

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

December, 2000 - Vol. 10 Issue 11

Commodore Nick De Santis

Dear BLYC members, the cold weather is here, but don't let Old Man Winter keep you from your Club. Some of the best times at the Club can be had when the fireplace is crackling with flames and you look out over that beautiful view of the lake. Enjoy your Club in one of the best times of the year. You can bring your family, your friends. It's not crowded. The food and beverages are just as great as any other time and the friendships renewed are especially meaningful.

December is a great time of year, and not just because it starts with my birthday—although being at the BLYC even makes turning the **big 50** bearable. The holiday season is always a rush and a blur, but take time to enjoy it and as I have said, there is no better place to enjoy it than at our Club. Come to dinner, come to the Christmas parties,

come and enjoy the best kept secret in central Ohio.

Let Michelle and I be the first to wish you a Merry Christmas, Happy Hanukkah or just Season's Greetings. May yours be extra special and may we all enjoy a truly healthy and happy season.

Nick

*Happy Birthday, Dear
"Old" Commodore*

Bar & Kitchen

Welcome aboard for the month of December and the Holiday Spirit. I want to take this opportunity to wish you and your loved ones a joyous and happy holiday season.

Vice Commodore
Jim Shriner

Many activities have been planned for December at the BLYC. Tony Monaco will entertain on Friday evening, Dec. 1st.

The Children's Christmas party will be Sunday, December 10th at 2:00 p.m. sponsored by the Auxiliary. The Adult Christmas Party will be Saturday evening, December 16th with music by the Jack Gorham Band. Then the New Years Eve Party will be held Sunday evening, De-

cember 31st with music by the Paul Clark Band. Of course, Hans and Charles will provide wonderful treats as they always do. Thank you, Hans and Charles.

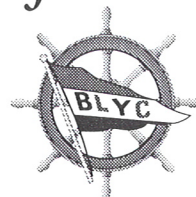

Reservations are a must—so make your plans now and contact David at the Club at 929-9941 as soon as possible. I want to thank David and his staff, Jenny, and all those who make our time at the BLYC so enjoyable. I wish all of them a very Happy and Merry Holiday Season. Thanks again!

Also, I want to thank Bob Snow, Jr. for helping me install all of the bubblers on work day in and around the docks. I couldn't have done it without his help.

To the Board of Governors and Trustees, Commodore DeSantis and Michelle, all of the members and loved ones, A Very Happy and safe Holiday Season. As always, my lovely wife Jane and I look forward to seeing you at the BLYC.

J. Shriner

*Happy Holidays
to all BLYC
members and
friends*

Entertainment

I want to thank everyone who attended our Halloween Party and Haunted BLYC. As a first time effort, the Haunted BLYC was a success. We

Governor John Geiger

were able to transform our normally scary basement into an even scarier place. Many people helped make this effort a success. Many thanks to everyone who helped. Hopefully, we can repeat next year (it is on the calendar), and turn the Haunted BLYC into a traditional family event. The BLYC is family.

Do not forget our Adult Christmas Party on December 16th. Your hosts will be Joe/Joni Campbell, Tom/Molly Campbell, and Jack/Janet Holmes. We will be featuring new members from the past year and are in hopes that St. Nick (Commodore De Santis that is, sorry) will soon be here. Our entertainment will be the Jack Gorham Band.

Six reasons not to attend the Christmas Party: 1. Buckeye Lake may not be a full pool (see George Pugh). 2. Your sails are being repaired (Ilkka Aro can help). 3 The parking lot is not paved (talk to Commodore Maite). 4. You favorite candidate will not be President (see any Commodore). 5. David Letterman probably will not attend (Emil Klein was supposed to invite him, isn't Letterman German?). 6. I saw mommy kissing Santa Clause by the Christmas tree last year during the Children's Christmas Party (who can resist that jolly old man from the North Pole, or is that the "North Bank"?)

Speaking of other parties and entertainment, mark your calendars:

December 1 - Friday
Dining and Entertainment by
Tony Monaco

December 10 - Sunday
Children's Christmas Party (2:00 p.m.)

December 16 - Saturday
Adult Christmas Party
Jack Gorham Band

December 31 - Sunday
New Year's Eve Party - Paul Clark Band

Due to our holiday schedule, trap shooting will be limited to Sunday, December 3rd and 17th.

Please refer to the displays in this Log for Adult Christmas Party and New Year's Eve Party information. Reservations are a must for these two parties.

Our calendar and entertainment budget is now approved for this year. I am in the process of booking entertainment. If you know of a good solo act or group, let me know. Our goal this year, budget permitting, is to have more entertainment on non-party and event dates, and to expand the pool bar entertainment schedule. We are also planning for member participation entertainment. A Comedy Night is scheduled for Saturday January 13th, in conjunction with Fondue dining. Get your jokes and funny stories ready (the election should be a good source). Look for more information in our next flier.

See you at the Club,

House & Grounds

The fall work day was a success. We were able to get all the work accomplished that needed to be done, ate all the doughnuts and the fine lunch served by Hans.

Thanks to all who attended.

John Geiger, Dick Doyle, Don Lemmon, Faye Lemmon, Bob Baldwin,

Rear Commodore
Jim Thompson

Joe Miller, Rick Groff, Dewey Albright, Ilkka Aro, Don Best, Steve Harris, Jim McBride, Norb Kaylor, Becky Thompson, Tim Stroup, Tim Maite, George Conrad, Doug Huff, Cherry and Tom Shain, Emil Klein, Mimi Geiger, Nick DeSantis, Michelle DeSantis, Don Harris, Mark Russell and Ryan Russell, Dick and Austin Miller, Dan Knaul, Ed Riley, Donna Parker, Stone Parker, Crystal Gelin, Frank H. Foster, III, Frank H. Foster, IV, Mike Jacobs, Fred Wright, Sonny Floyd, Dan Ball, Bob Snow, Terry Riley.

In addition to the work day efforts, we have retained an engineer to study the problem of the buckling of the cement walkway around the east edge of the pool and their report should be back shortly.

We also had the door in the ladies' restroom fixed and many minor problems.

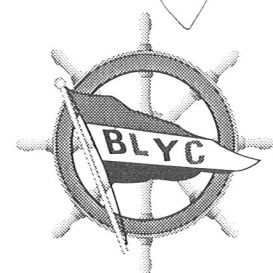

Please feel free at any time to bring house and grounds problems to my attention, Allen's or David's so that we can deal with them.

One note from the clean-up crew at the work day—please do not throw your cigarette butts off the porch into the flower garden. Someone has to clean them up! There are ashtrays available - please use them!

A new furnace and air conditioning unit is being installed in the Commodore's Lounge as we go to press.

A special thanks to John Geiger, the previous House and Grounds Chairman, who has been enormously helpful to me in seeing what needs to be done and getting it done.

Happy Holidays to All!

Membership & Directory

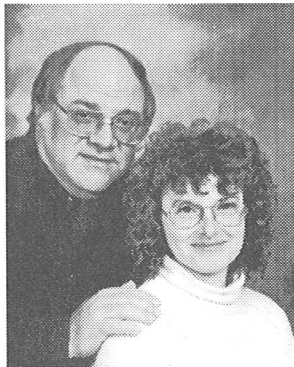

To all BLYC Members, I would like to welcome in three new members from the November 9th Board Meeting. Our new members that I would like to introduce are:

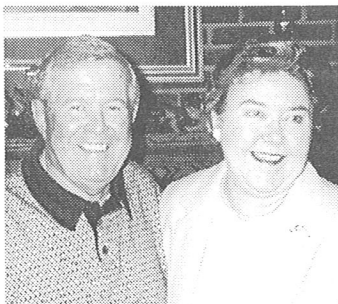

Governor Mark Russell

Kenneth and Christa Marshall with their sponsors, Tom Charles and Hank Rucco.

Second, we have *George and Hilda Pappas* who had Frank Foster and James McBride as their sponsors.

The third new member is *Eugene and Joann Venetta*, with Don Day and Joe Miller as sponsors.

Let's all make these new members welcome at the Club, and thanks to the sponsors for showing them our Club!

There was another marriage to announce in our membership (if you didn't already know). I would like to congratulate Frank and Andrea Foster for having tied the knot. A note on our Permanent Membership cards. We are showing that everyone has had their card sent to them. If any member has failed to get one, you may call the Club and leave me a message and I'll make sure you get yours sent to you.

Many thanks to those members that have helped bring in new members from your active sponsorships. Remember our Club's growth and future depend on our current and prospective new members.

As we are approaching the end of the year, I sincerely hope everyone has a great Holiday Season and a Happy New Year going into "2001"!

See you all at the Club

Mark

Off-Island Maintenance

Seasons Greetings!

By now most of you know that East Port boat yard is one of my many off-island jobs. Well, we have had an

ongoing problem and I will try to explain as best as I can. Back where our boat lift is located, there is a large area that members use to put their boats in and out of the lake. Members also use this area many times during the year to lift their boats on and off of their trailers to work on them. We need this area free from obstruction, which includes trailers, boats, cars, and just misc. stuff.

Governor Don Lemmon

This no parking area begins at the entrance; left of the entrance is a cable, no parking from the cable to west fence. Boats and trailers parked in this area must be moved to a leased assigned spot. Please remove all items in this area within the next 30 days. Failure to respond to this request will make it necessary for the Board of Governors to make necessary arrangements to relocate any items left in this no-parking area. There are no assigned spots in this area.

Our intent is to make this area available to all members to be used as intended with no obstructions. Signs will be posted in the near future to clearly mark the problem area.

Thank you for your understanding. Any questions, please call 740 928-4343. Have a safe and happy holiday.

Don

Rentals & Docks

With the Holidays right around the corner, I'm sure the last thing on your mind is your dock or storage area.

Governor Dan Knaul

At the end of the month, you will receive your bill for docks and storage in with your annual dues bill. Please take a minute to make sure it has the correct dock or storage area number listed.

FYI: The new docks are scheduled for completion in May 2001. In January, I will be starting to contact members on the docks waiting list to assign them.

Happy Holidays!

Don

The Auxiliary

Secretary Sue Harris

The Auxiliary traveled to Glory House in Millersport for the November meeting. Shirley Kaye showed us her shop and talked about glass blowing. She has many unique items. If you weren't able to join us, check her out. We met back at the Club, slightly damp, for a wonderful turkey dinner. Thanks Hans and Staff.

December 14 is our annual Christmas Party and Caroling. We have decided to again collect food for the Leads Food Pantry. We are asking all Club members to participate in the food drive. Please bring non-perishables or money to the Club before December 14.

We will have 50 of the BLYC Blanket Throws, our fund-raiser for this year, at the Club before the December meeting, so plan your Christmas list

now. Remember the proceeds from the blankets will go to purchase Logo dinnerware for the dining room.

The menu for the Christmas Party is Beef Tenderloin, Twice Baked Potatoes, Salad, and Black Forest Cake.

Be sure to make your reservations early to help Hans and the Staff prepare for us.

Don't forget the food drive!

The Auxiliary Fund-raiser

Vice President Terri Gatton

The BLYC Auxiliary is pleased to announce the sale of custom-made throws depicting scenes from the Club.

The throw is woven in red, white and blue washable cotton and features a picture of the Snowball Regatta, a picture of the Classic Wooden Boat Show,

a current picture of BLYC, and a picture of the Club prior to the porch being added. These are placed in each corner of the throw. Showcased in the center is the familiar Wheel and Burgee. The throw is bordered entirely by the letters BLYC * BLYC * BLYC, etc. The Auxiliary expects delivery of a limited number of these prior to Christmas! The cost is \$50.00.

You may contact Terri Gatton at 740-929-2446 to secure your order in time for Christmas. The Auxiliary intends to use the proceeds from the sale of the throws as a sustaining project to fund the purchase of customized BLYC china for use in the dining areas of the Club.

Please show your support for the Club and Auxiliary. Thanks!

Attention Yacht Persons

Sunday trap shooting at BLYC

We start each Sunday at 1:00 p.m. (weather permitting)
12-gauge trap loads are available at the Club

Saturday, December 16
