

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

Commodore Frank Foster IV

This is my second to last Log article. It is amazing how quickly the year has gone for me. What is even more amazing is the fantastic job the Board members have done this year.

I have just returned from Put-in-Bay where the Board had its July meeting at the Crew's Nest, thanks to BLYC Commodore Gus Schell who is a member there as well. For the past several years, Gus has been gracious enough to host a luncheon for the Board. Thanks again, Gus.

Even more important than the Board meeting at Put-in-Bay were the efforts of Justin and Seth Evans. Although I left prior to the final results, their endeavors made us proud to have them represent the BLYC. If you see

Justin or Seth at the Club, please thank them for their achievements.

Another big thanks goes out to Governor Nick DeSantis and Michele for their job of organizing the dinner at the Put-in-Bay Yacht Club to honor Justin and Seth. They managed to route the bad weather around us for that part of the evening. We weren't as lucky for the balance of the evening when we enjoyed the night life at "the Bay." The rain, however, didn't dampen the spirits of the party representative of the BLYC.

August is another full month at the Club. The activities continue all year, but August is extra busy. We start the month off with the 'Tween the Trees Cruise. The Luau on August 8th is a great party. Hula skirts are worn by some of the most unsuspecting people. You will have to show up to understand this. The Antique Wooden Boat Re-

gatta on the weekend of August 21, 22 and 23 is always quite impressive. The quality and quantity of entries has increased every year. The owners have a lot invested in these boats and enjoy showing them off. Sunday afternoon, August 23rd, is the annual Bob Dye Poker Run. For those who don't know what this is, it is similar to a scavenger hunt. Each entry travels to a location on the lake and receives a playing card. At the end of the established time period, each person shows what kind of poker hand they have and the winning hands receive prizes.

Make plans now to come to the Club for the Labor Day Weekend.

I look forward to seeing you at the Club.

Antique & Classic Wooden Boat Regatta

August 21, 22 & 23
Buckeye Lake Yacht Club

The Regatta will be judged by nationally recognized ACBS judges and will offer 42 awards in 18 categories. The awards presentation will be on Saturday night at 8:00 p.m.

The Buckeye Lake Yacht Club is proud to host the Regatta with Saturday afternoon and evening entertainment. The Yacht Club will feature an outside

luncheon grill from 11:00 a.m. to 5:00 p.m. followed by a barbecue at 7:00 p.m. (reservations will be required for the barbecue). The pool and poolside bar will be open for your enjoyment. A limited luncheon menu will be available in our dining room from 11:00 a.m. to 2:00 p.m.

In addition to the Yacht Club centered activities, the Regatta includes a cruise to Heron Bay from 3:30 p.m. to 5:00 p.m. on Saturday. The Heron Bay Development will provide ice cream and soft drinks to all cruisers.

So come and enjoy a weekend of beautiful boats, great food, cruising and entertainment.

The first annual B.L.Y.C. houseboat race held July 5th was a notable event. The fun, competitiveness and the camaraderie were wonderful. The race began at 1:00 p.m. from the B.L.Y.C. docks. The boats raced along the North Bank to Smitty's and back. The water guns were spraying and the water balloons were flying as the boats were embarked. Eddie Levinson and his boat, the esteemed "Miss Viagra," jumped out to an early lead but evidently his motor must have "stiffened up" because he did not finish and we haven't seen him since. Mike Lindahl stayed the course and his boat, "Chasing Legends," became a legend by coming in first, with the "Buckeye Queen," skippered by Chuck Bortz coming in second, followed by "The Rose," with John Watson at the helm. "Miss Goodwrench," piloted by Frank Foster IV finished IVth (that's fourth). Frank and his crew were so happy to finish at all, they kept chant-

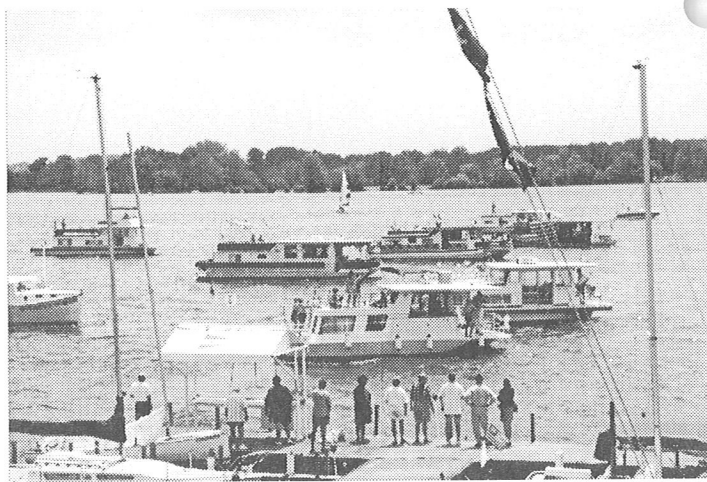

ing “we’re not the worst!!!” Mike Kelly was asked before the race began, that since he would finish last would he mind picking up the bouy? A big thank you to Mike and his crew for picking up the bouy.

The Final Standings were:

- | | |
|-----------------|-----------------|
| 1. Mike Lindahl | Chasing Legends |
| 2. Chuck Bortz | Buckeye Queen |
| 3. John Watson | The Rose |
| 4. Frank Foster | Miss Goodwrench |
| 5. Tom Lewis | Plum Crazy |
| 6. A J Campbell | Sandpiper |
| 7. Ed Levison | Miss Viagra |

A special thank you goes to Jim McBride for all his efforts in making this a fun-filled event, and we are looking forward to next year's race.

From The Manager's Desk

Linda Goodman

It has been an extremely busy summer and I have missed the last couple of Logs, but I wanted to take the time out to let you know we still have a lot of summer left and August looks to be another great month. Make sure to get your Hawaiian shirts and grass skirts out of the closet. Our Annual Luau is August 8, and for all of you who love the great old nostalgia of the lake, make sure you mark your calendars for August 21, 22, and 23 for the Antique Wooden Boat Show. Thanks to John Sproat for all of his organizational work on this event.

Also, I'm planning a new event for Labor Day Weekend—Sunday, September 6, will be a day of great fun and mischief as we celebrate BLYC's First Annual Pirate Race. All pontoons are encouraged to enter and any other type of boat that would like to be pirates for the day. A scavengers hunt on the lake will be part of the fun—call me for details or watch for posters around the Club.

Sadly, I would like to take this opportunity to thank Andrea Rogers for all of her help in the last 10 months since I came on board as Manager. Andrea, we will all miss you a great deal and wish you the best of luck in the future, but you know how "alumni" are, they tend to resurface occasionally.

Also, a big thanks to Cathy Hull for all of her help while Andrea was off with her "limbo" knee.

One last note on events in July for those of you that missed our "Race Party" Power Boat Weekend—what great entertainment you missed. Thanks to our friends at "Heron Bay" for bringing in some of the best jazz we've heard in years!

'Till next month—reminder we're in search of "Pirates" for the Labor Day Weekend!

Race, Regatta, & Jr. Sailing

Dear Fellow BLYC Members,

It has been a busy summer at BLYC. Junior sailing camp was well attended by over 35 young, eager sailors. Walter Grubb, Jr., Justin Evans and Suzanne Jones did an excellent job in instruction. Just to watch the progress the sailors made from beginners to almost experts was awesome. Again, thanks to the Club staff, Walter Grubb, Sr., and several inspirational parents and grandparents for all their help.

Sunday Sailing has been a great success. The July 4th weekend had to be the highlight of the season so far. The Long Distance Race was fiercely contested. The 5th of July brought no relief from competition as a new attraction was added—houseboat racing! So much fun was had by all that this may become a yearly occurrence! The 5th also saw a very heavily competed sailing race with two separate classes of boats included. One former Commodore said he had not seen that many sailing boats on the lake in over 20 years. Good job to Emil Klein and Bill McIntyre for re-inspiring the racing spirit here. Again, not enough thanks can be given to Danny Knaul, Emil Klein and Walter Grubb, Sr., for all their help on the racing committee. Next month I'll give you a status on who has been winning all these races—so watch this space, sailors, for your names!!

Thanks to all who attended "Racing by George" night. George Fisher did a remarkable job explaining the rules. We thank him for his time and efforts with this as well as at the racing clinic he held for us on July 25. Big heartfelt thanks, **George**. As I write this I have just returned from Put-In-Bay for the ILYC Junior Bay Regatta. Our sailors, Justin

and Seth Evans, represented the Club very well. We should all be proud to know these two showed the true colors and spirit of BLYC "Up-North" on the big lake. Everyone I talked to remarked on how well behaved, great sports, excellent sailors etc. they were! It makes one especially happy to hear this from strangers from other yacht clubs from around the country. **Job Well Done, Men!**

Our Junior awards banquet was held on July 30. A great time was had by all. Good food, good times !!

Sunday sailing will continue as per the calendar the rest of the season. Labor Day weekend will be especially busy, and don't forget the premier event of the season—**The Snowball Regatta** will be held the first weekend in October. Mark your calendars—come to the races during the days and to the parties with our sailors in the evenings. Special events are planned by our great entertainment guy, Rear Commodore Clark. So save summer strength for October. See you at the Club.

Rentals & Docks

I hope every one is having a great summer. The weather certainly has been ideal for the summer boating season, I have two concerns to report this month regarding the Club dock rentals.

1) Unfortunately, several members have experienced vandalism to their boats while parked at the Club. There has not been any serious damage; however, valuables have been stolen from within the boats. These occurrences have taken place on Area 8 (the long pier extending from the Sayre Brothers store) during late June and early July. Members need to be aware of this problem and secure their boats when parked at the Club. A combination lock has been installed on the entrance gate to Area 8 and chain link fencing will be erected to make the pier more secure. Members may contact the Club Manager, me or any of the other Governors for the combination. The local police

Governor Mark Yerke

authorities have been contacted regarding this problem.

2) The BLYC Antique Wooden Boat Show is scheduled for August 21st, 22nd, and 23rd. Commodore John Sproat and his committee have been busy planning for this event for the last 12 months. They are anticipating that 40 show boats will be participating. This will be an exciting event and they are preparing for a large turnout of members and guests. The Club will need the use of the docks located in front of the Club for the show participants. Those members have all been personally contacted. However, we do need dock space for those members whose docks are being used for the show and do not have anyplace else to park.

If there are any members who will not be using their Club dock rentals (regardless of the location) during the show, please call me at (614) 221-6724 ext. 20 as soon as possible.

I hope everyone is able to attend the Boat Show as well as the other Club functions scheduled for August.
