

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

June 1996

Commodore John Sproat

At long last it appears that summer has finally arrived. Governor Tim Maite has been doing an excellent job in preparing the grounds and especially the pool area for summer fun. As I am writing this the pool is being filled with clean water and the pool bar is being prepared for Memorial Day weekend.

The Club staff did its usual excellent job in providing for our Springenfest and the very next day served well over 200 dinners for Mother's Day. The entire kitchen staff is simply doing a tremendous job.

The new members are rolling in thanks to Governor John Geiger's hard work. Now is the time for all members to bring friends and business associates

and show off the Club. Then give them an application.

Please stop by our new improved pool bar and be sure to make reservations for the Western Party June 8, the Commodores' Steak Fry on June 22 and our Rock-n-Roll concert featuring the Mojo Men on June 28.

See you at the Club!

## Race, Regatta, & Jr. Sailing

The time is getting close for Junior Sailing Camp. As of this date, we have only 12 applications. If you haven't already

done so, you will find a registration in this month's Log. This is the final time it will appear.

Check application for dates.

Junior Bay Week at Put-in-Bay is the week of July 22nd. On Wednesday July 24th we reserved the shelter house across from the Put-in-Bay Yacht Club for a picnic, starting at 4:00 o'clock in the afternoon. All members and families are welcome.

Hopefully the rains have subsided by the time you receive this Log and we can look forward to a summer of fun.

Governor  
Emil Klein

## Rentals & Docks

By the time you receive the newsletter you should have your boat in your dock. Be sure that you have good sturdy dock lines on your boat. Our gentle little lake can become rather violent in a short time and your boat and the club docks can be damaged just because of the lack of a good dock line.

There are always a few docks along the tow path behind the club that are vacant. If you do not mind the investment of a shore station you can have a nice place to keep a medium size boat. Give me a call if you are interested.

Need to get that empty boat trailer out of your yard for the summer? For \$100.00 you can keep your trailer at our Eastport storage. Make a reservation now.

A few of the boat owners have not seen fit to send a copy of their boat title or registration for the club file. Won't these people be surprised if they loose their slip because they did not follow club rules!

## Entertainment

*(This is the report that I gave at the Semi-Annual Meeting on May 5th.)*

In previous years I have had complaints that members did not know what was going on at the Club and at what times. It was this that precipitated the design and issuance of a calendar for this fiscal year, showing all the events and times of events available to members, including open dining. The calendar was designed with plenty of open space so that it could be used as a planning calendar in your home. It has proven to be successful.

Vice Commodore  
Fred Wright

The entertainment program for the past eight months has gone well. Several new things were added this year. The Family Christmas Dinners, which is an opportunity for members to bring their families to a festive Christmas dinner at the Club with entertainment and a Santa Claus with gifts for children under 12. This was fairly successful and will probably be considered again for this coming Christmas season. The Mardi Gras was not as successful as previous years and may be dropped next year. The Mystery theatre, with approximately 180 attending, was a huge success. We tried a Friday Night Live, which consists of a piano player and members with musical instruments and group singing once a quarter. The members appeared to enjoy these.

The entertainment for the next four months has been planned and committed, starting with the Springenfest and Commodores' Ball in May; Western party with the Raizin Cain Band and Commodores' Steak Fry with well-known central Ohio steel drum player, Deighton Charlemagne, in June; Mexican Night in July; Luau in August; and San Francisco, California in September. This will conclude our World Cruise

theme this year.

There will be three special events where the cost of the entertainment will not come out of the entertainment budget. All the other costs for entertainment come from the entertainment budget established from your dues. These special events will have to be self-supporting and we hope with a positive cash flow. They are namely - Rock and Roll Concert - June 28th, with the Mojo Men (This is a change from Saturday the 29th to Friday the 28th); the Crystal Ballroom Party on July 27th with the 16-piece Rick Brunetto Band; and the Jazz Festival on August 24th, with the Jim Masters Jazz Band. These three events will not be open to the public, but will be open only to members and their guests. Please ask friends, relatives, and neighbors and support these three events.

In conclusion, the big event of the summer will be the gala weekend celebration for the 90th anniversary of the founding of the Club. It will start on Friday night, July 26th, with a regular Friday night open dining, concluding with a guitar/singing duo concert at poolside. At this time we are working on an in-the-water synchronized swimming show, but it has not yet been committed.

The 90th anniversary celebration will continue with a brunch on Saturday. A 1 o'clock sailboat race and an afternoon of DJ music by Commodore John Sproat from 3:00 to 6:00. Saturday concludes with a dinner and the Crystal Ballroom Dance under the stars.

The celebration will continue on Sunday with a 9:00 to 1:00 brunch and conclude with a 2:00 to 4:00 concert by the Brass Band of Columbus, lead by Dr. Paul Droste. It should be a fantastic 90th anniversary celebration weekend. We ask you to set aside this weekend and support all the events.

This concludes my report.

## House & Grounds

There is not much to report since the last printing of the Log. Due to the adverse weather conditions the work on the outside of the Club has been very slow. However, I am pleased to report thanks to Don Lemmon and Hans, the pool has been cleaned and should be ready by May 25th.

Governor  
Tim Maite

Now if GOD is willing and the creek don't rise, Rick Winnestaffer with "Winn Scapes" should be able to lay the sod and redo the flower beds the week of (5/25/96), also Don Lemmon should have his painting completed. Please be patient, once this weather settles down we should be in good shape.

Thanks

## "Tween The Trees" Cruise

The Homer Tussing memorial Cruise will be held on August 2nd - 4th starting from the Shawnee State Park Marina which is located 7 miles west of Portsmouth. The cruise use will go west on the Ohio River approximately 45 miles to Maysville, KY and return the next day. A detailed Information and Questionnaire Sheet is available at the Yacht Club, or call Bob Yerke at (614) 431-3505 for same. On Sunday, July 14th a pre-cruise meeting will be held on the Yacht Club porch. This is a fun event for all...boaters and non-boaters.

Bob Yerke,  
Chairman

## IMPORTANT NOTICE TO ALL MEMBERS

THIS NOTICE IS PRIMARILY DIRECTED TO THE SAILORS OF BLYC BUT IT IS ALSO INTENDED TO GET AS MANY PEOPLE INVOLVED IN BLYC SAILING AS POSSIBLE. AS MOST OF YOU KNOW, BLYC SAILBOAT RACING HAS BEEN ON THE DECLINE FOR SEVERAL YEARS. ONE MAJOR REASON IS THAT A NUMBER OF SAILORS WHO RACED HAVE LEFT THE CLUB THRU TRANSFERS ETC, SOME HAVE PURCHASED <sup>LARGER</sup> BOATS AND NOW SAIL ON LAKE ERIE. THE OTHER MAJOR REASON IS THAT A LOT OF SAILORS ARE INEXPERIENCED IN RACING AND HAVE BEEN RELUCTANT TO GET INVOLVED. FOR WHATEVER REASONS, IT IS A FACT AND WE MUST GET ~~IT~~ TURNED AROUND.

AS A MEANS OF MAKING IT MORE ATTRACTIVE TO OUR NEWER AND/OR LESS EXPERIENCED (RACING ~~WIKSE~~) SAILORS, A SIMPLE HANDICAP SYSTEM HAS BEEN DEVISED TO EQUALIZE THINGS. IN ADDITION TO OUR REGULAR HOLIDAY LONG DISTANCE RACES, WE ARE REINSTATING THE SUNDAY RACES. THEY WILL BEGIN EACH SUNDAY AT 2PM - WITH A SKIPPER'S MEETING AT 1:30 PM. ALL SAILORS THAT WE ARE AWARE OF WILL BE CONTACTED BY PHONE TO EXPLAIN THE HANDICAP SYSTEM. IF YOU DON'T GET A CALL SOON - CALL ONE OF US.

EMIL KLEIN 928-6602 - GOV. - RACE & REGATTA,  
JR. TRAINING

JIM MCBRIDE 344-1327 COMM. 1991

FRANK FOSTER III 687-0797 COMM. 1982  
(THE ELDER)

WE WOULD STRONGLY URGE NON SAILORS TO CONSIDER THIS AS AN OPPORTUNITY TO ELIMINATE THE "NON" FROM THEIR RESUME. OFTEN THERE IS A NEED FOR PEOPLE TO CREW AND ANY SAILOR WHO WANTS TO RACE DOES NOT INSIST ON EXPERIENCE. IN THIS JUSTPAST MEMORIAL DAY LONG DISTANCE RACE, WE HAD TWO MEMBERS (GOVERNOR MIKE OLIVER AND NEW MEMBER DEAN JARNAC) CREW WHO HAD NEVER SAILED BEFORE AND THEY LOVED IT! IF YOU DON'T WANT TO RACE BUT WOULD LIKE TO HELP THERE IS A NEED FOR PEOPLE TO HELP (NO LONG TERM COMMITMENT) ON THE RACE COMMITTEE, AGAIN NO EXPERIENCE REQUIRED - WE WILL TRAIN.

PLEASE LET US KNOW IF YOU WANT TO GET INVOLVED <sup>AND</sup> OR IF YOU HAVE ANY QUESTIONS.

Emil - Jim - Frank

## Membership & Directory

**T**his year's membership effort is moving along quite well. Every member who has sponsored, seconded, or recommended a prospective member should be congratulated!

We now have 20 new members for 1996, and another 11 have been sponsored, seconded, and posted with fees/dues paid. Other applications are anticipated.

If you are attending or sponsoring a private party at the Club, consider giving a membership application to a qualified guest(s) that you might know. Show them around. Remember a sponsor and second are required for the application.

Governor  
John Geiger

## Off Island Maintenance

It appears we have broken yet another record in addition to the snow-fall last winter and rainfall this spring, a large number of sea gulls have invaded the area 8 docks. I don't know why these sea gulls are hanging out at Buckeye Lake but they have already worn out their welcome. These

Governor  
Mike Schilling

docks have already taken a beating with the ice, snow, high water and vandalism, but these birds have made a real mess out on the dock and it will have to be pressure washed before we start some necessary repairs. Hopefully, before you read this report all the work will be finished. Replacements for the broken lights have been ordered as well as some new dock posts. In addition to work on the docks, gravel has been ordered for the parking lot and the cast bronze plaques are being made for the entryway. Hope to see you at the club soon.

## Ladies' Auxiliary

Kathy Brussee

The Ladies' Auxiliary Annual Men's Nite was a huge success! There was an air of youth, joy, friendship and excitement. Kathy opened the meeting, introduced the officers, thanked the calling committee, and welcomed the guests and speakers. Margene Lambrecht gave the blessing. The Secretary's report was waived, the Treasurer's report was given, accepted, and filed for audit. Kathy thanked Judy Bair for all the effort for the style show, Wanetta Lee for the success of the membership brochure, Jan Kaylor for the showcase, the Yacht Club staff for their efforts. The speakers were the highlight of this evening. Commodore John Sproat was introduced and gave the highlights of his tenure so far. He commended the Governors for their particular departmental contribution to a wonderful team. Then everyone put on their humor and thinking cap. Steve Wilson touched our hearts, our heads, and our soul. We all left with a smile and a better understanding of what makes us tick. Perhaps we shall all laugh more! The meeting portion of the agenda was resumed. A motion was on the floor to repair and replace the steps coming into the club. It was seconded, voted on and passed and shall be done. There was a suggestion for a money maker recipe, vignette, history, anecdotes, quips in a book with cooperation of the men also. All in all, old business, new business, and monkey business was attended too delightfully and enthusiastically. The next meeting will be a Luncheon, June 11 -(Seafood Quiche, Melon and grapes, muffin, ladyfingers w/sherbet). Our speaker will be Dr. Rebecca Jackson, Women's Health Initiative, Ohio State, a noted endocrinologist.

Sincerely

*Kathy*

## BLYC Golf Outing

Sunday, July 21 - Noon Shotgun Start  
Harbor Hills Country Club  
Mixed Scramble - 18 Holes  
Dinner (Cookout) to follow at BLYC

If the response at the Semi-Annual Meeting is any indication, we're going to have a full course at our Golf Outing. Most indicating they would play also expressed a desire to bring a guest, if numbers permit.

This is being planned as a fun day for members and spouses, for golfers and novices all to enjoy. Reservations will be honored on a first-come, first-served basis. We will have a cut-off date for sign up, then your guests on the same basis, (first-signed...).

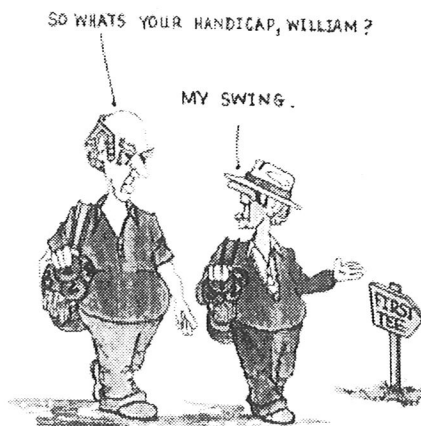

Greens Fee, Cart & Dinner ..... \$35.00  
Green Fee & Dinner ..... \$25.00  
(For Harbor Hills Members with own Carts)  
Dinner Only ..... \$12.50

After we review the score board at Harbor Hills, will return to BLYC where Hans will have the grills hot and a keg open. We'll grill our own steaks or chicken to go with a baked potato, vegetable, salad and coffee or tea. Then, for the golfers, the awards "Ceremony" and door prizes.

In order to make the teams equal, we will need to know each player's handicap, or average score for 18 holes. Those who don't golf regularly, but are good sports and are going to play, tell us. We have a place for you.

Watch your mail for sign-up. Don't miss this Fun Day.

Don Best, Chairman

# Mystery Theatre

For those of you who are interested in the solution of the murder mystery that was held April 27th, the following is a part of the arrest warrant:

When Roxanne Lovelace found out that Dr. Fraud was going to fire her, she became enraged. She knew she would lose everything. She picked up the sodium pentothal bottle she had taken from the medicine cabinet. She poured the solution into the doctor's coffee maker and set the timer to turn on the next morning, as was her usual custom (only this time it contained the lethal dose of sodium pentothal). The next morning Roxanne conveniently called in sick, saying she thought she had caught the Asian flu, which was going around.

While Dr. Fraud was drinking his morning coffee, he received a telephone call from his friend, John Sproat. John was upset as he had just cut an artery while washing the beer glasses. Dr. Fraud grab a towel, a roll of bandage gauze, scissors, and his cup of coffee and ran to the Yacht Club (which is walking 'or running' distance from his office). After arriving at the Yacht Club he fell on the scissors, stabbing himself. However, the cut was only superficial. He died as a result of the poisoned coffee. He was never able to apply a tourniquet to John's cut artery, so John bled to death (with a Miller Lite glass in his hand and a smile on his face), and was not murdered.

However, we're very happy to announce that Commodore John Sproat is quite well and very much alive - even though we haven't seen much of him at the Club recently. Why is that, John?

**B.L.Y.C. CARIBBEAN CRUISE - 1997**

If you haven't been on a Caribbean cruise, you've heard about them all your life, and heard that they are the perfect vacation. If you have been on one before, then you will want to go again. With Bob and

Marge Dunnington's connection with Cruise Express, Inc., of Hallandale, Florida, we are able to get a big discount and I believe you will never find a cruise for less money. This cruise will be open to all members, their families, and their friends.

After considering all ships, ports of call, and dates, we decided on the Grandeur of the Seas, the eastern Caribbean cruise, and a departure date of March 1st, 1997. **There will be an information meeting held on the porch at the Yacht Club on Thursday, June 20th, 1996, from 7:30 to 8:30 p.m.,** for all persons that might be interested in taking this cruise. There will be a video regarding the cruise.

The Grandeur of the Seas is still under construction and is scheduled to be launched this December. There are sixteen different room accommodations and I have prices on the middle to middle/low range. If you want other than the four that I have priced, you should contact Cruise Express, Inc. direct. Their number is 1-800-348-5335. Tell them you are from the B.L.Y.C. and talk to a Geoffrey Forman, President. Prices are as follows:

(F) - MAIN DECK (Larger Outside Room) \$949.00 p.p. (cruise only)

\$1,225.00 p.p. (including air/sea vacation fare)

(H) - A DECK (Larger Outside Room) \$930.00 p.p. (cruise only)

To these above prices add \$117.00 per person for port taxes. All rooms have two lower beds and a sitting area with sofa. A \$200.00 per person deposit is required by July 1st, 1996, and the balance will be due by January 3, 1997. The ship will depart from and return to the Port of Miami. Juniors, which include teenagers, must be at least nine years of age sometime during 1996 to register. Each participant must bring to camp, his or her own life jacket, deck shoes and swimsuit. While the enrollment deadline is the first day of camp, prompt enrollment will assure a place. Dates and times are shown on the registration form below.

The fee for children and grandchildren of members is \$60.00 for one sailor and \$50.00 per sailor for more than one. The fee for children of non-members is \$85.00 for one sailor and \$70.00 per sailor for more than one.
