

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 2000 - Vol. 10 Issue 4

Commodore Howard Clark

The April showers brought the May flowers and now the summer activities have begun at BLYC.

By the time you read this article, the Spring Work Day will have come and gone with the Club looking better than ever.

May 3, 4, 5 and 6 is the second (Spring) setting for directory pictures. The pictorial directory which we have been issuing every few years is a very useful membership directory for your home or office. Governor Mark Yerke has done an outstanding job on this very difficult project.

The Kentucky Derby Day Sports Spectacular will be Saturday, May 6th. Come and watch the derby and enjoy a festive time with a Mint Julep and Club members and guests.

Sunday, May 7th, is the Semi-Annual Meeting.

Mother's Day is Sunday, May 14th, and as reported previously, this is the busiest day of the year. Please make your reservations early.

Saturday, May 20, is the annual Commodores' Ball. Rear Commodore Jim Shriner has engaged the "Montage" for dancing. You will be receiving your special invitation from Vice Commodore Nick DeSantis very soon.

The summer Sailboat Racing starts May 14th at 2:00 p.m. Racing at BLYC has a long tradition. There has been a resurgence in popularity the past several years. Governor Steve Harris has done a tremendous job with this program and I'm sure this interest will continue. Good luck to all the sailors.

This Memorial Day Porch Picnic and the Commodore Edward Metzger Long Distance Race is Monday, May 29th.

Saturday, June 3rd, will be the Summerfest Party with dancing to the Mike Farenkoph Band. This was formerly the Springfest Party and traditionally a huge success. Please make your reservations early as we hope for another great party.

Look forward to visiting with us at the Club this summer at the pool parties, planned festivities, good food and enjoy the camaraderie of our members and guests.

Howard

*Commodore Howard Clark cordially invites you to attend the
Annual Commodores' Ball Saturday, May twenty, two thousand
at the Buckeye Lake Yacht Club
Cocktails & Hors D' Oeuvres 6:30 p.m.*

Dinner 7:30 p.m.

Music by the Montage

8:30 p.m. — 11:30 p.m.

Entrée

*Mixed Salad Plate, Beef Wellington or Chicken Wellington,
Piped Mashed Potatoes, Fresh Herbed Carrots Julienne,
Meringue Shells w/ Ice Cream & Liqueur,
Rolls & Butter, Coffee or Tea*

22.50 per person includes tax and tip.

R.S.V.P. by May seventeen — 929-9941

Bar & Kitchen

Dear fellow BLYC members, spring has arrived and a middle-aged man's thoughts turn to computers. Oh, is this not what I expected to be concerned about at this stage in my life? Nevertheless, let's discuss our new computer (hereinafter referred to affectionately as Hal!) I hope you've been to the Club recently and Hal has not interfered with your enjoyment of the Club. We are working with him and hoping he allows us to train him a little differently, so that some of the horrors can be eliminated. We will now accept American Express, but only in the office when you can use it to pay off your member account. Doing it this way cuts down on our transaction fee and makes it affordable for the Club. Please give it a try.

Speaking of trying, please make reservations for regular dining as well as special events. If you come without reservations, please expect a wait. Even when tables appear empty, there is a rational explanation (I would like to blame Hal). We may have sent help home, not ordered enough food, etc. If you don't mind waiting, just tell that to your hostess. After all, it just gives you more time to enjoy friendships at the club. Get reacquainted with old friends like Jack Daniels or "Red" Merlot.

At any rate, know that David, Hans and staff are making a special effort to ensure your enjoyment of the Club.

As a special aside, I would like to say good-bye to Kathy as she leaves BLYC to go to the Licking County Water Department. Kathy, we wish you luck and we will miss you. We have hired a replacement, but nobody can ever replace Kathy.

As I close, I would like to remind

Vice Commodore
Nick DeSantis

you all to make reservations for Mother's Day and for the Commodores' Ball. The theme for the Commodores' Ball is "Days of Wine and Roses." Hans has a wonderful menu planned and Commodore Shriner has great entertainment provided by the band, Montage. Michelle and I have also some surprises in mind and hope you will all enjoy them. So make your plans now, as this is always a special event.

See you at the Club,

Entertainment

Welcome aboard for the month of May and by now all the boats should be commissioned for the summer season. Once again many activities are planned for the membership.

Rear Commodore
Jim Shriner

The Auxiliary Auction is scheduled for April 29, 2000, with Michael Williams at the piano during dinner. The Kentucky Derby Party is planned for May 6, 2000. Dinner for Mother's Day will be Sunday May 14th from 11:30 a.m. to 6:00 p.m.

The Commodores' Ball will be held on Saturday, May 20th, in recognition of our Commodores. The entertainment will be the group, "Montage." Dinner will be served at 7:30 and dancing at 8:30 p.m.

Looking ahead to June we have the "Summerfest" on June 3rd with entertainment by the "Mike Farenkoph Band."

Prom Night was enjoyed by all and everyone danced the night away. I hope you enjoy the activities and I look forward to seeing you at the BLYC.

Rentals & Docks

Boating Time Is Here!

The dock assignments for this season are posted on the front porch along with the updated dock waiting lists.

Governor Dan Knaul

Repairs continue on the docks. Please let me know if you have any problems with your dock so I can get repairs scheduled.

If you are looking for a place to store your trailer, there are some spots available at the Eastport storage yard. Also there are a few small docks available behind the Club that would be perfect for small boats on lifts or wave runners. Call me if you are interested (740 929-2446).

Thanks to everyone that helped on work day!

See you soon,

A New Baby Arrives

On March 7, at 9:01 p.m. we were graced with the birth of our second son, Matthew Hein Davis (7 lbs 2oz and 20 inches). We have had a busy month with the new baby and big brother Michael (22 months old) and getting ready for the Auxiliary Auction. At the April 13th Auxiliary meeting, I was surprised with a day at the spa from the Auxiliary membership. Thank you so much for the ultimate gift for a mother of two. I am so thankful to have such wonderful family and friends at the Yacht Club.

Best wishes for an enjoyable summer.

Tracey Davis, President BLYC Auxiliary.

Membership & Directory

The board would like to thank Thomas Shain, Howard Clark, Steve Schilling, Miles Waggoner, Tim Maite, Mark and Bob Yerke for helping perpetuate the membership of the Club.

There were four new members approved at the April 13th board meeting:

James Houk

Stephen Sims

Nick Carraccilo.

Thomas Wells

Please let this article serve as a final call to those of you who have not had your pictures taken yet for the new Club directory. You can schedule to have your photograph taken on May 3rd, 4th, 5th or 6th by calling David, Jenny or Pam at the Club. You will receive a complimentary 8 x 10 photo.

Finally, if any of you has questions about how to sponsor a prospective member, please feel free to call me at 614-221-6724 or 614-457-9515. There are individual membership packets in the tray next to the water fountain in the fireplace room.

Have a great May!

Mark

Governor Mark Yerke

Cruise Planners Announce Marina Destinations

Planning for this year's renewal of the 'Tween the Trees Cruise now includes marinas that have agreed to overnight the BLYC fleet.

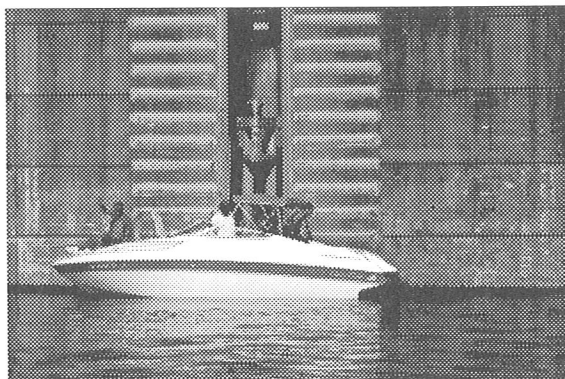

Captains and their crews will assemble Thursday evening, August 3, at Shawnee State Park, just west of Portsmouth. Boats will be launched yet that evening in the Park's lovely marina.

Overnight accommodations have been made in the fleet's name at the Park lodge, but all reservations must be individually confirmed by calling the lodge at 740-858-6621 by June 21. Identify yourself as part of the BLYC group.

Friday morning at 1000 hours, the fleet will set out on the Ohio River, passing through the Captain Anthony Meldahl Lock (the only lock on this year's cruise) before pausing for the night at Watertown Yacht Club on the Kentucky shore, just upriver from downtown Cincinnati, a distance of 104 miles. Watertown is within a short distance of several waterfront theme

restaurants and attractions.

The next morning the fleet will continue west some 25 miles to just beyond the inflow of the Great Miami River - the point marking the Ohio/Indiana state line - thereby completing the 5-year, 5-leg, thousand mile round trip from Ohio River mile marker 0 in downtown Pittsburgh to the Indiana state line - the whole of the river beneath Ohio.

Locking Through. The captain and crew of My Princess have looped a line around one of the floating bollards of an Ohio River lock and are waiting for the water to begin falling to the level of the river below.

Following a brief ceremony, the fleet will either return to Cincinnati or press further west as individual captains and crews choose.

Saturday night, the fleet returns to Watertown

Yacht Club, and on Sunday to Shawnee State Park Marina and the trip home. Still in planning are the overnight accommodations for Friday and Saturday nights and the celebratory banquet. Watch the Log for more information.

All BLYC members are welcome aboard this year's historic cruise. If you don't have, or don't want to bring, your own boat, just let it be known that you're available to crew and a berth will be found for you. For more information, call Jerry Boundy (614-221-4402) or Ken Keller (614-846-8761).

Club Dining Hours

Monday, Tuesday - Closed

Wednesday, Friday	
5:00 p.m. - 9:00 p.m.	Dinner
Thursday	
5:00 p.m. - 8:00 p.m.	Happy Hour
Saturday	
11:30 a.m. - 5:00 p.m.	Lunch
5:00 p.m. - 9:00 p.m.	Dinner
Sunday	
10:00 a.m. - 12:00 p.m.	Breakfast
12:00 p.m. - 7:00 p.m.	Dinner

Saturday, June 3rd Summerfest Party

(formerly the Springenfest)
Just like the Oktoberfest, but warmer!
So if you can't wait until the Oktoberfest, Come on out to the Summerfest.
6:30 p.m. Cocktails
7:30 p.m. German Buffet
8:30 p.m. Dancing to the Mike Farenkoph Band.
Please make your reservations early as we hope for another great party.

Race, Regatta, & Jr. Sailing

The season has begun! May is finally here and with R sailing and boating season is upon us. 2000 promises to be another great

Governor Steve Harris

year for sailing at BLYC! On Thursday, April 27, Sailors' Night was held at the Club. We discussed the upcoming racing season and enjoyed the fun and fellowship of BLYC. Over the winter, a number of exciting developments in sailing have occurred—some new boats, people “jumping ship” to crew for other skippers, new sails, etc.—it's starting to be just like the America's Cup (except that the boats are smaller, the lake's not as deep as the ocean, and nobody has \$50 million to put into their racing team). The Sailing Instructions for the Sunday Racing series were handed out as well. If you need a copy, please contact me. On Sunday, April 30, we held (or will hold - depending on when this Log arrives in your mailbox) training for this year's **Race Committee**. Being on the race committee is an easy, fun way to be a part of the sailing excitement at BLYC. We're still looking for people to help out at the Race Shack for Sunday races. Please contact me if you're interested. You even get a free T-shirt for serving on the race committee - what a deal!

The racing calendar has been finalized and is posted around the Club. We will be racing every Sunday beginning May 14 through October 1, except July 23 (BLYC Golf Outing), August 20 (Commodore Bob Dye Poker Run and Wooden Boat Regatta), September 10 (3rd Annual Geezers on Lasers Race), and September 17 (Elections). Come out to the Club and watch the races. It's a great way to spend Sunday afternoons. Long Distance races will be as follows: Commodore Edward C. Metzgar L. D. race -

Monday, May 29 (Memorial Day); Commodore Earl Williams L.D. Race - Tuesday, July 4; Labor Day Long Distance Race - Monday, September 4. Of course, the 3rd Annual “Geezers on Lasers” race will be held on Grandparents' Day, September 10. Again this year, we will have two races; one for the “true geezers” (over 50) and another for the “soon-to-be” geezers (30-49). The Snowball Regatta will be held the weekend of October 7-8. A full schedule, but a great time for sure. Come out and join in the excitement.

The Junior Sailing Program is off and running as well. On Thursday, March 30, we launched the Club's new Club Junior sail boat. Skipper Justin Evans and crew Amanda Newman took the boat out for its maiden voyage and have already been practicing regularly to prepare for this year's Junior Racing season (see article in this issue of the Log). The Juniors met on April 2 to plan out this year's racing season. The 2000 BLYC Junior Race Team will be:

Club Junior	Skipper - Justin Evans
	Crew- Amanda Newman
Club Junior	Skipper - Nathan Owen
	Crew- TBD
Laser	Cameron Evans
Laser	Brandon DeWitt
Optimist	Fritz Schilling

At this time, the Juniors are planning on attending the following races: June 3 - Hoover Yacht Club Junior Regatta, Columbus, Ohio; June 17 - Sandusky Sailing Club Junior Regatta, Sandusky, Ohio; July 14 - Vermilion Boat Club Junior Regatta, Vermilion, Ohio; July 16-20 - I-LYA Junior Bay Week, Put-in-Bay, Ohio; and, July 21 - I-LYA Junior Optimist Championships, Put-in-Bay, Ohio. The juniors will also be racing at the Club every Sunday throughout the season. Please come out and support our Junior Sailors any way you can. They are the future of BLYC and a great group of young people to work with.

Plans are being finalized for Junior

Sailing Camp this year. This year's sailing camp staff will be as follows: Tracey Davis, Stone Parker, Justin Evans, and Nathan Owen. Others will be helping out from time to time as well. Sailing Camp is a great opportunity for young people at BLYC. A week of fun, fellowship, and learning. This year, we will be starting a new system to track the progress of each individual sailor to better fit their learning needs in the future. Usually, sailors will take the “Beginner” course at least the first 2 years (Beginner I & Beginner II), then move onto the Intermediate course. Sailors in the Advanced course will focus on racing and crewed boats. If you have questions on what course your Junior should be in, please feel free to give me a call. Sailing is a great activity for young people and teaches skills beyond the basics of getting the boat to go—teamwork, cooperation, fair-play, self-reliance, and safety, just to name a few. The cost will be \$160 per week for children and grandchildren of members and \$175 for non-members. The cost includes lunch. Camp runs Monday through Friday from 9:00 a.m. to 4:00 p.m. Sailors should bring a swimsuit, towel, life-jacket, and suitable shoes with them each day of camp. Registration can be sent to BLYC to my attention. Please register your juniors soon to insure them a spot. Enrollment is limited for safety and registration is on a first-come, first-served basis.

As always, if you have questions please do not hesitate to contact me at 740- 928-1763 or sgharris@ascenture.net.

See you on the water!

Sailboat Racing begins May 14

Junior Sailors Usher in the 2000 Sailing Season at BLYC

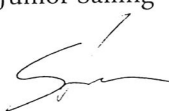

On Thursday, March 30, while most sailors were thinking about how nice the weather was for sailing, skipper Justin Evans and crew Amanda Newman were taking BLYC's new Club Junior sailboat out on the lake for the first practice of the season. Well-prepared, enthusiastic, and donning their wet suits, Justin & Amanda set out on the 40° waters of Buckeye Lake to put the new boat through the paces. The winds were moderate out of the west and the Juniors enjoyed a relaxing 2-hour sail getting to know their new boat. Justin and Amanda will be competing for BLYC in several Junior Races at Interlake Yachting Association Club Races, including Junior Bay Week at Put-in-Bay.

Justin, a senior at Granville High School, is the son of members Mike & Becky Evans. Justin will be competing in his 4th I-LYA Junior Bay Week this year. In 1997 and 1998, he raced in the Laser class. Last year, along with crew Kyle Maite, Justin raced for BLYC in a Club Junior borrowed from Dennison University. College sailing has different equipment rules than Junior Sailing so our team was at a disadvantage, having no spinnaker. However, they still finished in the top half of the fleet in the Commodore's Series and were frequently in front of the pack at the first mark (upwind, before the other teams used their spinnakers on the downwind leg and caught up). With the new boat (including a brand new red and white spinnaker), Justin is setting his sights high for the 2000 season. Justin's brothers, Seth and Cameron, have also participated in Junior Sailing at BLYC. Justin plans on attending college in Boston in the fall. His reason for picking the school, "They've got a really good sailing program." Now that's dedication to a sport!

Amanda, a senior at Newark High School, is the granddaughter of members Stone & Donna Parker. Although this will be Amanda's first year racing

for BLYC, she has participated several years, along with her cousins, in Junior Sailing Camp at the Club. Amanda plans on attending Denison University this fall.

This past winter, the Board approved the purchase of the two new Club Junior Sailboats for the growing Junior Sailing Program at BLYC. The boats arrived in late February and the Junior Sailors have been anxiously awaiting good weather to get out on the water. The new boats are a key part of BLYC's efforts to increase participation and quality in sailing and junior sailing here at Buckeye Lake. This year, for the first time in several years, BLYC plans to send 4 boats, and 6 junior sailors to Bay Week and at least one to the I-LYA Optimist Championships. Please see the Sailing Governor's Log Article for more information on Junior Sailing at BLYC.

The Auxiliary

Secretary Sue Harris

The Auxiliary met April 13 with 25 members present. Thanks, Hans and Staff for our nice dinner. After dinner we got to work organizing the Auction Fund Raiser. Everyone enjoyed the work and visiting with friends.

Don't forget to attend the Auction and bring all of your friends. The auction items are on display at the Club now so pick out your favorites.

The next Auxiliary meeting is May 11 and will be a "Rush Party." We want to encourage everyone new (and old) to the Club to come check us out and see how much fun we have while helping the Club. In place of a "sit-down" dinner, we will have hors d'oeuvres, wine punch, and a cash bar to encourage mingling. Please make your reservations early to help Hans. Cost is \$10.

See you at the Auction !

Sue

House & Grounds

So many things have happened, or are in progress as result of our April 5 House and Grounds Committee Meeting, our April 13

Governor John Geiger

Board Meeting, and Work Day on April 16 that I can only note highlights. I will do a "pick-up" article next month with further updates, but for the sake of Log space this month, let me offer just a few highlights.

First, returning to our Commodores' Lounge refurbishing effort. We are adding a wallpaper border to the newly painted hallway and entrance. Don Lemmon's masterpiece of wall restoration and painting (how did he do that, yes it is paint not wallpaper) will be enhanced by a sailing-oriented border selected by our interior decorator, Peggy Wells. The border design was approved by the Commodores' Lounge committee, the Board and Trustees, and a random sampling of members. The border will be a further reflection of our Club's dedication to sailing and support of Governor Harris' efforts.

Steve McClain and Nancy Benson made a significant contribution that has allowed us to have many of the Club's historic pictures professionally framed, matted, and protected with light resistant glass. The pictures will be hung in the hallway and entrance so that everyone can enjoy them. I know many of you have missed these pictures, Guy Brown indicated to me that he particularly enjoyed looking at the pictures, and that history is an important part of the Club. Hopefully, I will get some help from our Historian, Commodore Frank Foster III, Steve and Nancy, and others so we can provide some information in later Logs of the history reflected in the pictures. Again, thanks Steve and Nancy for your generosity and apprecia-

tion for BLYC history!

Another Commodores' Lounge work-in-progress enhancement should be completed by the time you get this Log. A relatively new member, Mark Russell, provided us with his professional expertise and advice. Mark is the owner of Hang Ups, Inc. in Bexley and specializes in window coverings. The Board agreed to purchase 2-inch Olympian golden oak wood horizontal blinds. The old blinds were taken down Work Day, and we are ready for Mark's professional installation in April. We will have top-of-the-line blinds that will blend well with the current decor and will be functional. The old blinds were "stylewise" dated, and did not work. Mark also was one of our tireless Work Day participants. Mark for your efforts and tools. Again, thanks!

We now have a newly refurbished and functional "BLYC" neon sign mounted on the second floor roof over the porch steps. The old sign did not work and looked pretty bad after years of weathering. The new sign look features larger white block BLYC letters on a blue back ground that is easier to see during the day. At night, we again have our alternating blue-red neon BLYC letters to guide us back to port. I want to thank Jesse Howard for his contribution to this effort. Jesse and his electrical contracting company have helped the Club in many ways throughout the years. Looking forward to seeing Jesse this summer. A Log picture of Jesse and the sign will be in order. I will also try to relay some of the history of the sign in a later log, (can anyone help?) It would be great to know what Commodore and Board, and/or member(s) were initially responsible for the sign, and the date of it first appearance as a traditional fixture of the BLYC.

Another Club enhancement project is now complete. Running out of space in this Log, but if you get a chance go upstairs, look at the cupola area. Allen, our house maintenance man has restored the bead board. Looking good,

Allen! Thank you, David, for you guidance and initiative. More later.

During our House and Grounds Committee meeting, Joe Campbell recommended that we install a window air conditioner in the second floor men's room and shower. We do not have central air upstairs and it does get really hot up there during the summer. If you, or someone you know have a small window air unit that we could purchase, or that is available through a donation, let Joe Campbell or me know. We eventually may be remodeling the second floor, including central air, and we do not want to spend at lot at this time until more second floor decisions are made, including a timeline.

Not to worry, the POOL is on schedule for opening May 28th. The Board and Trustee approved the cost of painting the pool. It has been four or five years since our last full painting. Don Lemmon has been able to touch up the pool each year, but it was time to completely clean, prep, and paint the entire pool again. Long term pool maintenance and refurbishing will be discussed, but as a result of Don Lemmon's expertise and efforts, the pool should look good for the next several summers. Thanks Don!

Also, a special thanks to Ted Hinterschied for his efforts to drain the pool in readiness for painting. Ted spends a lot of time for the good of the Club, particularly with respect to daily summer landscaping. Many of Ted's efforts go unnoticed since he is at the Club when we are closed or when most members are not there. A big thanks, Ted!

As 1 indicated above, I am running out of space for this Log, but a few notes about Spring Work Day. Approximately 34 members attended Work Day. I will provide greater detail next month. However, you will hopefully find our Work Day pictures in this Log this month. Governor Jim Thompson was quite busy with his digital camera. My new name for Jim is "Governor Digital". Thanks Jim! *Continued next page*

As a preview to more Work Day information in June, let me highlight three notable contributions. Our crew not only completed all planned tasks, but also took some individual initiative.

At one point I was surprised to see Tom Heisey on the roof with the power washer cleaning walls and gutters. Not a planned activity, but like many others, Tom saw a job and did it. Thanks Tom!

Dennis Mingyar saw a need, and did something that we have not done in a while, and should do more often. He power washed the east dockways in front of the Club. Everyone was busy for the good of the Club. Thanks Dennis!

Commodore Jim McBride took a lot of time to methodically catalog the

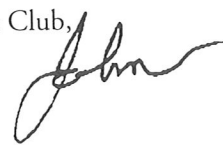

Commodores' Lounge Board pictures. We now have a written record of Flag Officers and Board Members over the years. We will use Jim's information as Commodore Miller and myself headup an effort to get the pictures reframed and matted. Some are looking rather faded and need restoration work. We are also running out of wall space, and will consider alternative framing to insure the continuation of the tradition of displaying Board pictures. Again, thank you Commodore McBride!

More Work Day information next month including the Norb, Jerry, and Dewey story.

Look at the porch, do you see anything different? Norb, don't tell! It will be like a contest, great idea and effort

Norb! -You've got to watch those engineers.

See you at the Club,
