

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

October 1998 - Vol. 8 Issue 10

Commodore Tim Maite

I would like to take this opportunity on behalf of the board, the membership and myself to thank Commodore Frank Foster IV for an outstanding year. His service, dedication and leadership will always be remembered and appreciated.

I would also like to thank Linda Goodman, our Club Manager, Cathy, Hans, and the staff for their efforts and accomplishments over the past year. I am looking forward to working with all of them in the upcoming year.

Once again, we had an outstanding slate of candidates for the BLYC Board of Governors. If I could have, I would have created positions for all of them, but unfortunately that was not possible.

We are a fortunate Club to have so many interested members who are so eager to help.

The new Board of Governors is as follows:

Vice Commodore Howard Clark
Bar and Kitchen

Rear Commodore Nick Desantis
Entertainment

Governor Bill Quinn
Log

Governor Mark Yerke
House and Grounds

Governor Jim Shriner
Rentals and Docks

Governor Wayne T. Lee
Off Island Maintenance

Governor Jim Thompson
Membership

Governor Steve Harris
Race, Regatta, Jr. Sailing.

All the Board members are knowledgeable, dependable, and eager to begin their assignments. I am looking forward to working with the Board to continue the tradition of the BLYC in making this the best yacht club possible.

Three of the major projects we will be considering this year are building renovations, improving the parking facilities and improving the docks. All three are major projects and we will be asking for your input. If you have ideas or suggestions, I can be reached through the Club or call 928-6116, or contact the appropriate Governor.

Coming Events

House & Grounds

The 1998 fiscal year has ended and I will be assuming the duties of Log Governor for the next year. 1998 was an arduous year but I feel a productive one for House and Grounds. With a facility the size and age of our clubhouse, one might expect that there will be constant problem areas in need of attention and that, in fact, is the case.

Aside from just dealing with the routine maintenance, I believe that the facility was improved over the past year with a number of significant changes including the installation of the smoke eater in the bar area, new fans in the bar and fireplace rooms, and relocated fans in the dining room. The front porch was recarpeted, new umbrellas were purchased for the pool bar and outdoor tables, and the clubhouse basement was rewired.

We also hired a consulting engineer to examine the clubhouse structure and determine its safety. I am happy to report that the structure appears to be in relatively good condition considering the age and environment. The engineer did recommend some structural changes which we will be implementing in the near future, along with our remodeling of the clubhouse.

In addition to the engineer, we contracted with a surveying firm to do a complete survey of the island and adjacent offisland area. This survey will assist with future changes to the clubhouse and parking areas.

More routine but significant maintenance was undertaken in painting the exterior of the second floor and cupola of the clubhouse, pointing the west clubhouse chimney, and repairing the erosion of the soil under the sidewalk

Governor
Bill Quinn

on the west side of the pool.

I thank the Ladies' Auxiliary for their financial contributions for the ceiling fans and porch carpeting, the Rueckels for their assistance in the carpet project, and the boards, staff, and membership for the assistance they provided. And of special note is the performance of Ted Hinterschied in dealing with the daily maintenance of the island flowers and grass.

Bill

Entertainment

We had outstanding entertainment at the Buckeye Lake Yacht Club this past year.

Events featuring the Four Freshmen; Danger Bros.; Bill Antoniak Band; Paul Clark Band; Chuz Alfred Band; The Majestics; Jack Fox Band; Johnny Garber Mobile Music DJ; Skyline Combo; Mo-Jo Men; Steve Hudson - DJ; Ken Kohler, Guitarist; Don Beck and Tim Dittoe - Guitarists, along with others.

Membership appeared to enjoy the poolside/porch and patio entertainment, which was new this year. The intent was to offer something for members on Sunday afternoon that would attract them to our Club, instead of other Buckeye Lake establishments.

It has been a great pleasure and an honor to have served on this board, working with an outstanding group of Board Members, and especially Vice Commodore Tim Maite and Commodore Frank Foster IV.

Thank you for your confidence and support and I look forward to devoting my interest working for the Buckeye Lake Yacht Club membership and doing my part in helping this great Club continue to grow.

Howard

Rear Commodore
Howard F. Clark

Off-Island Maintenance

Welcome aboard for another year at the BLYC. There is one month of great fall weather to enjoy on Buckeye lake.

Governor Jim Shriner

I want to share with you my annual report to the membership.

The parking lot had new gravel spread, a rope fence installed, and the trees, trimmed.

The two-story rental has new siding, the ranch house has a new kitchen floor and dishwasher installed, and the small building received new paint.

The vines were removed from the 10 garages and the fence lines at Area 8 storage were sprayed,

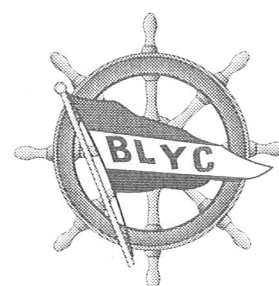

The covered docks have a new roof and the metal posts around the Club docks were painted. New security lights were installed at the covered docks.

Area 8 gate entrance has a new look for security reasons and, as always, the weekly replacement of light bulbs is a necessity.

Of course, each October the 11 bubblers are installed to protect the docks, In April, they are removed for the boating season.

Work day is scheduled for October 18, 1998, from 9:00 a.m. to 1:00 p.m. Please help to keep our BLYC the great place that it is. Hope to see you at the Club.

J. Shriner

Race, Regatta, & Jr. Sailing

Dear Fellow B.L.Y.C. Members, by the time you read this, the 1998 Snowball Regatta will be history. I hope you were able to attend and enjoy all the festivities. If not, I hope you will make plans for next year. It is the premier event for our Club and one should never miss it!

At this time, I would like to thank all those who helped me this year. A special thanks goes out to my fellow Governors, as well as the flag officers who all worked so diligently to keep this Club "ship shape." It was my pleasure and honor to work with them. I must also thank Walter Grubb, Jr. and Sr., Danny Knaul, Steve Harris, Terry Knaul, Tracy Davis, Emil Klein, Bill McIntyre, George Fisher, Suzanne Jones, and Justin Evans for all their help and hard work.

A special mention must go out to Dave Levacy for all his donations of time and labor to keep our pontoon working. If you see him at Millersport Marina, please thank him on behalf of all the members. I would be remiss if I didn't also thank Zenna Sayre for all her help through the year. She is certainly a treasure and I'm sure Bud is looking down with pride at all she continues to do for the Club. God bless them all!

A more personal note—thank you to Don Harris for taking me out sailing. It certainly was fitting that the sailing Governor should get some experience. And thanks to George Fisher. I will certainly take you up on your offer. Linda and Hans and all the staff, thanks for all your help. It is appreciated!

Perhaps, even more personally, thank you to my wife, Michelle. She has been there all year for me and the whole Club knows I couldn't have done it without her!

See you at the club,

Nick

Governor
Nick DeSantis

Rentals & Docks

It has been a pleasure to serve you as Docks and Rentals Governor for the last twelve months. I have enjoyed serving under the leadership of Commodore Frank Foster, IV and this past year's fine Board of Governors and Trustees. It has been a terrific learning experience to understand how the Board and the Trustees work together to make the Club a better place for the members.

My assignment has been to make sure the club rentals were fully rented - similar to the duties of a property manager. Many of the new members may not realize the extent of the Club's rental facilities, so I'd like to share them with you. In addition to the 100 docks, the Club has 63 storage spaces in the Eastport boat yard, 9 garages, 6 rooms on the second floor of the Club, and 2 houses. These facilities are 98% rented and there is a lengthy waiting list for both the open and covered docks.

I have tried to make rental assignments as fair as possible when docks have become available. I have also tried to be as responsive as possible when other boaters may have unknowingly parked in someone else's dock.

I would like to take this opportunity to congratulate Commodore John Sproat on an excellent Wooden Boat show. It would not have been possible if not for the generosity of those Club members who gave up their docks for that weekend. Also many thanks to Zenna Sayre for the use of her facilities during the show.

One of the biggest accomplishments this past year was to organize the Eastport boat yard. Members have found the facility easier to use since the addition of name signs on each member's storage space.

Governor Mark Yerke

There have been fewer instances of non-renters just leaving boats and trailers in vacant spaces. This has resulted in more available rental spaces and thus more revenue for the Club.

There are still some storage spaces available in the Eastport boat yard. If you are in need of a place to store your boat for the winter, please feel free to give me a call.

Mark

Editor's Notes

I hope all enjoyed the Porch Breakfast on election day. Once again I thank Wanetta and my family for their unselfish and untiring hard work on the "flapjack

team." Although I wasn't on the ballot this year, we wanted to keep up the tradition. Besides, many had asked if we would be doing flapjacks. We were fearful that if we didn't I would be censored or impeached. Further, this was my way of showing my appreciation for your past support. Well, enough of that!! Let me greet you all to another year at the yacht Club. By the time you get this article, I will be well into my new assignment as Governor of Off Island Maintenance. I am anxious to dig in and get busy. I know that succeeding Governor Jim Shriner in this position will cause me to stay on my toes. Job Well Done, Jim!! There is much to do. I am already in the process of developing a plan of action for this year. Will keep you informed of our progress.

Governor
Wayne T. Lee

Wayne

Membership & Directory

Governor Jim Thompson

It's been a banner year for membership, thanks to the major efforts of Jack Holmes and the cooperation of the Board, staff and membership.

The total number of new members approved for the year was 45 and the total number of members of the Club stands at 493, which we believe is an all-time high.

The new members approved at the September 13, 1998, Board meeting were:

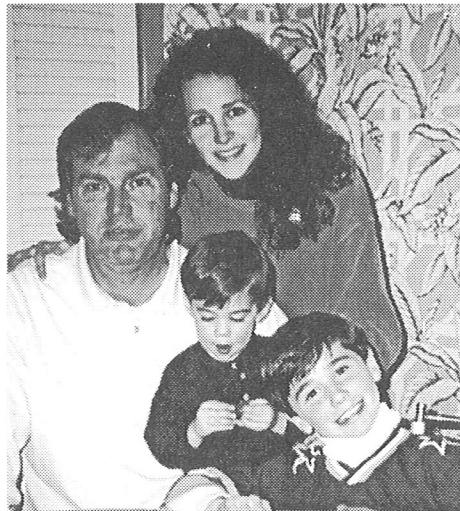

Lee Ross and first mate, Rhoda

Alvin Brown and first mate, Patricia

Bill Clapper and first mate, Carole

Rick Reinhorn and first mate, Robyn

Paul Mingyar and first mate,
Mary Margaret

First readings were held for:

Julius Greenstein
Julius Floyd
Erwin C. Babbert
Bill Parker
Mike Kelly
Hersch Atkinson

Ladies' Auxiliary

Secretary Jane Kenney

Babette Joseph listed the many contributions the Auxiliary has made to the Club during the year. She thanked the committee chairmen and her 1997-8 officers.

\$200 was approved for the hors d'oeuvres at the Snowball Regatta. Michele DeSantis encouraged everyone to attend the Saturday night Regatta dinner-dance.

Upon motion by Mickey Schneider, seconded by Michele DeSantis, the

revised by-laws were approved.

Judy Bair thanked President Joseph for her work this year and presented her a gift from the members.

1998-9 officers elected were Jan Kaylor, President; Pat Shade, Vice-President; Tracy Davis, Treasurer; and Jane Kenney, Secretary.

Treasurer's report showing current balance of \$15,717.91 was presented and filed for audit.

Membership raffle raised \$2,000. Winner was Tully Rogers.

\$10 dues should now be sent to Tracy Davis at her home or the Club.

Meetings will continue to be held the second Thursday each month, except January and February. October 8 meeting will be mainly social ...cards, fellowship, etc. and a few remarks by the Commodore, Cocktails 6:30, Dinner 7:00 and reservations should be made at the Club. Menu will be Grilled Chicken Tenders, Pasta with Pesto Sauce, Italian Salad and Dessert.
