

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

August 1996 - Vol. 6 Issue 8

Commodore John Sproat

Our July 4th weekend was absolutely spectacular. The beautiful singing by Wanetta Lee and her family, the fly-over by the Ohio Air National Guard and the flag raising put everyone in a patriotic mood. My thanks to the Commodores and Board for a perfect ceremony. My thanks to Commodore Fred Wright for excellent coordination of the event.

Thanks to Hans and our kitchen staff for preparation of one of the finest Mexican buffets that I have had the pleasure of enjoying at our Mexican party on July 14th.

Important events to come are the BLYC "Tween the Trees" Cruise scheduled for August 2, 3, 4. Bob Yerke has put in a great amount of time in plan-

ning and is commended for an excellent effort.

Please be certain to attend the BLYC Luau scheduled for August 10. Also, make sure to be involved on August 11 with the First Annual Buckeye Lake Yacht Club Poker Run organized by Howard Clark. Howard is doing a great job in creating a brand new event for the Club. Please look for detailed information on both Tween the Trees Cruise and the Poker Run elsewhere in the Log.

It has been announced that power boat racing will again return to the lake on August 16, 17, 18. Remember that the Club is the perfect place to watch the racing.

Please make absolutely certain to mark your calendar to attend the BLYC Wooden Boat Show organized by Dave Kiser. This year's Boat Show features on Saturday evening the return of the Jim Masters Quartet with vocalist Louise Salvador. Those of you who were in attendance last year will recall the truly world class performance of these fine entertainers. Also featured will be a ribs and chicken barbecue.

The wooden boats are always a joy to behold. Make certain to make your reservations immediately so the bar and kitchen can plan on your needs.

Governor Tim Maite has been doing an outstanding job keeping the house and grounds in tip top condition. I wish to again commend Rick Winnestaffer for the great job his staff did in landscaping the Club. The flow-

ers are truly magnificent.

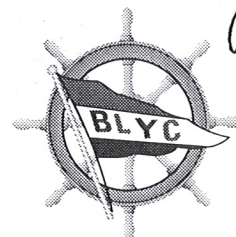

Also, Don Lemon has completed the painting of the Club and has done a wonderful job.

The bar and kitchen renovation project has nearly been completed as of this writing. Commodores Wright, Foster and Governor Oliver have worked hard to bring this matter to a conclusion and I believe the quality of the work that we will continue to enjoy is directly attributable to their efforts.

Governor John Geiger is very close to setting a new record for new members in the Club. Please be certain to introduce yourself to all of our new members and get them involved in Club activities. It appears that we will have an excellent slate of Governors running for the Board. If you wish to run for the Board, please be certain to contact Commodore Fred Wright.

I hope to see you all at the Club for the rest of the summer.

John

Rentals & Docks

In the last Log I was encouraging everyone to get their boats in their slips. Most of you took my message seriously and we have a good looking yacht basin.

If you see a vacant slip that you think is not being used, let me know if you would like to try and use it.

Any docks rented after Aug. 1, rent for 1/2 price.

We have a committee that has been zeroing in on how and by whom our docks and facilities are being used. The intent is to have members using the facilities. Guests are limited to the 3 visits. Members, who it is felt may be in conflict, are being notified. Members are encouraged to have their guests join the Club.

Don't forget the election is not far off, a good time to get involved in BLYC.

Richard

House & Grounds

It's been a very busy summer keeping up with the house and ground maintenance, but overall very successful.

Placement of the security spot lights and electrical outlets has been completed to accommodate the docks located to the rear of the building. The fire escape is finally being completed and looks much better now that it is painted white.

The chlorinator and heater for the pool have been repaired and the pool passed its inspection from The Health Department.

Governor
Dick Manifold

With the help of John Watson and Ted Hinterschied (please note the spelling, Ted) the grass, plants and flowers are getting plenty of water and I will have to admit, it looks good.

I would also like to thank Bill McIntyre for his help on keeping the pool area presentable. I will close with a message to John Geiger: "The broken pipe under the front steps has been repaired."

Let's all have a great time at the 90th anniversary celebration.

Entertainment

Summer is sure going fast and we are down to the last two entertainment functions of the fiscal year.

On Saturday, August 10th, our World Cruise will take us to Honolulu, Hawaii, for a Hawaiian Luau. (See the announcement in this Log for the food and the price.) The entertainment will be by Southern Justice, a dance band from Toledo; Ruth will be playing Hawaiian songs on the electronic organ during the dinner hour; and a group of B.L.Y.C. members in grass skirts and muumuus will be singing Hawaiian songs during the band break. Members and their guests are encouraged to wear Hawaiian outfits.

Our last "special" function will be a jazz festival on Saturday, August 24th. Jim Masters' Jazz Quartet was so well-received last year that we have invited him to return. Tickets will be available from the Yacht Club office for this function. Food will be available at the red tent. (See the announcement in the Log.)

The last function of the summer will be on Saturday, September 14th. It will be "Commodore John Sproat Ap-

Vice Commodore
Fred Wright

preciation Night." For your listening and dancing pleasure we will be having the ever-popular Mojo Men.

Let's continue to have a hot time in August!

See you at the Club.

Race, Regatta, & Jr. Sailing

August is here and we are in the middle of sailing season. The junior sailing camp is behind us and it was a great success.

We had fourteen beginners and nineteen intermediate and advanced students. Almost 100 juniors, parents and grandparents attended a buffet dinner. Vice Commodore Fred Wright awarded Certificates of Completion to the students. I wish to thank the instructor, Walter Grubb, Jr., and his assistant, Nick Rader, for a terrific job. Also, many thanks to the parents and Juniors for the use of their own, personal Lasers. Unfortunately the Club does not own any Lasers and we are in dire need of more boats. If you have a Laser lying around gathering dust, a donation of your boat to the B.L.Y.C. for the Junior program would be truly appreciated.

On July 13th, we attended the 1996 Columbus Open Junior Regatta at Hoover Yacht Club with one Thistle and two Lasers. Sailing the Thistle was Walter Grubb, Jr., Nick Rader and Andy Coe. Walter, Nick and Andy came in first in four races and finished second in one. This is an outstanding achievement. The two Lasers were sailed by Seth and Justin Evans. Both finished all five races. I hope more juniors become active in competitions. We have many good junior sailors in the Club.

The Sunday afternoon races still have room for more boats. I see a num-

ber of sailboats in their slips. Let's get them out and get involved. We need some help in beating Frank Foster III and Frank Foster IV.

We have had inquiries about adult sailing lessons. If we can get ten participants, Walter Grubb, Jr. would be willing to conduct a seminar. We would have to charge a fee of \$50.00. If you are interested, contact me at 928-6602. Please indicate if you prefer evenings or weekends. No date or time has been established at this time but it will be sometime during August.

Off Island Maintenance

A big thanks to my father, Herb Schilling for his help in repairing and re-lamping all the area 8 dock light fixtures. He resides in Florida but usually spends the 4th of July at good old Buckeye Lake. He was a member of BLYC for approximately twenty years beginning in the mid 1960's. It's nice to see all the lights lit on the dock again. Also, thanks to Vice Commodore Fred Wright for his work on having the permanent entry plaques made. Having a professional of Fred's caliber on the Board has been a real asset to our club. Finally, thanks to Governors John Geiger and Tim Maite for their work in rebuilding the large boat parking area along the west island sea wall. Most of the posts were broken off by the ice last winter and we have been working as time permits to get all the boards back up. There is always work to be done around the Club and it's great to have people volunteer their time and expertise to get it done.

Editor's Notes

Bob Dye passed away in June. He was past Commodore of 1975 and a vary fine gentleman at the Club. He also held the title Poker Meister. Bob will be sadly missed at the Club. He will also be remembered every Friday night for decades to come. Our deepest sympathy goes out to his entire family.

Governor
Mike Oliver

David Cox is recovering at his home in Buckeye Lake. Please No Visitors at this time per the doctor's orders. The healing process does take some time. Send cards and keep David and June in your prayers and thoughts.

Enjoy the Speed Boat Races from the front porch at the Club August 17th and 18th.

"Tween The Trees" Cruise

The Homer Tussing Memorial Cruise will be held on August 2nd - 4th starting from the Shawnee State Park Marina which is located 7 miles west of Portsmouth. The cruise will go west on the Ohio River approximately 45 miles to Maysville, KY and return the next day. A detailed Information and Questionnaire Sheet is available at the Yacht Club, or call Bob Yerke at (614) 431-3505 for same. On Sunday, July 14th a pre-cruise meeting will be held on the Yacht Club porch at 2:00 p.m. sharp. This is a fun event for all... boaters and non-boaters.

Bob Yerke,
Chairman

The 1st BLYC Poker Run Sunday, August 11th 2 p.m. - 5 p.m.

No entry fees

Draw a playing card at the Club then go by boat to 5 different locations where you will also draw a playing card. Returning to the Club with 6 cards, you will draw your seventh at the Club. The best hand wins a prize! Come on out and participate. It will be fun!

Membership & Directory

Now that our bar and

kitchen renovation is being completed for the 90th Anniversary Celebration, I would like to officially recognize those members whose donations have made the bar project something special.

Bud and Zenna Sayre started the "whole thing" by suggesting that we renovate the bar to resemble a "wooden boat." Their donation of the Honduran Mahogany wood (same as that used on classic wooden boats) allowed this concept to come to fruition. A plaque has been installed behind the bar to recognize their forward thinking and generous donation.

Howard and Rosa Clark stepped in with another beautiful and functional enhancement. As a result of their donation of a "rope-twill" brass foot rail, you can now further impress your club guests with the appearance and quality of our bar.

Ronald and Carol Harris' donation of a brass "kick plate" to protect the mahogany veneer bar facing not only will help us maintain the bar's appear-

ance, but also added another element of classic beauty to the finished product.

Hopefully next month, we will be able to further recognize these generous donations by including pictures of our benefactors in the September Log.

I want to thank those who attended the New Member Appreciation/Rush Party. Most of our new members and guests stayed for the Rock and Roll Concert and had another opportunity to meet other members and enjoy their company. This is what the social aspect of our club is about. Special thanks to Mimi, Jack Feerick, Bill and Barbara

McIntyre, Tim Maite, and Mike Oliver for helping.

Ilkka Aro, a June new member is actively participating in our Sunday sail boat racing. If you are a new member, you are welcome to participate. If you do not sail, you can crew or help with staging the race. Experience not required! Many members enjoy just sitting on the porch enjoying the aesthetics and excitement of sailboat racing.

Last month (July '96) the Board approved four new members. Pictures of applicants approved for membership are included in this Log.

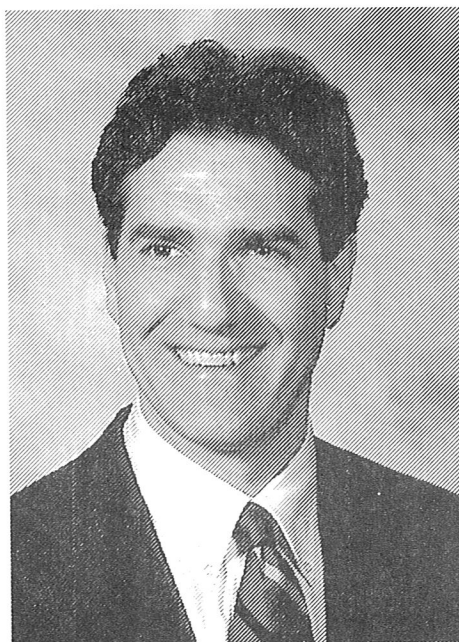

New membership applications, posted for your review and pending approval by the Board in August '96 as of this publication date:

Applicant	First Mate	Sponsor	Second

August 24th

Come join us August 24th for the 16th Annual Antique Wooden Boat Show featuring Wooden Boats as old as 1930. We will also feature a Watercolor Artist, Barbershop Quartet, Regatta Shirts for sale and a Wooden Boat Parade at 3:00 p.m. Starting at 7:00 p.m., there will be a Rib & Chicken BBQ. Poolside grill will be open from 11 a.m. to 5 p.m. The Jim Masters' Quartet with soloist, Louise Salvadore, will start at 8:00 p.m. This Jazz Concert will long be remembered. It is well worth the admission fee of \$10.00 per person.

Cost of BBQ is \$12.00 each. Band Admission fee of \$10.00 is required at time of BBQ purchase due to Club special event. You may purchase band tickets separately if not eating at the Club.

There is also a "pre-paid" reservation package available, \$20.00 per person for band and BBQ. Call Andrea at 929-9941.

Hope to see you there!

Buckeye Lake Ladies' Auxiliary Meeting

Kathy Brussee opened the July meeting. After sharing a story of the beauty we can experience through a friend's eye, she turned the gavel over to a very competent Vice-President, Joan Martensen. Margene Lambrecht gave

the prayer. Judy Klein gave the financial report. Marge Dunnington, Chair of the Style Show and Card Party addressed the upcoming August fest. The highlight of the meeting was Christiane Curry and her troupe of artists. The verandah looked like the French Riviera or New Orleans. Watercolor artists dotted the landscape and the Club and surroundings were captured in time. What an exciting and

relaxing luncheon. Janet Holmes should be congratulated for a successful raffle this year. Please remember the August meeting and do remember we are all pencils in the hand of God.
