

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May 1995

**Commodore
Marque Debenport**

The Snow Birds are returning, boats are beginning to fill the lake and we are over halfway through the Club's year - the best part is yet to come. Among the events coming up at this time of the year is the Semi-annual meeting which, this year is scheduled for Sunday, May the 7th. The meeting will begin at 1:00 PM sharp and all voting members are encouraged to attend to get a mid-year report on the status of your Club.

In addition to the great Western Party, and a delicious Spaghetti Dinner, we had a very successful Work Day on Sunday, April 23rd, and the Ladies' Auxiliary Auction was a spectacular success with fun had by all. Looking to the next several months, we have the Springfest (this is a spring version of

the popular October Fest) scheduled in early May, followed by the Fifties Party on the 13th and the Commodore's Ball on the 27th. Then on June 17th, last year's sensation, Don Rose and the Classics, will return for another concert. All in all, a pretty good line-up for spring activities. For details, see this log.

At the April Board meeting, the committee appointed to look at restructuring the Perpetual Membership trusts and fees gave an early report to the Board. It appears that the second trust is flexible enough that the committee may take a more active role in investing its funds, thus substantially improving its income to the Club. In addition, the committee has recommended a revision to the formula which is used to calculate the Perpetual Membership fee. The formula considers not only the prevailing dues structure for active members but also the current interest rate and the current inflation rate and appears to provide an equitable arrangement for both the Club and the prospective Perpetual Member. A proposed change to the Club's By-Laws addressing this subject is contained in this Log. If you have comment, please relay your feelings to a member of the Board as we plan to act on the proposed By-Law changes at the May Board meeting.

In addition to installing the Club's new computer system last month, we have also spruced up the Club's office with some new furnishings and equipment. A big 'THANKS' to Commodores Conrad and Wing for donating the carpet and drapes. It really makes a

difference. The addition of a new desk, storage cabinet and filing cabinet give the place a real office atmosphere and to cap it off, the office now sports a combination fax/copy machine! Yes, you can now fax the Club - the number is 929-2123 - and we can respond in kind. We finally have an office we can be proud of and which will greatly assist the staff in the performance of their duties.

See you at the Club,

Marque

I am proud to announce the return of the fabulous Don Rose and the Classics Show on June 17, 1995. The show will run from 8:00 p.m. to 12:00 midnight with the doors opening at 6:00 P.M. The cost is still \$12.50 per person.

Vice Commodore John Sproat

Those of you who attended last year's performance know how outstanding this Las Vegas style show band truly is.

The band's musical tributes to the Beatles and Elvis are magnificent. This will be our only rock-n-roll show this year so be sure you don't miss it.

An order blank is included in this edition of the log. Please fill it out, include your check, and mail it back to Hans for advance reservations. Tickets can also be purchased directly from Andrea or Hans at the Club. You can reserve a table in advance with your prepaid order of ten (10) or more tickets.

I would like to take this opportunity to thank Dallas and Nelly Caldwell and Tully and Judy Rogers for hosting our recent highly successful Western Party. The line dance lessons were great and yours truly finally learned how to do the Electric Slide.

Also, please make reservations now for the 50's party with the Suspenders and Elvis on May 13, 1995 and the Commodores' Ball with the Mojo Men on May 27, 1995.

See you at the Club.

Bar & Kitchen

The May and June plans for the

Yacht Club have now been finalized, starting with Mothers' Day. Because of the anticipated attendance for Mothers' Day, please call

Rear Commodore Fred Wright

Hans for reservations, including time. We have decided to continue the Old Fashioned Sunday Dinner Specials (you can also order from the menu). Beginning Memorial Day weekend, our fabulous Sunday Brunch will return. Check the calendar in this Log for all the parties and special events coming up. Make reservations - 929-9941. Please note the Club will be open on Thursday nights starting June 1st.

On a follow-up of Dave Letterman's ten reasons - - - below are:

TEN REASONS TO DINE AT THE B.L.Y.C.

10. The food and drink operation of the Club is non-profit. The more times you use the Club, the lower we can keep the prices.
9. No waiting in long lines for your table.
8. Marguerite and Hans prepare the food with T.L.C. The food is not mass-prepared or prepared by "robot".
7. Hans, Betty, Nancy, Kim, Dean, Andrea, and Chris are not strangers to you and they want to serve you.
6. Dine with friends, not strangers. The people at your next table will be Club members and, therefore, there is a camaraderie.
5. Your guests will appreciate the opportunity of dining at the Club. They cannot attend unless you invite them.
4. The Club is family-oriented. There are special meals and prices for children.
3. The panoramic view of the lake and the activities on the lake are better than a view of a parking lot or no view at all.

2. Excellent food and beverages.

and now

☆☆☆ Drumroll & Fanfare ☆☆☆

1. It just makes good sense (and cents). Meals are reasonably priced and therefore, you save money.

Enjoy the summer.

See you at the Club!

GOSH! OH BOY! WOW!

What a fantastic "WORK DAY"! Everyone took the responsibility of the tasks which needed done and did a

fantastic job. The coffee and donuts upon arrival sure started the day off right. Then Hans and staff prepared a delicious lunch for all who were there. That helped to fuel everyone's energy cells to finish the started tasks. The keg of beer was open to all who enjoy those spirits as always and the day ended with some very tired and some very relaxed workers. I sincerely thank each of the following for their participation on "WORK DAY"

Now with the "WORK DAY" done, let's all begin the FUN, in the "SUMMER SUN".

The PORCH SALE was very successful for the Ladies' Auxiliary. Thanks to all who participated.

The WOODEN CHAIRS are being refinished for this years use. A swimming pool company will be opening the swimming pool very soon. The tree by the pool and club house has been pruned and shaped to allow high winds to pass through and hopefully prevent any damage to the club house or any injury to anyone below, especially the children's pool area. The outside restrooms will be put back in operation very soon.

THANKS TO ALL
 SEE YOU AT THE CLUB

Rentals & Docks

All docks have been assigned. The State dock licenses have been attached to your dock. There is a matching State Boat Permit which the dock renter is supposed to display on their boat. You can pick up your Boat Permit at the Club. Be sure the Dock Permit & Boat Permit have the same number.

Your cooperation will be appreciated.

BLYC SAILING CAMP - 1995

Sailing camp is one of BLYC's biggest successes. During camp the sailors enjoy learning to sail and meeting new friends. Juniors, which include teenagers, must be at least nine years of age sometime during 1995 to register. Each participant must bring to camp his or her own life jacket, deck shoes, and swimsuit. While the enrollment deadline is the first day of camp, prompt enrollment will assure a place. Dates and times are shown on the registration form below.

The fee for children and grandchildren of members is \$60.00 for one sailor and \$50.00 per sailor for more than one. The fee for children of non-members is \$85.00 for one sailor and \$75.00 per sailor for more than one. Please make check payable to Buckeye Lake Yacht Club and mail it and the registration to:

Walter C. Grubb, 1310 Sequoia Lane, Heath, Ohio 43056

BLYC Ladies' Auxiliary

The April 11 meeting of the BLYC Ladies' Auxiliary was called to order by President Jackie. She welcomed all the members and guests.

In Ruth's absence, Jackie read the minutes. They were approved. Treasurer Joan Martensen gave her report, which will be filed for audit. She stated that she had received 42 checks in the mail.

Zenna Sayre announced the Greater BL Chamber of Commerce Full Pool Breakfast 4/28/95 at 7:00 A.M. with Guest speaker, Mr. Anderson. Tickets are \$7.00 and are available at local businesses. Helen Waite spoke eloquently and enthusiastically on the Greater BL Historical Society with membership tickets available for \$10.00 annually. She also suggested donating artifacts to the museum.

Jackie Keiner invoked the members for assistance in selling tickets, serving, collecting donations and decorating for the upcoming auction. There will be tickets available at the door, but please ask your friends to come. Jackie made mention of the Garage Sale & Work Day events 4/23 here at the Yacht Club.

There will also be a Garage sale in June which will be open to the public. There will be a Fashion Show in August. There was a reminder to join the members, Hans and his competent staff for Easter Sunday. Many of the Auxiliary have seen the BL Chamber Book and feel Dick Wolf should be saluted for his sales and Dwight Joseph should be lauded for his layout and design. Helen Waite and Connie Schilling have volunteered to assist with the brochures for the auction. With the enthusiasm of the members of the Auxiliary, before everyone left, the work day, the garage sale, and the auction events were covered.

Jackie had planned a surprise for this meeting. It was a guessing game and we got to know each other even better. It was great fun! Some of the clues were laughable, some were memorable, and some were even unbelievable. Lets do it again sometime and get to know our members.

The lovely table decorations were given as door prizes, and then the meeting was adjourned.

Respectfully Submitted:
Kathy Brussee

Board To Consider Perpetual Membership Fee

The BLYC Constitution requires the Board to publish the substance of any change in the By-Laws before acting upon the proposed amendment. The Board has approved the following proposed amendment for such publication and may consider it at the next meeting.

The proposal is to change Article V, Section 2 (b) of the By-Laws as follows [underlining indicates added language, strike-through characters indicate deletion]:

(b) The fee for perpetual membership shall be ~~ten~~ one hundred times the sum of the current active dues and capital improvement charges divided by a percentage interest rate which is the difference between the current prime interest rate and the current inflation rate as shown by the current consumer price index unless set otherwise under Section 5 of this Article. A new member shall additionally pay the current initiation fee. Dues paid for the current year may be credited toward the perpetual membership fee only if the remainder of the fee is paid before May 1st of the current year.
