

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

March 1998 - Vol. 8 Issues 3

Commodore Frank Foster IV

Well, my writers cramp has healed for the most part, so I am again able to produce an article. During the time the Club was closed, several things were accomplished. If you have been to the Club since we re-opened, you probably have noticed that the dining room trim and the salad bar were painted. Also the table legs were painted to give them a much improved appearance.

Something you may not know is that the Club office was remodeled. We owe a big debt of gratitude to Howard and Rosa Clark for their continued generosity of donating the carpet that was installed. The office has never looked better! Another big thank you to them.

The Club reopened with the best attended Valentines Ball that I can remember. We had a capacity house filled with "lovers," many who danced the evening away. The next big to-do will be the St. Patrick's Day party on March 14. Rumor has it that we may have a bagpiper at the Club during Green Beer hour that evening.

Please remember Easter Dinners at the Club on Easter Sunday, April 12th. This is one of the busiest days of the year for the Bar & Kitchen. Because it is so busy reservations are required, so make them soon as there will only be a limited number available throughout the day.

Gun Club will continue throughout March. For those who don't know what the gun club is all about, come out on a Sunday around 1:00 in the afternoon and see for yourself. Dan Knaul has been an avid shooter at the Gun Club this year and has done extremely well. I suspect he will probably be the Club Champion very soon. This is Dan's first year shooting at the BLYC but he has improved dramatically since he began in November.

Thanks to those who have paid their dues and rentals for the year. Those who have not paid will be receiving certified letters requesting payment. Unpaid dock fees will result in docks being reassigned in March. I have asked Governor Yerke (who has the very difficult task of assigning docks) to act as quickly as possible on this. Please pay your fees ASAP to avoid losing a dock or other Club privileges.

For the Club members who may not know, there are a great deal of things happening around the village of Buckeye Lake. One of the most exciting is the construction of a Museum dedicated to the history of the Lake area. The reason I bring this up is that several of our members have volunteered their time to this fine project. Commodore Fred Wright, Mac Wood, Gene Kenny, George Pugh and Chance Brockway have played an integral part in this project. Also, members John and Ann Wolfe and R. David Thomas have made generous donations to the museum.

One last thank you goes to Nick and Michele DeSantis for supplying the flowers that make our Club an even more enjoyable place to be.

Happy St. Patrick's Day

Bar & Kitchen

Welcome aboard everyone!! After being closed for a month, it's great to reopen and begin our Club activities again. We reopened with the Valentines dinner dance. It was an enjoyable evening and so good to see everyone again.

Vice Commodore
Tim Maite

While the Club was closed, some improvements were made in the dining area. The woodwork was repainted including the salad bar. New hardware was put on the cupboards and drawers and the table bases were refinished. The changes really improve the appearance of the Club. A special thank you goes to Don Lemmon for a job well done. Also, while we were closed, new blinds were installed in the fireplace and dining rooms. Thank you to the Ladies' Auxiliary. The blinds will be a big help in keeping the glare and sunlight out so we may enjoy the full beauty of the lake at all times of the day. I would like to give a special thank you to Linda, Andrea, Cathy, Drew and Chuck for being around while we were closed to assist with various chores that had to be done during the updating.

I would like to take this opportunity to congratulate Hans for being the second recipient of the "First Mate" award. Your hard work and dedication is appreciated. (*see First Mate Award article.*)

Now that the Club has reopened, I hope everyone will take advantage of our fine dining facilities and participate in our Club activities. The staff eagerly awaits a chance to serve you. Please remember to make reservations for dining to improve your service.

Special - Don't Forget To Make Reservations For Our Easter Sunday Dinner. *See Menu Inside.*

Rentals & Docks

Governor Mark Yerke

Greetings to all of you now that the Club is open again. It was good to see everyone at the Sweetheart Dinner/Dance on February 14th.

The winter has been mild and everyone is anticipating an early spring which goes hand in hand with an early boating season.

The Dues for the Club, Docks and Rentals were mailed out at the end of December and were due on February 1st. There are several members who have not yet paid. If you had a dock rental last year and do not wish to renew it for this year, please give me a call so I can accommodate other members on the waiting list. I can be reached at work (614) 221-6724 or at home (614) 457-9515 anytime.

I hope El Nino extends into the month of March!!!

Mark

Off-Island Maintenance

Governor Jim Shriner

Welcome back to a fun-filled season at the Buckeye Lake Yacht Club. It is time to raise the masts, attach the sails, fill the tanks, commission our vessels and enjoy the most natural habitat in the State of Ohio, according to the Ohio Department of Natural Resources—our very own Buckeye Lake.

The monthly report on Off-Island maintenance at the Buckeye Lake Yacht Club includes: the repair and replacement of two bubblers at the docks, new grading and gravel in the parking lot, replacement of light bulbs at all the docks, arrangements to reroof the covered docks, vinyl siding estimates for the two-story house, and new straps for the hoist at the Eastport storage area.

With the mild winter that we have had to date, I am certain that we are anxious to start the season. I look forward to seeing all of you at the Buckeye Lake Yacht Club.

J. Shriner

Membership & Directory

It looks like it will be a banner year for new members. Since September 23, membership applications have been approved or are currently being processed. I anticipate receipt of several more in March. A Rush Party is in the works for April. Keep that in mind and watch for a flyer with details.

I know everyone will agree that it sure is great to have the Club back in operation after a much-needed break. It sure was great to see all the smiling valentine lovers at the dance. The Club looked great, the food was outstanding, and the service fantastic.

Don't forget to pick up your Picture Directory on your next visit to the Club. Here's to smooth sailing till we see you again at the Club. Remember those members who, have been ill—Nancy Pugh, Sheila White, Joe Kerr, Bob Dunnington, and Bill Ours.

Please remember to give us a call or drop a note when you know of a member who is ill or a family who has suffered a loss.

Race, Regatta, & Jr. Sailing

Governor Nick DeSantis

Dear Fellow BLYC Members, It's time to think spring!! In this issue of the Log, you will find an application form for the Junior Sailing program. This is one of our most popular programs. It teaches sailing terminology, technique, and strategy. (Sounds like I need to sign up!!) At the same time, there is the opportunity to meet new friends. Juniors must be at least nine years of age sometime during 1998 registration. Each must bring his or her own life jacket, deck shoes, and swimsuit to camp.

The fee for children or grandchildren of members is \$85.00 for one sailor and \$75.00 for any additional sailors. The fee for children of non-members is \$110.00 per sailor. Lunch for the week is an additional \$25.00.

Please make checks payable to BLYC and mail to me at 4489 Loos Circle West, Columbus, Ohio, 43214. If any questions, please call me at 1-800 452-9110 or (614) 457-7889 or (740) 467-3195. We are limiting class size to 12 in order to maximize each participant's involvement.

To raise money for our juniors we are selling a wooden replica of the BLYC. Watch for it soon in the display case. It is similar to the ones made by Cat's Meow. It will make a great addition to anyone's collection and will certainly help a good cause.

Please call me at any time if you are interested in volunteering for Sunday sailing, junior sailing or to donate a new sailboat!!

Looking forward to a great season,

Nick

First Mate Award

Vice Commodore Tim Maite

It is my great pleasure to announce the First Mate Award winner for February/March—Hans Kamphow. What would we do without him? The German wonder man keeps us on our toes and great food on our tables. Hans has been the chef at the BLYC since October of 1992. He has never missed a day of work in that time which also means we have never missed a fabulous meal. His creativity and flair for the unusual keeps our taste buds yearning for more. Hans updates his menus periodically always meeting our needs. His latest Lite fare addresses the needs of many of us who need smaller portions of lower fat foods. Thank you, Hans, for taking care of us by providing some tasty alternative selections. We salute your thoughtfulness.

Hans and his lovely wife, Betty, reside at the lake and have made many close friends here at the Club. Congratulations, Hans. We love and appreciate all you do.

Tim

From The Manager's Desk

Linda Goodman

OK, I must admit this article was not written from my desk, but from the sunny shores of Daytona Beach while I'm enjoying my vacation.

Soon we will all be back to work in our new and shiny office, which we're very proud of. Our thanks to the Board and to Don Lemmon for a great job.

While on vacation, I was able to visit three yacht clubs in Florida and spent the afternoon with the manager of the Halifax River Yacht Club in Daytona Beach. It was interesting for me to see another operation and bring back some fresh ideas!

New things to notice at the Club—Thanks to the Ladies Auxiliary, new shades in the dining room - fresh paint and clean carpets in the dining room and, of course, our refurbished office. Special thanks to Andrea, Cathy and Drew for their help while we were closed.

Make your reservations for March 6, Steak and Wine night. We will have a representative from Bauer and Foss, our new wine supplier. He will be here all evening teaching us about our new wines.

Also, don't miss the St. Patrick's Day party on March 14. We have a great menu and some fine entertainment planned, as well as a special surprise.

If any of you need a date for a special function this summer, please call me or Andrea as soon as possible. We have a limited number of dates open.

'Til next month,

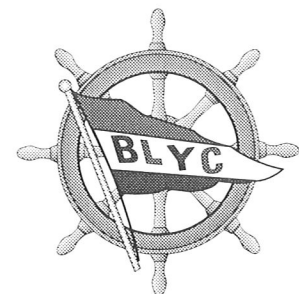

May your sails be full of wind.

Linda
