

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

July, 1999 - Vol. 9 Issues 7

Commodore Tim Maite

Now that this summer is well underway the club has become a beehive of activity. Don't forget to join us at the pool and pool bar Wednesdays through Sundays. We will be featuring poolside entertainment July 11th and 18th. See Rear Commodore Nick DeSantis's article for details.

Arnett Howard and Creole Funk Band barbecue was a big success as was the Commodore's steak fry. Both were well attended and a fun time was had by all.

Don't forget to check your activities calendar and read your special fliers for dates and times of upcoming events. Make reservations now for the Crystal Ballroom Dance and dinner, July 17.

The golf outing July 25th is always a great time. Don't forget to book your

foursome reservations now. Each year it gets better and better. Thank you Don Best for all your efforts.

On Wednesday, July 21st, the Club will have a picnic at Put-In-Bay, in front of the Put-in-Bay Yacht Club shelter house. Please make plans to attend. This picnic honors our junior sailors who will be competing in the races on Lake Erie.

We will close the activities for the month of July with The Homer Tussing 'tween the Trees cruise, beginning Thursday, July 29, 1999. Contact Jerry Boundy at 614-221-4402 or Ken Keller at 614-846-8761.

It has been brought to my attention by several members that the saving of poolside chairs has become a problem. Saving chairs for long periods of time while doing activities elsewhere is discouraged. The ladies auxiliary is in the process of purchasing 16 more poolside chairs for members' use while utilizing the pool. Your cooperation is appreciated.

Another problem that comes up this time of the year is "drinks" on and off the island. Please remember no alcoholic beverages are to be brought on the island from boat or home, and none are to be taken off the island when leaving. This is subject to state liquor control. The board appreciates your cooperation.

A special thank you goes out to Jeff Fisher of Fishers Greenhouse for the donation of the two beautiful flower pots in front of the porch steps.

In closing, on behalf of myself and the board, we would like to say thanks to Linda Goodman for her efforts while serving as manager at the club. We wish

her well in her new business endeavors.

See you at the club,

Tim

Rentals & Docks

Welcome aboard for the month of July and we hope it's not as dry as June has been. I want to

extend a reminder to all members who

have docks in and around the Club that the Wooden Boat Show is approaching in August and we will need your slip that weekend for the display of boats. Please contact me should you have any questions. Commodore John Sproat has done an outstanding job once again to assure the wooden boat show's success. He certainly needs your cooperation.

The Commodores steak fry was a great success with 197 steaks grilled. Thanks to all those who attended.

A reminder to those members who are interested in applying for a boat dock or storage space to contact me to be placed on the waiting list.

Don't forget the club golf outing this month and the fourth activities and continue to enjoy all the club activities. I look forward to seeing you at the BLYC.

Entertainment

Dear fellow BLYC members, what a great summer! Things just keep rolling along here at the BLYC. If you haven't been here for the fun, we hope you will be able to join us for some of the upcoming events. Don Beck is continuing to supply resort ambiance to the pool on Sundays. He will be here July 11 and 18 and then on August 1, 15 and 29. Join the fun on Sunday at the best pool anywhere, and its ours!

On July 17, re-live fond memories of Buckeye Lake Park's Crystal Ballroom. Rick Brunetto will supply Gatsbyesque Big Band music and Hans and Charles have a sumptuous menu planned of Honey Glazed Chicken, Baked Potato, Salad, topped off with sparkling baked Alaska for dessert. All for the low price of 25.00 per person. Expect a fabulous time, you won't be disappointed.

If you haven't booked your tee time for the Golf Outing, call Don Best, he might squeeze you in! Just don't let him squeeze you!

On August 7, the Majestics will perform at our Annual Luau. There will be special performances by the Supremes and the Chickendale Dancers. Don't forget this one either!!

The Antique Wooden Boat Show on the weekend of August 20-22 will be special this year, too. Jack Gorham will be entertaining that Saturday, so remember to circle that date, too! So much happening, so many great events, help us by making reservations early. We appreciate it and we are able to serve you better!

A personal note, the Junior Sailing Banquet is Thursday, July 8. This not only honors our Juniors, it also provides an excellent opportunity for our mem-

Rear Commodore
Nick DeSantis

bers to meet them and their families and to show our support for this excellent program. Sailing is why we are here at BLYC, the Juniors are our future. Come on out and support them at this special dinner, make your reservations and show them how proud all of us at the BLYC are!

I guess that's all for now and yes I did get a new birdbath!

See you at the BLYC,

Race, Regatta, & Jr. Sailing

June was another successful month for sailing at BLYC. Not only were the Sunday races well attended, but our sailing camps went well,

too. Junior Sailing camp is always a good time for the young people of our Club. If your child or grandchild missed out this year, they missed a great opportunity! Our staff, Walter Grubb, Jr., Justin Evans, and Brandon DeWitt did a wonderful job. Thanks guys! Also, big thanks to Walter Grubb Sr., Howard Clark, Betsy West, and of course, Hans for all their support during camp. The Junior Sailing Banquet will be held on Thursday, July 8 at 7:00 p.m. (Please see the ad in this issue for more information). All Junior Sailing Camp participants, family, friends and Club members are invited to attend.

Adult Sailing "Camp" was a great success as well. Don Best (Golf Outing Chairman and New Sailor) was even heard saying, "This is more fun than golf." A big, big thank you to Tracey Davis for all the work she put into this. Also, thank you to Stone Parker, Terri Riley, Dan Knaul, and Don Harris for their help during the classes.

As many of you may have noticed, the sailing committee has a new (to us)

Governor Steve Harris

pontoon boat. This boat is used for the race committee and as the rescue boat for Junior Sailing Camp. When the old pontoon met its demise last fall, it looked pretty hopeless that we would be able to replace it with a reliable, safe boat for a reasonable cost. Thanks to Dave Levacy at Buckeye Lake Marina, we were able to get a great boat for a very good price. Thanks Dave for all your help and assistance in supporting our Junior Sailing Program at B.L.Y.C. ! Also, thanks go to Dan Knaul for the use of his boat in the interim.

Sailing is growing at the Club all the time. July will see the return of Laser races. These races will be held on Sundays prior to the Cruising race. We're shooting for a 12:30 start (12:00 p.m. Skippers' Meeting). Also there's been a lot of interest expressed in bringing back a one-design class at the Club. Keep your eye on future Logs and around the Club for more information or call Steve Harris at 928-1763.

There's still plenty of sailing left to be done at B.L.Y.C. this season. Whether you're racing, day sailing, or just watching, come on out, enjoy your Club, and support our sailors.

Upcoming Events:

- July 4 - Commodore Earl Williams Long Distance Race - 12:00 p.m. start
- July 8 - Junior Sailing Banquet - 7:00 p.m. This was previously published on the Club calendar for July 10 in error. Please make note of the change

House & Grounds

With the summer

season well under way, I am happy to report that all is well with the House and Grounds.

The electrical problems on the porch, patio, covered docks and Area 8 have all been corrected. Extra light fixtures have been installed on the bridge and on the covered docks

Governor Mark Yerke

facing the sidewalk. This seems to have added security to the area, particularly after hours.

The pool entertainment on Sundays seems to be a big hit. I have never seen so many members and guests at the Club and pool.

The Ladies Auxiliary has ordered some comfortable chairs for the area in front of the fireplace in the Clubhouse and some additional chaises and beach chairs for the pool. On behalf of the Board. I thank you for your generosity in helping improve the appearance of the Clubhouse and the pool.

I would also like to give thanks to another very generous member, Ted Hinterschied. Ted has been our "volunteer" gardener for the past several years and many of you may not realize the work he does "behind the scenes". Ted waters and weeds the flower beds around the Clubhouse. So give Ted a big "thank you" next time you see him.

I would also like to thank Commodore Frank Foster IV for the installation of the pool bar awning and the construction of the portable band stage on the guest docks.

Mark
