

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

November 1995

Commodore John Sproat

Once in a while along comes something that reminds me that the Yacht Club is something more than just a collection of financial reports, board meetings and parties. Walter Grubb had worked all year to prepare for the Snowball Regatta and then due to an unfortunate circumstance was unable to be present. With little or no opportunity to prepare Governor Emil Klein, Steve and Peg Beeson with the able assistance of Commodore George Fisher stepped forward and ran a great regatta.

In fact, the Buckeye Lake Yacht Club is all of us working together to achieve common goals. The great efforts of Emil, Steve, Peg and George and the other volunteers are greatly appreciated

and truly indicative of the best our Club has to offer.

Governor Klein has asked me to try to find members who are interested in reestablishing a sailing committee. This summer we hope to provide an expanded sailing program. Anyone who is interested in participating please contact Emil or me.

Our Governors have wasted no time in pursuing their various duties. Vice Commodore Wright has prepared a comprehensive year-long schedule. He has done a great job in coordinating nearly all Club activities in one calendar which will be released in the very near future.

Rear Commodore Foster is working closely with Hans and our fine staff to continue to improve bar and kitchen service. Once again I want to reemphasize that it is important that you phone in for reservations anytime you plan to come to the Club. Advance reservations will help our staff to serve you better.

Not only is Governor Klein preparing for upcoming sailing events, he is pitching in to help with the log while Governor Oliver is taking a brief rest period. Mike, we miss you and Ann at the Club and we want to see you back real soon.

We have asked a lot of our newly elected Governors and they are working hard for the Club. Governor Geiger has set up a membership committee and is planning a new member rush party for November 4. It is important that we all assist John by providing him the names

and addresses of our friends and associates who are interested in joining the Club.

Governor Tim Maite is working closely with Governor Mike Schilling in planning our fall work day. Governor Schilling plans many improvements for our off island facilities.

If you wish to serve on the entertainment, membership, sailing, house and grounds, or off island maintenance committees please contact me or the Governor in charge.

I also want to commend Hans, Betty, Andrea, Dean, Nancy, Kim, and Jim for all of their hard work during our recent successful Oktoberfest. Please tell every member of our staff how much you appreciate their hard work.

See you at the Club!

Have a Nice
Thanksgiving

Entertainment

By now you should have received your 1995-1996 B.L.Y.C. Calendar, which is the tentative entertainment calendar for the year. I would like to call your attention to some new entertainment features which you may want to attend. We have scheduled two "For Men Only" parties - one on January 13th and one on July 26th. The purpose of these parties is to develop camaraderie between members. There is also a Mystery Theatre scheduled for Saturday, March 30th.

Please take note of the 90th Anniversary Celebration that will take place the last weekend of July. We are making big plans and I am sure you will want to attend some of these events if not all of them.

The other new event that we are introducing this year is a Family Christmas Dinner at the Club. This will be for you and your children and/or grandchildren. The dinner will be served with linens, candlelight, and end up with a chorus singing Christmas music. Santa Claus will arrive with presents for all children twelve and under. It is not too early to make reservations now, as I believe this will become a very popular holiday event. Christmas will be here before you know it!

NOVEMBER - We will start off with the O.S.U. Alumni Band Party on November 4th. After the band, Disc Jockey John Sproat (aka Commodore Sproat) will entertain us. On November 11th, the World Cruise Party will be a "Night at Sea" with special entertainment.

Friday, November 17th, is the annual B.L.Y.C. Thanksgiving dinner, with turkey and dressing and all the traditional Thanksgiving menu. Please

Vice Commodore
Fred Wright

make reservations for this event now. The sooner the better!

We will wind up the month with the O.S.U.-Michigan Football Party. This event is a fun event, watching the game with fellow B.L.Y.C. members and wives. This will be a "Tailgate" party. There will be cheerleaders, pom poms, and the real college spirit. Wear your colors. You should plan on arriving at least 30 minutes before the start of the game.

You will note on the calendar that no special events are scheduled for Friday nights, other than Thanksgiving. We have reserved Friday nights for open dining for the members and their guests.

Lets have a great fun year!

Rentals & Docks

I am back in charge of rentals & docks for another year. Usually we don't keep the same position 2 years in a row. This year Commodore John told me to do it until I get it right.

Seriously we do still have some problems to work out as to how our docks are being used and I said I don't mind being the bad guy. We had too many vacant docks this past year even though they were all rented. The board wants to see them all filled next season. A committee will be meeting to formulate new rules to maximize the usage. Don't be surprised if there are some increases in the prices also. We will try to treat everyone fairly who has a dock but remember we have 50 people waiting who would love to have a dock to use. Keep reading the log for further updates.

Governor
Dick Manifold

Eastport has some vacancy. Also we still have some trailers with no tags to match your lot number! Call me or drop a note in my mail slot at the club for more information.

House & Grounds

First of all I would like to thank Mike Oliver for his accomplishments as Past Governor of House and Grounds. Also on behalf of everyone we want to wish him well in his continued recovery from his recent illness.

Well things are off to a flying start. Plans have been made with the help of Don Lemon to have the swimming pool repainted in a professional manner in early spring. For now the pool has been completely winterized and put to bed for the winter.

Thanks to members Lou Vacca, Don Lemon and Miles Waggoner for serving on my House & Grounds Committee. Arrangements are well under way for our Fall work day on Oct. 22. There is much to be accomplished. I anticipate a good turn out and a successful day.

Finally I would like to thank everyone for their support and I am looking forward to a very successful year.

Governor
Tim Maite

BLYC Gun Club News

Weather and boat traffic permitting, the trap shooting season will start on Sunday, November 12, at 1:00 p.m. We will be using steel loads only so if you have any questions, call me.

New shooters are welcome

Membership & Directory

Thanks to everyone who supported my campaign effort. I hope that my contribution during the next year as Membership Governor will serve the best interests of the Club and its members. I am looking forward to the challenge, and hope to have a little fun meeting those of you I haven't had the opportunity to get to know yet.

As Membership Governor, I feel that the continued success of our Club is an enhanced spirit of comradeship, and an increased level of participation in activities.

Those of you who have joined this past year will be contacted by myself or a member of our Membership Committee. You will be asked for your first year "impressions" and "suggestions." A survey will be developed and circulated to all members for suggestions specifically addressing the issue of new member recruiting and ways of encouraging member participation.

As Commodore Sproat noted in last month's Log, we lost 45 members in 1994-95, and will have to emphasize recruiting this year to insure the continued stability of our budget that must support Club renovation and other needed capital improvements.

Our first "Rush Party" will be before the OSU Party on November 4. Any member who would like to sponsor someone they know that would be interested in joining the Club should contact Hans or call me at home in Columbus, 870-7265, or at Buckeye Lake, 928-0829.

One of my responsibilities this year will be to provide flowers, cards, etc. to members who are hospitalized or ill, please keep me informed.

Governor
John Geiger

Another responsibility will be to coordinate the publication of a new Directory. We hope to schedule a photo session before Christmas, and in early spring so that the Directory will be ready before next summer. Our goal will be to have a new picture for every member.

The following new members were approved (second reading) by the Board of Governors on October 11:

Don Lemmon (Nola Faye)
George A. Lieb (Ruth)
Larry J. McCreary
Arvo A. Pikkarinen (Paula)
James R. Powers (Kristin)
Russell F. Smith (Claudelene)
Michael L. Tooker (Lori)
Miles Waggoner (Dorothy "Jane")

On Saturday, we had winds from 15-20 knots which made it for an interesting race. I would like to thank Commodore Sproat for the use of his boat and his help with setting the Buoys, also a big thank you to Steve Rehbein Beeson, Peg Beeson, Commodore Bob Dye and Governor Dick Manifold for their help and teaching me how to run a Regatta.

Not to forget the Ladies from the Ladies' Auxiliary who fixed those delicious hors d'oeuvres for Saturday evening. A big thank you goes to you also. It was very much appreciated.

Finally, I wish Walter Grubb a speedy recovery from his car accident the day before the race. Since he had to spend time in the hospital, he was unable to run the Snowball Regatta.

Frank Miller

Longtime member of B.L.Y.C. years ago, Frank Miller, passed away September 5, 1995 in Glendale, Ohio. Frank was very active at B.L.Y.C. in the thirties and forties. He had a room upstairs and sailed a "K" boat. He attended East High School in Columbus. Married Ruth, who was in the Olympics, swimming with her twin sister.

Frank and Ruth had a beautiful home at Put-in-Bay, Ohio and was past Commodore of Put-in-Bay Yacht Club and became Commodore of I.L.Y.A. Commodore Miller sponsored me coming up through the ranks of I.L.Y.A. I have lost a great friend.

Commodore Gus Schell

Off-Island Maintenance

Mike Schilling

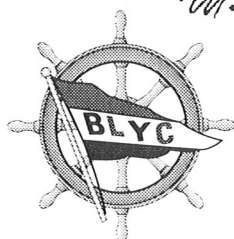

Being this is my first report to you as a member of the Board of Governors, I want to start off by saying thank you for selecting me for this position. Also, I want to thank all the past Commodores who endorsed my candidacy. It is both an honor and pleasure to be affiliated with such a fine group of people. Please feel free to contact me anytime with your comments and suggestions.

Although, it's only been five weeks since the election, much has already happened. At our October Board meeting we spent hours discussing budgets and the improvements planned for the Club.

One of my goals as Governor in charge of off-island maintenance is to set a higher standard of appearance for BLYC properties. Likewise, I want to thank everyone who contributed to the clean-up of Eastport on workday. We moved most of the boats and trailers so we could mow under them. Our intentions were to move all the trailers but some had flat tires or no ball coupler and couldn't be moved. This is a job that needs to be done more often in 1996. To make the job easier it is essential that every trailer be in good condition. Should you have a trailer stored at Eastport we ask that you help us out by keeping your trailer in good movable condition.

Another project in need of our immediate attention is the lower roof on the two-story rental house. We will be requesting bids to have it re-roofed. We hope to complete this work in a couple of weeks.

Again thank you for all your help and support.

BLYC Ladies' Auxiliary

Mickey Schneider, Secretary

The monthly meeting of the BLYC Ladies' Auxiliary was held on October 10, 1995.

President Kathy Brussee opened the meeting with a few brief comments and introduced her guests for the evening. She then introduced the new officers for 1995-96 and the committee chairpersons.

The secretary's report was read and approved.

The treasurer's report was read and approved.

Jan Kaylor reported as of September 17, 1995 the showcase account to be \$3,771.46. The October 6 audit showed nothing was missing from the showcase except possibly knives on consignment from a club member, due to the break-in on September 17.

Membership Chairperson Wanetta Lee presented ideas to encourage new members' wives to join the auxiliary. Specifically to send a letter to the wife with a brief history of the auxiliary and follow up with a phone call and invitation to come to the meetings.

Kathy presented gifts to Hans and Margarite for jobs well done for the auxiliary.

Kathy then told us that Commodore John Sproat and the Board of Governors wanted to host an appreciation luncheon for the ladies in thanks for all their work for the club. After discussion, it was suggested that we ask Commodore Sproat to make this event a Sunday brunch, due to the interest we all have in OSU football on Saturdays. If the commodore is in agreement, we will set November 12 for the brunch, combined with a presentation called "Week in a Bag".

Margene Lambrecht announced we are to bring crafts or home baked goods to sell at the November 14 meeting. She also encouraged us to bring guests.

There being no new business motion to adjourn was made by Phyllis Flynn and seconded by Rosemary Finley.

Respectfully submitted,

Mickey
