

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

December 1997 - Vol. 7 Issue 12

Commodore Frank Foster IV

By now many members have had the opportunity to come to the Club since the hiring of Linda Goodman, our new manager. Congratulations to Linda and Vice Commodore Tim Maite for some very nice improvements at the Club. Keep up the good work!

Governor Jack Holmes has been hard at work with membership. We are well on our way to a banner year for new memberships at the Club. On that same note, I am pleased to announce that the BLYC made a major change at the November Board meeting. For the first time in the history of the Club, the Board approved the application of a woman. Actually, several women. I would like to welcome them and all of our new members.

Rear Commodore Howard Clark

has been working feverishly on an Entertainment/Activities schedule for the coming year. Howard (with the help of his wife, Rosa) will be bringing you great events this year, some of which I have listed below.

Coming events at the Club:

Saturday, December 6

Club Christmas Party

Sunday, December 14

Children's Christmas Party

Wednesday, December 31

New Years Eve Party

Thursday, January 1

Bowl Games Day Party

Friday, January 16

Ice Breaker Party

Please make reservations for these events at 614-929-9941.

There will be Trap Shooting every Sunday throughout the winter starting at 1:00 p.m.

The Ladies Auxiliary was generous enough to donate the three ceiling fans that are now installed in the Bar area of the Club. I would like to thank them for all their efforts in making the Club more enjoyable and inviting.

Governor Mark Yerke has been diligently preparing for next year's rental assignments. He hopes to have Eastport boat storage problems resolved and organized soon. Anyone with property in the boat storage facility, that cannot be identified by boat or trailer license or by identification tag, will be sold for scrap. Not really, but that is what we feel like doing. In some cases if we cannot identify these items we may be forced to lock them in until they are

identified properly. If your property at the storage yard does not have your name written on it somewhere, such as on the tongue of the trailer, then please do so as soon as possible.

You will be receiving your dues invoice for the coming year very soon. We would appreciate prompt payment of those invoices. Late payment of rental fees will not be taken lightly this year. We intend to make reassignments of unpaid rentals as soon as possible. The waiting list (especially for docks) is very long, so we would like to accommodate those on the list prior to the start of the boating season.

Governor Wayne Lee has been the Log editor for over a year now and has done some fine work. I'm certain that we can count on Wayne to continue doing a superior job of getting the log to you on time and filled with great information.

I would encourage any and all members to give me their feedback, suggestions, as well as criticisms about the direction the Board is taking or could take. I can be reached by leaving a note at the Club or at (614) 928-0458.

Remember: The Club will be closed January 17, 1998 through February 13, 1998.

Merry Christmas and Happy New Year to all.

Bar & Kitchen

I know it's hard to believe but another Holiday Season is upon us. Starting with Thanksgiving, the Club will be full of activities through the end of the year. We hope you will be able to join us at the Club.

Vice Commodore
Tim Maite

We have hired a sous chef to assist Hans on Wednesdays, Fridays and during special events, therefore, beginning in February our new dining hours on Wednesdays and Fridays will be 5:00 p.m. to 10:00 p.m.

To serve you as efficiently as possible, we would appreciate your making dinner reservations for Wednesday, Friday, and Saturday evenings, and to be seated at the time of your reservation. Thank you for your cooperation.

We have received many excellent comments from the membership since utilizing the Fireplace Room. Please take advantage of this room when dining or socializing. It makes for a very enjoyable evening.

I would like to compliment Linda and her staff on their new attire. The white shirts, black slacks, ties and name badges certainly add to the professionalism and improved appearance of the Club.

Just a Reminder: The club is open for breakfast on Sundays, beginning at 9:30 am. It's a good place to stop after church. The lines are short and the breakfast is excellent and at a good price. Please join us.

Something New: Each month we will be selecting one of our staff members for special recognition for outstanding work performed. At the end of the year one of these monthly winners will be given the "First Mate" of the year award and they will receive dinner for two and a special certificate of recog-

nition. If you would like to recognize one of the staff members, please let me know. Please see "First Mate" article.

The private party schedule will be heavy in December due to the Holiday Season. Please note that all the parties (with the exception of the Millersport and Buckeye Lake Fire Departments Civic Associations) are membership sponsored.

Please make note the Club will be closed from January 17th through February 13th, 1998. We will reopen with the Valentines Day Dance and Dinner Saturday, February 14th, 1998. Make your reservations early.

sees the dishwashers and keeps an eye on the whole club. Whenever a light bulb goes out ... Chuck is there to fix it, whenever something breaks...Chuck is there to fix it. All in all, Chuck is the fix-it man.

He will be turning 21 in December and hopefully will be working the pool bar this summer. To sum everything up in a few words, Chuck washes dishes, cleans, organizes, helps Hans prep and cook, stocks the bar, makes the fires in the fireplace, and fixes what's broken and for that matter, what's not broken.

Chuck we thank for your hard work and dedication. It is appreciated by the Board and the Members.

Ladies' Auxiliary

Secretary Betty Eifinger

The November 11th meeting of the Ladies Auxiliary had 40 plus members enjoying another of Han's and the staff's delicious dinners. A special thanks to our hostesses, Becky Thompson and Patty Diamond, for the festive fall decorations and door prizes. Wanda Stygler introduced guests, Fran Phillips and Sherry Sheeran. Off-Island Maintenance

Governor Jim Shriner

Our sails may not be full this time of year; however, some projects have been completed and others are progressing.

Work day was successful with the off-island projects. I want to thank John Geiger, who spent the day with me installing the bubblers at the docks around the Club House, Area Eight, and East Port.

We are purchasing two bucket bubblers and one post bubbler to replace some that are no longer functional. I have contacted Dave Levacy and he has ordered the new bubblers at his marina in Millersport.

I have been clearing the vines along the fence and the back of the garages by the bank. The back of the garages will be painted this spring.

I have received estimates and approval to trim the trees and remove all dead wood in them around the rental houses and the parking lot. This project should be completed by the end of December.

The pump house has been winterized, thanks to Mac Wood. New hoist straps will be ordered, The broken flood light at the entrance has been replaced after installing a new socket.

Other projects will include estimates for siding of the two-story house, roof repair, and replacement at the docks and garages.

Enjoy the winter activities at the Club and support your BLYC.

Jim Shriner

Rentals & Docks

Governor Mark Yerke

Hello, and welcome to winter. Many of you have taken your boats out of the water and put them into storage by now. Some of you rent spaces at the Eastport storage facility and I hope you have been able to successfully get your boats into your assigned spaces. I have spent a considerable amount of time at the storage facility trying to determine if the club has any vacancies. Several members have called requesting an assigned space.

Based on Club records, we do have several vacancies. However, there are trailers in some of these spaces. Several are unidentifiable because the license tags have been removed. I would like to ask that their owners remove these trailers. If the owners are members and would like to rent the space, please feel free to give me a call. If you are one of the owners of these trailers and are parked there because someone is in your assigned space, please call so I can get it straightened out. This situation sounds like a "can of worms", but with a little cooperation can be resolved. I do not want to resort to more severe action such as having the trailers removed.

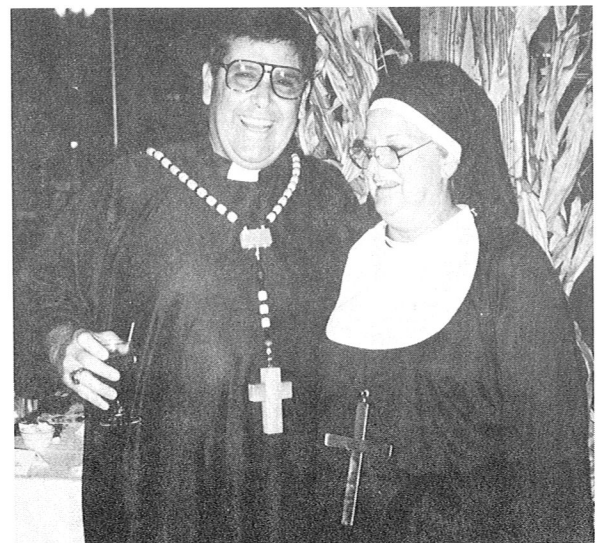

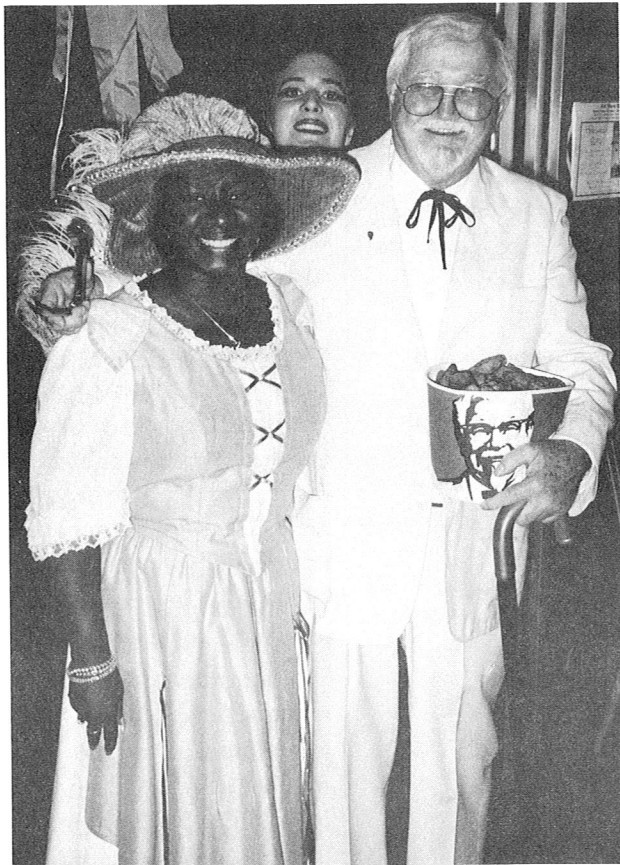

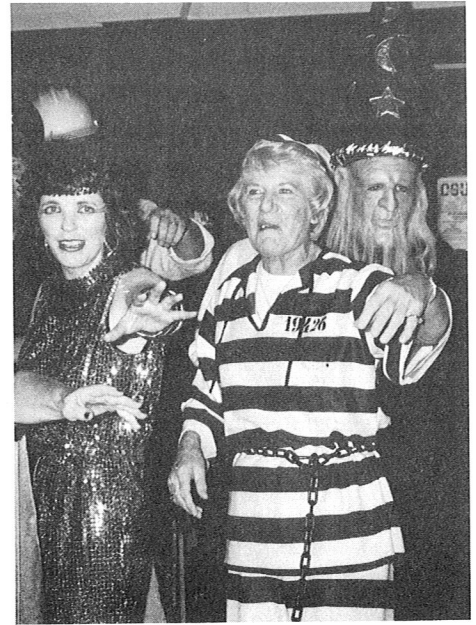

One of the ways to solve this problem from occurring in the future is to make each member's space easier to identify. Presently, each space is identified with a number. I am researching the feasibility of having a sign made for each space with each member's name on it. I would be happy to also entertain any of your suggestions and report back to you in the next log issue.

There are a couple of "truly" vacant spaces still available. If you would like to rent one, please give me a call. My number is (614) 221-6724 at work and (614) 457-9515 at home.

Have a happy holiday season,

Mark

Membership & Directory

We had a super turnout for the Rush Party on Saturday, November 8th. Five prospective members attended as guests. Application information has also been provided to four additional prospective members. Special thanks to Hans for his usual fantastic hors d'oeuvres and to Dean who adequately quenched our thirst. Those members who may be recommending and sponsoring individuals for membership should be aware that effective

Nov. 12, 1997, initiation fees were increased from \$1,200.00 to \$1,350.00, with annual dues increasing from \$490.00 to \$515.00. Those increases, coupled with the \$1.00 ILYA fee and sales tax, the new total membership cost will be \$1,977.90.

Race, Regatta, & Jr. Sailing

Governor Nick DeSantis

Dear fellow BLYC Members, sailing season is over, the cold winter winds do blow, just the time to think about next spring! The race committee has been named: Emil Klein, Tracy Davis, Bill McIntire, and myself. Any other volunteers would also be made welcome!

Walter Grubb, Jr., has agreed to be our Junior Sailing Instructor, and we are very lucky to have him. However, he

needs help. We need funds to keep up the quality of the program. There is a huge wish list, so we appeal for volunteers who have ideas for fund-raising activities as well as generous members who might like a sailboat named for them!! Junior sailors, as well as parents who want to be involved, please don't hesitate to contact me at my time.

Sunday racing is a fine tradition here at BLYC, but it requires a lot of work. We need some sailors who are willing to help set markers, keep times,

watch starts as well as fire cannons! Yes, we have rediscovered our cannon. It has been polished and shined and is ready to defend Watkins Island from all intruders!! So Sunday Sailors please help us help you!

In closing I wish you all a Happy Thanksgiving and hope to see you at the Club!
