

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

July 1995

**Commodore
Marque Debenport**

Summer is here and the activities at the Club are in full swing. This last month saw our first big event - the Classics concert - and the Commodore's Steak Fry kick the season off in grand fashion. As expected, the Classics show was great entertainment and although the ticket sales didn't quite cover our expenses for the concert, food and beverage sales put the event in the black and we achieved our objective of providing some name entertainment without having to open the Club to the public - thanks to the support of the members and their guests. And by the way, we all owe a big 'THANKS' to our club manager, Hans and his staff and to Vice Commodore Sproat and Governor Oliver for the success of this event. It takes a lot of work to make it all happen smoothly. We all appreciate it.

The next of the big entertainment events is coming in July-the Crystal Ball Room party on July 29th - and we will again hold to our objective of not opening the event to the public. So If you like the big band sound of the 40's and 50's, help us make this event a success and make your reservations now with Hans or Andrea. And while you are marking your calendar, don't forget the 4th of July celebration at the Club. This year, in addition to the fly-over ceremony at 10 in the morning (this Year honoring the Late Commodore Bob Preston), there will be a party around the pool in the afternoon with live entertainment and as usual, the Club front porch will be a great place to watch the Buckeye Lake fire works display at 9 PM.

And now a sad note. Last month saw the untimely death of Doris Dye. Doris, the wife of Commodore Bob Dye, was known and loved by almost everyone at the Club and was as fine a lady as I have ever met. She was very active in the Ladies Auxiliary and was an inspiration to all she met. Our heartfelt sympathy goes out to Bob and his family on this sad occasion. Doris, we will miss you.

For those members who missed last month's opportunity to be remembered forever by your fellow club members, the automatic gate suggested for the new entrance-way at the front of the parking lot is still in need of donations to get it started. Walter Knapp, who has offered to donate \$1,000

toward its purchase, has found several contractors who have gates ranging in price from about \$4,500 to \$7,000 depending on type and method of entry. Needless to say, any contributors will have their names inscribed on a plaque at the base of the gate for posterity. Let's not let Walter's generous offer go unheeded.

See you at the Club

Marque

Entertainment

July features three major Yacht Club social events. Be sure to be present by 9:30 a.m. on July 4th for the fly-over and a special patriotic musical presentation by Wanatta Lee. This years fly over will be dedicated to Bob Preston.

Vice Commodore
John Sproat

The porch picnic follows with the boat parade at 4:00 p.m. At 6:00 p.m. the Barbara & Frank Hall duo will take the stage with their great singing and karaoke.

At 9:00 p.m. BLYC will be the place to watch the fireworks as this year they are being set off from Fairfield Beach.

July 26 BLYC once again invades Put-In-Bay to cheer on our junior sailors. Our picnic will once again be held in the Pavilion at Put-In-Bay Yacht Club from 4:00 p.m. to 8:00 p.m. Special thanks to Commodore Steve Cooks of the Put-In-Bay Yacht Club for arranging access to the Pavilion.

Don's miss the "Crystal Ballroom Party" on July 29 from 7:00 p.m. to midnight. We will feature the sixteen piece Rick Brunetto big band with vocalist Kelly McClenin. The cost is just \$12.50 per person. Be sure to make your reservations immediately so that you will have a seat at this great event.

Our decorations committee has been working on all sorts of ideas to create a replica of the Crystal Ballroom. Come dressed in 40's and 50's dance attire. Prizes will be awarded to the couple with the best 40's and 50's outfits.

The Luau is set for August 12 from 7:00 p.m. to midnight. The entertainment will be "The Majestics". Make your reservations now! Aloha.

Special thanks to all those who helped make the "Don Rose and the

Classics" show a true BLYC classic. Governor Frankie Foster, John Geiger, Dave Kiser and Mark Bramel and their sons helped move 44 tables, 250 chairs and 16 units of staging back and forth across the bridge. Governor Mike Oliver did his usual great job of connecting up the wiring so that the band could have power. Tim Kellogg donated the tent and Phyllis Debenport and Dixie Landis took tickets and greeted guests. Without this great volunteer effort, events such as this simply cannot be undertaken. Thank them all when you see them.

Also, please make your reservations now for the BLYC Jazz Fest to be held on August 26. This year's festival will be held in conjunction with the Classic Boat Show.

See you at the club!

Bar & Kitchen

The second summer "extravaganza" is scheduled for Saturday night, July 29th, with Rick Brunetto and his 16-piece BIG BAND ERA music. You will be listening

and dancing to the music of Glenn Miller, Tommy Dorsey, Harry James and others. If you owe some friends an evening out, you cannot go wrong on this evening. Tickets are selling fast and as of the 18th of June, ten complete tables have been sold. YOU SHOULD MAKE EARLY RESERVATIONS FOR THIS EVENT. Don't wait until the last minute.

With the summer season here, the restaurant and bar is being used by more and more of the members and their guests. Don't forget, we are open

Rear Commodore
Fred Wright

Wednesday, Thursday, Friday, Saturday and Sunday. The Sunday brunches are great and the Sunday old-fashioned dinners are becoming more popular.

The Club will have a full 4th of July day, starting with the Fly-over and ending with the fireworks.

Have a great July!

House & Grounds

"SUMMER" has arrived and the Club House and Grounds are ready for the scheduled activities. A new wind sock has been installed to assist the sailors

with the wind speed and direction. The Swimming Pool is clear and functioning properly, thanks to Han's persistence and the daily checking of the water quality. For those who may have forgotten or did not know, the swimming pool is heated and is maintaining a very comfortable water temperature. The wind break at the west end of the porch that had been damaged during the high winds is now back in place and I want to thank you for the many positive comments. We are still in limbo awaiting a July building code change which should allow the installation of a new long needed walk-in cooler and the up grading of the kitchen equipment. Don't forget the July 4th fly over at approximately 9:45 a.m. to 10:00 a.m. Be early if you can.

See you at the Club

Mike Oliver

Membership Directory

I missed the June Board Meeting as we spent a few days in North Carolina visiting one of our daughters. Thanks to Emil Klein for reading my report.

There was a final reading for Irvin Nickerson, who lives in Granville and was sponsored by Jim Stevens and Emil

Governor
Dick Harbold

Klein. We hope to see Irv and his wife June at the Club often.

First Readings were as follows:

Applicant	Spouse	Residence	Sponsor	Second
Robert M. Snow, D.O.	Elizabeth	Harbor Hills	Robert Baldwin	John Sproat
Marc A. Scott	Catherine	Harbor Hills	Mike Jacobs	John Sproat
Ken Keller	Mary	Worthington	Fred Bair	Stan Becker
Richard Hutchinson	Sue	Columbus	George Fisher	Steve Schilling
William Schmidt	Kathleen	Hebron	Jack Holmes	George Pugh

It's hard to put in words what we all feel about Doris Dye. Our hearts, our sympathy and our prayers are extended to Bob. Surely I speak for all the Club in asking that Bob call on us to help in any way we can.

Race, Regatta & Jr. Sailing

The Memorial Day race had three boats wanting to sail, but the wind was so strong that the race was canceled.

Governor
Walter Grubb

The Fourth of July long distance race half-hour gun will sound at 10.30 a.m., and the start will be at 11 a.m. Everyone should be at the club for the 9.30 a.m. fly-over and National Anthem.

The Junior Sailing Camp began on June 19 with eight campers in attendance. The day started out with a swim test in the pool. A Laser was then launched into the pool so the campers could practice righting a cap-sized boat. After lunch they were out on the lake sailing. They did a fine job. The rest of the week the sailors will concentrate on sailing, race rules, sailing, knot tying, and more sailing.

Walter

Rentals & Docks

All docks are rented with the exception of two at Eastport and several behind the club along the towpath. I am trying to contact those who have their name on the waiting list. Give me a call if you are interested and I have not made contact with you. (928-1718)

A couple of problems at Eastport. Both problems can be solved by the

Governor
Dick Manifold

members using it. Please lock the gate when you leave. The gate has been found unlocked on a couple of occasions.

Second problem: The spaces are numbered and the space assigned should be used only by the person who rented it. Renters become upset when they return their trailer or boat only to find their space occupied. It appears that we may have a few trailers using the lot that have not rented a storage space. If you only want to store your trailer during the summer we can give you a summer rate.

BLYC Ladies' Auxiliary

June 14, 1995, Twenty-eight ladies attended the first luncheon meeting of the year of the B.L.Y.C. Ladies' Auxiliary. This being Flag Day, potted geraniums containing American flags decorated the tables and Mickey Schneider gave an interesting history of the American flag.

In the absence of President Jackie Keiner, Vice President Kathy Brussee conducted the meeting and welcomed all the ladies. The luncheon began with a prayer by Margene Lambrecht.

The secretary's minutes were read and approved. Joan Martensen gave the treasurer's report, which will be filed for audit.

Kathy commented on the exciting activities the Auxiliary ladies will be doing this summer. She announced that Jackie was checking on the availability of the Yacht Club for the sale of crafts during the Wooden Boat Show and would report on it at our next meeting.

Fran Baughman discussed the progress of the Fashion Show/Card Party/ Luncheon to be held Wednesday, August 9th, which promises to be a "fun" event. Applause was given to Hilde Hildebrandt for sponsoring the tickets for the affair. Lois Rosser and Mary Lou Morris are in charge of the tickets.

Models have been selected and Kathy Brussee volunteered to act as coordinator between Casual Corner and the models. Card tables will be needed from the members and a list was passed around to sign for those who could furnish tables. It was thought tablecloths could be rented. A \$5.00 gift is asked of each member to be used as a door prize. Members are asked to wrap the gifts in white tissue paper. Ribbons and bows to match the table decorations will be put on by the committee.

The dress theme for the day for members and guests will be - "Fashions from Around The World". Ladies can

wear anything they would like - the more outlandish the better! Fran said she would like to have a "dress (or outfit)" contest and asked for volunteers for judges. Everyone is asked to bring their own cards.

Janet Holmes will be in charge of the annual raffle for the "Basket of Booze", and tickets were distributed among the members to sell. Tickets will be \$1.00 each or 6 for \$5.00. The winning raffle ticket will be drawn on July 4th following the fly-over.

A special thanks to Margene Lambrecht who presented each lady with a potted aloe plant.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Ruth Wright
