FROM THE BRIDGE ☆☆☆

December 1996 - Vol. 6 Issue 12

**Commodore Fred Wright**

By now you have the 1996-97 B.L.Y.C. Activities Calendar. Please keep the calendar handy for quick reference throughout the year for our Club's activities. The "Did You Know That -" for October 1997 was inadvertently omitted. Elsewhere in this Log is the article by Terry Kochensparger that was supposed to have been included. You can cut it out and scotch tape it in your calendar and then your calendar will be complete.

We have concluded two months of operation and I'm happy to tell all members that each Board member is working hard at their assigned tasks. Based on their enthusiasm and involvement, I do predict that this will be an outstanding year for the Club.

The holidays are upon us. Most of the leaves are down. We've had a few snows and the air is getting colder. Many of the Snowbirds have headed south, including the wingless type, and Ruth and I have our holiday dishes out and we have switched from cantaloupe to grapefruit with our breakfast. The Club will be decked out for the holidays along with poinsettias and maybe a few roses! Make your reservations for the four holiday events - the Adult Christmas Party on Saturday, December 7th, with the Mojo Men; the family Christmas Dinners on Wednesday, December 18th; the New Year's Eve Party on December 31st; and the Rose Bowl Game Party on Wednesday, January 1st, 1997.

The Family Christmas Dinners is a new event that was started last year. When I was a member of the University Club, these family Christmas dinners were held each night for a week and were extremely popular. I thought we would try it last year and it was very successful; hence, we are trying it again this year. These dinners are for your family, including your children and/or grandchildren, to have an opportunity to come to the Club and have a holiday dinner, complete with candlelight, tablecloths, music, and a live Santa Claus with a present for each child under 13. We also will sing Christmas carols. It is truly a festive holiday function for your family!

Starting January 2nd, the Club will be closed for two weeks. The January and February issues of the Log will be combined into a single issue and should be in your hands by the 15th of January.

May I wish you a Merry Christmas and a Happy New Year with the Buckeyes playing in the Rose Bowl - and winning (we hope)!

*Fred*

## Bar & Kitchen

Happy Holidays to everyone. The Club will be full of activities from now through the end of the year.

We hope all of you will have some time to spend with us at the Club.

The new menu should be in place by the time that you receive this Log. You will see some new items including some special diet items, such as low fat and low salt selections.

Have you ever considered stopping at the Club after church on Sunday for a dinner? The lines are short and the food is always good at the right price. Hans always has a couple of specials which John posts on the menu board in the coat room on Friday. If you want to check the menu by phone, feel free to make a phone call.

If you are not going to the Rose Bowl, plan to spend the game at the Club.

If you have any helpful suggestions for the Bar and Kitchen operation, let John Geiger or me know.

Governor  
Dick Manifold

## General Manager's Corner

John Geiger

I want to thank all of the OSU fans who have been attending our Saturday afternoon tailgates. Don't forget the bowl season and NFL Sundays. Looking for something to do on Sunday afternoons? Even if you are not a trap shooter, it is still fun to watch our members who are. They start at 1:00 p.m. on Sundays, weather permitting. Good shooting guys!

Our bar opens at 1:00 p.m. on Sunday for your convenience and pleasure.

We are in the process of revising our menu and hope to have it ready by the time you receive this Log. New "Healthy Choices" selections will be available, prepared with no added salt or fat. Also being added are "On the Lite Side" selections and a new deli sandwich.

On Sundays we are now serving "off the menu" breakfast from 9:00 a.m. until 11:30 a.m. Early birds from 9:00-10:00 will receive a 5% discount and complimentary coffee during the month of December. A copy of our Sunday breakfast menu is included in this Log.

Those of you who miss old-fashioned Sunday family dinners will appreciate our new Sunday specials to be offered in December. They should bring back fond memories. Join us on Sunday with your family.

Reservations! Please call for reservations on Wednesday and Friday for our regular opening dining. Saturday reservations are also appreciated. When making reservations for special events and parties, Please include the names of other members of your party, and if you would like to sit near or with someone else.

Reservations! Wednesday and Friday open dining reservation can be made on 15-minute intervals (e.g., 6:45, 7:00, 7:15, 7:30, 7:45 etc.). We are usually heavily booked for 7:00 and 7:30. Since many reservations are made by recorder,

we cannot always let you know of possible delays at 7:00 and 7:30 due to the number of requests for those times. If you normally choose 7:00 or 7:30, consider making reservations for 6:45, 7:15 or 7:45. Our capacity to serve you is not so much based upon the number of tables available, but rather, the number of orders that go to the kitchen at a particular time.

See You at the Club,

*John*

## Off Island Maintenance

Although the weather was rather inclement for work day on October 20th, we did have a successful day. As for Off-island, we installed the bubblers to protect the docks and changed out all of the lighting.

I believe that currently all of our outside lighting is functional, and the outside electrical outlets that were inoperative have been repaired. The hoist at Eastport sometimes malfunctioned, so we recently replaced all of the switches in the controls and lubricated the entire unit.

I have undertaken minor repairs to the Club parking lot and anticipate a decision on a more permanent solution in the near future. I will also be working on improvements for the houses and storage garages as the weather permits.

Again, I would appreciate any input the members might have regarding Off-island needs.

*Bill*

## Attention

If you would like to call the Club when someone is there to answer the phone, Cathy Hull is there from 10 a.m. to 2 p.m. on Monday, Wednesday and Friday.

## Rentals & Docks

The boating season appears to be over and boats are in storage.

To say the least, storage at the Eastport Facility was not uneventful.

I received a number of calls from members who found another boat or trailer in their assigned space.

Space rearrangement and reassignment was made where necessary.

An attempt is being made to contact all members on the Eastport Storage List and verify the assigned space number.

A current Boat Dock Waiting List will be posted at the Yacht Club.

## Entertainment

Thanks to Mike & Cathy

Johnson for hosting the OSU Band Party. It was one of the biggest in several years. Also, thanks to Norb & Jan Kaylor for their

Vice Commodore  
Frank H. Foster IV

help with decorating. Please note the Bowl Games Party on January 1, 1997. This is the first time we have done this in recent history (also the first time in recent history the Buckeyes have gone to the Rose Bowl). Commodore Wright has volunteered to host the Family Christmas dinners evening on Wednesday, December 18, 1996. There is a rumor that Santa will visit. Happy Holidays to everyone.

*John*

## Race, Regatta, & Jr. Sailing

The last few week-ends have

not been conducive to pull and store the remaining sailboats, but for the half dozen or so of us who like to sail up to the last day, it had to do. All club boats have been pulled and secured for the winter.

Governor  
Bill McIntyre

One change will be made this winter due to the suggestions of several members. The Laser's behind the Club will be placed under the Club for winter storage. There is plenty of room under the Club and there will be no additional charge. This will not only protect the boats from damage and the elements, it will enhance the entrance of our club through the winter/spring season.

The Ohio numbers are being run and owners of the non-active boats will be contacted. If you have any questions, concerns or prefer to move your own boat, please contact Howard Clark or me at 1-800-488- 6113 at extension 7100.

Have a great Thanksgiving!

*Bill*

## Editor's Desk

I have received some concerns regarding the timeliness of various members receiving their Logs. The problem seems to be affecting only the North Bank, Millersport and Buckeye Lake area members. In my checking with the Postal Service in Newark (where the Logs are originally mailed out), I was told the mail goes from Newark to Columbus and is then routed out to the various areas. I was further advised that bulk mail is considered a non-priority parcel. This means that bulk mail can be allowed to sit and is not mailed out with immediate urgency. I also spoke with Becky at the Buckeye Lake Postal Station. She said

Governor  
Wayne T. Lee

she would further check into this matter. As editor, I assure you that all Logs are mailed out the same day. Columbus residents seem to get their Logs as much as a week or more ahead of the Buckeye Lake Area residents. Obviously, once the Logs are in the postal system, I have no control over when they are delivered to you from your postal stations; however, note that I am concerned about your concerns. It was suggested to me that if you are having a problem receiving your Log that you contact your specific station. Hopefully, you can come to some resolution.

Remember, this is **your** information source. I am still interested in items of interest for publication in upcoming Logs. It's simple, just drop them in my box at the Club by the 15th of the month.

Did you know that...

There are five other canal lakes in Ohio identical to ours? They are:  
Grand Lake St. Marys (Mercer & Auglaize Counties) 13,500 acres.  
Lake Loramie (Shelby County) 1,655 acres.  
Portage Lakes (Summit County) 2,520 acres.  
Indian Lake (Logan County) 5,800 acres.  
Guilford Lake (Columbiana County) 3,961 acres.  
Buckeye Lake (Licking, Fairfield & Perry Counties) has 3,382 acres.  
They were all established between 1825 and 1860 to provide water for Ohio's nearly one thousand miles of operating canals. At the end of the canal era, all six lakes developed into a source for recreation and tourism and became surrounded by private residences.

## House & Grounds

**F**all Work Day would not have been the huge success it was without the tireless efforts of the following mates and first mates:

Governor  
Jack Holmes

Walt Grubb, Tim Maite, Dean Jarnac, Jean Donnelly, Sue Sherrard, Bill and Cheryle Quinn, Howard Clark, John and Mimi Geiger, Bill Schneider, Dick Doyle, Herb Caulder, Bob Snow, George Mackey, Commodore Fred and Ruth Wright, Mike Jacobs, Jim McBride, Frank Foster IV, Mike Johnson, Mike Schilling, Joe Schilling, Jim Schriener, John Sproat, Frank Foster III, Ilkka Aro, George Conrad, Brian Casto, Ted and Jane Hinterschied, Don Lemmon and Janet Holmes. Sorry about no group picture - we couldn't locate the camera in time. I certainly apologize if I missed anyone in the above list. It was a long day of hard work that was tendered greatly by super fellowship/outstanding camaraderie. Thanks for a real "Yeoman's Job" by everybody - the Club and Off-and-On-Island Grounds are in ship-shape. I would also like to thank the following mates who have volunteered to serve on the House and Grounds Committee: Bill Schneider, Bill Schmidt, Gary Phillips, Tom Flynn, John Watson and Jim Jennie. (the latter two on double duty on other committees).

As you know, we have had numerous problems with the sound system at the Club. Under the guidance of Wickham Audio, we have purchased a Shur Mike which seems to have solved the problems. We will be acquiring a second mike for meeting purposes and a mixer component for the system in the near future. We are reviewing plans to update the office and storage room on the second floor of the Club House, along with some very necessary electrical wiring in the bar area and the office.

As previously noted, I am serving as Governor of House and Grounds at the pleasure of the membership and therefore am open to your suggestions and welcome your comments. Here's wishing you Happy Harbors for the Holiday Season and Smooth Sailing throughout 1997.

## Ladies' Auxiliary

### Ladies' Auxiliary Christmas Party & Meeting

Tuesday, December 10th at 6 30 p.m.  
**T**he board invites you to attend a warm, fun-filled holiday evening where once again guests are most welcome. The meals have been wonderful and even though it appears that Hans is miraculous, he can't be expected to be prepared for an unknown number. Please call the club (929-9941) to make reservations. The menu for this evening is cranberry salad, beef medallions with béarnaise sauce, twice baked potatoes and grasshopper pie - oh, yum! Accolades to the Menu Planning Committee—Betty Eifinger, Judy Jarnac and Ann Oliver. For Wanetta Lee fans, you'll be pleased to know that she will be leading us in caroling, and surely we can look forward to some solos. To add to the fun, bring a \$5.00 gift for an exchange and please remember to bring canned goods for the Leads Company which disperses them to the needy during the holidays.

## Editor's Spotlight

By Governor Wayne T. Lee

Margene and Chris Lambrecht

A short story. Chris J. Lambrecht joined BLYC in 1922 as a Junior member and became a Senior member in 1924. He stated that in those days you had to prove yourself—be a member for 10 years, and either serve on, or as a chairman of a committee before you could become a Governor.

Chris took over as Commodore on September 25, 1938. Under his admin-

istration many duties were performed. The building committee that had existed for 33 years was dissolved, the Club was incorporated, and they produced facilities for the Club that were second to none. They set up a board of trustees and suggested formation of the Chamber of Commerce. He recalls a meeting held to oust a Communist. The club had little money; therefore, much of the work was done by the members. In a period of four months, they had eight dances as fund raisers. There were more sail and motor boats then than we have now. Chris calls to mind some of the events of that day, which were regular races, bang and go back races for motor boaters, and treasure hunts for both sail and motor boats. They also held Wednesday and Saturday evening moonlight events for sail boats. Five bowling teams represented the club in the ILYA and won 1st and 2nd place prizes. Other events included clam bakes, shore dinners and fish fry parties, and a stag frolic.

Chris' vivid memory recounts the European War and many of the members joining up. He too was sent overseas to duty in Africa, Sicily and the E.

"Steady As She Goes"

T. O. He shared that coming back from active duty he still loved and continued to work at the BLYC. Chris was honored this past July at our 90th Anniversary Gala Celebration as the member holding the longest membership, that being 72 years. To date, Chris remains a faithful, loyal, dedicated, constant, supporting and inspiring working member of our club. His lovely wife, Margene, is an active member of the Ladies Auxiliary and too has served over the years in various capacities.
