

Buckeye Lake Yacht Club

April 1996

FROM THE BRIDGE ☆☆☆

Commodore John Sproat

The months of April and May are going to be two of the busiest of the year. They involve the work necessary to prepare the Club for the fun that we all have during the summer. Your board has been working well together to plan and prepare for these events. We need your involvement in any way that you can participate to help us do a better job,

If you haven't already done so, please make certain to make reservations for our wonderful Easter Sunday dinner to be held April 7. This event has grown to the point that we now serve in excess of two hundred dinners. Reservations are becoming not only a good idea but a necessity at most of our events. We recently had a party where we had twenty advance reservations and sixty members

showed up for dinner. I am certain that you can see that this presented great problems for our kitchen. However, all dinners were served with a smile.

April 13 features our World Cruise stop at Paris, France. That night we will have our 50's party with the ever popular Mojo Men. Just prior to the party starting at 6:00 p.m. will be our second new member rush function. That is the time to bring any prospective new members. Please contact Governor John Geiger well in advance and give him the names and addresses of all prospective applicants. He will be certain that they will receive a formal invitation.

The following weekend, April 20 and 21, we will have our first two-day Spring Work Day. As many of you have already seen, the inside of the Club looks wonderful but the outside needs a significant amount of work. Governor Tim Maite has done an absolutely won-

derful job in advance planning. These two work days require many volunteers. Generally work days are a great way to get involved with the Club and to get more from your membership. So please come out and get actively involved.

April 27 we will be featuring our first Buckeye Lake Yacht Club Mystery Theater. Vice Commodore Fred Wright has found a great new entertainment concept for us.

Please also mark your calendar for the Buckeye Lake Yacht Club Semi-Annual Meeting to be held May 5, the Ladies' Auxiliary Men's Night to be held May 14, and the BLYC Commodores' Ball to be held May 25, featuring yours truly and the Majestics.

I hope to see you all at many of these events.

Entertainment

Spring is Here!!

The April World Cruise will be an April In Paris party, that will be called "The Swing Into Spring Fling Thing". It is our 50's party and we will be dancing to the Mojo Men music. This band is the band that we have had at the New Year's Eve party for the past five years and is probably the band more members enjoy dancing to than any other band. They play our kind of music! See the advertisement in this Log for details.

Vice Commodore
Fred Wright

The Mystery Theatre, which was originally scheduled for Saturday, March 30th, has been changed to Saturday, April 27th. This replaces the Annual Ladies' Auxiliary Fund Raiser Function, which was canceled. The Board thought that more people would be back from Florida, the weather would be nicer, and attendance would be better. I assure you, you will be challenged at solving this murder mystery. (See details in Log.)

Donna Marie will be playing piano music on Friday, April 5th, and Friday, April 19th.

Saturday, May 11th, the Port of Call for the World Cruise will be in Switzerland. The entertainment will be by Mike Farrenkoph's Band, and the Squeezin' N Wheezin will be played during the dinner hour. See complete details in this Log.

We all want to thank Bill and Kathy Schmidt for the floral centerpiece arrangements that Kathy created and donated to the Mardi Gras and St. Patrick's Day parties. They were certainly pretty and added a "touch of class" to our parties. Next time you see them at the Club, express your appreciation.

From "Words To Live By" - (by Jerry Wiebel, Publisher)

A ship is safe in the harbor, but that isn't what ships were built for.

Only a fool tests the depth of the water with both feet.

The lowest ebb is the turn of the tide.

The trouble with being punctual is that nobody is there to appreciate it.

If the going gets easier, you may be going downhill.

There are two ways to get to the top of an oak tree: catch the first limb and climb...or, find a good healthy acorn, sit on it and wait.

See you at the Club

House & Grounds

Since the last Log was published, several projects have been completed and I would like to share them with you.

Projects completed since the last meeting:

1. Ceiling, wall lights reset, transformer replaced in the fireplace room.
2. New insulation installed in the west dining room to eliminate the cold air and provide much more comfortable dining.

3. Holes in main room floor due to remodeling repaired.

4. Furnace under Commodores lounge repaired.

A special thanks to Mike Oliver, Frank Foster and Ted Hinterschied for their assistance. Now that the construction is nearly completed there are many projects to be completed.

New projects to be completed:

1. West side roof repaired and old shingles replaced.
2. New steps to be built on west porch to pool side.

Governor
Tim Maite

3. Purchase carpet for bands performing in the main room.

4. Pool to be repainted (Don Lemmon).

5. Clean carpet on porch and steps.

6. New sidewalk from bridge to poolside, estimates from Joe Borden and Frank Foster.

7. Support beams on front and west side of building need replaced.

8. Work day set for April 20th and 21st 1996.

Because of the amount of work that needs to be completed it will be necessary to have 2 fun work days - April 20th and 21st. Please see work day flyer in this log. Please circle the dates on your calendar. Your help is needed and appreciated.

Thank You.

Race, Regatta, & Jr. Sailing

In this month's Log you will find an application form for this year's Buckeye Lake Yacht Club Junior Sailing Class. All the information is listed on

Governor
Emil Klein

the form. Questions have been asked concerning the age limit of the applicants. The child must be at least nine years of age. The oldest is sixteen years of age. If by chance we have a great response we may split into two groups. The second group will take place July 8th, thru July 12th.

A must for your child's safety, it is very important that they have a proper fitting life preserver.

We are looking forward to this being a safe and happy sailing camp. If you have any questions, please feel free to call me at my home number.

Membership & Directory

Please Welcome the following New Members: Richard Harris, sponsored by Charles Huffer, seconded by Frank Lorch III; Michael Lindahl, sponsored by Tiney McComb and Dave Levacy, seconded Frank Foster IV; and Jerry Terrill sponsored by David Cox, seconded by Jim Cooper.

Governor
John Geiger

The following applicants will be read (2nd.) at the April Board meeting: Thomas Murray, sponsored by John Sproat, seconded by Jerry Besancency; Donald Nichel, sponsored by Chris Lambrech, seconded by Karrie Keiner; Gary Phillips sponsored by Timothy Reis, seconded by George Vest. Second reading applications are posted in the Fireplace Room.

Our "New Member Photo Gallery" will be featuring 1994-1995 and 1995-1996 new members. Several pictures have been taken and posted. If you are a 1994-95 or 1995-96 new member, please see Andrea and have a Polaroid taken so that our membership can recognize you and more quickly get acquainted.

A "what do you think about the Club" survey was mailed in March to all new 1994-95 and 1995-96 members. If you received this survey, please take a few minutes to complete it, and either mail it to the Club, or drop it by at your earliest convenience. Your input will help make the Club better for everyone. Any member wishing to complete this survey can ask Andrea for a blank. All members are encouraged to provide their input.

Since September, twelve (12) new applicants have been accepted for membership three (3) are pending a second reading, and one (1) additional application is now posted. Several others have shown a serious interest in joining the

Club. A minimum goal of forty-five (45) new 1996 members has been established. Historically, the period May through July is our new membership application peak. Now is the time to recruit!

A Spring Membership Rush is planned for April 13th prior to the 50's Party. Complimentary hors d'oeuvres and beverages will be provided from 6:00 - 7:00 p.m. A special flier was mailed in March highlighting this Rush. If you would like to bring a guest or guests to this Rush who are good membership candidates, please let us know by mailing the flier-response-form back to the Club, or call Andrea with the name and address of your prospective member(s) who likely may attend. You do not have to attend the 50's Party to attend the Rush. Pre-registered guests will receive a special invitation from Commodore Sproat, and can attend the Rush as guests of the Club if you cannot accompany them personally.

If you are talking to a prospective member, to clarify, please note the following First Year Membership Fee Structure: (1) Initiation Fee - \$1200.00*

(2) Annual Dues - \$450.00, (3) Tax - \$99.00, (4) I.L.Y.A. - \$1.00, Total - \$1750.00. *As noted, an Associate Membership is available for those under 35 years of age in which a first year member pays 10% of the initiation fee annual until the age of 35 when the total is due. Associate Members pay all other annual fees (e.g. 10% of \$1200.00, \$120.00 plus dues, tax, and I.L.Y.A., total of \$625.00), but cannot vote or hold Club office.

As our computer input/work system and data base is further refined, we hope to more efficiently/effectively maintain records. However, to help us keep our records timely and accurate, We Need Your Help, *please notify the Club by mail, fax, or telephone if you change an address, or have any family-occupational information that should be changed in our data base.* I can use your "change" information to update our Fireplace Room Membership Roster if appropriate information is made available.

Thank You!
