

# Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

September, 1999 - Vol. 9 Issues 9

**Commodore Tim Maite**

The Season of Change is upon us, as summer changes to fall, leaves change color, and the changing of the guard here at the BLYC. My term as Commodore will come to an end September 19th.

It would be impossible to thank all of the people individually who have helped me over the past four years, and so to those who have guided me, given me advice and encouragement, I say thank you.

I was blessed with an outstanding board that worked well together to accomplish our goals for the good of the club. They have done a great job and I encourage you to support them in the up-coming election and the beginning of the new millennium.

I could not have had a better group

of men to serve with. I know our friendship will remain constant.

This is election time and those with another year left on the board are Howard Clark, Nick DeSantis, Mark Yerke, Jim Shriner, and Steve Harris. Those gentlemen will not be up for reelection this year. We have a fine slate of candidates campaigning for this year's election. They are:

Jim Thompson-incumbent  
Matt Davis  
John Geiger  
Dan Knaul  
Don Lemmon

At the election you will be asked to vote for no more than four candidates. The four candidates with the highest total number of votes will be elected to the board. The election will be held on Sunday, September 19, from 9:00 a.m. to 1:00 p.m., followed by a general meeting at 2:00 p.m. I encourage you all to come and enjoy the fine tradition of the porch picnic, vote for your favorite candidate and see what the candidates "have cooked up for you."

Before I end this article I would like to say thank you to Jan Kaylor and the Ladies' Auxiliary for all they have done for the club over the past year. The new furniture and custom rug are not only beautiful but well appreciated. I would also like to wish Howard Clark and next year's board well. To you the members, it has been my pleasure to serve as your Commodore and I thank each and every one of you for your support, friendship and treasured memories.

See you at the Club

*Tim*

## The Auxiliary

Secretary Jane Kenney

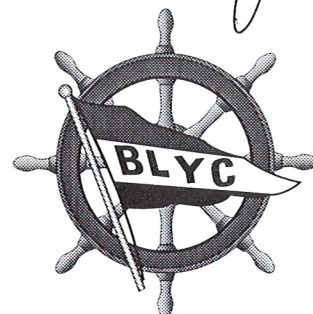

Always a highlight of our summer, this year's style show luncheon didn't let us down. One hundred-ten members and guests enjoyed an excellent lunch by Hans and Charles, and clothes from the Harbor Hills Pro Shop and The Acorn modeled by our members. Special thanks to Chairman Ann Oliver, Joan Hein for handling the raffles and Phyllis Flynn for the tote bag she painted and donated for the raffle. Jane Hinterschied was winner of the \$125 50-50 drawing.

Basket of Booze raffle tickets are available at the bar, and membership raffle tickets are in the mail. Help us help your Club.

The annual meeting will be Sept. 19 at 2 p.m. when the following slate of officers will be presented;

President ..... Tracey Davis  
Vice President ..... Terri Gatton  
Treasurer ..... Mimi Geiger  
Secretary ..... Sue Harris  
See you on the porch the 19th.

*Jane*

## Bar & Kitchen

It is difficult for me to realize another year has passed and this will be my last article as your Bar and Kitchen Governor.

This has been an interesting and challenging year, to say the least, with the resignation of our previous Club Manager, Linda Goodman; operating for a period of time without a Club Manager; then the good fortune of hir-

Vice Commodore  
Howard F. Clark

ing David Persons as our Club Manager. We feel this is only the beginning of good things to happen at BLYC.

A special thanks to all members, Hans, Charles, Cathy, Jenny and the entire staff for your support and patience as we made these difficult changes.

As Vice Commodore, I would like to take this opportunity to thank our Commodore Tim Maite for his leadership, guidance and fellowship this past year as well as Rear Commodore Nick DeSantis and the Governors. What a pleasure to work with all of you.

Rosa joins me in looking forward to the 1999-2000 year in which I will

become your Commodore serving the BLYC membership.

Please mark your calendar for Sunday, September 19, 1999 for the Elections, Porch Picnic and Annual Meeting. Immediately following the Annual Meeting (approximately 4:30 p.m.) Rosa and I will be hosting a Meet Your Commodores and Governors Reception at the Club. Invitations will be mailed. Make your reservations for the Reception by calling 929-9941. We look forward to seeing you at BLYC.

*Howard*

## Entertainment

Dear fellow BLYC members, thank you for all your help, ideas and support this past year. I hope that our efforts to entertain have contributed to your added enjoyment of the Club. Entertainment is one of the most challenging, most enjoyable, as well as one of the most visible Gover-

Rear Commodore  
Nick DeSantis

norships here at BLYC.

To those of you who have enjoyed the entertainment scheduled this year, I can assure you it will only get better. Next year, no matter who is in charge as the Board, is committed to surpass what has gone before.

To those of you who have not enjoyed yourselves, for whatever reason, please don't hesitate to share your thoughts and ideas. Don't be shy! How else can we (the Board) improve on our jobs if we don't hear the bad as well as the good?

At any rate, there are already special plans in the works for next fiscal year. From the "Snowball Ball" at the Snowball Regatta to the "Millennium Fever" of New Year's Eve 1999, the events promise to be unique and innovative. So as always, be ready to party and look to the Log for upcoming events.

A special thank you for the "Macarina Monkey" presented by the Millersport mob (you know who you are).

See you at the Club,

*Nick*

## Race, Regatta, & Jr. Sailing

It seems like it wasn't that long ago, we were getting ready for the first sail of the season - now it's time for school's starting up and summer's winding down. I would like

to thank everyone who helped to make 1999 a great sailing season at Buckeye Lake Yacht Club. This past year, we had some of the best participation in recent years and we're still growing.

Since my last article, we have finished the second, and final, adult sailing "Camp" for the year. This program was a great success. Thanks to the efforts of Tracey Davis, we have 12 "new" sailors at BLYC. Also, I would like to thank

Governor Steve Harris

everyone who helped raise money for Junior Sailing at the Luau by buying throws at the dunk tank. We raised enough money to send one more Junior Sailor to Bay Week next year. Thank you Commodore Maite for being such a good sport and supporting our Juniors in this unique way.

Even though it's turning cooler, there's still some sailing left at BLYC. The Junior Sail-Offs (to help determine next year's Bay Week Team) will be held Labor Day Weekend. Juniors should contact either Steve Harris or Justin Evans if you need information. The Annual "Geezers on Lasers" Race will be held the following weekend on Sunday, September 12 at 2:00 p.m. This race will be a fund-raiser for our Junior Sailors (and run by them). This year the race will host 2 classes: Geezers (over 50) and yet-to-be Geezers (30-49). The entry fee for sailors is \$10 and the club has boats available for loan. We're

expecting a large crowd on the porch, so come on out and cheer on your favorite Geezers!

Last, and certainly not least, **It's time for THE event of the season ..... The Snowball Regatta !!!!** This year's Snowball will be held the weekend of October 1, 2, & 3. Sailors from all over the midwest will be here to race. This is an event that you don't want to miss. We'll kick the weekend off Friday night with entertainment by Tony Monaco. Racing will be held Saturday & Sunday. The weekend will be highlighted by the Snowball Ball on Saturday night. Come on out and enjoy this weekend. After all, what's a Yacht Club without yachting? More details can be found on a flyer in this issue of the Log.

**October 1, 2, & 3**

Snowball Regatta Weekend

Once again, thank you to everyone for helping to make 1999 a great year for Sailing at Buckeye Lake Yacht Club. Whether you've helped with Junior Sailing, helped run races, sailed, or just watched, your assistance and support has helped to make sailing strong at BLYC once again. Let's finish 1999 strong and make the new millennium even better!

**Rentals & Docks**

**W**elcome aboard for the month of September and cooler temperatures. Fortunately we have received the much needed rain and hopefully, we can boat and sail for a few more months.

Governor Jim Shriner

We had a great time at the Luau (still trying to get the pink paint off my shoes) and the Antique Wooden Boat Show. Once again, Commodore John Sproat should be commended for his time and effort to assure a very successful show and the display of some forty-five wooden boats.

I want to thank all those members who moved their boats and sailing vessels from their docks for the display of the boats. Also, I want to thank those who moved from the covered docks and

the west dock without request, to accommodate the additional entries. Your member cooperation assures dockage for a very rewarding experience for all of the participants.

I would be remiss if I didn't thank Ms. Zenna Sayre of Sayre Bros. Marine and her assistant Bob for launching the contestants boats and returning them to their trailers after the completion of the show.

Also, I want to thank Ms. Zenna Sayre for the use of her docks for the display of those antique wooden classics.

The overall Best of Show winner owned by Thom Wells and restored by Zimmerman Boat Works was purchased originally by Mark Yerkes' grandparents in 1946 - 47 from Sayre Bros. Marine. The name of the Chris Craft is 'Dreamwyld'.

Please take advantage of the activities offered at the club and I look forward to seeing you at the BLYC.

**Membership & Directory**

**T**here has been a lot of activity on the membership front. At the June meeting Thomas Croson, Norman Conrad and Lewis Mounts were accepted into membership.

At our July meeting at Put-in-Bay, Terri Gatton, Phil Cook, Michael Kappas, Gail Bennett and Michelle Riley were our newest members.

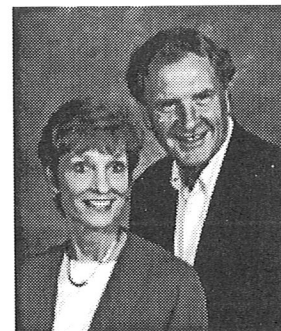

At the August meeting we welcomed

Governor Jim Thompson

Dennis Mingyar

Tom Hill

and Hugh Lucas.

Membership totals for the year are far above our projected number. Final totals will be available at the annual meeting.

John Plankenhorn

Tom Shain

## BLYC BOAT HITS TRUCK

### 'Tween the Trees Cruise Imperiled

It was the first and only radio call of its kind throughout the 316 mile, 3-day cruise. "Fox, this is *Dolphin*. We've got a problem back here. Glenford is overheating and dead in the water. You'd better hold 'em up."

With that call at 1505 hours (3:05 p.m.) Saturday, July 31, the remaining fleet of 5 BLYC boats comprising this year's Homer Tussing Memorial 'Tween the Trees Cruise, throttled back and began to rock in the gentle swells of the Ohio River. On board, captains and crews began silently weighing alternatives to continuing as a 6-vessel fleet.

All such thinking quickly proved unnecessary. Within minutes, Jerry Boundy - *Dolphin's* captain and one of the planners of this year's cruise - was back on the radio. "*Glenford's* restarted and her temperature is coming down. She'll be ready to go in a minute or two. No problem. She just hit a truck."

#### A truck?

True enough. Guessing that the problem might be an obstructed water intake on *Glenford's* stern drive, pilot Charlie Baldwin reversed the Sea Ray's throttle and revved the engine hard. An instant later, a yellow plastic toy truck bobbed to the surface, its sides split in such a way as to turn it into a snug-fitting if unwelcome seal to *Glenford's* engine cooling system.

With that problem corrected, the fleet resumed its beautifully spaced formation and continued the cruise that had begun 2 days earlier when 6 BLYC boats, their captains and crews gathered in Marietta, Ohio to begin this year's adventure. This was the 4th of 5 legs of the current series of cruises that is taking our intrepid fleet from Pittsburgh, PA to Rising Sun, IN - the entire length of the Ohio River forming the southern boundary of the state - in 5 years. Next year will complete the series with a giant celebration in Rising Sun and all BLYC members are urged to sign on and make the cruise as captains, mates or crews.

Highlights of this year's cruise came early and often. Putting out from Marietta at 1000 hours on Fri-

day, July 30, the fleet was soon treated to the sight of the mighty sternwheeler *Mississippi Queen* as she raised her ramp from the flats of Blennerhassett Island and began to steam upriver.

At 1140 hours the fleet passed through the first of 6 locks it would navigate during the 3-day cruise. Jerry and Jo-Ann Boundy, with crew Tim and Martha Maite, made it look easy, a tribute to their years of experience as river runners. (Jo-Ann again copied, assembled, and color-coded the many pages of charts required for the voyage, making complete sets available to all captains). First-timers Miles and Jane Waggoner with crew Ray and Jeanne Murray aboard *Miles To Go* soon got the hang of slipping a line around a floating bitt and riding it up or down the damp canyon of an Ohio River lock.

At 1250 hours the crew stopped for lunch in the cool shade of Buffington Island. As last year, Randy McClure - mate aboard husband Kevin's cuddy cabin *Flounder* - lost no time in slipping into the water for a swim. She was soon followed by Ken and Mary Keller, captain and mate aboard *Fox*, and by *Fox* crewmate Barb Poplis. Husband Paul remained on board to set out a lunch of cheese, lunch meats, and pickles handmade by Barb's brother, former Cincinnati Reds pitcher and current Reds broadcaster, Chris Welch.

Another lock and the fleet was ready to tie up for the night at the Gallipolis Boat Club. Captains and crews overnighted in Gallipolis' Holiday Inn. Here, Nick and Michelle DeSantis joined Jim and Jane Shriner as crewmates aboard Howard and Rosa Clark's *My Princess*, and Charlie Baldwin's wife Geri joined the crew of *Glenford*.

Late that evening, captains and crews were advised by Jerry Boundy and Ken Keller that the next 4 locks they would pass through would operate only once each even-numbered hour, and that such a schedule dictated an earlier departure than planned for the following morning. At 0905 hours Saturday morning the fleet returned to the Ohio River via a very shallow Chickamauga Creek and promptly at 1000 hours entered the first lock of the day.

At 1145 hours the fleet was called on to render assistance to a heavily loaded pleasure boat that had run out of gas in mid-river. *Flounder* to the rescue; the foresighted McClures simply produced a 5-gallon jerry can filled with fuel, Randy swam the 2 boats together, the fuel was exchanged, and soon a grateful captain and his crew were again underway.

Following *Glenford's* "collision" with the truck (captain Whit Tussing had temporarily turned the helm over to his Uncle Charlie when the incident occurred; first mate and sister of Charlie, Mary Lou Tussing, was not on the bridge at the time), the fleet passed Portsmouth at 1700 hours and put into Shawnee State Park Marina at 1720 hours.

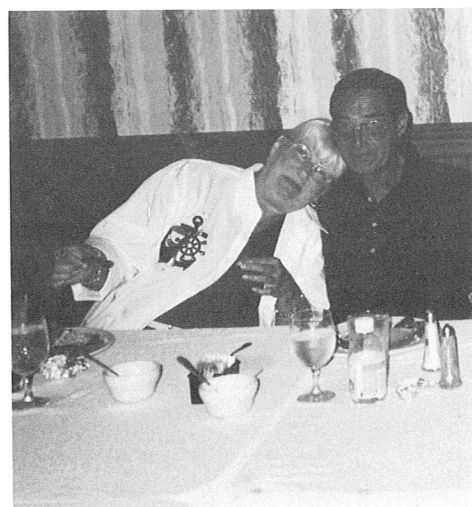

A great banquet at Portsmouth's Ramada Inn, planned by Mary Keller, was delayed but not diminished by unforeseen transportation problems getting captains and crews from the marina to the motel. A generous-spirited member of Portsmouth's Wesley Methodist Church, contacted by a state park warden, voluntarily drove the entire fleet into town in the church's brand new bus, then drove everyone back to the marina in the morning, and had to be hard-pressed to accept a donation for his efforts. Only when he was assured that he could donate it to the church did he accept. That's living the faith.

The next morning the fleet was off promptly at 0900 hours. The river was smooth as glass and the 6 boats presented a dazzling display of fine seamanship to the many persons driving or boating nearby. The day passed without incident until the final lock of the cruise when all crews were thoroughly soaked by a brief but intense downpour. It wasn't raining as the fleet entered the lock and the rain had stopped some 20 minutes later as the BLYC boats left the lock. But in between, the southern Ohio drought was briefly abated. In spades.

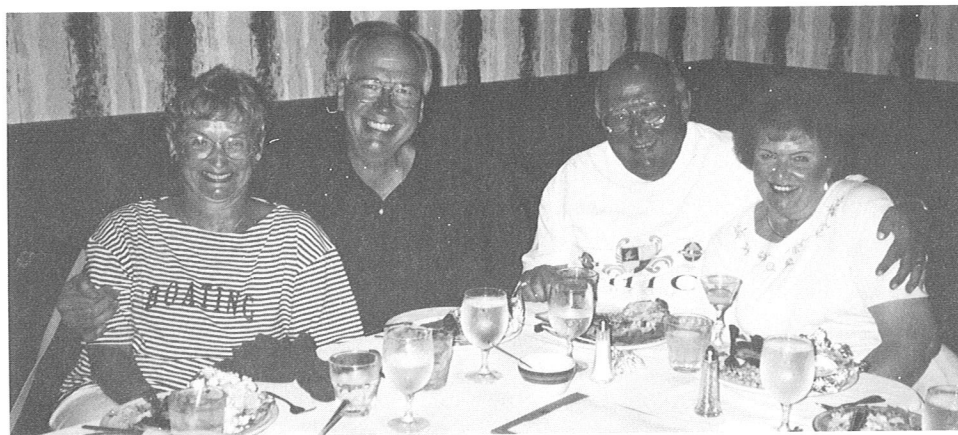

The fleet left the Ohio River at Gallipolis Boat Club at 1500 hours on Sunday to begin loading boats on trailers for the long trip home. All boats, captains and crews returned safely with lifetime memories and a firm resolve to be a part of next year's adventure. Why not plan on joining us?
