to the Perpetual Fund Committee - Rick Rueckel and Commodore Frank Foster Sr. - and these new committee members together with the remaining member - Commodore Conrad - have been charged with reviewing the fee structure and conditions of Perpetual membership as well as optimizing the investments of the perpetual trusts. The committee will report to the membership at the Annual Meeting in September.

Shortly after the March Board meeting, the Trustees approved the purchase of a new computer system for the Club. The system includes both additional computer hardware and new software specifically designed for operation of a private club such as ours. A new waitress station in the dining room will speed up order entry and reduce congestion at the bar cash register. A printer will relay the food orders directly to the kitchen, and the system will allow much better control of our charges and receivables. The system will permit automated billing of dues and monthly statements, improve handling of rentals such as docks and Eastport boat storage, allow tracking of reservations for parties and special events, and provide a payables system to assist in bar and kitchen purchases and payments. It will require that each member use a member number or code for all purchases. Our plan is to make the member code as painless as possible by using a portion of the members last name as the member code. You will receive noti-

fication of your code in the next two weeks. The system is due to be put into operation in early April and will undoubtedly have some problems in the early stages. Please bear with the staff as they put this important improvement to your Club into operation.

Hooray, spring is here!!
See you at the Club

Marque

Membership & Directory

Our hearts go out to the families and friends who have recently lost loved ones from our membership.

Bob Preston, our Commodore in 1976 and a retired Air National Guard Brigadier General, who for many years provided us with our July 4th fly-over.

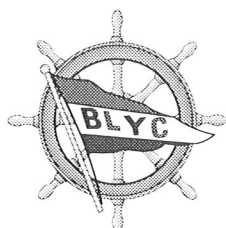

John McInerney, retired locomotive engineer, and long time Club member - John was 90 years of age.

Remember Bob Irwin, Fred Rosser, Fred Diewald, Monte Landis and Bill (Jim) Hanbaum who passed away February 27th.

God has promised them rest from their labors and light for their way.

Finally, we seem to be blessed with some harbinger of spring. Sunshine and warmer temperatures are a welcome sign.

Dick
7

Entertainment

Our recent warm weather has got everyone thinking about summertime and good times at the Yacht Club. On April 7, plan on coming to a Western Party at the Yacht Club. In keeping with Lent, we will be featuring a seafood buffet. The featured band is "Whiskey River" which plays a variety of country and rock-n-roll favorites. We will also have a line dance teacher who will instruct you in the latest moves. April 22, Hans will be featuring a spaghetti dinner at a very low cost. The "Barbara and Frank Hall Duo" will be providing their harmonious blend of vocal music and karaoke.

On April 29, the Ladies' Auxiliary will again be featuring their auction. I have had the opportunity to see some of the items which will be available, and believe me they are wonderful. Please be sure to be present, as this event is very important for your club.

May 5, Hans will be bringing back his very successful Springfest. Again, "Band on Tap" will be entertaining. May 13 brings the Fifties Party featuring "The Suspenders" and an appearance by "Elvis". May 27, is the BLYC Commodore's Ball. We will be bringing back the very popular "MOJO Men" to entertain.

It is not too early to start making plans to attend one of the best events of the year. On June 17, we will be featuring "Don Rose and the Classics". Their show last year was excellent. Please contact me or Hans regarding your table reservations.

See you at the club.

John

Vice Commodore
John Sproat

Bar & Kitchen

Spring has sprung, the grass is riz and BLYC is where the action is!

Winter Wonderland at the Club is over for this year but many spring activities have been planned. Please call Hans and make reservations for any you plan to attend. Don't forget the Club still serves Saturday afternoon and evening dinners, Sunday breakfast, and old-fashioned family dinners on Sunday afternoons and evenings. It is a great place to have a birthday or anniversary dinner. Again, if you call Hans in advance, he will have the cake of your choice.

OLD FASHIONED SUNDAY DINNERS SPECIALS (Served from 11:30 a.m. to 6:00 p.m.)

You can also order from the menu.

All Specials are \$6.35. (except Easter)

4/2 - Yankee Potroast

4/9 - Orange Glazed Chicken

4/16 - Easter Sunday Menu (See Log)

4/23 - Work Day (Club Closed)

4/30 - Roast Pork 'N Dressing

5/7 - Beef Stroganoff

On March 1st, a group of B.L.Y.C. members got together at Ballenger's Seafood Restaurant in Ft. Myers, Florida. See the pictures and names in this Log. It was the first time many of the members had seen each other since last fall at the Yacht Club and the camaraderie was great, as was the food and the drinks! Next year it is planned that the Yacht Club members living in Florida get together in January, February, and March instead of March alone. As the evening broke up, plans were being made for the same group to get together at the B.L.Y.C. in April or May for a big night when they all return. We did learn that Marty and Sue Headlee are being transferred back to Columbus from Atlanta so hope to see them at the Club again.

See you at the Club!

Paul

Rear Commodore
Fred Wright

A Club to Consider

If you're someone who constantly waits until the last minute to get things done, we've got good news for you. There's no need to be a lonely procrastinator anymore. Like support and self-help associations for everything else, there is a special group for those of you who thrive on the thrill of coming in just under the wire—The Procrastinator's Club!

If you're interested in joining, don't worry about having missed National Procrastination week,

which runs from March 7th through March 13th. The Procrastinator's Club doesn't celebrate it until sometime in the fall, says *Laugh Connection*.

January also ends up being a big month for the club because that's when they celebrate the past Fourth of July. It's also when they make their annual predictions for the previous year. They proudly note that their predictions are always 100 percent accurate.

The club was formed in 1956 in Philadelphia and has a membership of around 5,000 people. It is

committed to putting things off. Their motto: "It's never too late to procrastinate." For a one-time low membership fee, you get last year's calendar, an unsigned membership card, and a sign for your desk that says: "Not Now—Later!" You also get an official "Procrastinate Now!" bumper sticker.

Don't be surprised if you receive your application—and it's blank. Club members will simply explain that they were late getting the applications to press.

Race, Regatta & Jr. Sailing

Two B.L.Y.C. members attended the Lightening Midwinter Regatta in St. Petersburg, Florida. Matt Fisher finished 3rd and George Fisher finished 9th out of sixty-one boats.

Governor
Walter Grubb

Walter S. Grubb crewed at the Thistle Midwinter Regatta in St. Petersburg, Florida. His skipper, Chris Carroll from C.Y.C., finished 8th out of forty boats.

Samantha Falter has been named the head instructor for the 1995 B.L.Y.C. sailing camp. She has sailed on Buckeye Lake for several years. Samantha represented B.L.Y.C. at the I-L.Y.A. Junior Regatta at Put-in-Bay. She will be assisted by Walter Grubb. Both Samantha and Walter are looking forward to a fun summer sailing camp. Be certain to reserve a space for your family members so they can join in the fun.

Walter

BLYC SAILING CAMP - 1995

Sailing camp is one of BLYC's biggest successes. During camp the sailors enjoy learning to sail and meeting new friends. Juniors, which include teenagers, must be at least nine years of age sometime during 1995 to register. Each participant must bring to camp his or her own life jacket, deck shoes, and swimsuit. While the enrollment deadline is the first day of camp, prompt enrollment will assure a place. Dates and times are shown on the registration form below.

The fee for children and grandchildren of members is \$60.00 for one sailor and \$50.00 per sailor for more than one. The fee for children of non-members is \$85.00 for one sailor and \$75.00 per sailor for more than one. Please make check payable to Buckeye Lake Yacht Club and mail it and the registration to:

Walter C. Grubb, 1310 Sequoia Lane, Heath, Ohio 43056

Off-Island Maintenance

Spring Work day is just around the corner, April 23, and we would love to have your help. There are always fun projects to do on workday as well as the social fun of the entire day. Hope to see you there!!!!

As you pull into the parking lot you will see that several new items have been added to the area. The lights on the pillars have been donated by Jess Howard and Chuck Huffer, thank you gentlemen.

I have been working to clean up the parking lot. The fence line between the BLYC and the bank has been completely cleaned. We added two dump truck loads of gravel to the parking lot, and two more loads of topsoil to the low areas in the parking lot. The rope between the trees was installed several months ago and just recently I installed

Governor
Frank H. Foster IV

a chain across the access to the grassy area to keep cars out because some areas are very wet.

Several sections of split rail fence have been installed to section off some parts of the lot we do not want people to drive on. Additional split rail fence will be installed at the rental house and the original driveway will no longer be accessible on a regular basis. More upgrades to the parking lot are yet to come so please try to make it to the Club for workday to give us a helping hand.

The docks sustained some damage over the winter but that should be repaired in the next several weeks so that boats can be put into their slips in a timely manner.

The board would like to install more docks at the Eastport area so that the members on the waiting list would get a slip sooner. However, I have had a discussion with Ed Frank the Buckeye Lake Park Supervisor and he tells me that there is going to be some construction on the north bank of the lake somewhere between Millersport and Picnic

Point. Due to the fact that this construction could affect us, we are putting a hold on any new docks until we get all the information. What the construction will consist of is not yet known for certain, but there are public meetings being planned to discuss the options and Mr. Frank has suggested that everyone attend so that they can voice their opinions and be informed.

This is a good time to plug the Full Pool Breakfast sponsored every year by the Greater Buckeye Lake Chamber of Commerce, because the guest speaker this year is going to be a delegate from the ODNr who should be discussing among other things the potential construction. The Full Pool Breakfast will be at the Club on Friday April 28, 1995 at 7:00 a.m.. Tickets must be purchased in advance, for more information call Dick Wolf at 928-4566.

If you have any suggestions for the club facilities please feel free to let me know at (614) 882-4684.

House & Grounds

Oh Boy! Spring is back, the weather is warming, and (we hope) the lake is filling. Work Day is coming fast upon us, so please mark your calendars for April 23rd for that is the day we put away the winter items and install the items needed for the SUMMER festivities. Please try to attend and make it a fun day for all.

Governor
Mike Oliver

See you at the CLUB

Saturday, April 22nd
Spaghetti Dinner Special
w/ Salad Bar - Meatballs & Garlic Bread,

Coffee or Tea

6.95

tax & tip included.

Your early Reservations are appreciated - Call 929-9941
For your dining pleasure all regular menu items are also available

Rentals & Docks

Those members who have applied for a dock should review the list. If you have a question or you were omitted by mistake please call me so a correction can be made. Docks will be assigned when they become available.

Governor
Dick Manifold

Attention dock renters. Please review the bylaws of the BLYC pertaining to the use of docks. Article X Amendments Rule 24 1-8. Renters should be familiar with these rules of conduct.

Sorry, we do not have more docks available. Plans are in the works for additional docks at Eastport, however our permit is being held up by the State.

The locks have been changed on the gates at the boat storage lot. The new locks are the combination style with 4 thumb wheels. The combination is available to the members who use the storage or the lift, providing their dues and rent are current. Call Hans at the Club or me at 928-1718 for the combination.

Make your plans for a good summer at the club!!!!!!

Dick

ON THE LIGHTER SIDE

OTHER NECESSARY NAUTICAL TERMS

BUOY—A buoy is the floating device you always smash into when trying to avoid the submerged obstacle the buoy is there to warn you about.

CHANNEL MARKER—Tells you which station you're tuned into on your TV set.

DINGHY—The sound of a ship's bell, i.e., "dinghy-dinghy, dinghy-dinghy".

BLYC Ladies' Auxiliary

March 14, 1995

Following the dinner, the meeting was called to order by President Jackie at 7:50 p.m. She welcomed all members and guests.

The minutes of the December meeting were read and approved. Treasurer Joan Martensen gave her report and stated that in response to notices mailed out, she had received 37 membership dues.

Jackie announced that the auction, our big money maker of the year, was coming up next month on April 29th. There will be free wine and a lavish

array of hors d'oeuvres served from 6:00 to 7:30 p.m., with 'celebrity' waiters (the 'celebrity' waiters hopefully being the Commodores and Governors.) A silent auction will also be held during that time. It is hoped that 200 tickets will be sold. The live auction will begin at 7:30. She stressed that it is important that everyone sell tickets for this event. Donations of approximately \$100 or more are needed for the live auction. Items are needed also for the silent auction. They can be creative items and of less value. Cash contributions are also welcome. Jackie said that John Sproat graciously offered his services as disc jockey for the event.

Jackie read a list of needed volunteers - persons to set up and decorate for auction day, volunteers to work at the front door check-in, someone to do art

work, creative writing and posters for auction items. Husbands are needed as waiters. Also needed is someone to be responsible for the auction programs. Ann Oliver and Pat Johnson are distributing the tickets which are \$12.00 per person. Dave and Debbie Sinclair donated the tickets. This will not be a dinner as such but there will be plenty of hors d'oeuvres. The auction is open to all members and persons outside the Club.

Jan Kaylor was thanked for her pretty shamrock table decorations which were given out as door prizes.

Meeting adjourned at 8:25 p.m.

Respectfully submitted,

Ruth Wright
Secretary

The next Ladies Auxiliary dinner meeting will be held April 11th, with a social hour beginning at 6:00 p.m. Dinner will be at 7:00. The menu will be:

Lasagna with Garlic Bread
Tossed Salad - \$8.00
Cheesecake Surprise

Snowbirds from Buckeye Lake Yacht Club Ballenger's Seafood Restaurant, Ft. Myers, Florida March 1, 1995

Ed and Sandra Ballenger, Lloyd and Nora Ballenger, Gene and Jane Barthelmas, Bill and Rosemary Findley, Dick and Donna Hinterscheid, Chuck and Wanda Huffer, Charley and Gail Lewis, Dave and Sue Sutton, Mac and Joan Wood, Wilbur and Custis Wuehlner and Fred and Ruth Wright
