FROM THE BRIDGE ☆☆☆

April, 2001 - Vol. 11 Issue 4

Commodore Nick De Santis

Dear BLYC members, it is with a heavy heart that I dictate this last but heavily debated Log article. Due to the emotion of this momentous occasion, I am unable to write but have trusted my dear friend Al Wing to put this down on paper for me. As you know, Michelle and I have always been a team working together for the BLYC. However, the demands of balancing our business, our marriage, and the responsibilities of the Club have made it impossible to continue. Something had to give and, unfortunately, we decided we must forego the remainder of my term as Commodore. I have discussed this with my children as well as my pastor and physician and this is the course that all recommend.

Be assured that you are in capable hands, with Jim Shriner assuming my position and with Jim Thompson also

ascending. You have lost nothing in this weighty exchange. The Board of Governors will meet soon to elect a new Rear Commodore and this will be the most difficult task as there is no one who is interested in the job.

Well, this is as far as I could get with this April Fool joke. I hope you all forgive me for this prank, but I needed to prove that yes indeed, our members do read the Log. Please read the governor's

articles for this month's schedule of events and please don't forget work day on April 22. It is really, no joking, one of the best ways to meet fellow Club members and to do great things for our Club.

See you at the Club,

Wild horses couldn't drag me from being your Commodore,

Bar & Kitchen

As you know, the first day of spring is March 20th; however, it has been unseasonably cooler than normal. Mother Nature won't let go of that long winter we experienced. Some of our early bird boaters have already commissioned and launched their vessels.

I would like to take this opportunity to introduce you to our new staff members. Bonnie Davenport will be your waitress. The new bartender, Kyle Suchan, will be serving your favorite drink, and the new culinary arts person in the kitchen is Chuck Shoemaker. Please introduce yourself and make them feel at home.

**Vice Commodore
Jim Shriner**

As usual, Governor John Geiger has more entertainment lined up for you for the month of April. On Saturday, April 7th, Country and Western Night, music will be The Retro Rockits. On Sunday, April 15th, Easter dinner will be served from 11:00 a.m. to 6:00 p.m. Please make your reservations as soon as possible. On Saturday, April 21st, it will be New York Nights with The Tony Monaco Trio. There will be a Rush Party in the Commodores Lounge for prospective members before the evening begins.

We had a great turnout for the St. Patrick's Day Party. There were some 150 reservations, the food was delicious, thanks to Hans, Charles and Chuck, and Commodore John Sproat and the Majestics entertained us. "James Brown-Get Down" was there. The Beach Party was dancing to the Paul Clark Band and the Caribbean Buffet was tasty. Those

who attempted to wear their bathing suits and cover-ups may have been a little chilly.

I want to thank David and his staff for another wonderful month. Commodore Al Wing is on the road to recovery from knee surgery. I know he will be on the golf course soon. I hope you enjoyed the month of March at the BLYC as much as Jane and I have and I look forward to seeing you at the Club.

John Geiger

Entertainment

I want to thank everyone for supporting our entertainment schedule this winter. From a budget prospective, entertainment has helped maintain stability in our bar and kitchen operation during a traditionally slow period. Again, thank you.

Governor John Geiger

Anyone who missed the Canals of Venice Night with the Tony Monaco Trio (March 3rd) missed one "heck" of a performance. I now see why Tony and his Trio have signed a national recording contract. If you missed Tony, all is not lost! Mark your calendars now! The Tony Monaco Trio will be playing April 21st for our New York Nights' Party.

You should have received an entertainment flier the week of March 12th. This would have been about the same time you received your March Log. The purpose of the flier is to provide you with something that can be posted on your refrigerator, or placed in another quick reference and save spot at home. My eventual goal is to mail a flier approximately two weeks after each Log as a "between Logs" reminder. I am also attempting to include menus and other information/messages in each flier.

Please note the following entertainment schedule April 15 through May 2 (Also see displays in this Log for times, menus and pricing.)

See you at the Club,

John

Membership & Directory

To all my fellow BLYC

members, I hope you're welcoming the early spring weather of April.

Remember April showers bring May flowers, and in our case May boating.

Our March 8th Board meeting had many topics. With membership we had the second reading of new members. Steve and Terri Beck with sponsors Fred Bair and Frank Foster behind them. Let's make Steve and Terri feel right at home here at the Club.

Governor Mark Russell

Steve & Terri Beck

Also in Membership our Board voted to make Custis Wuellner an Honorary member. As you know, her husband, Wilber Wuellner, was a past Commodore and they joined the Club in 1955. The Wuellner family has been active here at B.L.Y.C. for many years now.

Coming up in April will be our first of three planned Rush parties. On Saturday, April 21st, the Club is having an Ice Breaker, New York Nights. We are asking members to please bring guests that would be good prospective members. Membership will start the evening from 5:30 to 6:30 with open Happy Hour in our Commodores Lounge for the guests. If you have any questions, please feel free to call me 614- 239-0143.

See you at the Club,

Mark

House & Grounds

Sunday, April 22nd
Spring Workday

Things are poppin' in the

House and Grounds area. Work has started

on the construction of a permanent stage to the west of the old stage. The final decking will be installed on **Spring Workday, April 22nd**. In addition to that big job, there are numerous other normal workday jobs to be done. So, if you have a hammer, a drill or a wrench, we need you on **April 22nd at Spring Workday**.

If you don't have a hammer or any skills, you're also needed to assist this chairman with no skills in getting the Club ready for a great spring and summer.

In addition to **April 22nd Spring Workday**, authorization has been given for the repair of the deck adjoining the pool and for reinforcing the wall of the pool which has been shifting slightly towards the lake. That work will commence shortly.

Remember it's your Club, so we'll see all of you on **April 22nd at Spring Workday**. Its fun and it's free!.

Rear Commodore
Jim Thompson

Rentals & Docks

Happy April!!

Boating season is coming up fast, so call me at 740-929-2446 if you need a dock. We should have some available at the new Eastport facility. If you have not paid for your dock yet this season, please do so ASAP to avoid reassignment.

Also, please join us April 22nd for Work Day. We need your help!!!

Best regards,

Governor Dan Knaut

The Auxiliary

Secretary Sue Harris

The BLYC Auxiliary met March 8 in the fireplace room with 15 members present. We enjoyed a delicious Roast Pork dinner followed by a business meeting.

The Children's Easter Egg Hunt will be at 1:30 on Easter.

The BLYC throws have arrived and are wonderful. See Terri Gatton or Michele DeSantis to get yours. The price is \$50.

We need the help of everyone to continue providing our Club with all of the extras—such as the round tables on the porch, the rocking chairs, and the pool furniture, and support to the Junior Sailors—that we have been able to do in the past.

Please plan to attend our next meeting, April 12, to show your support of our Club. Chance Brockway will be there to tell us about the Buckeye Lake Museum and history. Dinner will be Broiled Salmon or Chicken over Greens, Assorted Cheeses, and Key Lime Pie. The price is \$10. Please specify your preference of entrees when you make your reservation.

BLYC Receives Memento of "Tween The Tree" Cruises

Jerry Boundy (middle left) and Ken Keller (middle right) present a chart of the Ohio River between Pittsburgh and the Indiana state line to former Commodores Howard Clark (left) and Tim Maite. The chart identifies the different legs of the 5-year journey completed last season by skippers and crews of BLYC, also identified on the map. Jerry and Jo-Ann Boundy, Mary and Ken Keller and Tim and Martha Maite were the only members of the Club to complete all 5 legs of the cruise.

Race, Regatta, & Jr. Sailing

Spring is here! It sure seems like winter was longer this year than usual, maybe just colder. No matter, now it's time to gear up for the 2001 Sailing Season at the Buckeye Lake Yacht Club.

Governor Steve Harris

As usual, we will kick off the Sunday racing series on Mother's Day, May 13. Races will start at 2:00 p.m. with the pre-race Skippers Meeting being held at 1:30. This year will bring some changes to our racing. First, the Cruising class will be handicapping finish times according to the PHRF rating system. There's still a lot of work that needs to be done to get ready for this, but Stone Parker and Russ Green have been working hard and I'm sure that we'll be ready. If you have any questions about handicapping, please con-

tact either Stone Parker, (740) 246-4239, or me, (740) 928-1763. The second change will be the addition of a one-design class to our regular races. Governor Tom Shain and Jason Comstock have been working to recruit other Flying Scot sailors for our Club. Hopefully, we'll be able to get three boats on the line regularly so that they can compete, along with the Cruising class, for the Lambrecht Cup. It would be really exciting if we have to do a sail-off between class champions this year.

Things are coming together for Junior Sailing as well. I am pleased to announce that this year's Junior Racing Team will be coached by Stone Parker and Brett Pfahl. Brett joined BLYC last spring and has jumped right into Junior Sailing. He's got some great ideas and his enthusiasm is contagious. Stone has been a major part of the growth the program's seen in the past couple of years. With the two of them together and plenty of support from the membership, our Juniors should have a great year.

Junior Sailing camp dates have been set and are somewhat different than in the past. This year, we will run two week-long camps in June. The Beginner camp will be the week of June 18-22. The Intermediate camp will be the week of June 25-29. If these two weeks fill up, we will add another week of Beginner camp in late July. Advanced camp this year will not be a week-long experience, but instead these Juniors will meet on five Tuesday evenings throughout the summer. We are calling the advanced camp "Racing Camp" this year. The focus will be on boat speed, racing rules, and tactics. The Racing Camp will meet on June 12, 19, & 26, and July 3 & 10 from 5:00 p.m. until dark (about 9:30). The cost for camp this year will be the same as in 2000; \$160 per session for children and grandchildren of members, \$175 for non-members. Juniors participating in camp should be at least 9 years old and know how to swim. (We are currently working on putting a "mini-camp" together for 5-8 year olds in Optimist sailboats.

More details on this will be coming.) All participants must fill out a registration form and have the attached medical release signed by their parent or legal guardian. Early registration is appreciated as this will allow us to determine as soon as possible if there is a need for a 3rd week. Camp will be staffed again this year by the world-class team of Tracey Davis and Stone Parker along with members of the BLYC Junior Race Team. I'll be there too, but they're the real miracle workers of Junior Sailing at BLYC!

As always, I'm looking for volunteers for the Race Committee. This year, we have asked that each skipper provide

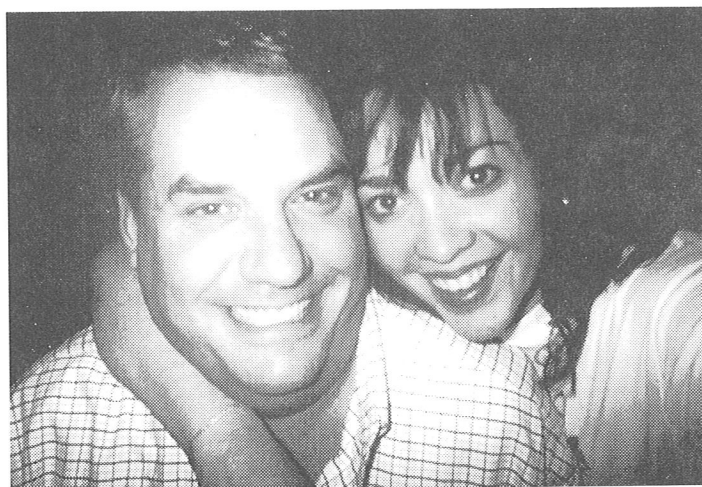

Race Committee at least one Sunday during the season. Most skippers signed up for a Sunday at the Snowball this past fall. I'll get that list together and get it posted at the Club soon.

I'm sure that, like me, you've all got cleaning and tuning to do on your boats. So put down the Log – there's less than 6 weeks until the first race!
