

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

June 1995

**Commodore
Marque Debenport**

Our cool spring has bloomed into a new season of boating and outdoors fun. And the Club has a fun filled summer schedule with something to meet almost every member's needs. Check the schedule of events for the remainder of the year contained in this log and make plans to join us for a great summer. The first of the big events is coming this month on June 17th when Don Rose and the Classics join us again with their great Las Vegas style show. I'm sure that those of you who saw it last year will agree that you will be missing some great entertainment if you miss this one. Tickets are still available at the Club but not for long.

A big 'ATTABOY' to Mike and Ann Oliver and their 'planting committee' for the great job they did in plant-

ing the flowers at the Club last month and a belated ATTABOY to Frank Foster IV and John Sproat for the new flower beds and the flowers they planted at the entrance to the Club around the stone entrance way. Thanks guys and girls. It sure dresses the place up.

And speaking of the entrance way. At the semi-annual meeting last month, Walter Knapp brought up the subject of an automatic gate at the entrance way to restrict unauthorized parking in the Club's lot. Previous Boards have priced this goodie and have found that the cost will vary from about \$10,000 to \$15,000 depending on the type of gate and the method of controlling it. This years budget will not accommodate it but Walter has pledged \$1,000 to the purchase of a gate. If there are members who agree on the need for the gate and feel philanthropically inclined, the Club will gladly accept donations to the 'gate project'. Just contact a board member of your choice to get the ball rolling.

As we approach the busy season at the Club, I feel the need, once again, to review the rules regarding guests at the Club. Unlimited guest privileges are accorded only to the family of a member, the female companion of an unmarried member or persons holding a valid Guest Card issued by the Board. Family is defined as mother, wife, sons under sixteen years of age and unmarried sisters and daughters of the member. Occasional guests are persons other than those defined above who visit the Club. They must be accompanied by their host member and if they live within

a fifty mile radius of the Club may only visit the Club a maximum of three times a year. These rules (as expressed in the By-Laws) are in existence for the benefit of the members who pay the bills through their dues and their participation in Club activities. It is not fair to the members when guests are allowed to abuse these rules and enjoy the benefits of membership without paying their fair share. The use of the 'Guest Registration' book helps the Club staff track occasional guest visitors and I encourage the members to continue to use it. With activities moving seasonally to the outside (pool, porch, etc.) it is harder to control abuse of the 'guest rules' and I encourage each of you to contact a Board Member when you become aware of guests taking unfair advantage of our Club.

The good times are here!!

See you at the Club

Entertainment

Summer is in full swing at the Yacht Club and here are the events to plan for. First, if you have not already done so be certain to make reservations for the great "Don Rose and the Classics" show to be held June 17 from 8:00 p.m. to midnight. We still have some tables available for advance reservations, but they are going fast. Those of you who saw the show last year will agree that this is the best band that has played at the Yacht Club. The band's tribute to the Beatles and Elvis is truly memorable.

Also, please make reservations for the Buckeye Lake Yacht Club Commodores' Steak Fry to be held the evening of June 24. Test the Commodores' culinary skills by ordering your steak just the way you like it.

July 4 we will have our flag raising ceremony and fly over at 10:00 a.m. with the porch picnic to follow. This year's July 4 celebration will be dedicated to Commodore Bob Preston. Make sure to be present by 9:30 a.m. so that you do not miss the fly over and a special musical presentation by Wanetta Lee.

July 15 will feature the return of our very successful Buckeye Lake Yacht Club Music Festival. The bands for this event will be announced in the July Log.

Finally, we have scheduled a very special party for July 29. That date will see Rick Brunetto and his sixteen piece orchestra perform in a replica of the old crystal ballroom. We plan many special decorative touches and we hope all will come in forties and fifties outfits.

Please also check out this edition of the Log for your order blank for Don Rose and the Classics tickets and for a comprehensive listing of all the social events through August.

See you at the club!

Vice Commodore
John Sproat

Bar & Kitchen

Much of the discussion at the Semi-Annual Meeting was on the kitchen/bar operation. Although the winter months normally result in a negative cash flow, the positive cash flow in the summer months should come close to balancing the account.

In the past, the Club has had two major events to help with that positive cash flow. This year we have scheduled two summer extravaganzas for your listening and dancing pleasure. The first is Don Rose and the Classics on Saturday, June 17th, and the second is The Crystal Ballroom dance on Saturday, July 29th. We need your full support for these two events.

Don Rose and the Classics is a Las Vegas-type show, centered around the music of the 50's and 60's and the music of the Beatles and Elvis Presley. If you grew up in this era, you'll really enjoy this music. Do not miss this show! Bring guests.

The music of the Crystal Ballroom party will be by Rick Brunetto's 15-piece band. The music will be of the great band era, including the music of Glenn Miller, Tommy Dorsey, Harry James, etc. If you and friends enjoy this music, be sure to attend.

In the past, the two summer extravaganzas have been open to the public. Yacht Club members have objected. Therefore, the Board of Governors has decided the only people that can be admitted to these two events are members and their guests. We are counting on the members to come through for a sellout! This will mean 500 tickets for each event.

Don't forget the Sunday brunches and dinners, and the Club will be open on Thursdays, starting the 1st of June.

See you at the Club.

Fred Wright

House & Grounds

What a beautiful day Saturday May 20th was. The lake is full due to the recent rains. The ground was softened and it sure helped for working the soil on flower planting day. I want to thank all who helped with the flower planting and other misc. things that needed completed at the club for the summer activities. There were thirteen flats of flowers planted and two pick-up truck loads of mulch placed in the flower beds. Those helping were: PHYLLIS FLYNN, MIMI GEIGER, ANN OLIVER, DIANE KOMAN, PHYLLIS DEBENPORT, COMMODORE MARQUE DEBENPORT, VICE COMMODORE JOHN SPROAT, NORB KAYLOR, JOHN GEIGER, GOVERNOR MIKE OLIVER. A special thank to BILLY BOEHM for climbing the wind sock tower and cutting down the damaged wind sock that had been damaged during the recent high winds. Also a special thanks to PHYLLIS FLYNN for repairing the American Flag that was tattered during the high winds. The outside RESTROOMS are ready for use, and the west end of the porch will soon have the new wind break in place. The club house will soon be power washed for the annual pest control spraying in early June. The safety fence between the pool and club house has been power washed and treated to prevent water damage. The safety railings across the bridge and around the pool deck will soon be power washed and treated to prevent water damage. There was damage to the spouting on the west side of the club house during the recent high winds. This should be repaired by the printing of this log.

Thanks to ALL that have helped,

See you at the CLUB

BLYC Ladies' Auxiliary

President Jackie opened the May 9th dinner meeting of the B.L.Y.C. Ladies' Auxiliary with a hilarious story of a recent embarrassing moment she had. Twenty-one ladies were present.

She credited Kathy Brussee for just being at the meeting this evening, as Kathy had walked five miles in the rain this day after having a flat tire on Route #70.

The minutes of the last meeting were read and approved. Treasurer Joan Martensen gave a glowing report of our recent auction. Her treasurer's report will be filed for audit.

Thanks was given to Phyllis Flynn for the great picture of the Yacht Club she had painted and donated for the raffle. Ann Oliver was applauded for bringing the auction to a successful conclusion after all the difficulties and problems she had encountered. Jackie was also given a round of applause for her talent and many hours of work that helped make the auction a success.

Jackie stated her appreciation for all the volunteers who had helped that night. She was so pleased to see how the Club pulled together and said that the ladies came through when they were needed.

Ann Oliver and Jackie both read notes from Commodore Marque and Phyllis Debenport, complimenting them and the Auxiliary for all the hard work that was put into making the auction such a fun and enjoyable evening for everyone. They said it was a wonderful way to raise funds to help with Club improvements.

Jackie announced two big events coming up - the August 9th fashion show and the crafts and garage sale. Fran Baughman, who is in charge of the luncheon/style show/card party, announced that Casual Corner will be doing the fashion show. She passed a sheet asking for volunteers to help on the various committees. Members will be encouraged to bring guests to the event. Doris Dye made a motion that the tickets be sold for \$10.00, seconded by Judy Klein. Motion carried.

Zenna Sayre moved that Jackie check with David Kaiser and Commodore Debenport to see if they would approve of our having a craft sale at the same time as the Antique Boat Show. If approved, we would put out an announcement to interested persons to put their items in the Antique Boat Show. They will be charged 5% of their sales. Donna Parker seconded the mo-

tion. Motion carried.

Jackie announced that the Buckeye Lake Area Civic Association has asked that she join a group being formed with representatives from all other civic associations in the area, to discuss and try to resolve issues regarding the lake. Jackie would be representing the Auxiliary. They will meet quarterly.

Blank cards were given to each member present and Jackie asked that each one write suggestions on how they would like our money to be spent.

A drawing was held for the tomato plants and also for the flower pots containing packets of various types of seeds. There being no further business, the meeting adjourned at 8:35.

Race, Regatta & Jr. Sailing

Dear Parents:

It is time once again for all young sailors to start sharpening up their sailing skills and getting ready for an exciting summer at BLYC. As the Junior Training Governor, I'm looking forward to working with all the juniors to improve their sailing abilities.

Governor
Walter Grubb

The Junior Sailing Camp will begin this year on June 19. The staff is looking forward to an invigorating year with the students that they will teach. The sailing camp will introduce and refine the skills of the young sailors in the areas of sailing, seamanship, sportsmanship, tactics, and racing rules. This is an exciting program for the beginners, intermediate, and advanced campers. I am hopeful that all of the eligible juniors will not just participate in this program, but they will also come with the attitude to achieve their maximum potential. The cost of the sailing camp is \$60 for juniors whose fathers are members and \$85 for non-members. If your children are eligible and would like to participate in this worthwhile experience, please contact me at 1 (614) 522-3098 so we can make the necessary arrangements.

I wish you all a prosperous and successful summer at BLYC.
