

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

August 1995

**Commodore
Marque Debenport**

Congratulations to the 1995 crop of Junior Sailors! The last group of eight completed their training on Friday, July 14th, bringing the total number to 31 for this year. From what I hear, a great time was had by all and there are some very good young sailors among the group who will be representing the Club in future years at Put-in-Bay. A hearty thanks to Governor Walter Grubb and to his son Walter Jr. for a job well done.

And speaking of Put-in-Bay, Junior Bay Week held during the week of July 24 has not happened at the time I write this article, but the Club is again represented by a three man Thistle crew headed by Walter Grubb Jr. Walter's crew did very well last year and we wish him and his crew the best of luck this year.

You may have noticed some new faces among the waitresses and bus persons serving you during the last couple of weeks. This is due both to increasing our staff for the summer and to replacing a long time employee, Kim, who decided to leave us for personal reasons. Kim's replacement is Debbie who started with us at the Pool Bar about a month ago. She has been replaced at the Pool Bar by Chris who formerly helped us in the dining room. The bussers now assisting in the dining room are Trena and Shannon. Kim will continue to assist on special occasions and to fill-in when we need her. She will be missed as a regular. Please bear with us during this transition period.

I have recently become aware of several instances of alleged misuse of dock privileges by some of our members.

Namely, allowing another member without dock privileges to permanently park his boat in the dock for which the renting member has no further use. This practice, if being conducted, is grossly unfair to other members who typically wait for years for some of the more select docks. In an effort to put an end to any such misuse, we are asking all dock renters to provide the Club with a copy of the title for the boat for which their dock was rented. In this manner we can confirm that the boat parked in each dock does in fact belong to the renter. Sadly, I expect that providing a copy of the boat title at dock renting time will become a requirement for future rental of a BLYC dock. What

ever happened to gentlemanly conduct, honor and fair play?

Finally, I have received several complaints recently regarding the quality of service in general and the recent party on Friday night at the Club. You may be surprised to know that we receive almost as many 'attaboys' for our service as we do criticisms. However, I must agree that service is slower now than it was several months ago. Service is always slower when we have larger crowds. We have a limited kitchen facility and by a necessity a fixed size kitchen crew. The members tend to socialize in the bar and then all descend on the dining room at the same time. Returning to a 'reservations only' on Friday nites might help to stagger the flow into the dining room. We are considering this approach. When we have two fully trained waitresses supported by a trained bussing crew, we can serve the food orders about as fast as the kitchen can produce them. So adding waitresses may not be the answer until we have a larger kitchen. Compound this with the fact that part of our dining room crew is in training and we have the current situation. Please bear with us as we come up to speed.

With regard to the Friday nite party of July 14th. It was a mistake that should not have happened. The party, for the graduating Junior Sailors, started out to be hot dogs around the pool in the afternoon for a dozen youngsters, then grew into a small banquet with parents and presentation of certificates. It was an important thing to do for our future

Continued on next page

Commodore's Article continued.

sailors. I promise, no more parties on Friday nights.

On a lighter note, there are some great events coming up at the Club during the month of August - the Luau, the Antique Boat Show and Jazz Festival. Check the ads in this log.

See you at the Club

Margie

Entertainment

First, I want to thank everyone who worked so hard to make the Crystal Ballroom party a great success.

I have two excellent events to tell you about for the month of August. First, on August 12, we will have our annual Luau. The hours are 7:00 p.m. - midnight with the "Majestics" playing for dancing from 8:00 p.m. to midnight. A Hawaiian buffet will be available.

Don't miss the Antique and Wooden Boat Show running between August 25 and 27. On August 26, we will be featuring our Jazz Festival. The entertainment is The Jim Masters Quartet with vocalist Mary Daniels. The Jim Masters group plays a wide variety of Latin, swing and jazz music. It will be a great listening and dancing event. Make your reservations now. Tickets are only \$10.00 dollars per person.

See you at the club.

John

Vice Commodore
John Sproat

Bar & Kitchen

Since the last Log article, the kitchen-bar operation has good news and bad news. I will first tell you the good news -

The report for the year-to-date, ending June 30, 1995, indicates that the operation is now in the positive cash flow category. It is my belief that the report for the fiscal year ending August 31, 1995 should also be a good report.

Some other good news is that we have received many compliments regarding the quality of food and service, both verbal and written.

And now for the bad news - - We have received a couple written anonymous complaints, primarily about service - not the quality of the food. I had a discussion with Hans on July 21st regarding this correspondence. He and I are both concerned and pledge that we will continue to work on the problem. I have been told not to worry because you cannot satisfy everyone - but I'm going to try!

Friday night, the 14th of July, was a disaster and for that I apologize. The problem came about because of the conclusion of the Junior Sailing Program. Governor Walter Grubb thought it would be nice to have a dinner for the participants on the last day of class and give them their certificates. He anticipated sixteen students and he and Hans were surprised when parents and other family members joined the students, resulting in approximately 40 or 50 more persons than was anticipated. Walter feels bad about it, Hans feels bad about it, and I feel bad about it. We did the best we could under the circumstances. We believe we have learned and will endeavor not to let that ever happen again. The Junior Sailing Students and

Rear Commodore
Fred Wright

their families appreciated the evening and the recognition.

One of the other problems is that the staff has no idea whether the main dining room will serve 40 or 140 on a given night, because very few people call in for reservations. Reservations would help and persons with reservations should get preferential treatment.

The negative letters we have received have been anonymous. I am requesting that if anyone has a concern to please call me personally at 928-3709 and I assure you it will not fall on deaf ears.

Don't forget our annual Luau to be held on Saturday, August 12th. The cost per person will be \$12.50. See the Log for further information.

I have been requested to notify the members of the scheduled group events to be held at the Yacht Club during each month. Those in August are as follows:

- Saturday, August 5th** (Dinner)
Newark H. S. Class Reunion 125 to 150
- Monday, August 7th** (Dinner)
20th Century - 60 to 70
- Tuesday, August 8th** (Dinner)
Mariners Club - 35 to 45
- Wednesday, August 9th** (Lunch)
Ladies' Auxiliary Style Show
180 to 200
- Thursday, August 10th** (Lunch)
B. L. Chamber of Commerce - 15 to 20
- Thursday, August 17th** (Dinner)
Sojourners - 35 to 45
- Saturday, August 19th** (Picnic)
Boehm's Stamp & Printing Co.
95 to 105

I retired July 18th after 40 years of operating a successful architectural practice and now hope to be able to spend more time on Club business.

Bon Appetit!

Fred

Race, Regatta Jr. Sailing

The 4th of July at B.L.Y.C began with the traditional fly-over and the raising of the colors. A special salute to General Robert Preston was held. His family and many of his friends were in attendance.

Governor
Walter Grubb

The 4th of July long distance race half hour gun sounded at 10.30 a.m. The start of the race at 11 a.m. found very little air. Nine boats of various classes cleared the starting line. As time ticked away, the wind increased. The Club Thistle finished first, but under the Portsmouth racing system an O'Day 26 was declared the winner.

By the time this is printed, the B.L.Y.C Junior Sail Camp will be over. The four week camp had thirty-one sailors in attendance. Each camper had a lot of fun along with much time on the water. A dinner and awards presentation were held on the last Friday evening of camp. Each camper was presented with

a certificate by Commodore Debenport.

The camp staff wishes to thank Bill Reynolds, Robert Hill, and Dr. Petersilge for the use of their boats for on-the-water instruction. They also wish to thank Hans, his wife Betty, and Margretta for the preparation of the lunches and snacks. The pop was greatly appreciated.

Important Dates to Remember

Labor Day long distance race
September 4th half-hour gun
at 10.30 a.m. - start at 11:00 a.m.
48th annual Snowball Regatta

October 6, 7, and 8th

Many volunteers are needed to make the Snowball a successful sailing activity. People are needed to set the race course marks. A committee is needed to handle the various jobs at the race shack. A registration table needs to be set up. All members are urged to be at the club to join the cheering section. If you can be of assistance in any way please give me a call at 522-3098 or drop me a note at 1310 Sequoia Lane, Heath, Ohio 43056. Your help will be greatly appreciated.

Walter

Rentals & Docks

We still have a couple of docks for rent at Eastport. A phone call to 928-1718 can set you up for the remainder of the summer. Of course you will get a reduced rate for this year's rent.

Governor
Dick Manifold

When is the last time you checked your dock lines on your boat? Dock lines can be damaged very quickly during stormy weather when they rub against the dock or boat. For a minimal investment you can protect your boat. The club has also had some damage to our docks and electrical wiring around the docks which may be attributed to boats being improperly secured. If you are not at the club often you could have another member check on your boat periodically.

Dick

In July two new applicants were presented to the Board.

Applicant	Spouse	Residence	Sponsor	Second
Charles H. Bendig	Marylee	Groveport	Frank Foster	Jim Wilcox
David L. Rinker		Columbus	Norb Kaylor	Jim Meacham

Membership & Directory

Please welcome Ken Keller as a new member.

Governor
Dick Harbold

ON THE LIGHTER SIDE

OTHER NECESSARY NAUTICAL TERMS

KEEL—What your spouse does when you confess you've bought a boat.

LAUNCH—The meat eaten aboard a boat at about noon-time.

MOOR—Number of people needed for a boat party, like "the moor, the merrier".

OAR—When you have a choice, like "this—oar that".

Ken & Mary Keller

Dick

BLYC Ladies' Auxiliary

The July 12th meeting of the Ladies' Auxiliary was presided over by Joan Martensen in the absence of President Jackie Keiner. There were twenty-three ladies present. Joan opened the meeting by welcoming the ladies and reading a letter from Jackie stating her regrets for being unable to attend the meeting. In her letter, Jackie expressed the sadness we all feel in the great loss of our member and friend, Doris Dye.

The minutes of the June meeting were read and approved. Joan gave her treasurer's report, which will be filed for audit.

Judy Klein introduced June Nickerson who is joining the Ladies' Auxiliary. Her husband recently became a member of the Yacht Club.

There was a moment of silence in memory of Doris Dye.

Jan Kaylor reported a balance in the showcase fund of \$1,710.08. She said that from now on all sales would go

through the computer. Joan thanked Jan for the good work she has been doing on the showcase.

It was reported that Linda Wing had won the Basket of Booze. The drawing was held on the 4th of July.

Joan read the results of the poll that Jackie had taken of the members on how to spend our money. It was decided that the matter be tabled until a later meeting.

There was concern again regarding the chairs being left on the porch and being exposed to the weather. Suggestions were made that we purchase chairs for the porch, or that we buy a storage shed to store the good chairs. Marian Petersilge moved that we send a letter to the Board of Governors that the chairs should not be taken outside the building. Seconded by Jan Kaylor. Motion carried.

Joan again reminded those present of the Luncheon/Card Party/Style Show and urged that they sell tickets. Mary Lou Morris announced that anyone

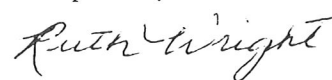

wanting tickets call her or Linda Wing. She asked that money for those who had tickets be turned in to her or Linda as soon as possible.

Jane Kenney sent word that there is a function scheduled the evening before our card party, so card tables cannot be set up on that day. Ladies are asked to bring their tables to the Club early on Tuesday and Hang will see that they are set up after the Tuesday night Party.

On a sad note, Joan reported that Lois Rosser was in the coronary care unit of Mt. Carmel East.

Margene Lambrecht closed the meeting with prayer.

Respectfully submitted,

Ruth I. Wright
Secretary

A "Fun" Afternoon at the B.L.Y.C. Ladies' Auxiliary for You and your friends.
