

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

December 1995

Commodore John Sproat

I am extremely pleased to announce that our much anticipated Club renovation project is about to begin. Our contractor is scheduled to begin construction of the dry storage facility, cold room and freezer in early December. The three areas will adjoin one another and be placed at first floor level on the north side of the club. The increased storage space will enhance food buying opportunities and provide greater menu variety. We will no longer have to rely on refrigerated trucks for beverage storage for big summer events.

The outside of the food and beverage storage rooms will be covered with siding to coordinate with the siding on the rest of the club. Commodore Dave Cox has graciously donated a large ship's

wheel to decorate the wall facing the north bank.

The plans also call for a complete renovation of the kitchen and bar. We will be shopping for new or nearly new appliances to replace those that we have now. The bar will be expanded to add an additional seven seats.

The project has been financed by Tiney McComb of Heartland Bank and we thank him for that. The entire project should be completed by the first part of February.

Annual dues statements will be mailed in the very near future. Your board would appreciate it if you would return payment as soon as possible to avoid any possible income shortage. Statements sent to dock renters will include a note describing two new requirements that I want to explain. First, we are requiring that unless good cause can be shown, to retain a boat dock you must have your boat in it. The goal quite simply is to have docks in the hands of members who come to the club and use their boats.

Further, we are asking that each prospective dock renter provide evidence of his entitlement to the boat. It is not fair for a member to avoid the dock waiting list by "buying" an interest in a boat belonging to someone who already has a dock. Governor Manifold with the great assistance of Commodore McBride are ready to administer these two new requirements. Please contact either Dick, Jim or me if you have any questions or problems.

Our excellent cook Margarita has been doubling up her duties by helping to keep the Club clean. Thanks for a great job. Chris, our busser and fill-in waitress, has been working hard and her efforts are greatly appreciated. Also, please welcome the newest member of our staff, Joby, our dishwasher.

*My best to you and
yours in the coming
Holiday Season.*

John

FIRST ANNUAL?? BLYC GOLF OUTING

Add this important date
to your BLYC social calendar:
Saturday June 15, 1996.

Plan on a fun afternoon at
Harbor Hills.

A mixed scramble for all skills
of golfers, from novice to those
who purport superior skills,
but somehow have been snubbed
by the tour.

We'll end up at our own Club
for dinner & awards.

Details later.

Questions - Don Best, Chairman

Entertainment

We have had some very successful parties so far this fall. If you've missed them, you've missed some 'fun' times.

During this holiday season we've planned some events that I'm sure you will not want to miss. The annual Yacht Club Christmas Dinner Dance is on Saturday, December 9th. We'll be dancing to the music of the Harmony Dance Band. The Ladies' Auxiliary will be sponsoring a Children's Christmas party on Sunday afternoon December 10th. We will close out the holiday season with the New Year's Eve Dinner Dance, with the Mojo Men, an eight-piece band. This is always a very successful party! Prepaid reservations are mandatory for this party.

On Wednesday, December 20th and Saturday, December 23rd we are trying something new. We will be having Family Christmas Candlelight Dinners for your children and grandchildren. Santa Claus will be there with gifts for all children under twelve. A chorus will be there to sing Christmas Carols. When you make reservations, indicate the number of children and their age and sex.

The Club will be closed for most of January for the renovation of the kitchen, but we will have a Men's Only Party on Saturday, January 13th, and a World Cruise (Rome, Italy) Party on Saturday, January 27th. There will be a flyer early in January describing these events as there will be no January Log.

Wilbur Wuellner wants me to advise everyone that the B.L.Y.C. Snowbirds will have monthly parties this year at Ed Ballenger's Restaurant in Fort Myers, Florida. They will be Friday, January 19th, Friday, February 16th, and Wednesday, March 6th. Call either Wilbur (813) 463-1034 or Ed Ballenger

Vice Commodore
Fred Wright

(813) 466-2626 to make reservations.

To all members and their families I wish you a VERY HAPPY HOLIDAY SEASON!

Paul

House & Grounds

The fall work day held October 22nd was a big success. All major jobs were completed, bubblers installed, trap shooting equipment set up, all patio and deck furniture placed in storage, flower beds cleaned, etc....

Thanks to all who participated:

Lou Vacca, George Fisher, Dick Doyle, Mike Jacobs, June & Irv Nickerson, Emil & Judy Klein, Martha Maite, Ted Hensel, Jack Maier, Frank Foster III, Robert Snow, Ann Oliver, John Sproat, John & Mimi Geiger, Norb & Jan Kaylor, Bill Schneider, Herb Caulder, Steve Schilling, Fred & Ruth Wright, Kathy Brussee, John Watson, Jim Craig, Phyllis Flynn, Frank Foster IV, Carl & Marion Petersilge, Mickey & Andrew Schneider, George Conrad, Mike Shilling, Marque Davenport, Ted & Jane Hintershied.

A special thanks to the Ladies' Auxiliary who were responsible for completing all the inside projects. Also since the work day, all the dimmer switches were repaired or replaced, the Glass Show Case was also repaired and some additional work was completed in the men's room. Once again thanks to all for your help. With winter coming upon us, I will make sure the walkways and steps will be kept clean for our safety. I hope everyone will have a Happy Holiday Season!!

Thanks.

Joe

Governor
Tim Maite

Bar & Kitchen

December is as always a big month with the Holiday celebrations taking place. The BLYC is a great place to celebrate with your family & friends.

Rear Commodore
Frank H. Foster IV

The month begins with the annual club Christmas Party on December 9th as part of the World Cruise theme with this stop in London, England. The Children's Christmas party is on the 10th. We are trying something new this year with family Christmas dinners on the evenings of Wednesday the 20th and Saturday the 23rd, watch for a flyer in the mail with all the details. The month and year will end with the annual New Years Eve Party on the 31st. This is always a fantastic party and very popular. There will be a limited number of reservations and pre-payment is required for everyone.

The Club will be open on January 1, 1996 from 11:30 a.m. until 7:00 p.m. for the bowl games. The entire menu will not be available but will consist of a variety of food specials at special rates.

The Club will be closed from January 2, 1996 through January 26th 1996 for some major improvements and upgrades. The Bar and Kitchen will reopen on Saturday January 27th, 1996 with the continuation of the World cruise stopping in Italy. Then the following day is the Superbowl party.

Private parties in December will be held on the following dates: 2, 4, 6, 7, 13, 14, 16, 17, and 21. These parties should not interfere with member use of the club.

Joe

Membership Directory

On November 1, 1995, the B.L.Y.C. Membership Committee met in the Commodore's Lounge. This first meeting was organi-

Governor
John Geiger

zational, but many positive ideas were discussed. Topics included the retention of current members, including enhancements that would encourage members to visit the Club more frequently; ways of making new and existing members feel more comfortable, especially with respect to meeting and socializing with members they may not know too well; and strategies related to attracting new members, and encouraging members to become more involved in the recruiting process. A great deal of time was spent discussing the "reasons why people join the Club". Every member is encouraged to share their ideas with any committee member. A second meeting will be scheduled for January. Our B.L.Y.C. Membership Committee for 1996 is: Jerry Besanceney, Joe Bowman, Tony Caito, John Feerick, Jack Holmes, Kerrie Keiner, Bill McIntyre, Tim Maite, Tullie Rogers, Randy Sherrard, and Mike Johnson (alt.). I want to thank our committee members for their willingness to serve, and the enthusiasm shown during our first meeting.

Current plans for our 90th Anniversary Directory have not been finalized, however, tentatively we are planning for a July-August distribution. Hopefully we will schedule two photo sessions, one in early spring and another in late June. As I noted last month, our goal is to photograph all members and make this anniversary addition something special. A suggestion has been made to include some reference to boat ownership in the Directory. Anyone with ideas should let me know, or contact the (to be announced) membership

committee members who will be working on this project.

A prospective new member was "read" at our November 8th Board Meeting. Jerry D. Cotterman has applied for membership. He is sponsored by Jack Maier. Jerry's application is on our new member board in the Fireplace Room. Thank you Jack! Jerry and his wife Connie live in Newark. He is employed by the Park National Bank

as an Assistant Vice President - Mortgage Loan Officer.

Unfortunately, I must report the passing of one of our members, William (Bill) Byer passed away on November 11th. Please express your sympathy to his wife and family, c/o Sharon Ann Byer, the family address is in our Directory.

John

Rentals & Docks

The dock fees shown on the dock layout were adopted by the board at the November meeting for the 1996 season. There is a \$27.00

Governor
Dick Maniford

license fee charged by the state in addition to the fee.

The following rules will be stressed this year with the thought being that our docks are better utilized.

1. Rental must be paid in full by February 1.

2. Docks are rented with the intent that they are going to be used. Docks are to be occupied by June 15th. A renter of an unoccupied dock will be contacted before June 30th. Unless the dock is not being used for good reason it will be reassigned.

3. No dock will be assigned a dock license until a copy of the boat registration is on file at the club.

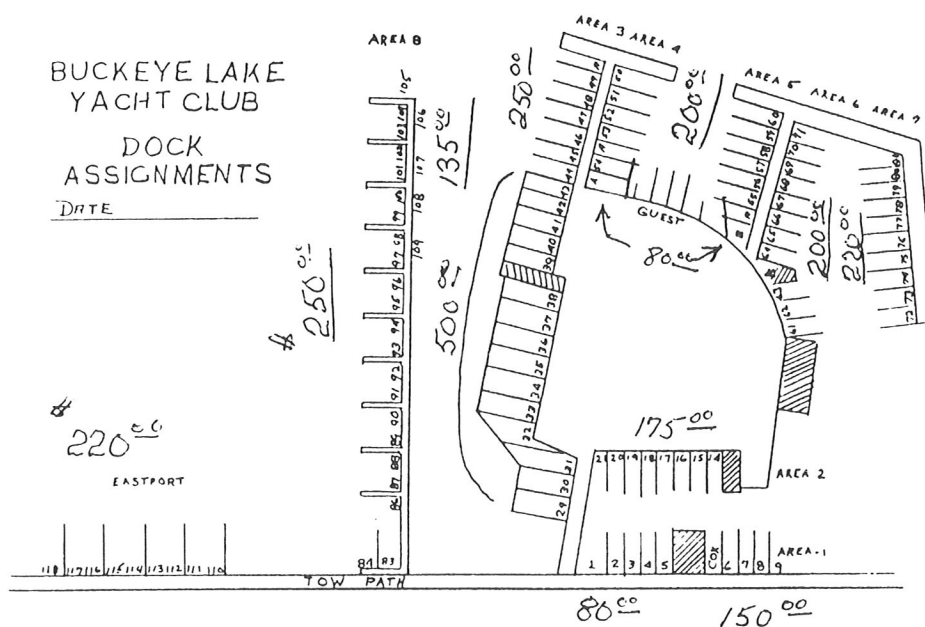

Our docks are in demand and we need to have them all in use.

Off-Island Maintenance

Mike Schilling

For those of you who have driven past Eastport and wondered what that pile of wooden parts are stacked near the fence along route 79. It's an antique ice boat. Commodore Sproat shared that bit of information with me last workday when we moved it to mow the grass. Hopefully someday those pieces will be assembled and put on display in the Buckeye Lake Museum. It's a very unique piece and well worth preserving. There were three decisions made concerning off-island maintenance at the November Board of Governors meeting. First, we voted to set aside twenty percent of our gross rental income for dock repair and replacement. This was done because of the importance our membership places on the docks. Furthermore, the docks are one of our most important assets and we need to not only maintain the ones we have but to build new ones. Second, we voted to hire a contractor to put a new roof on the lower level of the two story rental house. The existing roof is cracked and has been leaking for some time now. Finally, we decided to follow the recommendations of our Insurance Advisor Don Best and install smoke detectors in our rental properties. It's time to start thinking about putting the finishing touches on our main entrance off 79. Any donations either for money or ideas would be sincerely appreciated.

Mike

ON THE LIGHTER SIDE

OTHER NECESSARY NAUTICAL TERMS

QUARTERDECK—The floor on a cheap boat, which cost about 25 cents to install.

SHOAL—Worn by female sailors on chilly nights.

TIDE—A commercial detergent.

BLYC Ladies' Auxiliary

Mickey Schneider, Secretary

Commodore John Sproat opened our meeting, giving us a short summary of the improvements to be made in the Club this coming year. He also expressed the need to recruit new members to the Club.

The secretary's report was read and approved.

The treasurer's report was read and approved.

Jan Kaylor reported a balance of \$3,721.68 in the showcase account. Motion was made and seconded that we pay \$35.32 from that account to repair the showcase.

A motion to buy seven new bar stools to accommodate the new expanded bar was made and seconded.

After discussion, it was decided that we dispense with the post cards sent to

the membership and to try putting a flyer in the Log announcing our meeting dates and menu.

Kathy announced that Stacy Foster would not be able to chair the Las Vegas Nite and that Phyllis Flynn and Martha Maite would replace her.

Kathy asked us to think about purchasing tables and chairs for special events (concerts, etc.) and any other ways we can help further the Club.

Our next meeting will be December 12. We will again have a \$5.00 gift exchange and gifts of canned goods are to be brought in at this time.

There being no further business, meeting adjourned.

Respectfully submitted,

Mickey

Ladies' Auxiliary Christmas Party

December 12, 1995

6:30 p.m.

MENU:

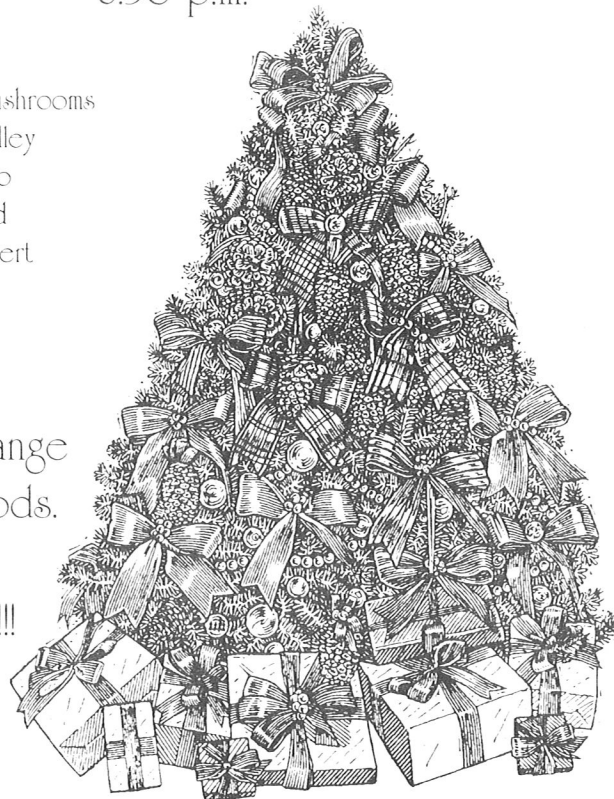

Beef Medallion w/Mushrooms
Vegetable Medley
Baked Potato
Caesar Salad
Napoleon dessert

All members wish you a Happy Holiday Season! Don't forget the great New Years Eve Party, which is always a sell-out, so make your reservations early.						
World Cruise - Our third stop is London, England <i>The capital and largest city of the United Kingdom, on the Thames River in southeast England. Greater London consists of 32 boroughs surrounding the City of London, built on the site of a Roman outpost named Londinium. Its growth as an important trade center dates from 886, under the rule of Alfred the Great. During the Elizabethan period (1558-1603) London achieved new heights of wealth, power, and influence and has continued to dominate its country's political, economic, and cultural life. The old city was devastated by the plague in 1665 and by the Great Fire of 1666; the modern city was damaged severely by bombs during World War II. Population, 6,851,400.</i>
