

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May 1998 - Vol. 8 Issue 5

Commodore Frank Foster IV

Please note on your calendar that the Springfest was moved to Friday, May 8th, not Saturday, May 9th.

April has brought a mix of weather but it appears as though the good stuff is here to stay. Please come to your Club and enjoy all the things it has to offer. Dining and beverages, swimming, boating, relaxing, socializing, partying, dancing, racing and so many other things.

May is a busy month around the Club. Spring Work Day has come and gone and the place looks better than ever. By the time you get this Log, the Kentucky Derby will also have come and gone. But don't fret, there are many more functions this month.

The Springfest is always a fantastic party. Hans shows us all his abilities that evening. Make reservations now for Mother's Day Dinners at the Club. Easter was nearly a sellout and Mother's Day promises to be even bigger.

The month finishes with the Memorial Day weekend. This brings the Annual Commodore's Ball. Rear Commodore Howard Clark has lined up the Mojo Men to play that evening. There is not a soul who doesn't love to dance to them. You will be receiving a special invitation from Vice Commodore Tim Maite for this event. Please RSVP as soon as possible. This is one of a few formal events at the Club and promises to be a very classy evening. The entire Memorial Day Weekend promises to be a great kick-off to the summer.

The tickets for the Danger Bros. on June 5th are on sale now as well as the Four Freshman show scheduled at the end of July. To assure the best seat, please buy them early. These tickets are to be paid by cash, check or credit card only. Sorry, no member charges for these events.

Last but not least, May brings the first sailboat races of the year. Racing at the BLYC has a long tradition. Sailboat racing declined for several years, but last year we saw a resurgence and I believe that this will carry through to this season. The first race is scheduled for Sunday, May 24th at 2:00 p.m. Any kind of sailboat is welcome and encouraged. Our racing is friendly and yet competitive. Don't be afraid to ask questions if you're not sure of the rules. All of us

who race are happy to help a fellow racer get started. I will personally buy a beer or a drink for anyone who starts and finishes the race that day whether there is one person or ten people on board. So, please join us at the starting line.

Bar & Kitchen

It's that time of year again!

And we are gearing up for mid-spring and summer activities. As Linda, our manager, stated in her last article "From the Managers Desk," we will be serving dinner and cocktails on the porch and the patio to allow us to enjoy the lake and our Club even more.

Because we anticipate an increase in member visits and to maintain our status as a private club, members dining with four or more guests will receive one bill only, in the member's name. Please remember, **reservations** are required to ensure prompt quality service. Those with reservations will be served first. Thank you for your cooperation.

A date to circle on your calendar is May 2, the Kentucky Derby Party. This should be a fun-filled afternoon and evening. There will be a buffet served at the party. There will be no open dining that evening.

**Vice Commodore
Tim Maite**

mates—

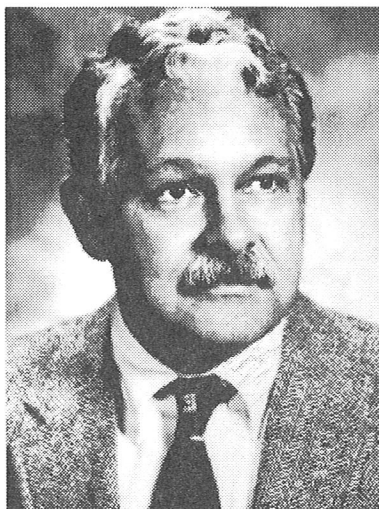

we're off and sailing toward a harbor of summer-time fun and fellowship on ole Buckeye Lake—

truly our "ocean oasis." The application of William E. Hoekstra for membership was presented at the April 9th meeting of the Board. Bill has been sponsored by member Ron Vanatta and duly seconded by member Dick Wolf. Memberships have been approved for the four applicants pictured here.

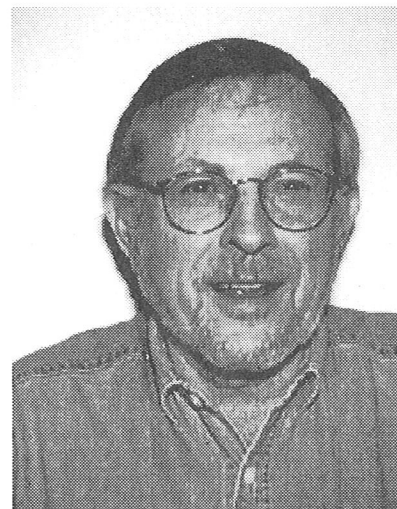

Please make yourself known to these new members and their spouses and "welcome" them aboard.

The picture directories are packaged up and will be off in the mail in the next few days.

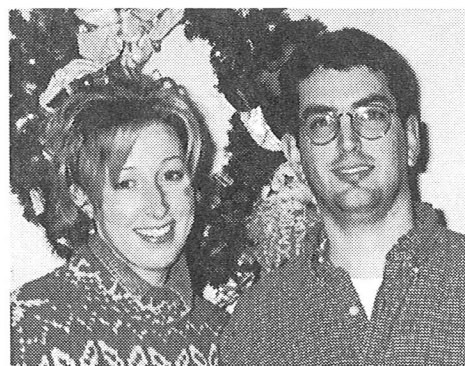

Keep those members in mind who are recovering from an illness or surgery and still may not be feeling quite up to snuff—John Blair, Joe Bowman, Mike Donnelly, Norb Kaylor, Betty Snow, Dick Harbold and Nancy Pugh. Here's to safe passage and smooth sailing to all until we meet again at the Club.

BLYC Captains To Boat Third Leg of Ohio River

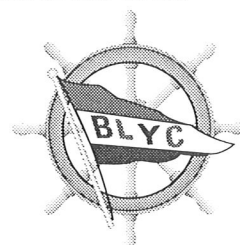

The 1998 Homer Tussing Memorial will complete the third of five legs of Ohio River boating which has attracted a growing number of BLYC captains and their crews each year. Stretching from mile marker 0 at the confluence of the Allegheny and Monongahela rivers in the shadow of Pittsburgh's Three Rivers Stadium to the Indiana state line west of Cincinnati. The 5 year undertaking is open to all BLYC members, whether as captain, crew or passenger.

This year's leg, scheduled for July 31st through August 2nd, will take the fleet from Toronto, Ohio to Marietta, Ohio and return—a distance of 226 miles—in 3 days. All boats will pass through a total of 6 locks. Crews will overnight in the historic Wells Inn in

Sistersville, WV; Saturday night dinner will be in Marietta's Levee House on the banks of the beautiful Ohio.

Crews who complete any three legs of the 5-year/5-leg journey will receive a handsome captain's cap which identifies the owner as a true river pilot.

If you even think you might be interested in making the trip, fill out the form that will be mailed to you and leave it with Linda or Andrea at the Club. Passengers will be assigned boats as space permits. For further information, call Jerry Boundy at 224-2115 or Ken Keller at 846-8761.

House & Grounds

The Ladies Auxiliary has agreed to purchase new fans for the clubhouse fireplace room. I would like to thank the auxiliary again for their support. I am certain that all the members appreciate the auxiliary's commitment to keeping our clubhouse up-dated.

I am currently chairing a committee formed to provide focus and direction for future improvements to the Club's physical facilities. We are attempting to create a master plan for improvements over the next few years. Once the committee develops recommendations we will be looking to the membership for input regarding the plan. I will keep you informed of our progress in this endeavor.

As always, I would like to thank those members who participated in Spring Work Day. As you know, there are a significant number of tasks accomplished on work day which saves the Club a considerable amount of money and helps keep our dues reasonable.

As befits the season, the grass maintenance and flower contracts have been let. Soon the swimming pool will be open, a sure sign summer has arrived. As I am sure is the case with all of us, I am looking forward to the great parties and good times at the Club this summer.

Bill

Race, Regatta, & Jr. Sailing

Dear fellow BLYC members:

The year is zooming along and summer will

be here before we know it. I have already received many application forms for Junior Sailing Camp. Don't let your favorite sailor be marooned ashore. Hurry and send me your enrollment forms if you haven't already. The price is \$85.00 for members and \$110.00 for non members as well as \$25.00 per week for lunches.

And to all you Sunday racers, don't forget to sign up now to help out each Sunday on a rotating basis—setting the course, placing the marks, guarding the beer supply, etc. It will be a fun as well as a learning experience for all of us!!

Governor Nick DeSantis

Call me for details at 800-452-9110 or 614-457-7889 or 740-467-3195, or sit me down at the Club. It's surprising what I'll talk about over a piña colada! You may even be entrusted with the sacred cannon.

Thanks to all who helped on Spring clean up day, (you know who you are). I guarantee you that every Governor appreciates your volunteer efforts to keep BLYC the "world class" organization it is.

Keep your eye on the display case, as the long awaited BLYC replica should be arriving any day now. You won't dare miss the chance to purchase such a fine objet d'art as well as help out the junior sailing program. Besides, the Governor De Santis Memorial needs spit and polished!

Looking forward to a great and busy summer.

Nick
