May 1996

FROM THE BRIDGE ☆☆☆

Commodore John Sproat

Although spring has been slow in arriving, we have certainly been busy at BLYC. On Easter Sunday between 11:00 a.m. and 7:00 p.m. the kitchen staff prepared and served 350 dinners. This is by far a new one-day food service record. Each member of the staff worked as hard as humanly possible to achieve this tremendous output. My hardest congratulations to Andrea, Hans, Margarita, Nancy, Leslie and everyone else for doing such a fine job. I also want to commend Bill and Betty Eifinger for volunteering of their time to organize the children's Easter egg hunt.

On April 13, Governor John Geiger with the help of Mimi and Jackie and Kerrie Keiner hosted an extremely successful new member rush party. Imme-

diately following the rush party all were entertained by the MoJo-Men at our 50's party. John, Mimi, Kerrie and Jackie gave up their dinners so that some of our perspective members could attend the sold out party.

It is becoming quite clear that reservations are a must at our major functions. In the month of May Springenfest on May 11, Mother's Day on May 12 and the Commodores' Ball on May 25 all will require reservations.

Although the weather has caused some unavoidable delays in the bar and kitchen renovation project, we are doing all we can to bring it to a conclusion. It is our objective to have the job completed as soon as possible. We ask for your patience in the meantime.

It is a major Board objective this year to increase utilization of Club docks. Therefore, we are asking that all dock

renters have their boats in their docks on or prior to June 1. If you have a problem in meeting that deadline please contact Governor Manifold.

We have many exciting events coming up at the Club during the course of this summer. Please review the calendar prepared by Vice Commodore Fred Wright and your monthly log to keep track of everything. Just as a reminder, please note the Rock-n-Roll concert on June 29, the 90th Club Anniversary July 26, 27, 28 and the Wooden Boat Show on August 23, 24, 25. Also, for the sailors please keep in mind our Snowball Regatta to be held October 4, 5, 6. I know I speak for the board in hoping to see you at many of our summer functions.

John

Entertainment

The "Swing into Spring Thing"

party was a complete success! At 11:30 when the Mojo Dance Band was scheduled to stop, there were many requests that they play another half hour. At 12:20, when they stopped, there were still approximately 50 people on the dance floor. We have scheduled the Mojo Men for two other functions this summer. (Please see future Logs.)

Vice Commodore
Fred Wright

World Cruise will arrive in Switzerland on Saturday, May 11th. We will have an old-fashioned Springfest, complete with Alpine band and food. See further information in the Log.

The Commodores' Ball will take place on Saturday, May 25th. This is always well-attended. Don't miss it. The Majestics have a return engagement at the Yacht Club for your listening and dancing pleasure.

I have worked hard this winter lining up top entertainment for you for the summer schedule, being topped off by the 90th Anniversary Weekend, July 26, 27, and 28. Keep those dates open!

Now that spring has finally arrived, come out and enjoy your Club!!

Bar & Kitchen

Please Make Reservations before coming to the Club!!

I usually place that at the end of my articles but decided that considering the fact that we are entering the busiest time of the year for the Club I would give it first priority. It is very helpful to the manager and staff and also reserves a table for you at a specific time preventing a long wait.

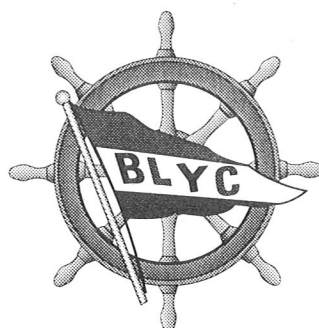

I would like to remind everyone that Mother's Day is just around the corner, (MAY 12) and that this has been one of the busiest days of the year for the BLYC kitchen. Reservations are required and should be made early to assure that room is available.

On that same note Easter was a huge success at the Bar & Kitchen. A record number of meals were served, far surpassing previous years. Andrea and the staff did an exceptional job and the food was fantastic. If this is any indication of how Mother's Day will be, you better make reservations now because seating is limited.

Private non club functions for May include the following:

May 7th	Shrine Mariners
May 16th	LCCEOC Banquet
May 18th	Reserve Officers Assoc.

cess. The teamwork we had helped us not only clean the Club but build a fence around the trash area, enlarge the pool bar and build steps to the pool on the west end of the porch. Also, yet to be completed by Don Lemmon, is the pool painting and painting of the front and east side of the club as well as the west side behind the new bar area. These major projects as well as landscaping by Winnsapes are scheduled for completion by May 15th.

Special thanks to Hans, Margarita and Andrea for keeping us supplied with food and drinks.

Special Recognition to the members who participated in the weekend of work: Bill Schneider, Mike Schilling, Walter Siemer, Ruth Wright, John Sproat, Mary Keller, Helen Waite, Andy Maite, Brian Casto, Bill Schneider, Bob Brussee, Susan Benincash, Frank Foster Jr., Mike Jacobs, Bob Baldwin, Dick Doyle, Frank Foster Sr., Emil Klein, Dick Manifold, Tom Heisey, Ted Hinterschied, John Geiger, Don Lemmon, Jim McBride, Kathy Brussee, Jerry Cotterman, Jack Feerick, Dwight Joseph, Don Best, George Fisher, Fred Wright, Judy Klein, Ken Keller, Miles Waggoner, Jane Hinterschied, Brian Casto, Gus Schell, Tom Falter, John Watson, Al Lyons, and Jack Snow.

(These names were compiled from the sign in sheets and some from memory. We apologize if we have missed anyone.) Thanks again - looking forward to a summer of fun.

Race, Regatta, & Jr. Sailing

Hey look!! Spring has

sprung!!! The snow birds are back and the snow is gone?

Slowly the sail boats are docking at the Club. Memorial Day weekend, we will have the traditional Long Distance Race to be held on May 27th. Starting time is 11:00 a.m. Let's have a great turnout for the start of summer and our 90th Anniversary.

Don't forget to get the registrations in for Junior Sailing classes. We would like to get an idea of how many to plan for. If you have any questions give me a call, Emil Klein 928-6602. The registration form can be found in this month's Log. We are looking forward to a safe sailing summer. Don't forget each child must have a proper fitting life preserver.

Have a great sailing season.

Emil Klein

Rentals & Docks

Warm weather makes

us think about BOATING. If you are a lucky boat owner the next problem is finding a place to dock your boat. As usual the Club docks are all spoken for. We will be providing at least two additional guest slips at the Club. Guest slips will be marked with new signs. Be sure to find them when docking. The dock waiting list is growing with a lot of our new members wanting slips. If you have rented a slip but do not plan to use it, I would like to know so that it can be used on a temporary basis by another member. Remember we want to see boats in all slips by June 1st. The new slip waiting list will be posted at the Semi-annual May meeting. If you see a mistake be sure to give me a call, 928-1718.

Off Island Maintenance

During our recent

two-day spring work program we were able to get a start on some of the off-island maintenance work. We removed, cleaned and stored the bubbler system, plus put a dent in landscape cleanup and dock repair. Hopefully, before Memorial Day, we will have all the docks repaired, including replacement of the light lenses on Area 8 that were broken last winter. I am actively working on getting the permanent signs, plaques and fencing for the parking lot entryway. Additionally, I am working on the installation of a smoke eater for the bar area. There is plenty to do, and the only way it is going to get done is with the help of our membership.

I want to thank everyone who helped on work day and encourage anyone who has some time to spare on improving our Club, to please contact me.

REVIEW OF RULES OF CLUB USAGE

As we head into the summer season it is appropriate to review several of the more important rules of the usage of club facilities. These rules have been developed to make the visits of members and guests to the Yacht Club as enjoyable as possible.

1. Any food or beverage items which are to be consumed on the island must be purchased from BLYC. Bylaws (B) Art. III. Sec. 1 (c) and Art. XI Rule 7.

2. The family of a Member in good standing, including only his mother, wife, sons under 16 years of age and unmarried sisters and daughters, and the unmarried recognized regular woman companion of an unmarried member in good standing, will be entitled at all times to guest privileges.

Persons other than those explicitly stated above will, as occasional guests of a Member in good standing, be entitled

occasionally to Guest Privileges, but no person residing within a radius of fifty miles from the Club Premises, and who is eligible to membership in the Club, shall be a guest on Club premises more than three times in any one year. B. Art. VI Sec. 1 (a), (b).

3. Children under 12 must wear life jackets when on Club property outside of the Club house except that a child will be excused from this rule if a parent requests in writing that the child be excused and states in writing that such parent assumes all liability and all risk for such child and agrees to hold the Club harmless for injury to such child. B. Art. XI Rule 23.

4. All persons using the swimming pool will be expected to conduct themselves according to the posted pool rules.

5. A boat slip is rented to the person who has title of the boat using the slip. B. Art. XI Rule 24 Sec. 5 (a).

6. Transfer or sale of a boat does

not include transfer of slip rights. B. Art. XI Rule 24 Sec. 5 (b).

7. New members are eligible to complete a dock application after election to membership. B. Art. XI Rule 24 Sec. 6 (a).

8. Members must have their boats in their assigned docks by June 1, of each year or be subject to loss of the dock. B. Art. XI Rule 24 Sec. 7 (c).

There are, of course many other important rules. To avoid problems the best policy is to carefully read the Constitution and Bylaws. If you do not currently have a copy please contact Governor Geiger or myself.

Very truly yours,

John W. Sproat
John W. Sproat, Commodore

Ladies' Auxiliary

The Buckeye Lake Ladies' Auxiliary was held on Tuesday, April 9th, and was a huge success. Judy Bair and Ann Oliver did a smashing job putting together an exciting extravaganza with visiting guests, beautiful and enthusiastic models, artistic centerpieces, and a mood of Paris runways.

Marge Lambrecht set the evening with a prayer her mother had taught her. Kathy said, "We are all pearls in the Hand of God, and we have a string of pearls this evening." The

minutes, treasurer's report, and committee reports were waived for the evening social.

Next Meeting will be our traditional MEN'S NITE, May 14. Commodore John Sproat will speak to our group and we have Steve Wilson a Psychologist and Joyologist also. The topic will be DON'T POSTPONE JOY.

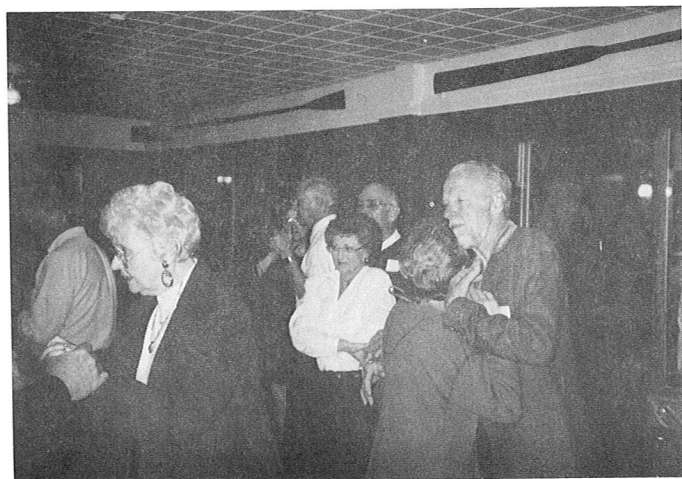

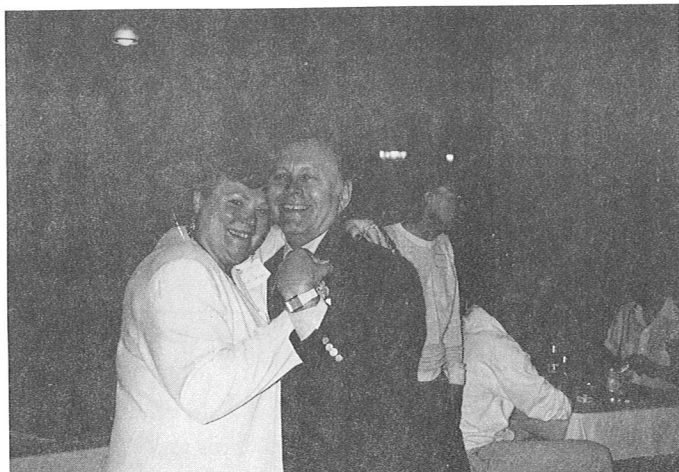

Steve Wilson

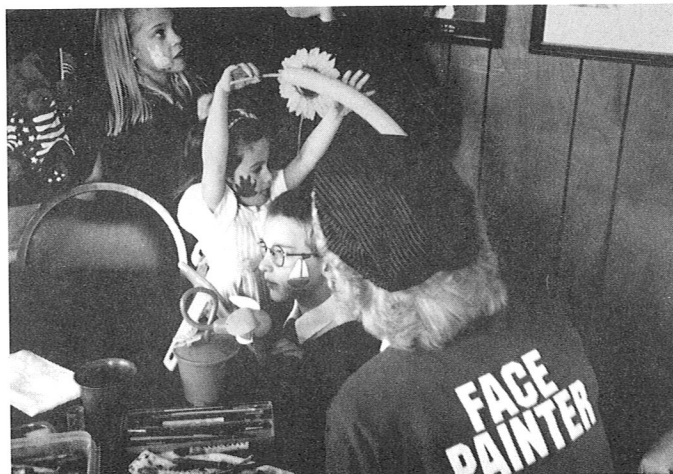

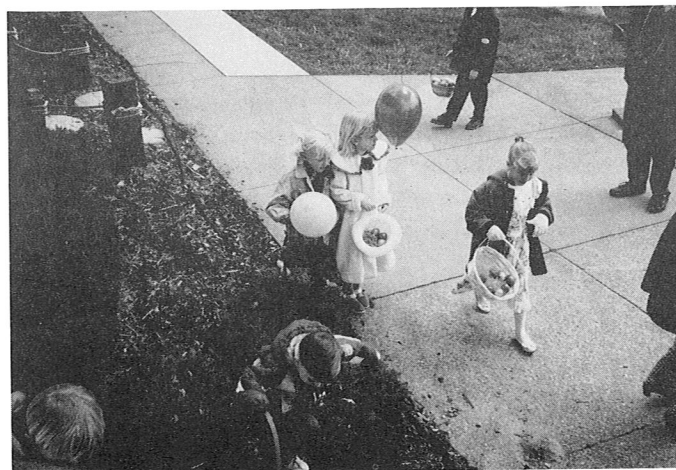

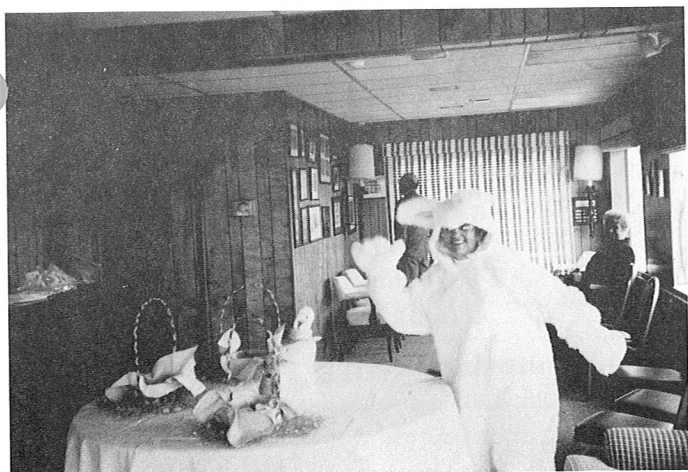

Psychologist, Joyologist, Humor Educator, Lecturer and general all-round nice guy, Steve is a consultant to business and organizations regarding improving morale, team-building, supervisory training, increasing productivity and human relations.
