

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

**Commodore Frank Foster IV**

**Semi Annual Meeting May 3, 1998 2:00 p.m.**

Somehow we left this off the annual calendar of events. This is a meeting for all voting members of the Club. Please attend to find out the direction the Club is going or if you have any concerns.

The forecast is for 70 degrees by the weekend as I write this article. Spring is coming on strong, and with spring comes that wonderful holiday at the BLYC... **Spring Work Day**, Sunday, April 19th beginning at 9:00 a.m. This annual event brings out the camaraderie in all of us as we band together to spiff up our Club. Of course, following the "work," we will celebrate with the complimentary draft beer on the porch. If the weather holds we may even go for a boat ride.

The St. Patrick's Day Party was another in a string of huge successes for Rear Commodore, Howard Clark, as well as for Vice Commodore, Tim Maite. Together they can assure the Club of tremendous parties all year.

On April 12th, the Club will be open for Easter dinners but only for those who have made reservations. Please call in for reservations soon as this is one of the most popular days of the year at the Club.

On the 25th of April the BLYC Ladies Auxiliary will be hosting their annual fund-raiser. This year, back by popular demand, they will feature a Dinner Theater for all to enjoy. Please see the inside pages for details. Another big thank you to the Ladies Auxiliary for buying and installing the blinds in the dining room and the fireplace room. They look great and really hold down the glare, while at the same time they do not obstruct the beautiful view of the lake.

May will bring the Kentucky Derby Party on Saturday the 2nd. Please see the flyers and the inside pages for details on that and other events at the Club.

A note of **Thanks** to those who have paid their dues and rental fees in a timely fashion. For those who have not paid, please do so immediately so that we do not have to bring back the age-old tradition of "walking the plank." I am considering publishing a list of those unpaid members in the next Log so that we can be certain that everyone has received their statement correctly. Any member who has an outstanding bal-

ance on their Club charge is also asked to pay those as soon as possible.

I hope to see you at the Club

## Off-Island Maintenance

Spring is here and we are anticipating our semi-annual work day on Sunday, April 19, 1998, at 9:00 a.m.

**Governor Jim Shriner**

My wife, Jane, and member John and Sara Stephens had an opportunity to stay at Marathon Key for a week and the Marathon Yacht Club was very hospitable. I brought back a copy of their log. If you are interested in seeing it, contact me at the Club.

The trees in the parking lot and the rentals have been trimmed. The new hoist straps for Eastport should have arrived by publication of this log. I have installed new light bulbs at all locations in the dock areas. The bubblers will be removed on work day. The new roof on the covered docks has been completed. We are contracting for the lawn maintenance to begin April, 1998.

I look forward to seeing you at the Buckeye Lake Yacht Club.

## Bar & Kitchen

**W**ell, believe it or

not, Spring is here! Are you ready for it? We at the Club are, as Linda and her staff eagerly await to serve you. There will be plenty

going on during the spring season, so please check your calendars for upcoming events. (The 50's party, Easter Sunday dinner, spring work day etc...)

I would like to take this opportunity to congratulate Andrea Rogers for receiving this month's "First Mate Award." A special thanks to you for your outstanding work efforts and loyalty. (See First Mate Award article)

I would also like to welcome Brandi and Megan to our staff. (See Welcome Aboard Mates article).

The St. Patrick's dinner dance was a wonderful time. A "tip of the Irish hat" goes to Hans for a delicious menu served by Linda's Irish lads and lassies. Thanks for a wonderful evening.

**Reminder:** Please remember to make your reservations early for our Easter Sunday Dinner. This is always a busy time at the Club. See Easter menu page.

**Of Note:** We are getting together a cruise scheduled for Jan. 28, 1999. If you are interested in joining us, please contact me at 928-6116 or see Linda, Club manager.

## First Mate Award

Vice Commodore Tim Maite

**I** am very proud to announce that our choice for the First Mate Award for April is Andrea Rogers. I'm sure Andrea is not a stranger to any of you, as she has been with the Yacht Club for 5 years. Andrea currently serves as the bar manager and assistant manager. Over the past few years, she has put in a lot of long, dedicated hours to insure the happiness of the members of the BLYC.

Andrea always does what needs to be done to make dinners and all events something special for all of the members. She has the knack of making everyone feel welcome and special.

## From The Manager's Desk

Linda Goodman

**I**t's time for Blue Suede Shoes and Poodle Skirts! Just in case you haven't heard yet, "Happy Days" will be recreated at the BLYC on April 11th. Please make your reservations to join us for a lot of "50's" fun, live entertainment, great food, "Rock and Roll piano man," and last but not least, a "Fonzie" look-alike contest. So dust off your leather jackets, and grease your hair back and may the best "Fonz" win!

As you can see we are always planning something fun at the Yacht Club and this summer will be no exception. You can expect to see dinner and cocktails served outside on the front porch and the patio. What could be better than dinner at sunset on the patio? For those of you who have enjoyed the fire-side dining this winter, we are shifting our focus to the outside for your enjoyment this summer.

April will be a fun month at the Club. Be sure to check your calendars for the scheduled activities. Hope to see you all here.

"Many Easter Blessings to you and your families."

Linda

Home ownership is something new for Andrea, as she recently purchased a home on the lake near the Yacht Club. She resides there with her dogs, Daisy and Nina.

The ever energetic Andrea is always ready to jump in wherever needed. We know you share in our pleasure in recognizing Andrea as our First Mate for this month. From all of us a **big thank you**, Andrea.

*Jim*

## "Welcome Aboard Mates"

Vice Commodore Tim Maite

Brandi and Megan  
New Faces at the BLYC

Brandi Uhl is our new busser. Brandi joined us in February of this year and comes to us from the Tumbleweed Restaurant in Heath where she worked as a hostess. She will be working part time, and this summer you will see her smiling face around the pool bar. Brandi lives in Newark with her 14-month-old son, Kory, and will be attending OSU Newark branch this fall.

Megan Huey is our newest waitress. Megan resides in Zanesville with her husband and three daughters is currently working on her masters degree, and also works as a substitute teacher in the Zanesville school system. As you can see Megan is a very busy woman, but somehow she still finds time to enjoy her hobby of training and breeding horses. Please join us in making Megan and Brandi feel welcome at the Yacht Club. **Welcome Aboard, Mates!**

*Jim*

### Race, Regatta, & Jr. Sailing

Ahoy there fellow BLYC members.

Ah, 'tis spring and a young man's fancy, turns to... sailing on Buck-eye Lake !! So many things are happening, so little time to tell you about them. Those Harris's have some surprises about Lightning for juniors. Bill McIntyre and George Fisher have plans to tell us about all the changes in sailing for '99. Watch this space intently for more information on these facts in the near future.

The Easter Bunny is hopping by and right on his tail is Spring Work Day. This old Governor knows that a lot of volunteers will be here to get ev-

Governor Nick DeSantis

everything ready for our juniors as well as for Sunday sailing—or they won't be getting their Easter baskets this year!!! Just kidding, of course. All help will certainly be needed as well as appreciated.

If you haven't sent in your Junior Sailing Registration, hurry and do so. Remember, my address is 4489 Loos Circle West, Columbus, 43214. Make checks out to BLYC.

Again, I thank all who have been so helpful to me and all I can say, is, **Keep Up The Good Work!!** And anyone looking for a tax deduction, don't forget the junior sailing program in your charitable gift-giving plans, as well as your will, or any loose change or old sailboats etc.

Hoping to see you at the Club and on the lake soon.

## House & Grounds

Spring is finally upon us and we are all busy preparing for another great boating and activity season at Buckeye Lake and the

Governor  
Bill Quinn

Yacht Club. Soon I will be concerned with grass mowing and pool maintenance, along with keeping the clubhouse itself in shape for summer parties and events.

As you may recall from a recent log article, I asked Fred Wright to do a preliminary inspection of the front porch support structure to insure it would be safe for the large crowds that it accommodates with the summer parties and special events. Fred attempted to evaluate the structure utilizing current building standards, but could not give a positive conclusion due to unknowns such as the kind of lumber utilized, possible dry rot, etc. The bottom line is, we are going to hire a structural engineer to evaluate both the porch and the remainder of the clubhouse structure. Better safe than sorry, as they say.

Hopefully, you have seen the new window treatments installed in the dining and fireplace rooms recently, courtesy of the ladies auxiliary. Thanks again ladies.

As always, I appreciate your input and support.
