

Buckeye Lake Yacht Club

FROM THE BRIDGE ☆☆☆

June, 2001 - Vol. 11 Issue 6

Commodore Nick De Santis

Dear fellow BLYC members, I hope that all of you who attended the Commodore's Ball enjoyed it as much as Michelle and I. We both thank Jane and Jim Shriner for the excellent job they did in planning this special event. It was superb! The entertainment provided by Governor Geiger was great and our staff, headed by David (spurred on by Hans and refreshed by Chris), did another fantastic job.

I would also like to thank fellow member, Fr. Mike Gribble, for the dock dedication and blessing of the fleet ceremony on Memorial Day. It was another memorable day at the Club. Thanks, Mike!

June begins the really busy time at the BLYC. Our sailors extend a challenge to all new members to show their stuff on Sundays at 2 p.m. Show up and

they will teach you the ins and outs of our lake. Juniors should be registered for sailing camp. Please see Governor Harris' articles for information on this great experience available here at BLYC.

I will be helping our Commodores grill steaks. So make sure you join us on June 16 for a special deal on steak, planned by Commodore Mike Jacobs. It is always a fine event and I promise I won't break my nose again!

The last event on the calendar is new this year. On June 30, we will have our first Special event. In keeping with popularity of the movie *Gladiator* and the *Animal House* atmosphere that sometimes prevails here at BLYC, we are having a toga party!! Toga, toga, toga! This should really be fun so come dressed and ready to party! Prizes will be awarded for best dressed, undressed and over dressed? I hope the weatherman will cooperate as togas aren't known for warmth. You know you ought to come just to see me in a toga!!

Looking forward to a great summer at the BLYC,

See you at the club,

P.S. Happy Father's Day!

P.P.S. Thanks, Howard and Tim for all your membership recruitment efforts. I will comp your rooms at the new Holiday Inn as I personally know the night manager!!

Bar & Kitchen

Welcome to the

month of June and summer at the Club. We had a wonderful Commodores Ball and a great turnout of Commodores. Fifteen Commodores

were present for the black tie affair. Those in attendance were Commodore Chris Lambrecht and Margene, Gus Schell and Martha, George Fisher and Marty, Gail Roshon and Norma, Frank Foster III and Sandy, Mike Jacobs and June, Jim McBride and Maxine, Al Wing and Linda, Steve Schilling and Connie, Marque Debenport and Phyliss, Fred Wright and Ruth, Frank Foster IV and Andrea, Tim Maite and Martha, Howard Clark and Rosa, and Nick De Santis and Michelle.

The Club was decorated in Red, White and Blue by yours truly, Jane, Michelle and Commodore De Santis and the flowers were provided by De Santis Florist. The Red White and Blue goes along with the flag officers' colors as they progressed to Commodore. There were some one-hundred and twenty in attendance. As always, David and his staff did a great job and Chef Hans and his staff, Charles and Chuck, provided another wonderful meal. I want to thank my wife Jane for doing a great job procuring the decorations and Commodore De Santis and

Vice Commodore
Jim Shriner

continued next page

Michelle for providing the beautiful flowers, the corsages and boutonnieres for the Commodores and their spouses.

Each Commodore was recognized for the year he served and the theme was "Baseball" and "the Boys of Summer." I want to thank Governor John Geiger for scheduling the group, "Montage," as the entertainment. They do a wonderful job. The group is lead by Mike Rowan. Please refer to Governor Geiger's article for upcoming events at the BLYC.

Mother's Day dinner had a turnout of some two-hundred and ten people and don't forget Father's Day on Sunday, June 17.

The Blessing of the Docks took place on Memorial Day and was planned by Governor Dan Knaul and member, Father Michael Gribble, performed the ceremony. I want to thank Commodore Frank Foster IV for another great job. The new docks will be a welcomed addition to the BLYC.

As always, I want to remind you to make reservations at the Club by contacting David at 929-9941 so they can plan for events and the dinners. Please take advantage of your membership and enjoy the activities. I look forward to seeing all of you at the BLYC.

J. Shriver

Entertainment

Hold on to your sails!

Our BLYC summer season is here! Entertainment and special dining was successfully expanded this winter. How-

ever, in the back of everyone's mind was summer. Wait no longer, take advantage of our traditional summer slate of fun, food and beverage, comradeship, and entertainment. Mark your calendars now! Those of you who were fortunate

Governor John Geiger

enough to have spent the winter in warmer climates, or prefer taking advantage of membership during the summer months, will find that we have gained momentum while you were away. Welcome back!

Thanks to the efforts of our staff and Vice Commodore Shriner, we do not have to "gear up" our Bar and Kitchen to get ready to serve you this summer. Food and service have been great all winter and we're ready now!

As most of you know, our entire bar and kitchen operations budget is dependent upon having well attended parties and events during the summer. Monies are allocated each year to support entertainment. The annual entertainment budget is established (supported by your dues) to subsidize the cost of bands, decorations, fliers, and other costs associated with entertainment. However, during the summer two "special events" are planned that are not subsidized by the budget. These two events (in addition to the Antique and Classic Boat Show) are designed to be self-supporting, which means that we must sell tickets to cover costs including bands, table and chair rentals, security, decorations, etc. We plan these two events with the anticipation of greater attendance as a result of their uniqueness and the enhanced level of entertainment that is provided.

To summarize, entertainment expenses are not included in what you pay for budgeted entertainment functions summer or winter, (prices reflect bar and kitchen costs only); however, entertainment expenses associated with our two special events must be offset through the sale of tickets. Special event ticket prices are established at a projected break-even point, based upon costs and attendance.

Our two special events this year are the Animal House Toga Party on June 30th, and the U.S.O. Night at the Crystal Ballroom on July 14th.

In addition to band and party entertainment, don't forget our Junior Sailors and Sunday afternoon racing. Governor Harris has worked diligently all winter in preparation for this year's BLYC sailing season. If you are a sailor help make it happen; if you are not, sailing should be part of your entertainment plans as a supporter and spectator.

Now after all of that "business stuff" let the fun and summer begin!

See you at the Club,

Membership & Directory

To all my fellow BLYC

members, Spring has brought a lot of activity around the Club. First, we need to welcome back all of our members that have been away all winter and seem to start showing up around mid-May as we start to really warm up. Secondly, seeing our Club's grounds replanted and mulched looks so nice. Along with the pool area open and the addition of our new stage deck

Governor Mark Russell

(or, should we say the new adult sun deck?) We also see a lot of activity with new member applications and I have had pleasure of processing many.

Since becoming Membership Governor, I have to say that all the new members from last fall and the present members that are under application, this Club continues to draw some of the greatest people. I am proud that the Club has received so many compliments from everyone.

In our May 17th Board meeting, there was second reading on two new members.

First, I would like to introduce Richard and Julie Hughes. They had David Pennington and Stephen Koff as their sponsors.

Secondly, I would like to introduce Richard and Darla Wieber, who had James C. Thompson and Michael Diamond as their two sponsors. Please welcome these new members to BLYC and make them feel at home.

As a reminder, our next Rush party will be coordinated with our upcoming Commodores Steak Fry on June 16th. This yearly event is always a good time and good food. Feel free to bring guests to the party before the main activities, and join us in the Commodores lounge.

We'll have cocktails and some hors d'oeuvres from around 5:00 to 6:00 p.m. before the evening gets going.

Remember, you don't have to wait for a Rush party to bring in good potential members to enjoy this fine Club. If anyone has questions on new member applications or needs help with sponsors, please don't hesitate to call me 614-239-0143. Thanks and see you around the Club.

House & Grounds

The house and grounds area has been a beehive of activity as the summer season is upon us.

We had a very successful work day

Rear Commodore Jim Thompson

and our thanks go to:

Dan Knaul, Terri Gatton, Tom Campbell, Molly Campbell, Ken Marshall, Tom Churches, Brigitte Churches, Stone Parker, Bill Baker, Jim and Barb McFall, Don Day, Jim McBride, Tim Maite, Susan Fitzpatrick, Ilkka Aro, Dennis Mingyar, Nick De Santis, John Geiger, Mimi Geiger, Ray Kent, Ruth Ann Kent, Fred Wright, Trig Gamble, Bob Snow Jr., A.J. Campbell, Tom Heisey, Mike Jacobs, Emil Klein, Jim Shriner, Bill, Barbara, and Billy McIntyre, Mark Russell, Ryan Russell, Dewey Albright, Jason Comstock, Tom and Cherry Shain, Jim Thompson, Becky Thompson, Walter Grubb, Larry Cowan, Frank Foster IV, Brett Pfahl, and Nathan Cowan.

Our proudest new addition is the new bandstand which we think will widen our area of participation and make playing in the band not quite as dangerous as it was before. It will certainly save the backs of many of the members in removing and reinstalling the other bandstand. *continued next page*

In addition, the deck at the pool was completed, the reinforcement of the pool wall was finished, the front porch trim was painted, the chimney at the back of the building was repaired, and numerous smaller items were taken care of.

Two items remaining to be done: new cement in the area from the bridge to the steps and the repair of the steps and carpet there.

If you see other problems that need the Club's attention, please bring them to the attention of David or myself, or any members of the Board.

Have a good summer!

Jim Thompson
