

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 1999 - Vol. 9 Issues 5

**Commodore Tim Maite**

It's that time of year again!! And we are gearing up for mid-spring and summer activities. By the time you receive this log, Spring Work Day, the Kentucky Derby, the Springenfest and the Semi-Annual meeting will have come and gone. "What's left?", you may ask. Well plenty. We have the Mother's Day Dinner and the Annual Commodore's Ball featuring the Mojo Men. You will be receiving your special invitation from Vice-Commodore Howard Clark very soon. Please make your reservations as soon as possible. This promises to be a first class event and it will be good to see all the Commodores at the Club again.

We will be starting off the Memorial Day weekend with a Beatlemania Party sponsored by Ed Levison and

Stuart Brooks. Be ready to relive the 60's with the Beatles again. It promises to be a fun-filled evening.

But most of all, the month of May brings back the sport of sailboat racing. As we all know, racing at the B.L.Y.C. has had a resurgence in popularity over the past several years. I'm sure, under the guidance and leadership of Governor Harris, this renewed interest will continue. Please note in your activities calendar the dates and times for sailboat racing. Good luck to all the sailors and have a fun and safe sailing season.

Before I end this article, I would be remiss if I did not extend a thank you to Linda and her staff for a fantastic evening on the "Titanic." A great job well appreciated. Hans and Charles surpassed themselves on the menu for the evening. It was wonderful. Also, I would like to thank Nick and Michelle DeSantis and Dwight Joseph for all their creative efforts. They were greatly appreciated. But most of all I would like to thank you, the members, that attended this event. Each and everyone of you came to cruise and party on the Titanic and that we did!!!!

See you at the Club,

## The Auxiliary

Secretary Jane Kenney

Minutes of the previous meeting were approved and treasurer's report accepted and filed for audit.

Various fund raisers, including the Basket of Booze raffle, were discussed.

Pat Shade reported the August Style Show will be presented jointly by The Acorn from Lane Avenue Shopping Center and the Harbor Hills Pro Shop.

Ann Oliver is still seeking information regarding additional lounge chairs for the pool area, and will report in May.

Judy Jarnac and Ann Oliver agreed to be hostesses for the June 10 Pool Party. Linda Goodman asked where we would like lunch served, and it was decided to have it on the porch.

Judy Klein announced the Harbor Hills card party will be May 20.

Sue Sherrard asks that anyone not receiving a phone call reminding them of meetings who would like to be added to the list, please call her at 929-3681.

The date for the July meeting as previously announced is July 15. This is one week later than usual, but is the only time arrangements could be worked out in Columbus.

Next meeting will be May 13, with Michelle DeSantis providing the program. Menu: Beef Stir Fry/Rice, Fresh Vegetables, Cottage Cheese and Peach Salad, Vanilla Ice Cream with Chocolate Sauce. Please phone the Club for reservations.

## Entertainment

**D**ear fellow BLYC members, before I begin to talk about the upcoming events, I need to thank some people who have done some extraordinary things to help me.

Rear Commodore  
Nick DeSantis

Patty and Mike Diamond have graciously donated two new brass vases for the Club mantle. Becky and Jim Thompson and Danny Knaul and Terry Gatton have inspired me with entertainment ideas. Jim and Jane Shriner and Wayne and Wanetta Lee have helped to make many of our events special. Thanks so much for your help and generosity!! Of course, I would be remiss if I would forget to thank Tim and Martha Maite and Joe and Babette Joseph for their help with the Titanic Party; also, Jack and Janet Holmes for their special artistic donation!! Our members are so great, they just keep on doing and doing. Wait till I get to upcoming events. There are even more people to thank.

Now to the events of the merry month of May. Actually, I can't believe it is May already. That darn calendar moves too quick!! We have the Kentucky Derby Party May 1. Bill Linde, God bless him, has planned a wonderful Run for the Roses Party!! Be there, risk it all or just party. You'll love it!! May 9 is Mother's Day. Make your reservations early for Dinner!! May 22 is the Commodore's Ball. The MoJo men will be entertaining, so plan to come early and stay late!!

Talking about coming early and staying late. Thanks to Eddie Levinson and Stuart Brooks we have added a special evening May 28. They have arranged for Beatle Mania. We have a tribute to the Beatles, performed by John, Paul, George and Ringo—or do they just look like them? Well they sure sound like them. Be here and be your own judge!! Like I said, our members just keep doing and doing!!

That's about it for now, but save some strength for the rest of the summer. We have Arnett Howard on June 5, Rick Brunetto in July and whole lot of poolside Sundays in between. Party is

not a dirty word at BLYC. So come on in, the water's fine!!

See you at the BLYC,

*Nick*

## Rentals & Docks

**W**elcome back to all

those members, spouses and friends who were away for the winter. By now everything is as green as it's going to get and we get to mow grass every four or five days.

Jane and I had a wonderful vacation during spring break at Bradenton Beach on Anna Marie Island in Florida. Great weather and great fishing. The island was the longtime residence of former baseball player and former manager of the Cleveland Indians, Birdie Tebbetts who just passed away on March 24, 1999 at age 86. He was National League Manager of the Year in 1957, and was a catcher during his major league career.

By now you have probably noticed the new docks and the repaired docks around the Yacht Club. C.M. Construction did a great job again. The project in the works now is the replacement of the gate at area 8 and a new lock system for that gate. Also, there will be a slight difference in the set up of the stage; however, it will be located in the same area. At Eastport, the dock for loading and unloading boats has been repaired.

Hopefully your vessels' sailing and power have been commissioned for the season. Thanks to all who helped on Work Day. Thanks to all who made the Titanic Party such a wonderful experience. The ladies' hats were outstanding as well as all of the dress from the Titanic era.

I hope everyone had a wonderful winter and spring. Please take advantage of the activities at the Club and I look forward to seeing you at the BLYC.

*J. Shriner*

Governor Jim Shriner

## Bar & Kitchen

**T**he Titanic Party was a huge success (not a disaster) and perhaps the party of the century.

The entire BLYC staff (bar, dining room and kitchen) is com-

mended for another outstanding performance. The bar and dining room ran efficiently. Hans and Charles did a spectacular job with the hors d'oeuvres tables.

A special thank you to Nick and Michelle DeSantis for their fantastic job planning the Party and their contribution of the flower arrangements.

Sunday, May 9, is Mother's Day. Don't forget to make your reservations early. This is a big day at the BLYC.

Saturday, May 22, is the Commodores' Ball. Cocktails 6:00 p.m. - Dinner 7:30 p.m. and dancing to the MoJo Men 8:30 p.m. Please respond to your invitation as soon as possible and call 929-9941 to make your reservations.

The season will begin officially with the opening of the swimming pool and the Memorial Day porch picnic. The new awning will be installed over the pool bar and we plan to upgrade and enhance the pool bar with a new menu and additional bar service.

Linda, Hans and Charles have initiated a summer lunch menu.

This should be an exciting season. Please support the BLYC this spring, summer and fall and enjoy activities with BLYC members, friends and guests at the pool.

*Howard*

## Race, Regatta, Jr. Sailing

Let the races begin! The first sailing race of the 1999 season will be held on May 9. Skippers Meeting will be held at 1:30 p.m. with an approximate 2:00 p.m. start. Sailors in

Governor Steve Harris

all classes are welcome to race. In recent years, our racers have primarily been in the Cruising class, but it would be great to see some other classes grow at the Club. There are 16 Sunday races and 3 Long Distance Races scheduled for this season (see your Club calendar for details.)

Friday, April 30, Sailors' Night at BLYC was held. There was a good turnout and a good time was had by all. At our meeting, a number of 1999 events and "new" items were discussed. Here are some highlights:

- **Lambrech Cup** - This year, sailors in the Cruising class will compete for the new Lambrecht Cup. This trophy will be awarded to the skipper with the best overall finish for the summer racing series. Rankings will be based on the best 8 finishes of the season. (Therefore, the more often you race the better your chances). This trophy has been named for one of BLYC's most beloved sailors - Commodore Chris Lambrecht. Chris has been an invaluable resource to the sailors of BLYC for many years. Chris was (and still is at age 91) an accomplished sailor and many of us at the BLYC have benefited from his guidance and tutelage. The winner's name will be engraved on a trophy that remains at the Club, along with receiving a trophy for his/her home trophy case. This should make for an exciting summer series this season. (NOTE: This race will not be handicapped- rankings will be based on actual finishing order)

- **Teen Night at BLYC** - Plans are currently being made for an event for the youth of our Club. This event will be held on Saturday, July 3, at the end of our final week of Junior Sailing Camp. Plans are to hold a race for the Juniors in the late afternoon, followed by a cookout and dance by the pool. The event will be open to all participants in Junior Sailing Camp as well as all children and grandchildren of members whether they attend camp or not. Details on time and costs will be forthcoming in the June Log.

- **2nd Annual "Geezers on Lasers"** Race. Last year's race was such a success that we're going to try it again - Sunday, September 12. This race, in Laser Sailboats, is open to all sailors over the age of 50. The purpose is to have some fun and, hopefully, raise some money to help our Juniors go to Bay Week. We're anticipating high participation and crowds of spectators on the porch this year. Don Harris is determined to successfully defend his 1998 title - so get out there and practice! (The club has Laser sail boats that members can borrow for practice and race day.)

Adult Sailing "Camp," There have been a lot of requests for opportunities for adults at our Club to learn how to sail. Currently, Tracey Davis is working on plans to provide evening training sessions for all those interested. Details are still a bit sketchy but we're looking at 2 3-session camps. Most likely, the camps will be held early Friday or Tuesday evening and will run the last three weeks of June for the first camp, and the first three weeks of August for the second. Cost will be \$60 for all three sessions. Tracey is donating her time so that all proceeds from the camp can go to support

Junior Sailing. If you or a member of your family are interested, please call me at 740-928-1763 so we can gauge interest and finalize plans.

Plans for Junior Sailing Camp are shaping up. The information was printed in the April Log and reservations have been coming in. This is one of the greatest experiences that we, as a Club, can provide to our children and grandchildren. The Juniors have a lot of fun while learning skills that will last a lifetime - not just how to sail, but also the "intangibles" that come from such an experience as well. The registration form is printed again in this issue - get your Juniors registered soon to guarantee their spots for this year's camp!

A big thank you to all who helped with sailing projects at the Spring Work Day, April 18. We got a lot accomplished! I would also like to thank Bill McIntyre, Dan Knaul, and Walter Grubb, Jr. for all of their help in preparing for the summer season. They have been an invaluable resource in planning some of the great things that we're going to try this summer. Thanks guys!

## Snowbirds

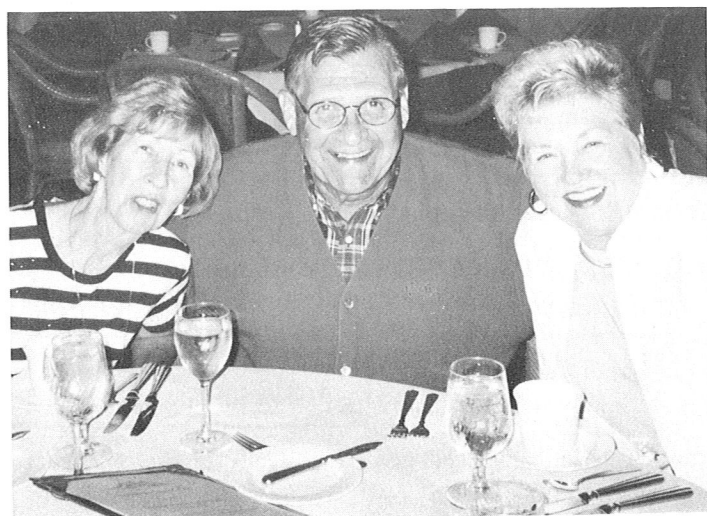

The Buckeye Lake Snowbirds met on Wednesday, March 24 at Lexington Country Club. The social hour provided time to get caught up on news from Ohio. Wohlfarths, Findleys, Dunningtons, Lambrechts, Goetzes and Schneiders helped organize what is becoming a tradition in the Winter months here in Fort Myers. Our "founder", Wilbur Wuellner, was greatly missed and we have him to thank for the annual "get-togethers."

Those attending were: Bill and Mickey Schneider, Jim and Jane Baumann, Bill and Tommi Geiger, Erv and Bonnie Babbert, Mac and Joan Wood, Bob and Fran Baughman, Dick and Donna Hinterschied, Dave and Sue Sutton, Anne Gillilan, John and Bea Goetz, Teresa Tartal Cooper, Betsy Tartal Dziamba, Marge and Bob Dunnington, Bill and Rosemary Findley, Chuck and Charla Bortz, and Kenny and Barb Wohlfarth.

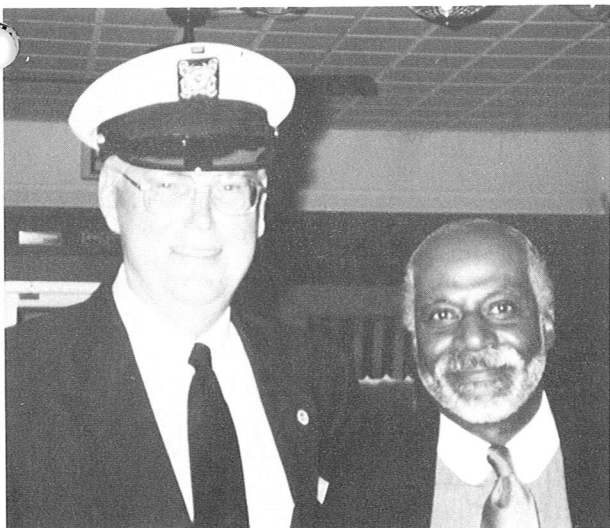

The "migration" back North has already started and we'll be back sharing stories at the "Club." Thanks for keeping us informed through the "Log."

Kenny and Barb Wohlfarth
