

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

December 1998 - Vol. 8 Issue 12

Commodore Tim Maite

As December is upon us and another year is rapidly coming to a close, I hope all of you will make good use of your Club facilities. Vice Commodore Howard Clark and our Club Manager, Linda Goodman, continue to make the Club a warm and welcoming place to meet with your friends. So please plan to enjoy the cozy fireplace room and fine dining during this holiday season.

Governor Jim Thompson continues to be hard at work with membership and it appears we are once again headed for a banner year. You will be receiving your dues invoice very soon and due to the continued overall increase of our operating expenses, there will be a small \$20.00 per year increase.

Rear Commodore Nick DeSantis is planning a wonderful year of exciting events and entertainment. If the Halloween Party and the OSU Party are any indication of the events to come we have a lot to look forward to. Both events were very well attended, entertainment was exciting and both were very well organized so the members could relax and enjoy. Please mark your calendars for the following events:

Sunday Dec. 13
Children's Christmas Party
Saturday Dec. 19
Adult Christmas Party
Thursday Dec. 31
New Years Eve Party
Saturday Jan. 16
Ice Breaker Party

Please be sure to make your reservations for these events at 929-9941.

Governor Jim Shriner is preparing next year's dock rental assignments and you will be receiving a rental invoice for the coming year very soon. The waiting list is very long (especially for docks) and we would like to accommodate those on the list prior to the start of the boating season. Your speedy cooperation is much appreciated.

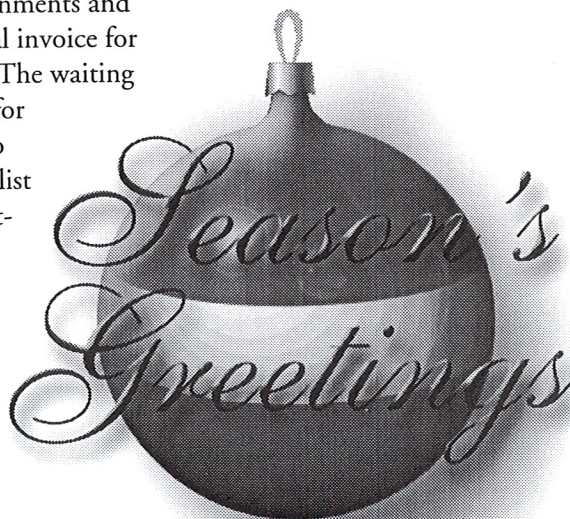

I continue to encourage your ideas and suggestions for improvements at our Club. I can be reached at the club or at 928-6116. If you have a concern regarding the staff or service

please contact the Club Manager and/or a member of the Board for assistance and /or problem resolution. Creating a scene in front of other members and guests resolves nothing and only makes those around you feel uncomfortable and interferes with their enjoying the relaxation and camaraderie they seek in coming to the Club. Please respect your fellow members and their guests.

I would like to take this opportunity to wish all of you a Very Happy Holiday Season. And I am looking forward to sharing the spirit of this wonderful season with all of you at our planned holiday events.

See you at the club.

Jim

Bar & Kitchen

The Club has a full schedule of activities during the Holiday Season extending through the end of the year. We hope you are able to join us at the Club for many of these activities.

Vice Commodore
Howard F. Clark

To serve you efficiently, we would appreciate your reservations with your preferred seating time for Wednesday, Friday, Saturday and Sunday. It is difficult for our Staff to honor your request expeditiously when the dining facility is full with member reservations and members without reservations arrive and find a waiting period. Thank you so much for your cooperation.

We plan to continue utilizing the Fireplace Room as much as possible during the winter. This room has been well received by the membership for dining and socializing. It makes for a most enjoyable evening, especially with the fireplace burning, the crackle and smell of wood, and the wonderful friendship.

Don't forget that the Club is open for breakfast on Sunday 9:30 a.m. to 11:30 a.m. The lunch and dinner hours are 11:30 a.m. to 7:00 p.m. We would appreciate your considering stopping off at the Club for a meal after Church.

The private party schedule is heavier in December due to the Holiday Season. Please note, however, with the exception of the Buckeye Lake and Millersport Fire Departments and the Buckeye Lake Chamber of Commerce, all parties are membership sponsored.

The Club will be closed January 25 through February 9, 1999. We will reopen Wednesday, February 10. Make your reservations early for the reopening.

Rosa joins me in wishing all of you Best Wishes for a very happy and special Holiday Season.

Howard

Entertainment

Dear fellow B.L.Y.C. Members,

It's time for the holidays and Ole Rear Commodore Nick has some really special treats in store for all you little boys and girls, whether you're naughty or nice!!! On December 4th, we have Norm Tyack's styling on the piano, and on the 11th we have Tony Monaco doing the best Sinatra since Ol' Blue Eyes left us. So make sure you mark your calendars.

Rear Commodore
Nick DeSantis

On the 13th, the really good little kids have a special treat, our Children's Christmas party is being planned by the Ladies' Auxiliary, with special help from Santa Claus himself. Entertainment by a magician, servings of cookies and punch, all good little boys and girls should be there. It starts at 1:30 p.m. Don't be late, you might miss Rudolph!

Then on December 19, all the big girls and boys better be at the Club for their Christmas party. We have a special holiday menu with cocktails and hors d'oeuvres at 6:30 p.m. and dinner at 7:30 p.m. Our chefs are serving Waldorf Salad, Cornish Game Hens with Oriental Shrimp, Twice Baked Potatoes, Vegetable, Rolls and Butter, all for \$15.00 per person. This includes the music of Jack Gorham's Band, so be ready to party!

Of course, New Year's Eve is always special. But this year, the Jack Fox Band will be here to ring in the new while we kick out the old!! Cocktails and hors d'oeuvres start at 6-30 p.m., Prime Rib Dinner at 7:30 p.m. with Caesar Salad,

Baked Potato, Coffee, Tea, Rolls and Butter, and Dessert. Then after midnight toasts, the breakfast buffet is served. This is all for the lower than last year's price of 45.00 per person. Be there and make noise, dance 'til you drop and otherwise have a great time!

Now it's time for Thank Yous to Jan and Norb Kaylor for all their work on the Buckeye parties, to Marie Doneff, Becky & Jim Thompson, Mark Renker And Patty and Mike Diamond for band research, to the staff for all their good work, and of course, to Michelle for everything she does!!

If you haven't been up to the new pool room yet, give it a try. You might have a skill that you didn't know you had!

Lest I forget, January will continue to provide us with post holiday opportunities to celebrate! On January 8, we have a Jazz and Steak night planned, with music of "Inside Out," plus a steak and seafood menu that will get your motor running! Then on Jan. 16, our first "Canals of Venice" night, we have an Italian menu and special Italian entertainment all based on the old Buckeye Lake Amusement Park "Tunnel Of Love Ride", in the Canals of Venice. Since our flag officers are of Italian ancestry (don't forget Howard Clarkaroni) we thought this was especially appropriate. So, as I say, mark your calendars and be there. They will be evenings to remember!

Also, special thanks to Trevor Gamble who had the door handle replaced on the sliding glass door between the bar and dining room.

I have now formed a House and Grounds Committee. Those members on the committee are as follows: Ted Hinterschied, Don Lemmon, Dan Knaul, John Geiger, Norb Kaylor, Jan Kaylor and Linda Goodman, our Club manager. I am grateful to these mem-

Race, Regatta, & Jr. Sailing

First of all, I would like to wish

everyone a happy holiday season and a good 1999. The arrival of winter

can seem quite depressing for sailors, but I have discovered that we have a great activity at the Club to temporarily replace our need to sail—GunClub! Gun Club has started and is going very well. Come on out to the Club on Sundays at 1:00 p.m. and shoot. It's a very good time.

Governor Steve Harris

As you all know, the 1999 boating season will be upon us soon. As you prepare to fix up the boat and get ready, one thing to consider is boating safety. Many insurance companies request that boat owners take a boating safety course. While "surfing the net" recently, I stumbled across a web site that offers an on-line boaters safety course that our members may be interested in. The address is <http://boatsafe.com>. The course is easy to complete on-line, is US Coast Guard approved, and may save you some money on boat insurance. They also have a great section for kids wanting to learn more about boating and boat safety.

Have a good holiday season.

Steve

Ladies' Auxiliary

Secretary Jane Kenney

President Jan Kaylor called the November 12 meeting to order and following the reading of the minutes and report by the Treasurer she introduced Tim Maite. Commodore Maite discussed future Club plans and, upon request, read a short "wish list" from the Board.

It was decided the Auxiliary project from the "wish list" would be new fireplace room furniture. Committee appointed: Connie Rueckel, Patty Diamond and Judy Bair.

Pat Shade reported on her contact with Leads, and their suggestions for Christmas giving. Upon motion by Pat Shade, seconded by Judy Jarnac it was decided for members and anyone else who wished to participate to bring toys gift wrapped and marked whether for girl or boy, approximate age and what the package contained. If you cannot attend the Christmas dinner and wish to donate a gift, please bring it to the Club by December 13 and it will be sent on to Leads. Those attending the dinner, please bring your gift on December 10. No gift exchange among members.

Christmas party (no meeting) will be Thursday, December 10, 6:15 p.m. The Auxiliary will provide wine and hors d'oeuvres and Norm Tyack will be at the piano. Reservations a must and please phone your reservations in **early**! Menu: Sliced Beef Tenderloin w/Mushroom Sauce, Twice Baked Potato, Mixed Green Salad with Raspberry Dressing and Pumpkin Cake Roll.

The Ladies' Auxiliary will not meet in January or February.
