

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

May, 2001 - Vol. 11 Issue 5

Commodore Nick De Santis

Dear fellow BLYC members, May is the beginning of a beautiful time of year in Ohio and especially at the BLYC. I urge all of our members to take full advantage of our Club's facilities and events. One of those events of special note is the Commodore's Ball on May 19. Please remember to make your reservations early as this is our premier social soiree and we don't want anyone disappointed. Vice Commodore Shriner and Jane are eagerly awaiting your response.

Something new we are doing this year is "BLYC Night" at Scioto Downs on May 24. The Club will be closed that day so that everyone can attend this unique event. We hope that all our members will show their unique horse sense and pick nothing but winners. Former Commodore Ballenger has worked with our entertainment Gov-

ernor John Geiger to make this truly an unforgettable night for all of us. Please try to make this one as it will be a great time to socialize with your fellow members in a totally different way.

Sailboat racing starts on Mother's Day. Nothing is more scenic than watching our BLYC sailors on the lake while enjoying dinner at the yacht club with mom. Again make your reservations early as this is one of those busy days and we all want mom happy! Governor Harris has assured me that the weather will be beautiful and Vice Commodore Shriner tells me the food will be great, so make your plans early!

The pool opens May 26 and we will be having some special events that weekend to start the summer season right. Please see Governor Geiger's article for more information. I don't want to be a spoilsport but please remember to obey all pool rules and especially to watch all the little ones who are so dear to us all. Their safety is our utmost concern and we must all do our part to ensure another safe summer at the BLYC.

On Memorial Day, we will dedicate the new docks at Eastport. Plan to attend as this is truly an important event in our Club's long history and commemorating this achievement will be extra special! There have been quite a few changes on the grounds for the new summer season and the Board and I hope you notice and appreciate them. I would like to thank all those whose hard work has made them possible. I would forget someone if I tried to name them all so just let me say thank you and rest

assured that I know who you are!

See you at the Club,

P.S. Happy Mom's Day to all moms!

Bar & Kitchen

Wel-
come
to the

Month of May and the flowers and wonderful green grass. I was Commodore, I thought I was, no, Commodore for awhile, no, Commodore for a day, no, Commodore for an hour, no, as it were, I was Commodore for a few minutes until I finished reading Commodore Nick De Santis resignation Log article and realized that it was an "April Fools" Joke. His sense of humor never ceases to amaze me. I'm sure Michelle will agree. How many members didn't finish his article before they were on the phone wondering what was happening, after they saw the Log headlines. Way to go Commodore De Santis! Your April Fools Joke is right up there at the top of my list.

Easter Sunday dinner at the BLYC was wonderful, thanks to David, Hans, Charles, Chuck and the staff. The food was outstanding! We had sixteen in our group and they all enjoyed their meal and dessert. We had 250 reservations for the day. Again great effort by David

Vice Commodore
Jim Shriner

and his staff.

Congratulations to Governor John Geiger and his continued great effort with entertainment. We've had a really great winter social calendar and the latest "New York Nights" was also a treat. Please refer to Governor John Geiger's article about up-coming events, especially the very formal Commodore's Ball on Saturday, May 19th. Please make your reservations ASAP,

Thanks to Governor Dan Knaul on the new stage deck for seeing that project to completion. Thank you to Commodore Frank Foster, IV for another great job on the construction of the stage. Now we won't have to set up and tear down the stage for each summer event.

Our thoughts remain for Faye Lemmon and Governor Don for Faye's speedy recovery from her surgery. As always I hope you are enjoying the many activities at BLYC as much as Jane and I do and I look forward to seeing you at the BLYC.

J. Hirsch

Entertainment

Again, I want to thank everyone who has attended our winter parties and taken advantage of Friday evening entertainment. The St.

Governor John Geiger

Patrick's Day Party and the Beach Party both exceeded attendance expectations. We did survive the winter, and even had a little fun. The Majesties (St. Pat's), and the Paul Clark Band (Beach Party) will be back this summer as follows:

(Mark Your Calendars Now!)

June 16, Commodore's Steak Fry
Paul Clark Band

June 30, Animal House Toga Party
(featuring continuous music, diner &

cocktail music with Jimmy Harris, contests, and the expanded new Majesties Show Band)

July 7, Moonlight Swim and Pool Party
Paul Clark Band

August 11, Luau
Majesties

A special thanks to Ed Levison for providing the staff with St. Patrick's Day t-shirts, See last month's (April) Log for a picture. The look really added to the party.

Western Night featured the LA Dancers and our own Nellie Shanner. Those who attended were treated to a line dancing demonstration, lessons and a show. The LA Dancers have appeared internationally and throughout the United States. Thank you Nellie, nice job (dancing and making arrangement)! Following the line dancing, Retro Rockit played a set of country favorites, ending the evening with classic rock and oldies featuring two female singers and an extensive and varied song list. A big thanks to Hirsch and Elizabeth Adkinson for bringing their saddle which added to Kris' western decor. Kris has done a great job coordinating decorations for the past couple of months.

Retro Rockit will be back to open our pool and pool bar on Sunday May 27th thanks to Elizabeth Adkinson's generosity. Guess whose birthday, see you there!

Looking back to the Beach Party, our costume prize runners-up were Steve and Terri Beck, and Dan Knaul and Terry Gatton. Our first prize winner was Zenna Sayre. Congratulations! Prize winners received certificates for the purchase of Auxiliary display case items or apparel. **Don't forget the new BLYC throws!**

Membership & Directory

To all my fellow BLYC members, I hope you're all enjoying our spring weather. The end of April went out with a great turn

out for our first Rush party coordinated with the Ice Breaker, "New York Nights," along with the Club getting ready for our season with Spring Work Day sprucing up.

Our Club Directory has finally come in with a long and continuous update of the Membership Roster section. Members will be able to pick up their copy at the Club through May. The balance will be mailed out to members who did not make it in during May.

There has been some questions on the subject of "Non-Resident." From the BLYC By-Laws in Section 6, they are: "Only persons residing outside a radius of seventy-five miles from the Club premises and NOT temporarily residing with in the aforesaid radius for more than EIGHT weeks during the fiscal year, each of whom must be at least twenty-one years of age; and is entitled to the same privileges as those of an Active Member excepting Electoral Privileges." If any members have any other questions on this matter please feel free to call me.

During our April Board Meeting, Membership had the second reading on Jon and Lisa Ricker.

Jon and Lisa Ricker

Governor Mark Russell

Jon's sponsors were Frank S. Benson III and Mark Russell. Lets make Jon and Lisa feel at home at the Club.

June 16th is the date for our second Rush Party. This party will be coordinated with our annual Commodores Steak Fry. Remember you don't have to wait for a Rush party to bring in good potential members to enjoy our fine Club. If anyone has questions on new member applications or needs help with sponsors, please don't hesitate to call me 614-239-0143. Thanks and see you around the Club.

Mark

The Auxiliary

Secretary Sue Harris

The Auxiliary met April 12, 2001 in the fireplace room, 15 members were present. We enjoyed a great Salmon or Chicken Salad dinner and Hans' wonderful Key Lime pie. After dinner we were entertained and informed by Chance Brockway's slide show on the history of Buckeye Lake Park. It was a stroll down memory lane for some and a chance to see what the park was for those who weren't around then.

The May 10th meeting will have a presentation by Gus Schell on the ILYA and BLYC's participation in it. Dinner will be Ham Loaf, Au Gratin Potatoes, Salad, and Pineapple cake. Make your reservations early and please bring a prospective member or a current member who hasn't been active lately. We need everyone's help to make this organization work.

June 14, our meeting will be a tour of the bog. Spouses are invited. Make your reservations early as we are limited to 50 people.

Don't forget to purchase your BLYC throw. They are wonderful and our major fund raiser for the year. See Mimi Geiger, Terri Gatton, or Michele De Santis to purchase throws or other items from the Showcase.

Race, Regatta, & Jr. Sailing

It's time again, the season's about to start.

The first race for the 2001 season is May 13. Things are off to a good start and it should be a great season

Governor Steve Harris

at Buckeye Lake! As most of you know, the ISAF updated the Racing Rules of Sailing again this year. The only major change that will affect us at BLYC is the new starting sequence. Details on the new starting sequence can be found at http://ussailing.org/racemgt/new_starting_system/index.htm

We will begin the 2001 season races at 2:00 p.m. on May 13. Please arrive early so that we can properly review the new starting rules prior to the first race. As always, the first race will begin promptly at 2:00 p.m.

The Junior Program is off to a great start again this year. Please get your registrations for Junior Sailing Camp in ASAP as registrations are filling up fast. This year, we are fortunate to have many BLYC members involved with Junior Sailing; Stone Parker, Tracey Davis, Brett Pfahl, and Steve Harris will all be involved with our "Learn to Sail" program along with members of the 2001 Junior Race Team. Additionally, I would like to recognize Brett Pfahl for his work on the "24-hour Thistle Challenge" to be held on June 23-24 this year. Brett and his crew will sail 24 hours to raise monies for our Junior Sailing program. Please support Brett and his efforts in helping to provide BLYC with one of the greatest Junior Sailing Programs in the I-LYA.

It's going to be another great year for Sailing at BLYC – Make sure that you are involved!
