

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

July 1997 - Vol. 7 Issue 7

Commodore Fred Wright

YOUR RIGHT TO BE PROUD!

On June 2nd, Ruth and I had a party of 38 at the Yacht Club for a porch picnic. In the days following the picnic, we received thank you notes from several of our guests. One note said, "Thank you for inviting us to the Buckeye Lake Yacht Club. As a little girl, I always wanted to go there." Another note said, "What a nice place to entertain - and the food was excellent!" It alerted me to the fact that there are many people who would appreciate being invited to the Yacht Club. We do have a nice place to entertain, the food is great and the staff is pleasant and accommodating.

I would like to remind each member that the Club is there for **your** use. I know that you have friends, neighbors and family who would consider it a

great honor and privilege to be invited to the Club. Saturday evening dinners, Sunday brunches and afternoon and evening dinners are particularly nice, as there are very few people dining at those times. There are times when it might feel that you have your own private chef and waitress. We are having excellent numbers of diners on Wednesday and Friday nights, but Saturdays and Sundays are slim. I encourage you to make use of the Club facilities at all times.

The Danger Brothers concert was a huge success and there are two other concerts this summer which would be ideal for you to bring special guests. One is on Saturday, July 26th, which is The Crystal Ballroom Dinner Dance, featuring Rick Brunetto and his 15 piece "Big Band Sound" orchestra and vocalist. This will be an outstanding party for those who enjoy the music of the big band era. The other concert is the summer season finale with the Four Freshmen, to be held on Saturday, August 23rd. The Four Freshmen is an internationally-known group and we were fortunate to obtain them through

John Sproat's connections. This is probably a once-in-a-lifetime opportunity to have this group at our Club. They just happen to be in this vicinity playing another engagement, and they were able to work us into their schedule. We have already sold 200 tickets for this program, so it should be a sell-out. Order your tickets today so you won't be disappointed, as I am sure some will be. Because of this Four Freshmen concert, we have canceled the Greek Festival.

The sailing program is in full swing and all the other summer activities are going as planned. The dining room and bar are open seven days a week. The swimming pool is full of clear cool water on hot days and clear warm water on cold days (at least it's supposed to be). I hope that you can truly see that as a member of the Buckeye Lake Yacht Club, you *do* have a "**Right To Be Proud.**" Ruth and I are.

See you at the Club!

Race, Regatta, & Jr. Sailing

The 1997 Junior Sailing

Camp is underway and is a huge success. We have two full weeks, with a third continuing to grow. If anyone is still interested in the sailing camp, July 7-11 still has approximately seven openings. Please contact me at 1-800-488-6113, ext. 7100, for a registration sheet.

Congratulations to George and Matt Fisher, both of whom qualified and recently completed the World Lightning Championship in Montreal, Canada. George ended up 10th and Matt 15th out of a field of 58. Great job guys!

Speaking of racing, Junior Bay Week is coming up the week of July 20th. We currently have two racers entering. If anyone else is interested, please contact me at the number listed above, so that I can get you registered.

Upcoming Events

July 4	Long Distance Race
July 19	Don Hardy Classic
To be announced	Optimast Relay Race
	(Three person team
	Get your team together)
Labor Day	Long Distance Race
October 3-5	Snowball Regatta

The Sunday sailing has been slowly picking up. We encourage anyone with a sailboat to come out and join us. For those of you who come out on Fridays, Jim McBride wants to put together a tavern run. If interested, speak to Jim McBride or Frank Foster.

See you at the Lake!

Bar & Kitchen

Have we seen you at the Club for dinner or brunch lately? If not, you are missing out on Buckeye Lake's best kept secret. The food is always great and the prices are exceptional. Where else can you get a meal for under \$10.00 with tax and gratuity included?

For those of you not lucky enough to live on the lake, the Club porch makes a perfect place to sip an ice tea (Long Island, that is). If you enjoy a beautiful sunset, pick a later dining hour and enjoy a great sight from the dining room.

Please remember that reservations get priority for seating. The earlier the reservation is made the better the chance of getting your time of choice.

Bring a friend out and enjoy your Club. Check the Log for the Club hours.

Rentals & Docks

New signs are being attached to all guest docks.

In addition to the guest slips in front of the club, there are some slips behind the Club and along the side of Area 8 Pier.

Due to weather conditions, many members are later than usual in docking their boats in the water.

More and more boats appear each week and we look forward to seeing the docks full again.

Hope to see you on the docks and at the Club.

Off Island Maintenance

Well, it had to happen sometime and it appears that summer has finally arrived. I am still working on getting the two-story house at the entrance to the parking lot painted and should have all my bids in shortly. I also have bids coming for the roof repair on the storage garages.

After our recent repairs, the docks appear to be in relatively good condition; however, there are always additional repairs that could be made. I guess we can't do everything we would like to in one year, due to cost constraints.

Governor
Bill Quinn

Another concern I is access control to the club parking lot. I am currently attempting to locate a system that is not cost prohibitive.

The Board is also exploring changes to the docks at Eastport, which would perhaps expand the dock area along with improving security in the area.

I guess that is about all that is happening in the Off-Island maintenance area. Hope you all have a great summer.

Bill

Another delightful lunch has been planned—chef salad /tortilla shell' bread sticks and a pina colada torte! The cost will be \$8.00. Please remember to call the club for reservations (929-9941).

Our speaker this month will be our own Hilde Hildebrandt who will speak to us on finance and the expertise of investments. This is a subject you can never know enough about and seems to be ever changing.

The luncheons are a perfect time for bringing guests and also for staying after the meeting to play cards, especially now that we have our new card tables. Consider these enjoyable options as part of a fun-filled day.

Please contact Janet Holmes (928-2048) or Sue Sherrard (929-3681) for raffle tickets for the July 4th drawing of a Basket of Booze... always a favorite event!

Ladies' Auxiliary Update

The July meeting will once again be a luncheon and held on a Wednesday...
