

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

Commodore Howard Clark

Summer activities at the BLYC are now in full swing. Don't forget to join us at the pool and pool bar. We will be featuring pool side entertainment many Sunday afternoons. See Rear Commodore Jim Shriner's article for details.

The Sailing Program is now in session, thanks to Governor Steve Harris, and the other summer activities are on schedule as planned.

Saturday, June 17th, was the Commodores' Steak Fry which was well attended and a good time was enjoyed by all. As always, the members and guests enjoy watching the Commodores feasting over a hot grill cooking the steaks.

July 4th festivities include the Fly-Over and Flag Raising Ceremony. Everyone should assemble at the Club around 10:00 a.m. The 4th of July

Long Distance Sailboat Races will take place following the Flag Raising Ceremony. Come see the 4th of July fireworks display and enjoy the viewing from the best place on Buckeye Lake.

Make reservations now for the Crystal Ballroom Dinner and Dance, July 15th featuring Rick Brunetto and the "Big Band Sound" Orchestra. This is always an outstanding party for those who enjoy the music of the Big Band Era.

Note the following calendar date changes or additions:

Wednesday, July 19th, the Club will have a party at the Put-in-Bay Yacht Club Shelter House. Make plans to attend and honor our BLYC Sailing Team. The Team will be competing against other Yacht Clubs.

Sunday, July 23rd, the Golf Outing will be held at Harbor Hills Country Club. Please make reservations for your teams now. This event is a fun event and becomes better and bigger each year, thanks to Don Best.

Saturday, July 29th, will be a special event with McGuffey Lane. Please make your reservations and get your tickets early. This event should be a big blast.

The Homer Tussing "Tween the Trees" Cruise is scheduled for August 4th, 5th, and 6th. This completes the fleet's five (5) year 1,000 mile trip on the Ohio River. A special thank you to Jerry Boundy, Ken Keller and their mates for arranging the details to make this cruise possible.

Please be sure to mark your calendars detailing the above changes or additions. It is my difficult task to plan a

12 month Calendar of Events in November and December of the previous year, and I sincerely appreciate your supporting the Club by attending these events.

Also, please look ahead and plan to attend the following events not listed above:

Saturday, August 12th
Luau with Dancing to "The Majestics"
Friday, Saturday, Sunday,
August 25th, 26th, 27th
The Antique & Classic Boat Show
Sunday, August 27th

Bar & Kitchen

Dear fellow BLYC members, the summer has started with a flourish and we hope it continues as well. David, Hans and staff have been zooming along this season and we all really appreciate their fine efforts. Whether it is dining on the porch or imbibing by the pool bar, we are all here to make your time at the BLYC that much more special. Please help the staff to help you by making your reservations for dinner or special events as early as you can. There have been some nice changes at the Club (I won't mention the com-

puter if you won't). So make plans to be here at the Club. Remember the more you're here, the better it is!

Rear Commodore Shriner has some great events planned. Don't forget Rick Brunetto at the Crystal Ballroom on July 15, John Schwab and McGuffey Lane on July 29, as well as the Majestics at the Luau in August. I didn't mention the fly-over on July 4, or the Light the Lake party on July 1, or the live simulcast for the fireworks on July 4. So many events, so little time!

Also, if any of you out there want to join the Board of Governors. Please don't be shy, talk to me as the nominations committee is looking for some great candidates to put forth this coming September. It's never too early to start campaigning. Ask George Bush or Al Gore.

See you at the BLYC.

Membership & Directory

The membership board at the Club has finally been completely updated. Please review, and if there are still errors and omissions (imagine that!!!), please contact me personally at 614-221-6724 ext. 1020.

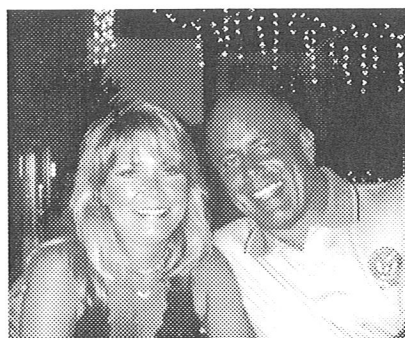

The following applicants were approved for membership at the June board meeting:

Richard E. Miller (Rebecca)

Governor Mark Yerke

Mark S. Daniels (Pam)

Thomas C. Green (Lynn)

Brett K Pfahl (Kris)

Walter C. Yost (Pauline)

The club would like to thank the following members for helping to perpetuate the club membership: James Bordon, Dan Gartner, John Doneff, Steve Schilling, Robert Dix, John Sproat, William McIntyre, Dan Knaul, Jerry Besanceney and Tom Heisey.

Have a Safe and Happy 4th of July!!

Rentals & Docks

Dear fellow members, as we start into the busiest part of our season here at the club, here are a few things to remember:

Governor Dan Knaul

With all the upcoming events, the stage will be up most of the summer, preventing use of the guest docks in front of the Club. Please feel free to use the guest docks in area 8 or outside the basin, but do not use another member's dock without talking to myself or the owner (preferably both).

For those using the storage facility at Eastport, please make sure you are in your assigned area and that your trailer is clearly marked with your name (tags are available at the Club). With trailers springing up like flowers, the only recourse we have is to padlock them until the owner can be identified. If I have not assigned you a spot, or you are not in your assigned location, please call me at 740-929-2446.

Please remember the Wooden Boat Show is coming up in August. This is when we ask all members in the basin area docks in front of the Club and those in area 8 to remove their boats between August 24th and August 28th. If you are in one of these areas, I will personally contact you with more details. I am working on securing some temporary docks for the duration of this event, but please help look for alternative dockage wherever available. This is a wonderful event that brings attention and revenue to our Club, not to mention some very beautiful boats, so please cooperate if at all possible.

Hope to see you in Put-in-Bay for Junior Bay Week, (July 17th-21st).

Have a safe and happy holiday!!!

Entertainment

Welcome aboard for the month of July and a big line-up of entertainment. However, first I would like to mention

Rear Commodore
Jim Shriner

that the Commodores' Ball was a

huge success, thanks to Nick and Michelle DeSantis and their recognition of the Commodores. Also, the group "Montage" by Mike Rowan did an outstanding job of entertaining for the evening. I appreciate all of the positive comments that I received. The Summerfest was another great evening as we were entertained by the Mike Farrenkopf Band and everyone danced the night away.

Now for the line-up—beginning Saturday, July 1st, Mike Handley and his acoustical guitar will play from 7:00 to 10:00 p.m. Tuesday, July 4th, will be the traditional activities at 10:30 a.m. and the fly-over and the singing of the National Anthem and the radio station, The Q 93.7 will broadcast the evening events live from the BLYC starting about 6:00 p.m.

On Saturday, July 15th, the Rick Brunetto Big Band will entertain you for the Crystal Ballroom night out at the BLYC. Tickets will be \$10.00 each in advance at the BLYC. Dinner will be an additional \$15.00, and reservations are a must should you decide to eat before the music begins.

On Saturday, July 29th, the other special event will be John Schwab and McGuffey Lane starting at 8:30 p.m. Tickets will be \$15.00 each and must be purchased in advance at the BLYC or from any member of Board of Governors. Should you decide to eat before the music begins, a Bistro Grill will be the choice with the gates opening at 6:30 p.m.

The Luau will be Saturday, August 12th and John Sproat and the Majestics will provide another wonderful evening

of entertainment. On August 25th, 26th, and 27th will be the annual Antique Classic Boat Show.

I would like to remind you that we have poolside music on Sunday afternoons at about 2:30 p.m.

Remember to buy your tickets early for the big events and I look forward to seeing you at the BLYC.

Jim Shriner

House & Grounds

The beat goes on! The BLYC spirit continues as evidenced by member contributions.

Steve McLane

(I still want to put an additional "C" in his name, but this is the correct spelling) suggested that we could enhance the appearance of the pool area by installing hocks on the backside of the new fencing to hang the pool cleaning wand/brush/hose and screen. We did, and it is an improvement. Thinking "out of the box" (not just the way we have always done things) works. Thanks Steve, more suggestions please.

I want to thank Doug Huff for his help with the new poolside-fencing project. Even though we are not as dependent upon member labor as in the past, we still need and appreciate that Workday spirit. Doug's enthusiasm and willingness to help represents "that old time" BLYC spirit and tradition. Only Doug and I know the secret to properly installing a carriage bolt to insure strength and structural integrity. Just joking, thanks Doug.

In the May Log I asked for help in getting a "used" air conditioner for the second floor men's shower and restroom. Ann Oliver and Oliver Heating and Cooling responded. We now have a

Governor John Geiger

"new" window air conditioning unit. Stay cool, guys. Thank Ann when you get a chance.

Donations like Ann's proves to me that the Club is a special place, and members, like family, keep us moving forward. Even though house and grounds (facilities) are important elements of the BLYC, and represent a significant reason why people join (I know Jack, location - location - location is also important); member spirit, enthusiasm, participation, friendship, and pride makes the BLYC the special place it is.

Briefly, a few of the house and grounds projects that are either in progress or have been completed that hopefully will add to your BLYC Summer, and keep our program of continuous improvement and maintenance moving forward are as follows:

Fencing added adjacent to the deck for safety (near children's pool).

Pool filter and chlorinator system fenced in for safety and aesthetics.

Pool better repaired and new gas line added.

Various electrical repairs completed (probably more to come).

Pool and pool bar lighting added.

Pool restrooms/showers refurbished.

New pool bar fencing added (replacing old latticework).

Bridge fencing power washed and sealed.

Pool bar deck and west porch steps power washed and sealed.

Porch down spout repaired and/or replaced.

Parking lot ramp handrail and guest dock fence painted.

We have more to do! Keep your suggestions coming, more next month.

Hope you're having a great BLYC Summer!

See you at the Club,

John

Race, Regatta, & Jr. Sailing

Summers in full swing and sailing is very active at the BLYC. The past month has been very busy, and July and August are looking full, too. If you're a sailor or boater, now's the time to be on the water at Buckeye Lake!

Governor Steve Harris

We had three weeks of Junior Sailing Camp in June and more than 30 young men and ladies participated. They're a great group of students to work with and the instructors had as much fun as the learners. I owe a big thank you to our Junior Sailing Camp staff for the great job that they did in providing instruction and fun for these young people. Tracey Davis and Stone Parker are some of the best instructors I've ever worked with. They are a real asset to Junior Sailing at our Club! Justin Evans, Nate Owen, Crystal Gelin, and Cameron Evans also worked with us and were fabulous. They did a wonderful job and were great role models for the students at camp. We will hold the annual **Junior Sailing Awards Banquet** on Thursday, July 27, at 7:30 p.m. at the Clubhouse. All camp participants and Sailing Team members and their families are invited to attend. Details are being finalized, but the cost for dinner will be approximately \$10.00 per person. We will recognize all those who participated in camp, along with those who improved greatly over the week, excelled as sailors, and were persistent in their effort and helpful to the staff. We will also recognize the accomplishments of the 2000 Sailing Team this evening.

In June, we also held our first class of **Adult Sailing** for this year with seven participants. As always, a good time was had by all and we can now welcome seven new sailors to the Club. There will be another class of Adult Sailing the

first three Tuesdays in August. Contact either Tracey Davis or me for more information.

Our **Junior Racing Team** attended two regattas last month and represented the Club well. Both Flying Junior crews attended the Hoover Yacht Club Junior Regatta on June 10. In a fleet of 11 boats, Skipper Justin Evans and Crew Amanda Newman placed 3rd and Skipper Nathan Owen and Crew Steve Unwin placed 7th. Great Job guys! The team would like to thank the members who attended this regatta and showed their support: Brett Pfahl, Tracey Davis, Jim and Sue Owen, and Waiter Grubb Sr. The two FJ crews also attended the Sandusky Sailing Club Junior Regatta on June 17 along with Laser sailors. Cameron Evans and Crystal Gelin. A big thank you to new member, Brett Pfahl, for giving up his Saturday to haul the boats to Sandusky and help the team. Thanks, Brett! The team will be attending the Vermilion Boat Club Junior Regatta on July 14 and I-LYA Junior Bay Week at Put-in-Bay the week of July 16-20. We also hope to have a few of our younger Juniors in the I-LYA Optimist Championships at Put-in-Bay on July 21. Come on out and support the Junior Sailors. They're a great group of young people and the future of BLYC.

Sunday races are coming along nicely and getting more competitive all the time. We've been getting more and more boats out each week, but can always take more. Whether you consider yourself a competitive racer or just sail for fun, come on out on Sundays and join us. We start at 2:00 p.m. every Sunday, so get out to the Club early. (Note, there will be no official races held on Sunday July 23, due to the BLYC Golf Outing).

There has been a growing interest in one-design sailing at BLYC. Several members have expressed an interest but to date, there's no consensus on what class we should sail and how to get started. To get the ball rolling, I would

like to have an informal meeting of those members interested in one-design sailing at the Club on Tuesday, July 11, at 7:00 p.m. Anyone interested in racing one-design is strongly encouraged to attend so that we can get things off the ground. Commodore George Fisher has offered to demonstrate several different classes of boats that we may wish to consider, so come out and help us in shaping the future of racing at BLYC. If you plan on attending this meeting, please give me a call at 740-928-1763 and let me know.

Don't forget the Commodore Earl Williams Long Distance Race on July 4.

See you at the Club!

Off-Island Maintenance

Hello every one.

We are having a great time these days at the Club. Come and join us.

Governor Don Lemmon

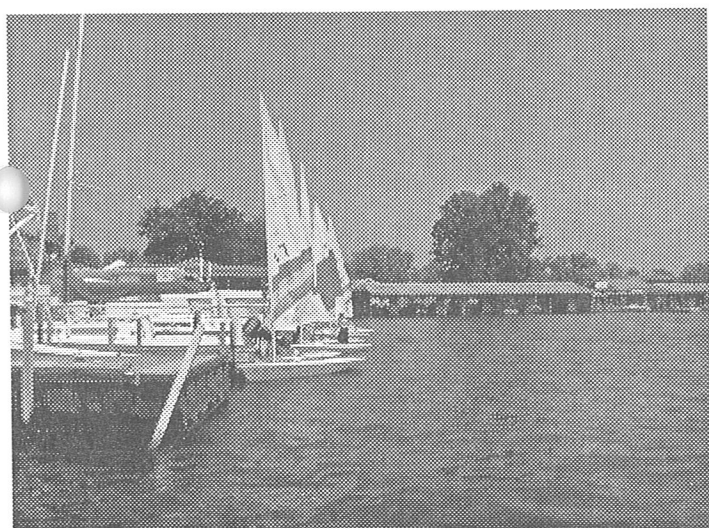

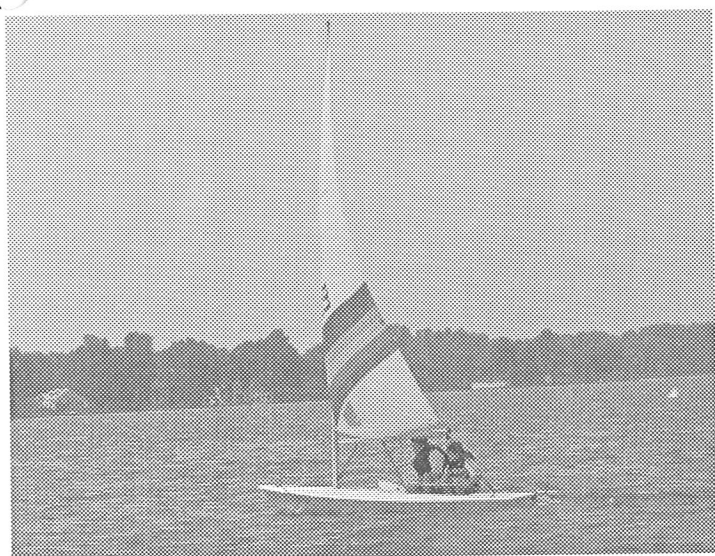

We are still having problems trying to find out whose trailers or boats are whose at Eastport yard.

We need your help now. If you have either a boat or trailer at Eastport, let us know where they are or we are going to lock them up and then remove them from the yard. Please put a name tag on all trailers and boats.

You might think we know who is who, but we don't. Call Don Lemmon or Dan Knaul. The matter has gone too long unattended. Just because you pay lot fees doesn't mean we know which is which. Just let us know.

Thanks,

The June meeting was a visit to Glory House in Millersport. New member, Shirley Kaye Saunders, is the owner/operator of a wonderful studio/gallery of hand blown glass. Due to a conflict with her schedule of classes, the meeting was held on Wednesday. For those of you that did not see the notices posted at the Club, I apologize! If you have not visited her shop, please do so! She is a nationally known artist and gave us a great tour of her shop, as well as a demonstration of making a vase.

The July meeting is the annual Pool Party! The members voted at the May meeting to hold the pool party in the early evening this year to better accommodate the working members of the auxiliary, as well as the golfers! The meeting will be held on Thursday, July 13th. Cocktails will begin at 6:30 with dinner on the porch at 7:00. Feel free to come earlier if you like. Spouses and significant others are invited. Please plan to attend and enjoy an evening by the pool! The menu will be posted at the Club. Don't forget to make reservations, so Hans and staff will be prepared.

One last reminder—the Style Show is the August meeting. It is shaping up

to be very special this year. It will be held, as always, with lunch at the Club. Make plans now to attend. (Put those vacation requests in at work!) The style show is one of the meetings you don't want to miss!

If anyone is interested in being an officer for 2001, please let Tracey Davis, Terri Gatton, Mimi Geiger or Sue Harris know. The election of officers is held in September. This is a great way to become familiar with the Club and meet people. Won't you give it some thought?

See you all at the pool!
