

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

Commodore Howard Clark

The Semi-Annual Meeting went well and was rather uneventful. The Club is close to budget; all Governors are doing a superb job and, with a successful summer, I anticipate no problems. It is my pleasure to work with our dedicated Board. For what more could a Commodore wish.

Governor Mark Yerke recently completed the spring picture date for the Membership Directory. The new pictorial directory should be out sometime this summer. I want to thank Governor Yerke for his efforts as this is quite a task.

Thanks to Governor John Geiger and Governor Don Lemmon for their tireless efforts in making the BLYC grounds beautiful and ready for the summer activities.

Rear Commodore Jim Shriner in charge of entertainment continues doing an excellent job. The group Montage performed at the Commodores' Ball and did a great job. Saturday, June 3, is the Summer Fest with the Mike Farenkoph Band. Future entertainment will be covered in the Rear Commodore's Report.

Junior Sailing Classes will begin on June 12th. Governor Steve Harris has scheduled classes for the BLYC Sailing Program. These classes fill up rather quickly, so please register your children or grandchildren as soon as possible. Let us all support the BLYC Sailing Program. Governor Harris has done a terrific job by continuing the implementation of the program.

A big thank you goes to Governor Dan Knaul and Commodore Frank Foster IV for overseeing the dock project now in process.

I also want to recognize Vice Commodore Nick DeSantis, Bar & Kitchen; Governor Jim Thompson, Log; the Trustees, Commodore Marque Debenport, Commodore Fred Wright, Commodore Tim Maite and Commodore John Sproat; Keith Dotson, Secretary/Treasurer; General Manager, David Persons and the BLYC staff for their devotion and wonderful job.

The Commodores' Steak Fry is Saturday, June 17th. This is always a popular event. Plan to attend and enjoy steaks grilled by the Commodores.

Jerry Boundy and Ken Keller have worked diligently putting together a

June, 2000 - Vol. 10 Issue 5

Homer Tussing "Tween the Trees Cruise" for August 4th, 5th and 6th. This will complete the fleet's 5 year, 1000 mile trip, on the Ohio River from mile marker 0 in Pittsburgh PA to the Indiana state line. Sign-up forms will be available very soon. Sign up early if you plan to attend, as dock reservations and hotel accommodations are limited. This is always a fun trip.

Note the following calendar changes of previously scheduled upcoming events:

- A. Saturday, July 29th, will be the special event, "McGuffy Lane"
- B. Saturday, August 12th, Luau with dancing to "The Majestics"
- C. Friday, August 25th, 26th, and 27th Antique & Classic Boat Show
- D. Sunday, August 27th, Commodore Bob Dye Poker Run

Please mark your calendars accordingly.

Howard

Saturday, June 3rd Summerfest Party

(formerly the Springenfest)
Just like the Oktoberfest, but warmer! So if you can't wait until the Oktoberfest, Come on out to the Summerfest.

6:30 p.m. Cocktails

7:30 p.m. German Buffet

8:30 p.m. Dancing to the

Mike Farenkoph Band.

Please make your reservations early as we hope for another great party.

Bar & Kitchen

Dear fellow BLYC members, I hope you have been able to enjoy your Club as much as I do. The view from the porch is worth the price of admission alone.

Vice Commodore
Nick DeSantis

Thank you for your patience as we train our computer. I apologize for any inconvenience you may have experienced. I can only assure you that it will improve with age—they say everything does. I'm still waiting for my own improvement.

I must thank all the generous members of the Auxiliary for their kind endowment that will enable bar and kitchen to better serve all of us. They work very hard to give the Club that extra touch and I know we all appreciate it. If you haven't been to one of their meetings, you ought to try it. I have it on the highest authority that they are special. Again, special thanks to the awesome Auxiliary!

Please make plans to attend some of the great functions that Mr. Entertainment has planned this summer. Make your reservations early, so you won't be disappointed; in fact, that's about the only thing I make in the kitchen—reservations! Take my advice, don't forget yours!

Before time slips by, I would like to give some special word of thanks to my fellow flag officers and their wives. Howard is some special Commodore and his wife, Rosa, is certainly right there in the dictionary when you look up commodorable. Jim Shriner has worked like a dog, but Jane has trained him well. Just kidding, Helen, I know you have too. Of course, all the Governors and their significant others have really put out a great effort this year and it is always risky when you single some out for recognition. I hope everybody knows how much I appreciate all their help—yes, that means you, honey!

See you at the club,

Nick

Membership & Directory

I would like to welcome five new members to the Club that were approved at the May board meeting.

Governor Mark Yerke

Granger McKinney and his wife Kristen

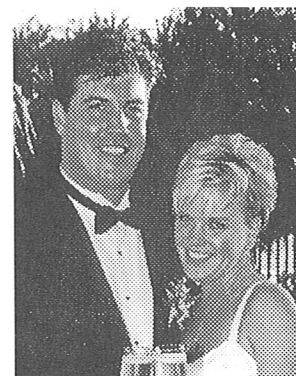

James Stgnoracci

Scott Hill and his wife Sharon

Donald DuBrul and his wife Colleen

Rob Sanders and his wife Shirley

Thank you to the following members for helping to perpetuate the membership of the club: James Cooper, William Koman, Hersh Atkinson, Nick DeSantis, Larry Sheridan, Tim Thimmes, Anthony Grilli, John Sproat, David Levacy, and Marie Doneff.

Mark

Off-Island Maintenance

Summer is here and many projects are completed. Eastport has been cleaned up. Work has been done on storage buildings, plumbing work has been done on rentals. Also, some minor electric work.

Governor Don Lemmon

Looking forward to doing many more off-island projects as summer goes on. Don't forget the Bob Dye Poker Run on the 27th of August.

Thanks, *Don*

Please Remember to...

Call Ahead!

Thank You

Entertainment

Welcome aboard for the Month of June and a great lineup of entertainment. Leading off Saturday night, June 3rd, is the Summer Fest with The Mike Farenkoph Band at 8:30 p.m.

The Commodores' Steak Fry will take place on Saturday, June 17th with entertainment by D C Productions. Sunday, June 18th, will be the Fathers Day Dinners at 11:30 a.m. The Flyover is July 4th.

The Crystal Ballroom event will be Saturday, July 15th, with entertainment by the Rick Brunette Band.

Please note the following special event changes in your calendar: McCuffey Lane on Saturday, July 29th and the Quau on Saturday, August 12th, with Comdr. John Sproat and The Majestics.

Please make your reservations in advance for these events and I look forward to seeing you at the BLYC.

Rear Commodore
Jim Shriner

J. Shriner

BLYC Auxiliary Showcase

Hey Members...

Take a look at the "New" merchandise in the showcase and this is just the beginning of more fun things to come.

I would love to hear your comments, suggestions and feedback on what you would like to see, so please call or write me: Terry Riley 740-928-0546 or send to P.O. Box 2073, Buckeye Lake, Ohio 43008.

Also, I would like to thank my daughter Brittani for her hard work on putting the order together and to Andrea for the use of her vehicle to pick up the merchandise and with the two of them ... making the showcase look wonderful. Thanks ladies!

House & Grounds

Summer is here! It is time. We now can all start taking advantage of swimming and outdoor food and bar service. During May, as we

started an intense effort to prepare the pool and pool bar area for opening, I had to reflect back upon the forward thinking Commodores, Boards, Auxiliaries, and members who have made BLYC house and grounds enhancements possible over the years. We often take things for granted once outcomes are realized; and, over the years, tend to forget past initiatives and persons responsible. To those of you who made the pool, pool bar, pool furniture, deck, etc., a reality today, thank you!

As I noted in May's Log, our April 16th Work Day was a great success due to the efforts of those members who participated. As we start to enjoy the summer, let us not forget Work Day contributions that will add to the enjoyment of outdoor BLYC activities and parties. An example was the cleaning of the porch valance by Norb Kaylor, Jerry Besanceney, and Dewey Albright. A picture in our May Log shows Jerry and Dewey scrubbing the valance. Hard work guys, thanks! Another picture last month showed a mystery man, "Guess Who" removing the valance for cleaning. It was Norb on the ladder whose face was hidden by the valance. Norb was the driving force behind the project. Norb also made a great money saving suggestion. Instead of having to take the valance on the west end of the porch (over the doors) to a canvas shop for modification to avoid damage by the doors (the valance was installed before the doors and was getting caught when the doors were opened and closed, Norb suggested we install the east side valance over the west doors. The east side valance was already cut in an arch which allowed for door clearance, and the west

Governor John Geiger

side valance fit perfectly on the east side. Great idea, thanks, Norb! I took a little extra space telling this story, but this is what Work Day is about, and reflects a spirit that makes the BLYC different from a lot of other private clubs and organizations.

Our pool has a fresh coat of paint and a new BLYC emblem. Barring any unforeseen circumstance(s), it should be ready for opening by May 28th. Governor Don Lemmon's expertise again was invaluable. Our poolside restrooms/showers are being refurbished by Allen, our Club maintenance man, and should be in top condition this summer. We are also in the process of moving the pool filter/chlorinator system and enclosing the area with a fence, which will enhance the appearance of the Club from the towpath, bridge and pool. A new gas line will be installed to improve the efficiency of the pool heater.

New flags are now flying on our flag pole and yardarm. To help us all identify the yardarm flags, a picture should appear in this Log (possibly next month). Our yardarm flags are as follows: BLYC burgee/pennant (top), As you face the lake, right side top to bottom - Commodore's (blue), Vice Commodore's (red), Rear Commodore's (white), Past Commodore's (blue), and on the left side, top - ILYA (Interlakes Yachting Association), and bottom - Order of the Blue Gavel.

Even though we are going to be outside more this summer, take a look at the new blinds in the Commodore's Lounge. Mark Russell did a great job installing them for Mother's Day.

In May's Log, I misspelled the name of one of our two benefactors who made the historic photograph framing and matting possible. Steve McClane (spelled correctly here) and Nancy Benson have asked that the project be dedicated in memory of Don M. Casto. A plaque is being prepared.

See you at the Club,

John

Race, Regatta, & Jr. Sailing

Summer is here and sailing is in full swing. Sunday racing began on May 14th and is going well. If

Governor Steve Harris

you want to race, please join us by

1:30 p.m. every Sunday at the Clubhouse. All classes are welcome and classes with three or more racers who complete the required number of races will qualify for the Lambrecht Cup this year. Sailing instructions for the Lambrecht Cup are available at the Club.

This month, we are going to hold a Wednesday night racing series at the Club. We're shooting for a 6:30 start time. Everyone will need to pitch in and help share race committee duties on this one. If all goes well, we will pursue the idea of continuing them through the rest of the season; so come out and sail and then enjoy dinner at the Club following your victory.

Probably the most exciting upcoming event in sailing is Junior Sailing Camp. Sailing camp is open to all children and grandchildren of members and their guests ages 10 and up. The registration form is included in this Log. We are offering three weeks of camp this year. June 12-16 (Beginners); June 19-23 (Intermediate and Advanced); and June 26-30 (Beginners, Intermediate and Advanced that cannot make week #2). Camp runs from 9:00 am to 4:00 p.m. daily at the Club, Monday through Friday. The cost is \$160 for children and grandchildren of members and \$175 for non-member guests. The cost includes daily lunch. This is a great experience for young people at the Club. Please get your reservations (Attention: Steve Harris) soon, as registration will be limited to insure a quality, safe program.

The Junior Race Team is getting geared up for the 2000 season and will be racing at their first I-LYA race on June 10 at Hoover Yacht Club. The Race Team would like to thank the BLYC Auxiliary for the windbreakers and pants they bought this year for the

Team. They are greatly appreciated and our Team will be one of the best looking (and, hopefully, one of the best sailing too). Mark your calendars for July 16-20 when we will be competing at the I-LYA Junior Bay Week at Put-in-Bay. This week-long regatta is a great experience and we'd love to see lots of BLYC members there supporting the team. On Wednesday evening, BLYC will hold a picnic in the shelter house at Put-in-Bay Yacht Club to honor our Junior Sailors. All BLYC members are welcome to attend. If you plan on attending, please let me know by July 10.

We will be holding Adult Sailing Classes on Tuesday nights in June (June 13, 20, & 27). The cost of the classes is \$75 per person and proceeds go to Junior Sailing. The classes will begin at 6:30 each evening and run until dark. This is a great chance to learn the basics of sailing in a fun, friendly atmosphere. Last year's participants had a great time and we're looking forward to another great year on the water! Come on out, sailing is FUN! Although pre-registra-

tion is not required, it is appreciated. Please contact instructors Tracey Davis (614-899-9717) or Steve Harris (740-928-1763) and let us know you're coming.

Recently, Commodore Chris Lambrecht and I discussed different races that used to be held at BLYC. We are looking into holding a "Bang & Go Back" race for powerboats sometime this season. These races were very popular in past years at the BLYC. The racers start in front of the Clubhouse and go full-throttle down the lake. At a random time, determined by the Race Committee, the cannon is fired a second time (**Bang**) and everyone turns around and races back to the Club (**Go Back**). From what Chris told me, it sounds like a lot of fun! Any powerboaters interested in racing or helping to plan this event, please inform Commodore Lambrecht or me.

The weather's nice and there's plenty of wind — see you on the water.

Registration Form - 2000 BLYC Sailing Camp

Member's Name: _____

Address: _____

Home Number: _____ Office Number: _____

Name and number of person to contact in an emergency: _____

Beginners & Intermediate (Advanced that couldn't make week #2) ☐ June 26-30

Camp meets from 9:00 a.m. to 4:00 p.m. A complete itinerary will be sent to pre-registrants

'Tween The Trees' Cruisers To Enjoy Many Cincinnati Attractions

When this year's 'Tween the Trees' Cruise participants tie up for the night, it will be just the beginning of a great weekend in one of Ohio's most interesting and active cities.

Arriving Friday afternoon, August 4, at Watertown Yacht Club, Newport, Kentucky, captains and crews will be transported by vans to Comfort Suites on Newport's historic Riverboat Row. Once settled in their rooms, cruise participants can travel across the river into downtown Cincinnati on round-trip shuttle busses that pass Comfort Suites every 15 minutes. Cost of the trip is just 25 cents per person.

There's something to do for every taste. Museums, entertainment, dining and shopping opportunities are either on, or just off, the bus route. And the Cincinnati Reds are in town both Friday and Saturday nights, playing night games against the Marlins. Shuttle busses run pass the stadium until 1 a.m. both nights.

While captains have had to register their boats by now to assure a slip at Watertown Yacht Club, it may be worth check-

ing with either Jerry Boundy (614-221-4402) or Ken Keller (614-846-8761) to see if a slip has become available.

Other deadlines loom. Many captains and their crews will be staying Thursday night, August 3, in Shawnee State Park Lodge, just west of Portsmouth, before the fleet sets out Friday morning from Shawnee State Park Marina. If you would like to stay at the Lodge, **You Must Call And Confirm Your Reservation By June 21.** The telephone number is 740-858-6621. Mention that you are part of the BLYC group.

Reservations are also required for Friday and Saturday, August 4 and 5, at Comfort Suites. Jo-Ann Boundy has reserved a block of rooms in the fleet's name. Rates vary according to room locations. To reserve a room, contact Jo-Ann at (614) 224- 2115.

Finally, tickets to either or both of the Reds' games must be arranged for individually.

This year's Ohio River cruise is the final leg of a five year, thousand mile round trip from Pittsburgh to the Indiana state line. All BLYC members are invited to take part in this historic Club event. If you would like to crew on one of the boats, contact Jerry or Ken at the telephone numbers above.

5th Annual BLYC Golf Outing

Sunday, July 23 - Noon Shotgun Start
Harbor Hills Country Club

Mixed Scramble - 6 Players Per Team

Dinner (Cookout) to follow at BLYC

Casual Golfing at its Finest on the
Shore of Beautiful Buckeye Lake

Trophies • Door Prizes • Refreshments, of Course
All Skills Welcome • Keg at the Club • Fun for All
Maximum Reservations for Golf - 96

First come, first served for members and their guests.

Invite a prospective member. After we review the score board at Harbor Hills, we'll go to BLYC where Hans and Dave will have the grills hot and a keg open. We'll grill our own steaks (chicken will be prepared) to go with a baked potato, vegetable, salad, coffee or tea and dessert. Then the awards "Ceremony" and door prizes for the golfers.

Green Fees, Cart & Dinner \$43.00

Green Fees & Dinner (For Harbor Hills members with own carts) \$33.00

Dinner Only \$15.00

It is suggested that the member make up his/her team of six and forward the registration and payment for the entire team. All single entries or twosomes will be paired with others. We do not solicit door prizes, but will appreciate and recognize those who donate. Call Don Best at 928-7116 for pickup.

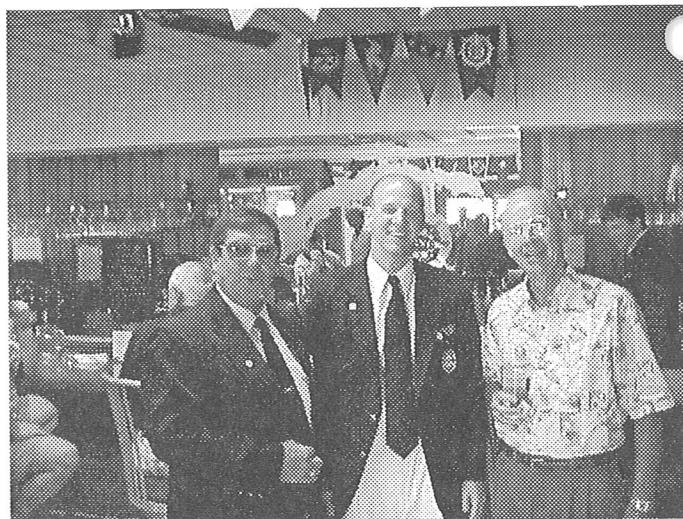

2000 Golf Outing Registration

Condensed History of Buckeye Lake and BLYC

By Commodore Frank H. Foster, BLYC Historian

The following is condensed from the History of the Buckeye Lake Yacht Club by the perpetual BLYC Historian, Kyle Armstrong. Without his effort, much club history would have been lost.

Episode III - Commercial Connection To The Outside World

Glaciers and erosion formed the Big Swamp and Big Pond, which the Indians and explorers had visited before settlement by Europeans began in the late 1700's. The settlers were self sufficient, worked hard and produced the necessities for survival. Life was rustic because it was difficult to transport in the manufactured goods of the east and difficult to transport out the products of their labor to a market for sale. They had little money, using barter in their own and surrounding communities. Thomas Minthorn carried bags of produce by horseback to Zanesville to barter for some essentials. Transportation to and from markets was limited to back-pack, horseback, strong cart or canoe over the same rough and faintly-blazed trails the Indians had used. There was an overabundance of the goods they produced because of the difficulty of transporting the goods and a shortage of goods they couldn't produce for the same reason. Worse yet, BLYC and power boats were not even invented yet and sailboats had little use on the Big Pond.

Adequate transportation facilities were needed but were beyond local economic resources. Government efforts were hindered by events leading to and resulting from the war of 1812. Governor Dewitt Clinton of New York had promoted the Erie Canal from the Hudson River to Lake Erie, and in 1823 "Clinton's Big Ditch" neared completion. Clinton had visions of tapping the rich Ohio country and, at the same time, Governor Jeremiah Morrow of Ohio was trying to improve Ohio transportation. With a joint effort including New York money, a study to find several feasible routes for barge canals in Ohio was undertaken. In 1825, the Ohio General Assembly authorized construction along two routes, one leading from Lake Erie at Cleveland, up the Cuyahoga valley, down the Tuscarawas and Muskingum valleys, up the Licking valley, down Walnut creek and Scioto valleys to the Ohio River at Portsmouth.

Early on Saturday, July 4, 1825, a great crowd gathered for a ground breaking ceremony at Licking Summit. This is

near what became Taylor's Locks, midway between what is now Newark and Hebron, beside Route 79 and is commemorated by a bronze plaque on a granite boulder erected in 1925 by Licking County. Settlers from around the Big Pond were there, many from along the route of the coming canal. Some were newcomers looking for work on the project. It was a major event with a band and a detachment from the Chillicothe Volunteers standing at attention. Thomas Minthorn from the Big Pond was there and so was Elnathan Schofield, the original surveyor of the Big Pond area, later a state senator from Lancaster; and, most importantly, then a member of the Ohio Canal Commission. The governors of Ohio and New York, who were mentioned above, were there too. The ceremonial spades of earth were turned, and axes, mattocks and shovels were put briefly to work. Trees fell, roots were grubbed, mules strained at slipscrapers and the canal began. Then the remainder of the holiday - and night - was devoted to conversation, feasting, games, dancing, refreshment, fighting and revelry in general. Perhaps this was the real founding of BLYC.

Construction contracts were let competitively to different organizations and people for clearing a site, constructing a lock or building a few miles of canal. The first contract covered the section from Taylor's Locks southward to Millersport, including the embankments to raise the Big Pond for storage of locking water. Today we call one embankment the north bank atop which sits the "towpath" and along which live many of our members. Within a year of the groundbreaking ceremony, thousands of men, mules and oxen were building the canal. To dig the canal and raise embankments, the earth was loosened by plows and then moved by slip-scrapers, dragged by mule teams or yokes of oxen, and held down laboriously by strong men at the handles. Much was dug with picks and shovels and hauled by wheel barrows.

Next Episode: Canal and Lake Construction Completed.

Fathers Day Menu • Sunday June 18th

served from 11 a.m. to 6 p.m.

Father's Prime Rib of Beef au jus, Baked Potato	14.95
