

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

October 1997 - Vol. 7 Issue 10

Commodore Frank Foster IV

A huge thanks goes to Commodore Fred Wright from myself and all the members, for his service and dedication to the betterment of the BLYC. Over the past year the Board encountered several hurdles that Commodore Wright guided us over. Also a big thank you goes out to Hans, Cathy and Andrea for their successful efforts in the Bar & Kitchen over the past year and I'm certain their service to the membership will continue to be spectacular in the coming year.

This year's candidates for the BLYC Board of Governors were exceptional. These gentlemen would have all made fantastic members of the Board, but unfortunately we are only able to elect 8 of the eleven who ran. Those eight and their respective positions are as follows:

Tim Maite, Vice Commodore
Bar & Kitchen
Howard Clark, Rear Commodore
Entertainment
Jack Holmes, Governor
Membership
Wayne Lee, Governor
Log
Bill Quinn, Governor
House & Grounds
Nick Desantis, Governor
Race, Regatta & Jr Training
Mark Yerke, Governor
Rental Assignments
Jim Shriner, Governor
Off Island Maintenance

These gentlemen are extremely enthusiastic about the coming year. If you have any suggestions please don't hesitate to let the Board know. I can be reached at home at (614) 928-0458 or each Governor and Flag officer has a mailbox at the Club in which you can leave a note.

I expect the coming year to bring many possibilities. Some areas that I expect this Board to deal with are: some level of renovation of the upstairs of the club, siding on the 2 story rental house, renovation of the garages in the parking lot and possibly some dock expansion.

Coming events at the Club:

Fri. Sat, Sun, Oct. 3,4,5
Snowball Regatta
Saturday October 11, Oktoberfest
Sunday October 19, Workday
Saturday Nov. 1, Halloween Party
Please make reservations for these events at (614) 929- 9941.

As a final note in my first article I would like to give a special thank you to my parents. Their influence, help and support over the years have allowed me to become one of the youngest Commodores ever at the BLYC. I hope that I am able to live up to the standards that the past leaders of the Club have set.

Thank You

Off-Island Maintenance

Well, it is hard to

believe that a year has transpired and my term as Off-Island Maintenance Governor is over. The members

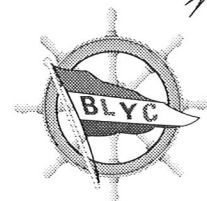

expressed several concerns at the Annual meeting such as: additional security lighting for the boat docks, additional dock repairs, and enhancing the appearance of the rear of the storage garages. Governor Jim Shriner will be ably addressing these concerns and others as he takes over Off-Island this coming year.

Governor
Bill Quinn

I would like to thank the membership for your confidence in re-electing me for another term. I will be assuming the duties of House and Grounds Governor this year and will appreciate your input and suggestions. I will again attempt to serve the Club to the best of my ability. I also want to thank Commodore Fred Wright for his assistance and support over the past year.

Bill

Log Editor

I wish to thank all of my friends and the membership at large for your vote of support in re-electing me to the BLYC Board of Governors. The confidence and trust you have placed in my ability will not go unrewarded. It gives me the push, drive and conviction to live up to my promise to do a good job. My assignment this year will again be Log Editor. With your help I will attempt to make the Log an even greater publication. I say with your help because I need and will look to you for articles and topics of interest to the club. Such articles may include sailing, power boating, club history, birthdays, memorials, promotions, sick and shut-ins, family interest and accomplishments.

I also would like to take this opportunity to publicly and personally thank Commodore Fred Wright and his lovely wife Ruth, for a job well done and an honorable-mention, remarkably great year. It truly was my pleasure to have served under his term of office. His genuine concern and unbiased favor contributed greatly to the success and smooth operation of the club. His respect for the board members' opinions and inclusion in decision making along with his overall tireless efforts, will always be esteemed.

At the porch party, the family turned over more than 700 of Wayne's Famous Flap Jacks. To my faithful and dedicated crew I give much love and thanks. Wanetta, the kids and my extended family had a lot of fun and hope everyone enjoyed both the flap jacks and the serenading of "Mister Lee". We are still recuperating from this adventure.

Governor
Wayne T. Lee

House & Grounds

Where did it go?

speed into the 97-98 Season. I want to thank everyone who helped make my year as Governor of House & Grounds an easy one and a success. To Ted, John and everyone else who gave their "TLC" to the "Grounds," ...to Andrea, Kathy, Hans & the entire staff for their untiring help in the "House" and especially in the "Pool". Special thanks to all of the fantastic work Day Helpers, last Fall and this Spring. And more recently my heartfelt thanks and appreciation to the porch workers and all my supporters on Election Day. I'm excited about my second year on board and my assigned duties as Governor of Membership. Remember I'm here at the pleasure of and to serve each & every member of the B. L. Y. C. Let me know how I can do that.
