

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

November 1998 - Vol. 8 Issue 11

Commodore Tim Maite

Well, after one month as Commodore, I would like to thank all the members I have had the opportunity to meet and talk to, for their encouragement and support. The new board has gotten off to a running start, and it is obvious their goals will be accomplished. I would like to compliment Governor Steve Harris and Rear Commodore Nick DeSantis, for their outstanding job they did on the Snowball Regatta.

Also, a special thanks goes to Emil Klein, Peg Beeson, Bill McIntyre, and Tracey Davis, for their efforts on the Snowball Regatta. The Snowball Regatta consisted of 26 boats from Leather Lips Yacht Club, Hoover Yacht Club, and Pymatuning Yacht Club. Please refer to Steve Harris' article for more details.

On October 17th, we had our annual work day at the Buckeye Lake Yacht Club. About 45 people participated in helping us to get ready for the fall and winter months. My compliments go to our House and Grounds Governor, Mark Yerke, for a job well done. More information on this event will be in the next Log.

Once again, I encourage your ideas and suggestions to make this a better Club. I can be reached at the Club or at (740) 928-6116. Don't forget these upcoming events:

- Saturday Nov. 14th - O.S.U. Party
 - Saturday Nov. 21st. - O.S.U. - Michigan Tailgate party
 - Sunday Nov. 22nd - Thanksgiving Dinner
 - Sunday Dec. 13th - Children's Christmas Party
 - Saturday Dec. 19th. - Adult Christmas Party
 - Thursday Dec. 31st. - New Years Eve. Party
- See You At The Club !!!

Ladies' Auxiliary

Secretary Jane Kenney

Minutes of the previous meeting were approved as amended.

Treasurer Tracey Davis reported dues received from 42 members.

Proposal was presented by President Jan Kaylor to change the fireplace to gas. Following discussion, motion made by Pat Shade, seconded by Judy Bair that it remain wood-burning, Motion carried.

Terry Gatton accepted the appointment as Membership Chairman. Discussion was held regarding invitations to wives of new members to join Auxiliary, and more involvement by Governors' wives.

It was agreed to "adopt a family" at Christmas rather than an exchange. Pat Shade will check with Leads, see where the need lies and report at the next meeting.

Hans and Charles were thanked for an excellent dinner, and members adjourned for card games.

Next meeting Nov. 12 will include musical entertainment and a sing-along. Menu, Turkey Breast with Dressing, Baked Sweet Potato, Vegetable Medley, Cole Slaw, Pumpkin Pie. Please phone the Club as early as possible with your reservation.

Jane

House & Grounds

I would like to take this opportunity, to thank all of you for your support in the recent BLYC board election. The election process is a great tradition in this Club and I consider it an honor to participate.

I look forward to serving you as the House and Grounds Governor. Next month I will report on the results of Fall Work day.

Governor Mark Yerke

Bar & Kitchen

With great enthusiasm, I look forward to the upcoming year and working with our Club Manager, Linda Goodman, Hans, Cathy, Jenny and the Staff in the

Vice Commodore
Howard F. Clark

Bar and Kitchen operation. It is our goal to do the very best job possible in serving food and beverage to the membership. **We Are A Team And Our Goal Is A Satisfied And Proud Membership**

To most efficiently seat and serve you, it is very important that you make reservations with your preferred seating time when you plan to dine at the Club on Wednesday, Friday, Saturday and Sunday.

The Oktoberfest was a great success with approximately 210 in attendance. Hans was very instrumental in presenting an outstanding buffet. Also a special thanks to Cathy, Jenny, Darla, Charles and the Staff.

All that attended know this was a very special Oktoberfest to Rosa and me as it was on the day of our 45th Wedding Anniversary. We wish to express our appreciation to all that shared this event with us and in making it a very special evening.

I have appointed a committee of Mike Diamond, Bill Linde and Don Best who will periodically meet and discuss the Bar and Kitchen status.

Please feel free to discuss with me any suggestions you may have or complaints you encounter connected with the Bar and Kitchen during the next year.

I look forward to seeing you at the Club.

Howard

Rentals & Docks

Welcome to late fall,

November, and our skies are more gray than sunny at Central Ohio's jewel, Buckeye Lake.

By now the masts are down and the engines have been winterized, except for a few waiting till the middle of this month when they start lowering the lake level.

I want to thank all of those who helped me through the election, and I look forward to serving on the board again to help make our Club the great organization that it has become.

Special thanks to my wife Jane, son Wes and his wife Jennifer, daughter Sarah and her husband Eric Kennedy, members Bruce and Sue Ryan who did my printing, and members John and Sarah Stephens. They all helped on Election Day. Also, a thank you to John Sproat "96" Commodore who was my sponsor.

As of this printing, the Eastport storage area is fully rented. Contact me if you are interested about storage, as there is a form to complete to be placed on the waiting list.

Thanks to Mac Wood for helping winterize the pump again at Eastport.

Also, there is a waiting list for docks and you must complete a form for a dock assignment.

Enjoy the winter activities at the Club and I look forward to seeing you at the BLYC.

From The Manager's Desk

Linda Goodman

My first year at BLYC is now under my belt and I look forward to the coming year. I would like to thank Commodore Frank Foster for his help during my first tour of duty. Also, a big thanks to the Board of Governors, 1999 Commodore Tim Maite, and most of all the staff at BLYC who are always willing to go the extra effort and smile and work through some really busy times!

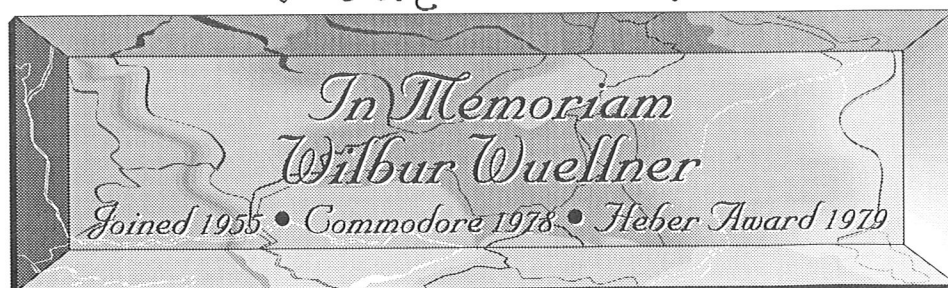

Looking forward to the coming year we are planning some New Member Parties, as well as serving you all better, and in a more timely manner. One of the new parties this year is our "Ice Breaker Party," scheduled for April 10, 1999. You all will be spending an evening aboard the "Titanic". We will be recreating the movie right here at BLYC so you have plenty of time, Ladies, to get your best gowns ready and who will be our Leonardo DeCaprio? Maybe the Club pontoon could be sacrificed as our "Titanic"! Stay tuned for more details as we get closer to Springtime.

In the month of November, don't forget the OSU vs. Michigan Party, November 21st at high noon. GO BUCKS! Make your reservations early for what is sure to be a **great party**. Tailgate party on the front porch starting at 11:00, Bloody Marys and lots of good food including a "Chili Bar." Come hungry, thirsty, and ready to cheer the Buckeyes on to victory. We now have three TV's for your viewing pleasure!

Also, on November 22nd, we will be serving our Family Thanksgiving Dinners from 11:00 - 6:00. This is a very nice way to enjoy a nice dinner with your family without all the work at home. Reservations are required.

One last note on the great staff that will be attending your needs this fall and winter season. Bar manager: Jenny Smith, office manager: Cathy Hull, wait staff: Drew Snyder, Debbie Smith, and Haley Bowles, bussers: Cassidy Ford and Brandi Uhl, and bartender: Darla Moody are all familiar faces to you by now. Take time to get to know them. I'm sure you will all agree these are truly nice people! P. S. We are all a countdown for Drew to become a Daddy any day now. He and Vicky should be proud parents!

Wishing you and your families a very "Happy Thanksgiving."

Entertainment

Dear fellow B.L.Y.C. members, another year has begun, and no one is more pleased and surprised than I, to be your new Rear Commodore. I must give thanks to my fellow board members for their confidence and support. I assure them that I will continue to work to deserve it in the future

Rear Commodore
Nick DeSantis

I also know that it will be difficult to fill Vice Commodore Clark's shoes as Entertainment Governor. However, I will give it my best shot. Already, with his guidance, we have enjoyed two very successful events, the Snowball "Ball" and Oktoberfest!! Thanks to Howard, the Jack Fox Band bailed us out when our DJ was in intensive care, and Bill Antoniak added much Gemultschkeit to Hans' German Feast!!

The Halloween party was a Shrieker and if you missed it, make sure you're there next year!!

Make your reservations early for our November events. Our own John Sproat is DJing the OSU party. Come show your colors on November 14 as OSU hammers the Hawkeyes!! Enjoy one of Hans and Charles great buffet feasts and be prepared for some spirited surprise guests !!

We will be having piano music on Nov. 6 and 20, so come early and stay late, singing or dancing along with the musical stylings of Norm Tyack.

Thanksgiving dinner will be prepared on Nov. 22. Make your reservations early as space is limited and fills up quickly.

There are exciting new events planned as well as new twists in some old ones. Watch this space in future months and make early reservations as many of these events will sell out. Looking forward to a fun-filled year here at B.L.Y.C.

Don't forget the "Beat Michigan" Tailgate Party on Nov. 21.

Race, Regatta, & Jr. Sailing

Governor Steve Harris

By the time you receive this log, the weather has certainly turned cool and everybody's lamenting that another season for sailing has come to an end. First, I would like to thank Nick DeSantis for the fabulous job that he did as the Governor for Race, Regatta, and Junior Sailing this past year. It's great to follow such a successful year! Nick's going to be a tough act to follow and I wish him the best of luck with Entertainment in the coming year.

My first few weeks as Governor have been extremely busy as we close out the 1998 sailing season at BLYC. The last Sunday race for 1998, held on September 27, was well attended and brought us some of the best wind of the season. After the race, a storm blew in and tore the windsock to shreds. Sue Harris worked miracles for us and made a new one for the Club in time for the Snowball Regatta. The Annual Snowball Regatta, October 3rd & 4th, was again a huge success. Twenty-six boats competed in three classes. It was great to see all of those sails on our lake! The wind on Saturday was near perfect for the regatta. Unfortunately, the wind brought with it a lot of cold rain but everyone stuck it out and had a great day of racing. The competition was tight in all classes. At the end of Saturday, there was a three-way tie for second place in the Lightning Class and the top three Cruising boats were all within two points of each other. Many sailors said that it has been some time since the Cruising class was so competitive at the Club. Saturday evening, many of the sailors, along with family and friends, enjoyed a buffet dinner and entertainment at the Club. On Sunday, everyone was ready to push their hardest to make the most of the races and we had two great races. Many place changes took place and the trophies were up for grabs until the last gun. The final results were:

Lightning Class:

- 1st Place - George Fisher, Buckeye Lake Yacht Club
- 2nd Place - Kurt Andrews, Leatherlips Yacht Club

3rd Place - John Werley, Pymatunig Yacht Club

Interlake Class:

- 1st Place - Scott Savage, Leatherlips Yacht Club
- 2nd Place - Jeff Clark, Hoover Yacht Club
- 3rd Place - Tom Eisert, Hoover Yacht Club

Cruising Class:

- 1st Place - Russ Green, Buckeye Lake Yacht Club
- 2nd Place - Bill Reynolds, Buckeye Lake Yacht Club
- 3rd Place - Frank Foster IV, Buckeye Lake Yacht Club

Commodore Tim Maite and Rear Commodore Nick DeSantis presented the awards for the Snowball Regatta; along with plaques for the 1st Annual BLYC "Geezers on Lasers" race held on September 13. Don Harris, Stone Parker, and Bob Snow, Sr. were awarded 1st, 2nd, and 3rd place, respectively. Congratulations to all the winners and everyone who participated and made this event a huge success! Special thanks to Nick and Michelle DeSantis, Co-Chairmen Emil Klein and Bill McIntyre, Peg Beeson, Tracy Davis, George Fisher, Dan Knaul, and anyone else I may have forgotten to mention for all the work they did to make this event successful. Bill McIntyre and Dan Knaul have agreed to serve as co-chairmen for the 1999 Snowball Regatta. I know that they will do a fabulous job!

I am looking forward to another great year of sailing at BLYC. Warm weather will be back before we know it. We're working on some great ideas for sailing at the Club in the coming year and I would appreciate your input and suggestions on how we can continue to improve sailing at our Club. Feel free to give me a call at (740) 928-1763 or catch me at the club.

See you at the Club.
